ABBEY GRAHAM

[First Contacts in Polynesia - the Samoan Case \(1722-1848\)](#) HarperCollins

"This volume brings together an innovative set of readings of complex interactions between Australian Aboriginal people and colonisers. It has its origins in 2003 when Mark Hannah, then a doctoral student in the Centre for Cross Cultural Research at The Australian National University, invited a group of early career scholars to meet in Canberra. They brought their diverse social science and humanities backgrounds to the uncovering of creative Indigenous responses to the colonial encounter in Australia, and fresh ways of writing about these. Their studies were focused in diverse parts of Australia and on different time periods, but shared a common interest in developing critical re-assessments of Australian colonial and anti-colonial histories. Their meeting encouraged face-to-face exchanges that could short-circuit the isolation often experienced by cross-disciplinary, original scholars. It also emphasised writerly aspects of creative thinking, promoting the portrayal of character, alternative prose styles and inventive narrative forms. The authors' responses to these invitations have flavoured the commissioned papers presented here. The critical and creative drives which inform them shines out in their writing. They are exciting and sometimes surprising in the angles they take, and the cross-overs of genre or subject that they offer."--Provided by publisher.

I'm proud to state that 10% of the proceeds will be shared with Snehasadan, an orphanage in Mumbai, India. I initially wrote this book for my nephew to understand Indian festivals. My friends and family suggested I turn it into a real book since it would be fun for kids all around the world to learn about the wide variety of festivals celebrated in India. This is my first time publishing. I hope you and your preschooler enjoy reading this book as much as my illustrator and I enjoyed putting this together.

"Everything epic fantasy should be: rich, cruel, gorgeous, brilliant, enthralling and deeply, deeply satisfying. I loved it."—Lev Grossman, author of *The*

Magicians When destiny calls, there's no fighting back. Kihrin grew up in the slums of Quur, a thief and a minstrel's son raised on tales of long-lost princes and magnificent quests. When he is claimed against his will as the missing son of a treasonous prince, Kihrin finds himself at the mercy of his new family's ruthless power plays and political ambitions. Practically a prisoner, Kihrin discovers that being a long-lost prince is nothing like what the storybooks promised. The storybooks have lied about a lot of other things, too: dragons, demons, gods, prophecies, and how the hero always wins. Then again, maybe he isn't the hero after all. For Kihrin is not destined to save the world. He's destined to destroy it. Jenn Lyons begins the Chorus of Dragons series with *The Ruin of Kings*, an epic fantasy novel about a man who discovers his fate is tied to the future of an empire.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

Cecilia Bassingwaite is the ideal Victorian lady. She's also a thief. Ned Lightbourne is a sometimes assassin who is smitten with Cecilia from the moment they meet. Unfortunately, that happens to be while he's under direct orders to kill her. His employer, Captain Morvath, who possesses a gothic abbey bristling with cannons and an unbridled hate for the world, intends to rid England of all its presumptuous women, starting with the Wisteria Society. Ned has plans of his own. But both men have made one grave mistake. Never underestimate a woman. When Morvath imperils the Wisteria Society, Cecilia is forced to team up with her handsome would-be assassin to save the women who raised her--hopefully proving, once and for all, that she's as much of a scoundrel as the rest of them.

In the critical essays collected in *Black Looks*, bell hooks interrogates old narratives and argues for alternative ways to look at blackness, black subjectivity, and whiteness. Her focus is on spectatorship—in particular, the way blackness and black people are experienced in literature, music, television, and especially film—and her aim is to create a radical intervention into the way we talk about race and representation. As she describes: "the essays in *Black Looks* are meant to challenge and unsettle, to disrupt and subvert." As students, scholars, activists, intellectuals, and any other readers who have engaged with the book since its original release in 1992 can attest, that's exactly what these pieces do.

In most cases, our hard times serve a purpose. The difficulties we live through help us aid others as they suffer through similar circumstances.

Soulspection is a collection of poems written by a woman who has been through much but gained even more. Here, she shares her emotions, her fears, and her failures. Michelle Borel believes that creativity links us to the Creator. In her words, she rejoices over the power of being a woman. She talks about self-respect in *Fool No More*. In *Free*, she celebrates the power of baptism. Blinded by the Look tears away the faade of physical attraction to the beautiful soul within. Writing in a variation of styles, Borel uses her words to paint pictures and evoke emotion. She whispers to her readers, telling them they are not alone in their pain. To live this life to the fullest, time must be spent on introspection and retrospection down to the very depths of your soul.
