 Sequel to Joey Pigza Loses Control, a Newbery Honor Book Are they flirting or fighting? This is Joey Pigza's question when the fireworks suddenly start to explode between his long-separated mom and dad, whom he's never really had a chance to see together. The more out of control his parents get, the less in control Joey feels and the more he wants to help make things better. But Joey's ailing tell-it-like-it-is grandmother wants her grandson to see it like it is with his unpredictable parents. Knowing that she is fading fast, she needs Joey to hurry up and show that he can break the Pigza family mold by making a friend in the outside world. The only potential candidate, however, is Olivia Lapp -- Joey's blind homeschooling partner, who brags that she is "blind as a bat" and acts meaner to Joey the more desperate he gets for her friendship -- even if Joey senses there's

more to her than meets the eye. In this dazzling episode, Jack Gantos's acclaimed hyperactive hero discovers that settling down isn't good for anything if he can't find a way to stop the people he cares about from winding him up all over again. What Would Joey Do? is a 2003 Bank Street - Best Children's Book of the Year.

It's 1953, and the United States has just executed an American couple convicted of spying for the Soviet Union. Everyone is on edge as the Cold War standoff between communism and democracy leads to the rise of Senator Joe McCarthy and his zealous hunt for people he calls subversives or communist sympathizers. Suspicion, loyalty oaths, blacklists, political profiling, hostility to foreigners, and the assumption of guilt by association divide the nation. Richard and his family believe deeply in American values and love of country, especially since Richard's father works for the FBI. Yet when a family from Czechoslovakia moves in down the street with a son Richard's age named Vlad, their bold ideas about art and politics bring everything into question. Richard is quickly drawn to Vlad's confidence, musical sensibilities, and passion for literature, which Richard shares. But as the nation's paranoia spirals out of control, Richard longs to prove himself a patriot, and blurred lines between friend and foe could lead to a betrayal that destroys lives. Punctuated with photos, news headlines, ads, and quotes from the era, this suspenseful and relatable novel by award-winning New York Times best-selling author L.M. Elliott breathes new life into a troubling chapter of our history.
