Duncan's Ritual of Freemasonry Lewis Masonic Pub Limited

Freemasonry is the largest, oldest, and most influential secret society in the world. The Brill Handbook of Freemasonry is a pioneering work that brings together, for the first time, leading scholars on Freemasonry. The first section covers historical perspectives, such as the origins and early history of Freemasonry. The second deals with the relationship between Freemasonry and specific religious traditions such as the Catholic Church, Judaism, and Islam. In the third section, organisational themes, such as the use of rituals, are explored, while the fourth section deals with issues related to society and politics - women, blacks, colonialism, nationalism, and war. The fifth and final section is devoted to Freemasonry and culture, including music, literature, modern art, architecture and material culture.

Explained and interpreted by copious notes and numerous engravings. Duncan's Masonic Ritual and Monitor will be a cherished possession of any Mason who receives it. Retaining all the traditional charm of McKay's Standard Edition, this volume includes both the Guide to the Three Symbolic Degrees of the Ancient York Rite and to the degree of Mark Master, Past Master, Most Excellent Master, and the Royal Arch, as written by Malcolm C. Duncan.

Cryptic Masonry Literary Licensing, LLC

"The purpose of this work is not so much to gratify the curiosity of the uninitiated as to furnish a guide for the neophytes of the Order, by means of which their progress from grade to grade may be facilitated. Every statement in the book is authentic, as every proficient Mason will admit to himself, if not to be public, as he turns over its pages. The non-Masonic reader, as he peruses them, will perhaps be puzzled to imagine why matters of so little real importance to society at large should have been so industriously concealed for centuries, and still more surprised that society should have been so extremely inquisitive about them."-From the Preface.

The fraternal society of the Masonic Order, steeped in mystery for over 600 years, is brought to light in a fascinating volume that serves as a guide for neophytes as well as a reference for the initiated. Duncan's Ritual of Freemasonry reveals the spiritual paths taken by inductees as they move through each initiated degree of enlightenment: Mark Master, Past Master, Most Excellent Master, and the Royal Arch. The Freemasons' rituals, arcane symbols and mystical doctrines are also probed, and accurate explanations of gestures, tools and terms are accompanied by more than 100 illustrations and original engravings. The work is a fascinating exploration of the theories and practices of the world's most enduring secret society.

In 1826 Robert Benjamin Folger, a recent graduate of medical school and a new Master Mason, filled a book with the enciphered Craft rituals of the Rectified Scottish Rite, a high-grade revision of the rite of Strict Observance. well-known in Europe but unknown in the United States. His introduction directed that the rituals be "committed to the Flames" upon his death. Fortunately for Masonic historians instructions were not followed. Folger went on to prepare at least two other books of rituals. A man of tremendous talents, strong passions, and curious contradictions, Folger was twice expelled from Masonry by the Grand Lodge of New York and participated in at least six clandestine Supreme Councils, but died a Master Mason in good standing. The book gives full transcriptions of all of his rituals, an analysis of their place in Masonry and biographies of Folger and his major contemporaries in his Masonic work.

For more than three hundred years the practice of Masonic rituals of initiation has been part of Western culture, spreading far beyond the boundaries of traditional Freemasonry. Henrik Bogdan explores the historical development of these rituals and their relationship with Western esotericism. Beginning with the Craft degrees of Freemasonry—the blueprints, as it were, of all later Masonic rituals of initiation—Bogdan examines the development of the Masonic High Degrees, the Hermetic Order of the Golden Dawn—the most influential of all nineteenth-century occultist initiatory societies—and Gerald Gardner's Witchcraft movement of the 1950s, one of the first large-scale Western esoteric New Religions Movements.

The degrees of the Lodge of Perfection are often viewed as the heart of the Scottish Rite. In these degrees, Albert Pike explores human relations, responsibilities and moral codes. We learn of how humans should interact with each other, how we should govern ourselves and live within our communities. "The Lodge of Perfection" provides each Masonic student with a collection of reflective philosophical lessons which can be used to grow as both a Mason and a member of the human family. The text has been somewhat modernized making an easier reading experience. Foreword by Michael R. Poll.

Smart leaders know that they would greatly increase productivity and innovation if only they could get everyone fully engaged. So do professors, facilitators and all changemakers. The challenge is how. Liberating Structures are novel, practical and no-nonsense methods to help you accomplish this goal with groups of any size. Prepare to be surprised by how simple and easy they are for anyone to use. This book shows you how with detailed descriptions for putting them into practice plus tips on how to get started and traps to avoid. It takes the design and facilitation methods experts use and puts them within reach of anyone in any organization or initiative, from the frontline to the C-suite. Part One: The Hidden Structure of Engagement will ground you with the conceptual framework and vocabulary of Liberating Structures. It contrasts Liberating Structures with conventional methods and shows the benefits of using them to transform the way people collaborate, learn, and discover solutions together. Part Two: Getting Started and Beyond offers guidelines for experimenting in a wide range of applications from small group interactions to system-wide initiatives: meetings, projects, problem solving, change initiatives, product launches, strategy development, etc. Part Three: Stories from the Field illustrates the endless possibilities Liberating Structures offer with stories from users around the world, in all types of organizations -- from healthcare to academic to military to global business enterprises, from judicial and legislative environments to R&D. Part Four: The Field Guide for Including, Engaging, and Unleashing Everyone describes how to use each of the 33 Liberating Structures with step-by-step explanations of what to do and what to expect. Discover today what Liberating Structures can do for you, without expensive investments, complicated training, or difficult restructuring. Liberate everyone's contributions -- all it takes is the determination to experiment.

Duncan's Masonic Ritual is a superb guide to the historic rituals and practices of the Freemason societies, for the initiation of new members and the ceremonies of the Masonic lodges. First published in 1866, this book arranges the Freemason customs according to the rank of the member they involve. Beginning with the initiate ranking, known as the 'Entered Apprentice', we are told the dialogue which must take place between the newcomer and the existing members. The arrangement of people in the Masonic building, and the various gestures and signals each must give to one another, are shown in detailed diagrams. The tiers of Master each involve new symbolic gestures and rituals, intended to signify the member's depth of understanding and loyalty to the society. The formal operations of a Masonic society require a variety of meetings and orders of business to take place sequentially. These arrangements are accompanied by a range of handshakes, gestures between members, and even a series of tools that must be held by a certain Mason, or handed from one ranking member to another. Since this book is concerned entirely with the ceremonial traditions of Freemasonry, the social and informal aspects of membership, whereby members hold discussions or organize participation in local events, are scarcely mentioned. The

notes included in the appendix and at the end of each part discuss the origins, regional variations in the traditions, and related miscellany.

**Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry** BRILL

An exploration of Freemasonry and its history, philosophy, symbols and practices.

**The Most Secret Mysteries of the High Degrees of Masonry Unveiled** Thames & Hudson  
Whatever does the word 'Bauseant' mean? Why does the Malta Cross have eight points? Whatever is a Turcopolier and why do knights have an Admiral? Over the last 25 years, whilst becoming Provincial Prior in two areas, the Revd Neville Barker Cryer has produced shorter booklets providing some of the answers to these and other similar questions. So successful have they been in explaining various aspects of the degrees of Knight Templar and of Malta that it was decided to expand the number of subjects dealt with and make them available to any knight in England. Stories about the Knights Templar and their exploits abound; here is something to help Masonic knights become more informed about what they do and say. Subjects include: Templar Churches and the Holy Sepulchre, Why Is the Royal Arch Linked with the Knights Templar?, The Pilgrim's Hat, The Accolade of Dubbing, What Is the Significance of the Mediterranean Pass?, What Does the Patte Cross of the Degrees Mean?, The Malta Banners, What Exactly Was the Office of Conservator?, The Knightly Garments, Is there any Link between the First Templars and Freemasonry?

*Aldersgate Royal Arch Ritual 17th Edition* Lewis Masonic Pub
