Yoko Parallax Press  
The world's most  
talented beagle has  
found a new career - as  
a writer, of course! The  
literary ace works  
feverishly on his  
typewriter day and  
night, on top of his  
doghouse. And while  
Snoopy is busy writing  
the next great novel,  
the rest of the Peanuts

gang will try to get in  
on the action.

*Read to Your Bunny*  
National Center for  
Youth Issues

As the title "The Myth  
of German Villainy"  
indicates, this book is  
about the  
mischaracterization of  
Germany as history's  
ultimate "villain." The  
"official" story of  
Western Civilization in  
the twentieth century  
casts Germany as the  
disturber of the peace  
in Europe, and the

cause of both World War I and World War II, though the facts don't bear that out. During both wars, fantastic atrocity stories were invented by Allied propoganda to create hatred of the German people for the purpose of bringing public opinion around to support the wars. The "Holocaust" propoganda which emerged after World War II further solidified this image of Germany as history's ultimate villain. But how true is this "official" story? Was Germany really history's ultimate villain? In this book, the author paints a different picture. He explains that Germany was not the perpetrator of World War I nor World War II, but instead, was the victim of Allied

aggression in both wars. The instability wrought by World War I made the 1917 Bolshevik Revolution in Russia possible, which brought world Communism into existence. Hitler and Germany recognized world Communism, with its base in the Soviet Union, as an existential threat to Western, Christian Civilization, and he dedicated himself and Germany to a death struggle against it. Far from being the disturber of European peace, Germany served as a bulwark which prevented Communist revolution from sweeping over Europe. The pity was that the United States and Britain did not see Communist Russia in the same light, ultimately with

disastrous consequences for Western Civilization. The author believes that Britain and the United States joined the wrong side in the war.

Teach toddlers safe ways to express big feelings. Toddlers are still learning how to speak, socialize, and understand their emotions. It's common for them to react with their hands when they get frustrated—but hitting is never okay. *What to Do When You Feel Like Hitting* helps toddlers understand why hitting is not allowed and shows them how to react to their feelings with actions that are safe and kind. This illustrated entry into no hitting books for

toddlers features:

Alternatives to hitting—Kids will learn how to use "gentle hands" to squeeze a stuffed animal when they feel upset, scribble a picture to get out their frustration, and practice taking deep breaths to calm down. A light touch—The language is kid-friendly and positive, encouraging toddlers to understand and communicate their feelings, not just keep their hands to themselves. Engaging illustrations—Big, beautiful pictures help kids see the ideas in action and keep their attention on the page. Get the best in no hitting books for toddlers with a storybook that helps them learn empathy and compassion.

Informal Houghton Mifflin Harcourt Decibella is a loud talker. A really loud talker. She's so loud, she's hurting ears, startling wait staff, disrupting classmates, and annoying moviegoers. She doesn't realize different environments and situations sometimes demand a softer, quieter voice. That is until a caring teacher introduces her to the silly-sounding word "Slurpadoodle" and the five volumes of voice (Whisper, 6-inch, Table Talk, Strong Speaker, and Outside). Harrison P. Spader, Personal Space Invader Diana Pinkerton seems lonely. So his young owner goes to the pet show to find him a friend. She returns with a kitten named Rose,

who could be the ideal playmate for Pinkerton. But Rose has ideas of her own. She wants to be a Great Dane, and suddenly Pinkerton decides to start acting like a kitten. So Pinkerton, Rose and their owners go back to the pet show to seek professional advice, but what results is a crazy and comical adventure! "A zesty tale that is delivered with splendid flourish . . . Funny and well-paced [with] dexterous illustrations." (Booklist, starred review) *The Age of Napoleon* Ramsey Press Written by a former Roman Catholic of 37 years, Preparing Catholics for Eternity will greatly assist you to gently bring your Catholic friends to a correct understanding of the truth of

salvation??????????????

?????????????by faith  
alone, not of works!

Mike Gendron is very  
clear and methodical  
as he exposes the  
fallacies of Roman  
Catholicism.

Filled with anecdotal  
examples from actual  
professional  
experiences, Creative  
Interviewing shows  
how to turn interviews  
into writing that make  
scenes and incidents  
come alive in the  
reader's mind. Metzler  
offers step-by-step  
instructions on how to  
prepare for and  
conduct a good  
interview, how to  
obtain dramatic  
anecdotes from  
sources, how to cope  
with dynamics of a  
series of interviews

with certain topics.

A Handful of Quiet

Knopf Books for Young  
Readers

It's not fair! All Little  
Owl wants is to go to  
bed at a reasonable  
hour, like his friends  
do. But no . . . Mama  
and Papa say little owls  
have to stay up late  
and play. So Little Owl  
spends all night  
jumping on his bed,  
playing on the jungle  
gym, and doing tricks  
on his skateboard but  
he's hooting mad  
about it! Children who  
have a hard time going  
to bed will love this fun  
twist on the universal  
dilemma.

Shingaling: A Wonder  
Story Medmaster

Brian W. Foster makes  
his entrance into the  
literary world with  
"Blackened White", a  
first person account of  
life, love, faith, and  
pain. In this collection

of poems, essays, and short stories, Foster offers a series of brutally honest, often humorous, and profoundly ironic writings chronicling a journey into his own human condition. Using his unique style of prose and storytelling, we observe a young man wrestling with his faith in the midst of relationships, addictions, sexuality and the unending, relentless desire to be whole. Author and Grammy award winning singer Kevin Max says *Blackened White* "Prods the flesh with electrodes of hyper emotion, dangerous subtlety and purposefully mannered archaism". Likening it to an "Open House flier", Foster invites the reader along the journey with him

through this thought-provoking collection, which is sure to leave an indelible mark on the soul.

Penguin

"Let me tell you who I am, on the chance that these scribblings do survive. . . "I am Murgan,  
Standardbearer of the Black Company,  
though I bear the shame of having lost that standard in battle. I am keeping these Annals because Croaker is dead, One-Eye won't, and hardly anyone else can read or write. I will be your guide for however long it takes the Shadowlanders to force our present predicament to its inevitable end. . ." The Return of the Black Company comprises the novels *Bleak*

Seasons and She is the Darkness—the third omnibus volume of Glen Cook's fantasy epic Chronicles of the Black Company. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Perennial

In this sequel to "The Man Who Loved Clowns," it's only been two months since Delrita lost both her parents. Living with her Uncle Bert and Aunt Queenie isn't easy, and Queenie's father, Sergeant Roebuck, seems to deny Delrita's existence. It's not until a class project forces

Delrita to spend time with the sergeant that she begins to realize he may not be what he seems.

The mysteries of shadow knitting--a simple technique of alternating rows of dark and light yarn to produce a subtle patterning that appears and disappears depending on the angle from which it is viewed--are explored and refined here by a professional knitwear designer. The basic principles and techniques of shadow knitting are introduced through clear, well-illustrated instructions and are followed by spectacular projects that include winged shawls, squared bags, a matching cap and

scarf, vests, sweaters, and Japanese-style kimonos. Each project is accompanied by step-by-step instructions and beautiful photographs. Night Sounds, Morning Colors Disney-Hyperion Max's old blue overalls are disgusting, and Ruby has exactly enough money to buy him a new pair of pants. But what Max really wants is a ferocious, green dragon shirt. When the two get separated in the clothing store, the antics begin. Children will cheer as Max unwittingly outwits his bossy, older sister once again. "Another gleeful romp with a pair of unforgettable hares." -- Publishers Weekly

**Little Pie Company of the Big Apple Pies and Other Dessert Favorites** Capstone

Describes in rhyme a variety of fantastical creatures such as the blue-snouted Twumps, the pie-faced Pazeeks, and the fancy Fandangos. "Peet introduces a hilarious array of characters reminiscent of those who inhabit Dr. Seuss's books." -- Booklist

Turtle on a Fence Post Boys Town Press Parowan, Utah Territory - August 12, 1859 Two years after his mother and father were murdered in an attack on their California-bound wagon train, little Tommy Dunning crouches in an old root cellar, quivering with cold-and raw fear. Somewhere just above him, men are searching, army men who want to take him away from the only home he

remembers. The Last Orphan is the journey of a courageous five-year old and two strong women, each of whom believes God has chosen her to raise the boy in love and the "correct" faith tradition. Praise for The Last Orphan-"Lowder immerses the reader in the spectacular red-rock desert of what is now Southern Utah. It is 1859, a time of mistrust, polygamy, and a theocracy defended by armed militias. Your heart will go out to a five-year-old orphan boy trapped in the turmoil, and two indomitable women, each of whom claim him as her own." - David Nelson, writer San Francisco Chronicle, ret."Over the course of the novel, the author keeps up a quick pace,

even as he juggles many different characters in locales across the country. ... the book has a compelling premise at its center, and the story is alive with emotional truth." - Kirkus Reviews "A terrific story that examines a powerful range of human experience and emotions. I loved the authentic voices of a precocious little boy and the two women whose maternal love and undying beliefs will be tested to the end."- Karla M. Jay, author of When We Were Brave, a 2019 DISTINGUISHED FAVORITE, New York City Big Book Award. [It was a Dark and Stormy Night, Snoopy Max & Ruby and Twin Trouble](#) The Hassaikai crime gang, led by the young

boss Chisaki, has been working on a plan to distribute a Quirk-destroying drug. The key to this evil scheme is the young girl Eri, held prisoner in Chisaki's hideout. Nighteye asks other heroes to form a team to launch a rescue attempt—and the students of Class 1-A are going into the lion's den with them! But Nighteye, who can see the future, refuses to look at the fates of anyone on the mission... -- VIZ Media

Clinical Anatomy Made Ridiculously Simple

Hyperion

Kids will relate to Elizabeth's fervent wish to be called by her proper name.

*Noisy Nora*

Penguin

According to Dr. Mark Pimentel, Director of the Gastrointestinal

Motility Program at Cedars-Sinai Medical Center, the majority of IBS cases can be treated successfully. Dr. Pimentel believes that the root cause of most IBS symptoms can be attributed to an overgrowth of bacteria in the small intestine. A New IBS Solution takes you through the historical evolution of conventional medicine's view on IBS in a way that can be easily understood. In addition, Dr. Pimentel presents a simple treatment protocol that will not only help you resolve your IBS symptoms, but will also prevent their recurrence.
