Fans of Junie B. Jones

and Ivy and Bean will
love this new story
about the spunky little
rascal with big ideas.
The star of Dory
Fantasmagory is
heading to school. Her
older siblings, Luke and
Violet, warn her to
leave her imaginary
friend, Mary, at
home—or better yet,
leave her whole
imagination at home!
Dory is determined to
behave like a “regular
old girl who never gets
in trouble,” but on her
very first day she

meets a new friend, a girl whose imagination and style are just about as wild as her own. Now she just has to convince her siblings that she's not making it all up! Filled with plenty of funny pictures, this book bursts with charm and impudence, making this a must-read for the chapter book set.

"Dory is as likable a kid heroine as I've encountered in a decade." -The Boston Globe * "Once again, Hanlon's hilarious narration and cartooning reveal an uncanny talent for getting into the mile-a-minute mind of a one-of-a-kind girl."

Leprechaun in Late Winter Walker Books Limited

It's Christmas Eve, and Rita and Whatsit, the dog with no name, are writing their present wish list (Whatsit doesn't want much, only a hundred or so essential items), decorating the tree and putting out the stockings. Nothing can possibly go wrong, until Whatsit hears a noise downstairs!

Christopher Nibble
loves munching
dandelion leaves. And
he's not alone. All the
guinea pigs in
Dandeville eat
dandelion leaves for
breakfast, lunch and
dinner. But no-one
seems to do anything
when the dandelions
begin to dwindle. They
just carry on
munching. In fact the
guinea pigs of
Dandeville are heading
for eco-disaster . . . But
that's where
Christopher Nibble
steps in. He discovers
the last dandelion
growing outside his
bedroom window and,
rather than eat it, he
does his horticultural
research in the library
and then nurtures the
dandelion patiently
until it has produced a
perfect head of tiny

seeds. Then he blows
the seeds from a hill
high over Dandeville so
that each dandelion
seedling takes root and
grows into a new plant.
Charlotte Middleton

Enhanced eBook: Poop!
Ewwww! No, don't say
"Ewwwww." Ask, "Whose
poop is that?" This
simple, and yes,
charming book asks
this question about
seven examples of
animal poop. By
investigating visual
clues, young readers
can learn to identify
the animal through its
droppings. For

instance, find a sample of poop with bits of bone and tufts of hair. Turn the page to learn it came from a fox! Kelsey Oseid's illustrations are both accurate and beautiful. Backmatter includes further information about the poop and what scientists can learn from an animal's droppings. From the Hardcover edition.

**Dory Fantasmagory:
The Real True Friend**

Penguin

In this delightful little volume, Honoré de Balzac, the renowned 19th century French novelist and playwright, takes readers on a short fantasy journey to the mystical island of Java where he - or rather the narrator - encounters a deadly poison-breathing tree, civilized monkeys, a

love-sick sparrow, and the epitome of Oriental desirability of the day - the women of Java.

Christmas with Rita and Whatsit Random House Books for Young Readers

The Little Princess needs to rescue her space-hopper from the apple tree, but she is just not tall enough!

The only solution is to grow, so she sets about doing all the things that should make her bigger.

Unfortunately nothing seems to help. But when her baby cousin comes to visit she realizes that maybe she's not that small after all . . .

A great reissuing of a perennially popular split-page book inviting children to howl with laughter at the fantastic and fantastical food

concoctions they create. Do you like ketchup on your cornflakes? Tying in with Nick Sharratt's position as official illustrator for World Book Day 2006, this larger format edition, with its best cover yet, will ensure KETCHUP's continuing longevity. Problems, Problems, Problems Kids Can Press Ltd

A story of growth and change (and tomatoes!). In an ordinary garden full of flowers and plants, some creatures have made their homes above the ground, while others live below it. Everybody lives happily. Until one day, a new seed arrives, which sprouts into a plant. And as the plant grows (and grows, and grows), its stalk and leaves get in the way

of those who live aboveground, while its roots disrupt those who live below. It is a huge problem. So, the garden's residents decide that it must be chopped down. Unless ... wait! What's that growing on the plant? A multilayered (and multilevel!) tale that's worth digging into! I Want to be Tall!

Penguin

Beautiful, warm illustrations combine with simple, appealing words in this ideal first introduction to more than thirty of the most beloved Bible stories from the Old and New Testaments, perfect for reading alone or for sharing aloud with the youngest children.

Bug in a Vacuum

Simon and Schuster
Amber Brown wants a watch for her seventh birthday more than

anything else. She knows she will feel more grown-up when she can see what time it is whenever she wants. Also, she will always know exactly how late Justin Daniels, her best friend, is. He is a great best friend, but Amber is getting tired of waiting for him all the time. She wants to live on Amber Time, not Justin Time!
