**The Handbook for Spiritual Warfare**

Hyweb Technology Co. Ltd.

This book on counseling and the demonic by Dr. Rodger Bufford is part of the notable Resources for Christian Counseling series, a series which seeks to combine the best insights from psychology with strict adherence to biblical truth.

[Why Catholic Bibles Are Bigger](#)

Bloomsbury Publishing

New York Times best-selling author Jentezen Franklin is back with a message that will inspire you to break free and reclaim a life of passion, purpose, and praise.

**Pigs in the Parlour** Charisma Media

From the Scriptures, Lester Sumrall shows that we can wage war on the devil and that we can win through the power given to us by Jesus Christ! In this book, you will learn how to: Obtain overcoming faith Use the weapon of prayer Access the Holy Spirit's power against Satan Be

set free of demonic oppression Have complete freedom from disease Sumrall's encouragement for the church today is that the children of God have already won. Christ is on our side, and we have might weapons to use in the battle. With this knowledge, you will find that you are more than a conqueror. *Exorcism and Deliverance Ministry in the Twentieth Century* Charisma Media Dr. Sumrall's over fifty years of intense biblical study and dealings with demonic situations from over 100 nations of the world made him an expert on the subject. He teaches the reader how to recognize and deal with these destructive evil forces. His matter-of-fact manner dealing with this subject encourages and empowers Christians to enjoy the abundant life of Christ.

Seductive Spirits Whitaker House Pentecostalism, Africa's fastest-growing form of Christianity, has long been preoccupied with the business of banishing demons from human bodies. Among Ghanaian Pentecostals, deliverance is primary among the embodied, experiential gifts—a loud, messy, and noisy experience that ends only when the possessed body falls to the ground silent and docile, the evil spirits rendered powerless in the face of the holy spirit-wielding-prophets. And nowhere is Ghanaian Pentecostal obsession with demons more pronounced than with sexual demons. In this book, Nathanael Homewood examines the frequent and varied experiences of spirit possession and sex with demons that constitute a vital part

of Pentecostal deliverance ministries, offering insight into these practices assembled from long-term ethnographic engagement with four churches in Accra, the capital of Ghana. Relying on the uniqueness of the Pentecostal sensorium, this book unravels how spirits and sexuality intimately combine to expand the definition of the body beyond its fleshy boundaries. Demons are a knowledge regime, one that shapes how Pentecostals think about, engage with, and construct the cosmos. Deliverance Pentecostals reiterate and tarry with the demonic, especially sexually, as a realm of invention whereby alternative ways of being, sensing, and having sex are dreamed, practiced, and performed. Ultimately, Homewood argues for a distinction

between colonial demonization and decolonial demons, charting another path to understanding being, the body, and sexualities.

Power Encounters Crossway

What are angels like? How many kinds are there? Are mental disorders caused by their influence? Long favored by scholars, this classic has now been rewritten to give us accessible scriptural answers to our questions about the spirit world.

**Angels to Help You** Moody Publishers

The truth about demons is far stranger—and even more fascinating—than what's commonly believed. Are demons real? Are they red creatures with goatees holding pitchforks and sitting on people's shoulders while whispering bad things?

Did a third of the angels really rebel with Satan? Are demons and "principalities and powers" just terms for the same entities, or are they different members of the kingdom of darkness? Is the world a chaotic mess because of what happened in Eden, or is there more to the story of evil? What people believed about evil spiritual forces in ancient biblical times is often very different than what people have been led to believe about them today. And this ancient worldview is missing from most attempts to treat the topic. In *Demons*, Michael Heiser debunks popular presuppositions about the very real powers of darkness. Rather than traditions, stories, speculations, or myths, *Demons* is grounded in what ancient people of both the Old and New Testament eras

believed about evil spiritual forces and in what the Bible actually says. You'll come away with a sound, biblical understanding of demons, supernatural rebellion, evil spirits, and spiritual warfare.

*How to Cast Out Demons and Break Curses* Baker Books

"Witchcraft" and exorcism have long been dominant features of life in African cultures. This unique book provides a thorough, field research-based description and analysis of a specifically Pentecostal Christian response to these phenomena within the Akan culture of Ghana. Anthropological studies generally claim that the ultimate goal of exorcism is modernisation. Using interdisciplinary studies with a theological focus, the author takes a different view, arguing

that it is divinatory consultation or an inquiry into the sacred and the search for meaning that underlies the current "deliverance" ministry, where the focus is to identify and break down the so-called demonic forces by the power of God and to "deliver" people from their torment. The deliverance ministry is one attempt to contextualise the gospel for African people. However, preoccupation with demonisation and exorcistic practices is found to bring Christianity into tension with the Akan culture, family ties and other religions. In order to develop a properly safeguarded ministry of exorcism in an African context, the author examines contextualisation and suggests the integration into African Christianity of divinatory consultation, which has strong resonances with the

biblical concept of prayer.

**The Spirit of Python** Catholic Answers Press

This contemporary classic by renowned scholar Gordon Fee explores the Spirit's significant role in Pauline life and thought. After Fee published his magisterial *God's Empowering Presence*, he was asked to write a more accessible volume that would articulate Paul's priorities for experiencing the life of the Spirit in the church. Fee's bestselling introduction to Paul and the Spirit, *Paul, the Spirit, and the People of God*, went on to sell over 70,000 copies. This book by one of the greatest evangelical and Pentecostal New Testament interpreters of our time argues that the presence of the Spirit is, for Paul and for us, the crucial matter for the Christian life. This

repackaged edition features an updated design and packaging, new study questions, and a foreword by Dean Pinter, who commends the book to a new generation of readers.

**Revisioing John Chrysostom** Sumrall Pub

This study seeks to demonstrate that exorcism/deliverance ministry is an innately enthusiastic practice utilizing John Knox's classic study of Christian enthusiasm. The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades, through its heyday in the 1970s and 80s, on to creeping routinisation by the end of the century. Two enthusiastic settings, Charismatic and Evangelical Fundamentalist, are

identified and examined as the environment in which two related streams of exorcism/deliverance ministry was practiced. Finally, enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism/deliverance ministry. Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite. As a result important secondary insights are gained into the tidal nature of enthusiastic movements, the role of itinerant preachers in the propagation of enthusiasm, the routinisation of enthusiastic practices and the manner in

which enthusiasm overcomes institutional denominational boundaries. The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes, the relationship between exorcism/deliverance ministry and millenarianism and the practice of this rite within non-Western churches.

*Lectures in Systematic Theology* Moody Publishers

Exorcism is more widespread in contemporary England than perhaps at any other time in history. The Anglican Church is by no means the main provider of this ritual, which predominantly takes place in independent churches.

However, every one of the Church of England dioceses in the country now

designates at least one member of its clergy to advise on casting out demons. Such 'deliverance ministry' is in theory made available to all those parishioners who desire it. Yet, as Francis Young reveals, present-day exorcism in Anglicanism is an unlikely historical anomaly. It sprang into existence in the 1970s within a church that earlier on had spent whole centuries condemning the expulsion of evil spirits as either Catholic superstition or evangelical excess. This book for the first time tells the full story of the Anglican Church's approach to demonology and the exorcist's ritual since the Reformation in the sixteenth century. The author explains how and why how such a remarkable transformation in the Church's attitude to the rite of exorcism took place, while

also setting his subject against the canvas of the wider history of ideas.

### **What Demons Can Do to Saints**

Baker Books

Angels not only played an important role in biblical history, but they continue to intervene in people's lives today. Lester Sumrall offers scriptural answers to many often-asked questions about angels, such as: How can I personally be aided by angels? What are the characteristics of angels? Is a guardian angel assigned to each believer? Do children have guardian angels? How did angels help Jesus during His time on earth? Can I be victorious over evil angels? How can I be successful in spiritual warfare? You might not realize it, but your life is strongly influenced by angels. Find out how in this helpful,

easy-to-read guide. In a day of much misinformation about angelic activities, this book offers the truth about angels.

Letters on Demonology and Witchcraft

Chosen Books

Olson takes readers into the dark, secret world of the exorcist, revealing, from his own experience, how Satan ravages human souls and how victims can gain relief, peace, and wholeness through the exorcist's intervention. Olson demonstrates how exorcism can act as a devastating and overpowering weapon for Jesus Christ.

*Demonology and Deliverance* Wipf and Stock Publishers

The world's leading psychiatric authority on demonic possession delves into the hidden world of exorcisms and his own transformation from cynic to believer

over the course of his twenty-five-year career. Successful New York psychiatrist Richard Gallagher was skeptical yet intrigued when a hard-nosed, no-nonsense Catholic priest asked him to examine a woman for a possible exorcism. Meeting her, Gallagher was astonished. The woman's behavior defied logic. In an instant, she could pinpoint a person's secret weaknesses. She knew how individuals she'd never known had died, including Gallagher's own mother, who passed away after a lengthy battle with ovarian cancer. She spoke fluently in multiple languages, including Latin—but only when she was in a trance. This was not psychosis, Gallagher concluded. It was, in his scientific estimation, what could only be describe as paranormal ability. The

woman wasn't mentally disturbed—she was possessed. This remarkable case was the first of many that Gallagher would encounter. Sought after today by leaders of all faiths—ministers, priests, rabbis and imams, Gallagher has spent a quarter-century studying demonic activity and exorcisms throughout history and has witnessed more cases than any other psychiatrist in the world today. In this eerie and enthralling book, Gallagher chronicles his most famous cases for the first time, including: A professional who claimed her spiritualist mother had “assigned” her a spirit who “turned on her.” A petite woman—“90 pounds soaking wet”—who threw a 200-pound Lutheran deacon across the room to the horror of onlookers in a church hall; And “Julia,” the so-called Satanic

queen and self-described witch, who exhibited “the most harrowing” case, a “once-in-a-century” possession. Going beyond horror movies and novels, *Demonic Foes* takes you deep into this hidden world, sharing in full details of these true-life tales of demonic possession.

Rules of Engagement Harvest House Publishers

In *Revisioning John Chrysostom*, Chris de Wet and Wendy Mayer harness and promote a new wave of scholarship on the life and works of this famous late-antique (c. 350-407 CE) preacher. New theories from the cognitive and neurosciences, cultural and sleep studies, and history of the emotions, among others, meld with reconsideration of lapsed approaches – his debt to

Graeco-Roman paideia, philosophy, and now medicine – resulting in sometimes surprising and challenging conclusions. Together the chapters produce a fresh vision of John Chrysostom that moves beyond the often negative views of the 20th century and open up substantially new vistas for exploration.

**Counseling and the Demonic** Stanford University Press

Deliverance is an immense need that even today is largely sidelined in the church. The body of Christ needs more people trained in deliverance to carry out this vital, life-changing ministry. Rebecca Greenwood offers a fresh look into deliverance, but she doesn't stop at explaining what it is; she examines the deliverance ministry of Jesus, emphasizes the importance of team

ministry, and trains believers to confidently walk out their freedom. Full of inspiring stories of breakthrough, *Breaking the Bonds of Evil* will impart faith in the anointing that believers carry in deliverance ministry. Pastors, lay leaders, and deliverance ministers alike will find this powerful book invaluable in their ministries and in small group studies.

Ministering Healing And Deliverance

Thomas Nelson Publishers

The Lord Jesus intended for every person who believed in Him to do the works He did and even greater works (John 14:12). While God does have specific gifts, calling, and anointing placed on specific individuals with a ministry function in the Body of Christ, the power and authority to minister healing and deliverance is

given to every believer. The Lord desires to see every child of His, young and old, moving in the power of His Spirit, in the authority of Jesus' name, doing the works of the Father, so that people will know and experience the living Jesus in their lives! This book will equip you to minister healing and deliverance in Jesus' name! Watch our online Sunday Church service live stream every Sunday at 10:30am (Indian Time, GMT+5:30). Spirit filled, anointed worship, Word and ministry for healing, miracles and deliverance. *Names of God* W Publishing Group

Emotional strongholds come in all shapes and sizes—doubt, rejection, poor self-esteem, pride, stubbornness, a victim mentality, or defeatism. Which of these are you battling? Which ones are undermining your confidence and eroding your spiritual strength? Tearing down emotional strongholds so they no longer dominate your thoughts and actions can come only through an

intentional alignment of your thoughts with God's truth in the Bible. Join Dr. Tony Evans in examining key emotional strongholds and their corresponding biblical truths that you can declare and apply to bring victory into your life. *Breaking the Bonds of Evil* Lexham Press

This powerful book will add a new dimension to your prayer life and communion with the Lord and strengthen your relationship with God Almighty. Man's chief end and ultimate purpose is to know God, and this occurs through an unfolding revelation of who He truly is. Man's chief end and ultimate purpose is to know God, and this occurs through an unfolding revelation of who He truly is. Jesus Himself teaches us: "And this is life eternal; that they may

know thee, the only one true God" (John 17:3). In this inspired book, Benny Hinn shares marvelous insights the Lord has given him concerning the names of God. From Elohim (My Creator) through Jehovah Shammah (My Abiding Presence), you will learn to approach the Father with a growing, deepening love and reverence. In these twelve revelations you will understand the nature of an awesome God who is waiting to meet your personal needs. Perhaps you have been introduced to God through His Word, through His Son, or through His Spirit. Now you can know Him intimately through His names, which will bring power and meaning to your spiritual journey.
