The interest of this book lies at the very center of a recent deployment of homosexual liberation on a larger scale. The reader will be able to understand how each of the traditions studied articulates its own regulatory mechanisms of

male sexuality in general, and homosexuality.

Nachiketa John Wiley & Sons

Can a subject be sovereign in a hegemony?

Can creativity be reined in by forces of empire?

Studying closely the oral narrations and writings of four Indian authors in colonial India, The Audacious Raconteur argues that even the most hegemonic circumstances

cannot suppress "audacious raconteurs": skilled storytellers who fashion narrative spaces that allow themselves to remain sovereign and beyond subjugation. By drawing attention to the vigorous orality, maverick use of photography, literary ventriloquism, and bilingualism in the narratives of these raconteurs, Leela Prasad shows how the ideological

bulwark of colonialism—formed by concepts of colonial modernity, history, science, and native knowledge—is dismantled. Audacious raconteurs wrest back meanings of religion, culture, and history that are closer to their lived understandings. The figure of the audacious raconteur does not only hover in an archive but suffuses everyday life. Underlying these ideas, Prasad's personal interactions with the narrators' descendants

give weight to her innovative argument that the audacious raconteur is a necessary ethical and artistic figure in human experience. Thanks to generous funding from Duke University, the ebook editions of this book are available as Open Access volumes from Cornell Open (cornellpress.cornell.edu/cornell-open) and other repositories. Sensitive Reading Publications Division (India), New Delhi
About Book: The *ajñātavāsa* was one of the

toughest periods for the Pandavas who had to work as servants in the court of king Virāṭa. The situational dynamics dictated that they had to remain docile and dormant in the face of admonishments. This book deals with the narrative of Virāṭa Parva written by sage Vyasa. It analyses how the great kings of the Kuru dynasty spent their time of adversity without transgressing Dharma. The book dispels certain popular myths which have been created through

translations and films, and which are far from the original version of the Veda Vyasa. Since the ultimate objective of this book is to spread the message of Dharma, it will be sold as a gift pack to be distributed on all auspicious events. About the Author: Prof Karanam Nagarajarao is a retired Professor from Alliance University, Bangalore. He has completed his Masters both in Political Science and Sociology and has earned a PhD in Management from Jawaharlal Nehru

Technological University, Hyderabad. He has an Advanced Diploma in Vedanta from Chinmaya International Foundation, Kovida from Samskruta Bharathi and a Yoga Diploma from S.Vyasa University, Bangalore. He has published 60 articles in peer-reviewed journals, including European Case Centre and Sage Journals. He has two published books - Management Insights from Motivational Slokas and Business Ethics (Case lets), and they are available on Amazon. His interests

revolve around research in Itihasa literature, and his Mahabharata stories can be seen under his blog unclekatha.com. One can view his lectures both in English and Telugu on Youtube.

development issues and processes with four different systems of religious beliefs: Hinduism, Christianity, Islam, and the Baha'i Faith. The authors - each a scientist as well as a person of faith - show how religious belief and personal faith can be deeply motivational and strikingly fruitful in scientific pursuits. Further, they emphasize how their faith has brought them a profound understanding of interconnectedness and compassion, and thus a

wider perspective and greater sense of personal meaning to their research. -- Book jacket. Animism StoryMirror Infotech Pvt Ltd In the history of Colonial Andhra Zamindars played a crucial and prominent role. As some of them were 'feudal despots' we may criticize the nature and character of their role in the colonial era. Yet we cannot neither minimize nor ignore the part played by them during 'those' centuries of foreign rule. The significant fact that must be noted in this

connection is that there was a radical transformation in the nature, attitude and thinking of the zamindars from the second half of the Nineteenth century. Coming under the influence of British education, british administration and modern thought many of them began to cultivate a sense of responsibility to the society and the people. They began to involve themselves in public activities and to encourage public organizations.

What are the pleasures of reading translations of South Asian literature,

and what does it take to enjoy a translated text? This volume provides opportunities to explore such questions by bringing together a whole set of new translations by David Shulman, noted scholar of South Asia. The translated selections come from a variety of Indian languages, genres, and periods, from the classical to the contemporary. The translations are accompanied by short essays written to help readers engage and enjoy them. Some of these

essays provide background to enhance reading of the translation, whereas others model how to expand appreciation in comparative and broader ways. Together, the translations and the accompanying essays form an essential guide for people interested in literature and art from South Asia.

Journal of the Straits Branch of the Royal Asiatic Society All India Radio (AIR), New Delhi
The life of Lal Bahadur Shastri (1904-66), India's

second prime minister and successor to Jawaharlal Nehru, is the absorbing saga of a little man who, while suffering the rigours of poverty in early life, rose to political eminence on the strength of moral principle. When Shastri died, he left no house, no land, no money. But he did leave behind an example which is morally inspiring. In an age riddled with political corruption, his career of exemplary integrity possesses a very special relevance for readers in contemporary India as

well as abroad. Although Shastri's tenure as prime minister lasted only nineteen months, it was a period of high excitement and drama. Under Shastri's leadership India successfully fought a major war against Pakistan. This came as a tremendous boost to India after the China debacle three years earlier. This Indo-Pak war was followed by successful peace negotiations between the two countries at the famous Tashkent Conference, where, with the ink scarcely dry after

all the momentous signatures, Shastri dramatically died of a heart attack. Several social and political issues of national importance and international interest emerged or found successful resolution during the time that Shastri held political power in Nehru's cabinet, as well as when he took over the premiership of India. There was the Kamaraj Plan; the question of Nehru's successor; the English-Hindi national language controversy; the problems

of food scarcity and foodgrain imports; the Hazratbal episode of the stolen sacred relic from the shrine in Kashmir; the complicated diplomatic negotiations over Kashmir in the United Nations; the tangled web of tightrope relations with China, the USA, and the USSR; the controversy and suspicion over the circumstances of Shastri's sudden death; and finally the heroism and acclaim that came to Shastri.

Indian Listener Lulu.com
We can hear Urumula Naganna's drum roll

during the rendition of the Sri Akammagaru Kaviya. An oral tradition which is as old as the hills is captured in the book Gods, Heroes and their Storytellers. Do you know the story of how the Madiga community came to inherit the right to skin cattle carcass and produce leather articles? How are contemporary Folk Oral Literatures connected to the Ramayana and the Mahabharata? There are many such stories and tradition bearers who doggedly go on in spite of

the onslaught of the digital media. The author here has tried his best in keeping these traditions alive by not only telling the stories but also by living with the story tellers themselves. The rich details give us a window to a world which is not only very far away for our everyday mundane existence but also makes us retrospect on what we are missing out. Each of the tradition bearers are different and so are their stories and the region to which they belong. These are not

merely stories but a way of life for these oral narrators who are fast disappearing in today's consumerist landscape. The need of the hour is to keep alive these traditions and the tradition bearers. **Sruti** Cornell University Press
Young and virtuous, Nachiketa and Satyakama had one thing in common - they sought true knowledge. The song of birds, the thunder of rain clouds, and the glow of the morning sun revealed life's secrets to Satyakama. Coming face

to face with the lord of death, Nachiketa found the key to immortality. The lessons the two seekers learned were priceless, for they opened to others the door to eternal bliss.

Two Tamil Folktales

This voluminous work, a store house of information about the Epics, Puranas and allied literature, was originally composed and published in Malayalam. It constituted the results of the author's devoted study and research extending over fourteen

years. This English version of the same is to meet the growing demand of scholars interested in the study of Puranas. This stupendous work, in the form of an exhaustive descriptive index, covers the vast and varied field of ancient Indian culture in all aspects-history geography, religion, philosophy, myths, beliefs and practices as depicted in the Epics and Puranas. The work is planned on scientific lines. The material compiled is arranged systematically. Citations have been

inserted in support of stated facts; at places they have been substituted by reference. Obsolete and obscure words, denoting objects such as a particular tree or plant have been explained by their scientific or vernacular equivalents. All modern critical apparatus has been utilized in the preparation of this comprehensive work. Studies in the History of Telugu Journalism IDRC PLEASE NOTE: Some recent copies of Let Your Life Speak included

printing errors. These issues have been corrected, but if you purchased a defective copy between September and December 2019, please send proof of purchase to josseybasseducation@wiley.com to receive a replacement copy. Dear Friends: I'm sorry that after 20 years of happy traveling, *Let Your Life Speak* hit a big pothole involving printing errors that resulted in an unreadable book. But I'm very grateful to my publisher for moving

quickly to see that people who received a defective copy have a way to receive a good copy without going through the return process. We're all doing everything we can to make things right, and I'm grateful for your patience. Thank you, Parker J. Palmer With wisdom, compassion, and gentle humor, Parker J. Palmer invites us to listen to the inner teacher and follow its leadings toward a sense of meaning and purpose. Telling stories from his own life and the lives of others who have

made a difference, he shares insights gained from darkness and depression as well as fulfillment and joy, illuminating a pathway toward vocation for all who seek the true calling of their lives. [Gods, Heroes and their Story Tellers](#) Springer Gods, Heroes and their Story Tellers Notion Press *The Early History of India from 600 B.C. to the Muhammadan Conquest* Park Street Press This definitive volume is the first modern translation of

Vatsyayana's Kama Sutra to include two essential commentaries: the Jayamangala of Yashodhara and the modern Hindi commentary by Devadatta Shastri. Alain Danilou spent four years comparing versions of the Kama Sutra in Sanskrit, Hindi, Bengali, and English, drawing on his intimate experience of India, to preserve the full explicitness of the original. I wanted to demystify India, he writes, to show that a period of great civilization, of high

culture, is forcibly a period of great liberty. *Puranic Encyclopedia* Motilal Banarsidass Publ. This is the first book to examine the same-sex weddings and same-sex couple suicides reported in India over the last two decades. Ruth Vanita examines these cases in the context of a wide variety of same-sex unions, from Fourteenth-century narratives about co-wives who miraculously produce a child together, to Nineteenth-century depictions of ritualized

unions between women, to marriages between gay men and lesbians arranged over the internet. Examining the changing legal, literary, religious and social Indian and Euro-American traditions within which same-sex unions are embedded, she brings a fresh perspective to the gay marriage debate, suggesting that same-sex marriage dwells not at the margins but at the heart of culture. *Love's Rites* by Ruth Vanita is a finalist for a Lambda Literary Award. *The Audacious Raconteur*

Columbia University Press
Subjects and Aliens
confronts the problematic
history of belonging in
Australia and New
Zealand. In both
countries, race has often
been more important than
the law in determining
who is considered ‘one of
us’. Each chapter in the
collection highlights the
lived experiences of
people who negotiated
laws and policies relating
to nationality and
citizenship rights in
twentieth-century
Australasia, including
Chinese Australians

enlisting during the First
World War, Dalmatian
gum-diggers turned
farmers in New Zealand,
Indians in 1920s Australia
arguing for their
citizenship rights, and
Australian women who
lost their nationality after
marrying non-British
subjects. The book also
considers how the legal
belonging—and
accompanying rights and
protections—of First
Nations people has been
denied, despite the High
Court of Australia’s recent
assertion (in the landmark
Love & Thoms case of

2020) that Aboriginal
people have never been
considered ‘aliens’ or
‘foreigners’ since 1788.
The experiences of world-
famous artist Albert
Namatjira, and of those
made to apply for
‘certificates of citizenship’
under Western Australian
law, suggest otherwise.
Subjects and Aliens
demonstrates how people
who legally belonged
were denied rights and
protections as citizens
through the actions of
those who created,
administered and
interpreted the law across

the twentieth century, and how the legal ramifications of those actions can still be felt today.

The Nebula Awards ANU Press

Addressing one of the most difficult conceptual topics in the study of classical Hinduism, Ariel Glucklich presents a rigorous phenomenology of dharma, or order. The work moves away from the usual emphasis on symbols and theoretical

formulations of dharma as a religious and moral norm. Instead, it focuses on images that emerge from the basic experiential interaction of the body in its spatial and temporal contexts, such as the sensation of water on the skin during the morning purification, or the physical manipulation of the bride during the marriage ritual. Images of dharma are examined in myths, rituals, art, and even the physical

landscape of the Hindu world. The varied and contingent experiences of dharma infuse it with a meaning that transcends a false analytical distinction from adharma, or chaos. Glucklich shows that when dharma is experienced by means of living images, it becomes inescapably temporal, and therefore inseparable from adharma.
