**Last Exit** Lulu.com

The second installment of the "Tourist" spy series about Milo Weaver.

**A Clue to the Exit** St. Martin's Press

2011 Exit Nowlists all businesses within a mile radius of each U.S. Interstate exit. This easy-to-use, easy-to-read guide shows the way to new places along familiar trails and helps eliminate the fear of the unknown when venturing into unfamiliar territory. The directory includes thousands of restaurants, lodging, shopping, auto repair, gas stations, diesel, grocery stores, rest stops, hotels and motels, airports, attractions, and more. 2011 Exit Now goes interstate to interstate — rather than state to state as in the

competition — so travelers do not have to flip through pages while trying to locate a business. This is the perfect book for every driver who drives the interstate highways.

*Exit West* St. Martin's Press

Alternately unsettling and affirming, devastating and delicious, *The Nearest Exit May Be Behind You*, is a new collection of essays on gender and identity by S. Bear Bergman that is irrevocably honest and endlessly illuminating. With humour and grace, these essays deal with issues from women's spaces to the old boys' network, from gay male bathhouses to lesbian potlucks, from being a child to preparing to have one; throughout, S. Bear Bergman shows us there are things you learn when you're visibly different from those around you — whether it's being transgressively gendered or readably queer. As a transmasculine person, Bergman keeps readers breathless and rapt in the

freakshow tent long after the midway has gone dark, when the good hooch gets passed around and the best stories get told. Ze offers unique perspectives on issues that challenge, complicate, and confound the official stories about how gender and sexuality work.

Simon and Schuster

Milo Weaver is unwillingly drawn into his bosses' plans for revenge against the Chinese agent who orchestrated the deaths of 33 tourists. Steinhauer, the best espionage writer in a generation, delivers a searing international thriller.

*Exit Zero* Tor Books

Fresh from winning the Hugo and Nebula Awards, Max Gladstone weaves elements of American myth—the muscle car, the open road, the white-hatted cowboy—into *Last Exit*, a deeply emotional tale where his characters must find their own truths if they are to survive. Ten years ago, Zelda led a band of merry adventurers whose knacks let them travel to alternate realities and battle the black rot that threatened to unmake each world. Zelda was the warrior; Ish could locate people anywhere; Ramon always knew what path to take; Sarah could turn catastrophe aside. Keeping them all connected: Sal, Zelda's lover and the group's heart. Until their final, failed mission, when Sal was lost. When they all fell apart. Ten years on, Ish, Ramon, and Sarah are happy and successful. Zelda is alone, always traveling, destroying rot throughout the US. When it boils through the crack in the Liberty Bell, the rot gives Zelda proof that Sal is alive, trapped somewhere in the alts. Zelda's getting the band back together—plus Sal's young cousin June, who has a knack none of them have ever seen before. As relationships rekindle, the friends

begin to believe they can find Sal and heal all the worlds. It's not going to be easy, but they've faced worse before. But things have changed, out there in the alts. And in everyone's hearts. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**A Complicated Kindness** Cambridge University Press

“What a box of tricks! This full-throttle thriller, dark and driving, rivals Agatha Christie for sheer ingenuity and James Patterson for flat-out speed. Swift, sharp, and relentless.” — A. J. Finn, #1 New York Times bestselling author of *The Woman in the Window* A brilliant, edgy thriller about four strangers, a blizzard, a kidnapped child, and a determined young woman desperate to unmask and outwit a vicious psychopath. A kidnapped little girl locked in a stranger's van. No help for miles. What would you do? On her way to Utah to see her dying mother, college student Darby Thorne gets caught in a fierce blizzard in the mountains of Colorado. With the roads impassable, she's forced to wait out the storm at a remote highway rest stop. Inside are some vending machines, a coffee maker, and four complete strangers. Desperate to find a signal to call home, Darby goes back out into the storm . . . and makes a horrifying discovery. In the back of the van parked next to her car, a little girl is locked in an animal crate. Who is the child? Why has she been taken? And how can Darby save her? There is no cell phone reception, no telephone, and no way out. One of her fellow travelers is a kidnapper. But which one? Trapped in an increasingly dangerous situation, with a child's life and her own on the line, Darby must find a way to break the girl out of the van and escape. But who can she trust? With exquisitely controlled pacing, Taylor Adams diabolically

ratchets up the tension with every page. Full of terrifying twists and hairpin turns, *No Exit* will have you on the edge of your seat and leave you breathless.

*The Nearest Exit* Penguin

Martha Wells returns to her Hugo, Nebula, Alex, and Locus Award-winning, New York Times and USA Today bestselling series, *The Murderbot Diaries*, in *Exit Strategy*. Murderbot wasn't programmed to care. So, its decision to help the only human who ever showed it respect must be a system glitch, right? Having traveled the width of the galaxy to unearth details of its own murderous transgressions, as well as those of the GrayCris Corporation, Murderbot is heading home to help Dr. Mensah—its former owner (protector? friend?)—submit evidence that could prevent GrayCris from destroying more colonists in its never-ending quest for profit. But who's going to believe a SecUnit gone rogue? And what will become of it when it's caught? "I love Murderbot!" —Ann Leckie *The Murderbot Diaries* All Systems Red Artificial Condition Rogue Protocol Exit Strategy Network Effect Fugitive Telemetry System Collapse At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

[Exit Through the Wound](#) arsenal pulp press

It's the summer of 1990 and Crystal Beach has lost its beloved, long-running amusement park, leaving the lakeside village a virtual ghost town. It is back to this fallen community Starla Mia Martin must return to live with her overbearing mother after dropping out of university and racking up significant debt. But an economic downturn, mother-daughter drama, and Generation X disillusionment soon prove to be to be the least of Starla's

troubles. A mysterious and salacious force begins to dog Starla; inexplicable sounds in the night and unimaginable sites spotted in the periphery. Soon enough, Starla must confront the unresolved traumas that haunt Crystal Beach. *Sodom Road Exit* might read like a conventional paranormal thriller, except that Starla is far from a conventional protagonist. Where others might feel fear, Starla feels lust and queer desire. When others might run, Starla draws the horror nearer. And in turn, she draws a host of capricious characters toward her—all of them challenged to seek answers beyond their own temporal realities. *Sodom Road Exit*, the second novel by Lambda Literary Award winner Amber Dawn, is a book that's alive with both desire and dread. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A Simple book with few images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.

**2011 Exit Now** Minotaur Books

Winner of CLR James Book Prize from the Working Class Studies Association and 2nd Place for the Victor Turner Prize in Ethnographic Writing. In 1980, Christine J. Walley's world was turned upside down when the steel mill in Southeast Chicago where her father worked abruptly closed. In the ensuing years, ninety thousand other area residents would also lose their jobs in the mills—just one example of the vast scale of deindustrialization occurring across the United States. The

disruption of this event propelled Walley into a career as a cultural anthropologist, and now, in *Exit Zero*, she brings her anthropological perspective home, examining the fate of her family and that of blue-collar America at large. Interweaving personal narratives and family photos with a nuanced assessment of the social impacts of deindustrialization, *Exit Zero* is one part memoir and one part ethnography— providing a much-needed female and familial perspective on cultures of labor and their decline. Through vivid accounts of her family's struggles and her own upward mobility, Walley reveals the social landscapes of America's industrial fallout, navigating complex tensions among class, labor, economy, and environment. Unsatisfied with the notion that her family's turmoil was inevitable in the ever-forward progress of the United States, she provides a fresh and important counternarrative that gives a new voice to the many Americans whose distress resulting from deindustrialization has too often been ignored. This book is part of a project that also includes a documentary film.

*The Big Book of Exit Strategies* St. Martin's Press

Set amid the world's international airports and glamorous (and sometimes not so glamorous) hotels, the bestselling author of *The Copenhagen Affair*, brings you story about what it really means for professional (but still human!) women to tackle the corporate world, scale the leadership ladder, and lean in to the lives they've always wanted, and truly deserve—"Up in the Air" meets "9 to 5" for today's Pantsuit Nation. Asmi knows that CPH (Copenhagen, Denmark) is the best airport to shop for clothes, and ATH (Athens, Greece) the best for shoes. The best Zara store is in BCN (Barcelona, Spain). The best airport to buy whiskey at is

ARN (Stockholm, Sweden). Airplanes, airports, and hotel lobby bars make Asmi feel just as much at home as her apartment in Laguna Beach does. A marketing director in a biotech company, Asmi rose through the corporate ranks and never really took the time to think about couplehood. She has good friends, a terrific sister who lives close by, and a married on-again, off-again lover in Paris she sees while she travels around the world for work. As Asmi reaches the big 4-0 and contemplates making some life choices; her boss announces he is retiring, and she is suddenly thrown into a corporate Hunger Games against her nemesis Scott Beauregard III to win a promotion. Worried that her inability to commit to a real relationship with a man is a personality flaw and afraid that she's unqualified for the job she desperately wants, Asmi must learn to lean in to have the career and life she wants and deserves, without worrying about what society expects from her.

**Drive I-95** University of Chicago Press

In the tradition of Miriam Toews's *A Complicated Kindness*, Mona Awad's *13 Ways of Looking at a Fat Girl*, and Marjorie Celona's *Y*, and set against the shadow of the Vietnam War and the changing social mores of 1970s America, a sharply comic novel that follows the tumultuous coming of age of both a mother and daughter, at a time when womanhood itself was coming of age. We're all just one bad decision away from disaster. For as long as 14-year-old Robin Fisher can remember, she has lived by her insurance salesman father's credo, happy to live the American Dream and catalogue everyday calamities under "Bad Things that Happen to Other People." But life in 1970s Golden, California, doesn't prove so golden after her father deserts the family, setting in motion a

series of events that results in Robin accidentally setting fire to an abandoned party house. Seemingly overnight, she discovers that earthquakes or the possibility of electrocution are nothing compared to the hazards of high school or coming home to a family that is suddenly one member short. As Robin struggles to keep an eye on her fixation with Bic lighters and her newly independent mother's own growing pains, she is drawn into the orbit of Carol "Jesus Freak" Closter, a vulnerable yet charismatic classmate whose friendship will challenge Robin in ways she could never have imagined. When Carol finally crosses a dangerous line, it's Robin who must make a heartbreaking decision of her own. Hilarious, insightful, and deeply moving, *Please Proceed to the Nearest Exit* illuminates those unforgettable moments in life when everything changes, whether we want it to or not.

*The Next Exit* Limehouse Books

This book tells the story of the tragic and often tormented relationship between the United States and Pakistan. Pakistan's internal troubles have already threatened U.S. security and international peace, and Pakistan's rapidly growing population, nuclear arsenal, and relationships with China and India will continue to force it upon America's geostrategic map in new and important ways over the coming decades. This book explores the main trends in Pakistani society that will help determine its future; traces the wellsprings of Pakistani anti-American sentiment through the history of U.S.-Pakistan relations from 1947 to 2001; assesses how Washington made and implemented policies regarding Pakistan since the terrorist attacks on the United States on September 11, 2001; and analyzes how regional

dynamics, especially the rise of China, will likely shape U.S.-Pakistan relations. It concludes with three options for future U.S. strategy, described as defensive insulation, military-first cooperation, and comprehensive cooperation. The book explains how Washington can prepare for the worst, aim for the best, and avoid past mistakes.

**French Exit** Next Exit

Some people love goodbyes...23-year-old Catherine is mainly interested in Facebook and flirting, but she reluctantly takes a job at a local care home after her mother puts her foot down - and soon discovers that her new workplace contains many secrets. One of the residents at the home, 82-year-old Rose, is convinced that something sinister is going on in Room 7 and that her own life is under threat. But Rose has dementia - so what does she actually know, and who would believe her anyway? As Catherine starts investigating Rose's allegations, terrible revelations surface about everyone involved. Can Catherine find out what's really going on before it's too late?

**The Nearest Exit May Be Behind You (Large Print 16pt)**

ReadHowYouWant.com

New York Times bestselling author Olen Steinhauer's next sweeping espionage novel traces the rise and fall of a domestic left-wing terrorist group.

**The Last Exit** Orion

In the stunning follow-up to the New York Times bestseller *The Second Life of Nick Mason*, the remarkable hero fights to take back control from the crime lord who owns his life, as he races to

complete a daring and dangerous new mission... Nick Mason has been given a true mission impossible: Infiltrate WITSEC, the top-secret federal witness-protection program that has never been compromised, locate the three men who put his boss Darius Cole behind bars for life, and kill them. But first he has to find them—they're ghost prisoners locked down around the clock in classified "deep black" locations by an battalion of heavily armed U.S. marshals charged with protecting them—and the clock is ticking. Cole is appealing his conviction, and these witnesses are either his ticket to freedom or the final nail in his coffin. If they testify, Darius Cole will never step foot in the outside world again. If they are killed, he will walk out a free man. As he risks everything to complete his mission, Mason finds himself being hunted by the very man he replaced, the ruthless assassin who once served, then betrayed, Darius Cole. Rather than waiting to be Mason's next victim, he has escaped witness protection to hunt down and kill Mason himself. In an action-packed journey that leads from a high-security military installation in the Appalachian Mountains to a secret underground bunker hidden far below the streets of New York City, Nick Mason will have to become, more than ever before, the lethal weapon that Darius Cole created.

Exit Strategy Faber & Faber

From the author of *Bunny*, a "hilarious, heartbreaking book" (*People*) about a woman whose life is hijacked by her struggle to conform "Stunning . . . As you watch Lizzie navigate fraught relationships—with food, men, girlfriends, her parents and even with herself—you'll want to grab a friend and say: 'Whoa. This. Exactly.'" —Washington Post Growing up in the suburban hell of

Misery Saga (a.k.a. Mississauga), Lizzie has never liked the way she looks—even though her best friend Mel says she's the pretty one. She starts dating guys online, but she's afraid to send pictures, even when her skinny friend China does her makeup: she knows no one would want her if they could really see her. So she starts to lose. With punishing drive, she counts almonds consumed, miles logged, pounds dropped. She fights her way into coveted dresses. She grows up and gets thin, navigating double-edged validation from her mother, her friends, her husband, her reflection in the mirror. But no matter how much she loses, will she ever see herself as anything other than a fat girl? In her brilliant, hilarious, and at times shocking debut, Mona Awad skewers the body image-obsessed culture that tells women they have no value outside their physical appearance. Brilliant, hilarious, and heartbreaking, *13 Ways of Looking at a Fat Girl* introduces a vital new voice in fiction. WINNER OF THE AMAZON CANADA FIRST NOVEL AWARD FINALIST FOR THE SCOTIABANK GILLER PRIZE FINALIST FOR THE COLORADO BOOK AWARD FOR LITERARY FICTION LONGLISTED FOR THE DUBLIN LITERARY AWARD ARAB AMERICAN BOOK AWARD HONORABLE MENTION FOR FICTION

**No Exit** Independently Published

Milo Weaver has nowhere to turn but back to the CIA in this brilliant follow-up to the New York Times bestselling espionage novel *The Tourist*.

13 Ways of Looking at a Fat Girl Alice James Books

From the Wall Street Journal's opera critic, a wide-ranging narrative history of how and why the New York City Opera went bankrupt—and what it means for the future of the arts In October

2013, the arts world was rocked by the news that the New York City Opera—“the people’s opera”—had finally succumbed to financial hardship after 70 years in operation. The company had been a fixture on the national opera scene—as the populist antithesis of the grand Metropolitan Opera, a nurturing home for young American talent, and a place where new, lively ideas shook up a venerable art form. But NYCO’s demise represented more than the loss of a cherished organization: it was a harbinger of massive upheaval in the performing arts—and a warning about how cultural institutions would need to change in order to survive. Drawing on extensive research and reporting, Heidi Waleson, one of the foremost American opera critics, recounts the history of this scrappy company and reveals how, from the beginning, it precariously balanced an ambitious artistic program on fragile financial supports. Waleson also looks forward and considers some better-managed, more visionary opera companies that have taken City Opera’s lessons to heart. Above all, *Mad Scenes and Exit Arias* is a story of money, ego, changes in institutional identity, competing forces of populism and elitism, and the ongoing debate about the role of the arts in society. It serves as a detailed case study not only for an American arts organization, but also for the sustainability and management of nonprofit organizations across the country.

*Near the Exit* Minotaur Books

A provocative look at the evolution of America’s political soul through the lives of six political figures who abandoned the left

and joined the right—“thoughtful...engaging...political history at a very high level...and the pages fly by” (The New Republic). From the 1950s to the early 2000s millions of Americans moved left to right politically—a shift that forever changed the country. In *Exit Right*, Daniel Oppenheimer takes us from the height of the Communist Party’s popularity in America in the 1920s and 30s, through the Great Depression, World War II, the Cold War, the Civil Rights Movement, and up through conservative resurgence of the 80s, before ending with 9/11 and the dawn of the Iraq War. Throughout, he tells the stories of six major political figures whose lives spanned these turbulent times and whose changing politics reshaped the American soul: Whittaker Chambers, James Burnham, Ronald Reagan, Norman Podhoretz, David Horowitz, and Christopher Hitchens. As he maps out the paths that these six individuals have taken to conservatism, Oppenheimer explores the questions of why and how we come to believe politically at all. How do we come to trust one set of truths, or one set of candidates, or associate with one crowd of people—over all other alternatives? *Exit Right* is an “absorbing” (The Atlantic) look at the roots of American politics. This is a book that will resonate with readers on the left and the right—as well as those stuck somewhere in the middle. Through six dramatic transformations of six enthralling characters, Oppenheimer “writes with the assurance and historical command of someone who has been thinking about his topic for a long time” (The New Yorker).
