COLEMAN TAYLOR

Harpo Speaks! Open Road Media

The fourteen spellbinding stories in Michelle Ross's second collection invite readers into the shadows of social-media perfectionism and the relentless cult of motherhood. A recovering alcoholic navigates the social landscape of a toddler playdate; a mother of two camps out in a van to secure her son's spot at a prestigious kindergarten; a young girl forces her friends to play an elaborate, unwinnable game. With unflinching honesty and vivid, lyric prose, Ross explores the familial ties that bind us together-or, sometimes, tear us apart.

Best Practices Of Ink and Pearls

"A delightful and entertaining book about one of America's greatest humorists."—Seth Meyers This "absorbing, illuminating" (Jon Meacham) biography of the legendary political humorist reveals the life behind his must-read Washington Post columns, featuring never-before-published photos, documents, and interviews. Before Jon Stewart, Stephen Colbert, Trevor Noah, and Doonesbury, there was Art Buchwald. For more than fifty years, from 1949 to 2006, Art Buchwald's Pulitzer Prize-winning column of political satire and biting wit made him one of the most widely read American humorists and a popular player in the Washington world of Ethel and Ted Kennedy, Ben Bradlee, and Katharine Graham. Dean Acheson, former U.S. Secretary of State, called Buchwald the "greatest satirist in the English language since Pope and Swift." Drawing on Buchwald's most memorable columns and unpublished correspondence with other famous people, *Funny Business* shows how Art Buchwald became an American original. Like Mark Twain, Dorothy Parker, and James Thurber, he satirized political scoundrels, lampooned the powerful, and "worshipped the quicksand" that ten presidents walked on, as Buchwald joked. "The key to Buchwald's style of humor, he once stated, was to "treat light subjects seriously and serious subjects lightly." But there was a darker, more serious side to Art Buchwald. A childhood spent in foster homes taught him to see comedy as a refuge. Buchwald also struggled with depression, a secret he kept from the public for nearly thirty years. This revealing book is studded with stories of Buchwald's friendships with Humphrey Bogart,

John Steinbeck, Irwin Shaw, William Styron, Erma Bombeck, Frank Sinatra, Adam West ("Batman"), Robert Frost, and others. Throughout his career, Buchwald wrote about such historical events as the Vietnam War, the assassinations of John and Robert Kennedy, Watergate, and the 9/11 terrorist attack. Featured here are stories of Buchwald's nonstop one-liners, known in his day as "Buchshots." Entertaining and absorbing, *Funny Business* looks back on Buchwald's brilliant gift for humor and satire, which will once again bring readers a comedic respite from troublesome times.

Twenty years ago the very first For Dummies book, *DOS For Dummies*, was published. From that first printing of that first book came a series unlike anything in the publishing world, one that is global in both geography - we have been published worldwide in some 30 languages - and in coverage. No single volume can hope to summarize what thousands of titles have meant to millions of readers over the years, and we don't claim to do that in this e-book. Rather, this e-book celebrates the breadth and depth of the For Dummies series, offering 20 chapters - in honor of our 20 years - from a list of books compiled by our global colleagues. We are confident the chapters we've included give you a representative glimpse at why - no matter what the topic - our products have meant so much to so many by Making Everything Easier. We've grouped our chapters into five main parts: Part I: *Dummies Classics*, offers four chapters from some of our best-loved books. There's a chapter from *DOS For Dummies*, the book that started it all, and chapters from two of our best-sellers: *Windows 7 For Dummies* and *Sex For Dummies*. And just for a bit of spice, we've included a chapter from *French For Dummies*. Part II: *Daily Dose of Dummies*, offers the kind of lifestyle, self-help, and business skills that our readers have come to treasure. There's one of our famous Part of Tens chapters from *Cognitive Behavioural Therapy for Dummies* and a chapter from *Meditation For Dummies* to help you get your center. Chapters from *Leadership For Dummies* and *Marketing For Dummies* help you develop new skills for the marketplace. Part III, *Fun with Dummies*, celebrates life and all it has to offer. We've got chapters here from *The Royal Wedding For Dummies*, *Guitar For Dummies*, *Digital Photography SLR All-in-One For Dummies*, *Puppies for Dummies*, *Knitting For Dummies*, and *Wine For Dummies*. Part IV, *Get Social*, highlights how we help you grow and develop new skills. Chapters here come from *Facebook For Dummies*, *Social Media Marketing For Dummies*, and *Dating For Dummies*. Part V, *Going Global*, shares the worldwide appeal of the For Dummies series. These chapters from *British History For Dummies*, *Canadian History For Dummies*, and *Rugby Union For Dummies* were created by our global colleagues and authors and show how the For Dummies approach applies not only to whatever the subject is at hand, but also wherever the discussion is taking place.
