Avul Pakir Jainulabdeen Abdul Kalam, The Son Of A Little-Educated Boat-Owner In Rameswaram, Tamil Nadu, Had An Unparalleled Career As A Defence Scientist, Culminating In The Highest Civilian Award Of India, The Bharat Ratna. As Chief Of The Country`S Defence Research And Development Programme, Kalam Demonstrated The Great Potential For Dynamism And Innovation That Existed In Seemingly Moribund Research Establishments. This Is The Story Of Kalam`S Rise From Obscurity And His Personal And Professional Struggles, As Well As The Story Of Agni, Prithvi, Akash, Trishul And Nag-- Missiles That Have Become Household Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

"Essential reading for anyone who wants to understand history - and then go out and change it." -President Barack Obama
 Nelson Mandela was one of the great moral and political leaders of his time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. After his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela was at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is still revered everywhere as a vital force in the fight for human rights and racial equality. *Long Walk to Freedom* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of

history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela told the extraordinary story of his life -- an epic of struggle, setback, renewed hope, and ultimate triumph. The book that inspired the major motion picture *Mandela: Long Walk to Freedom*.

The Tale of Custard the

Dragon Bright Tutee

A cultural “biography” of

Robert Frost’s beloved

poem, arguably the most

popular piece of literature

written by an American

“Two roads diverged in a

yellow wood . . .” One

hundred years after its

first publication in August

1915, Robert Frost’s poem

“The Road Not Taken” is

so ubiquitous that it’s

easy to forget that it is, in

fact, a poem. Yet poetry it

is, and Frost’s immortal

lines remain unbelievably

popular. And yet in spite

of this devotion, almost

everyone gets the poem

hopelessly wrong. David

Orr’s *The Road Not Taken*

dives directly into the

controversy, illuminating

the poem’s enduring

greatness while revealing

its mystifying

contradictions. Widely

admired as the poetry

columnist for *The New*

York Times Book Review,

Orr is the perfect guide

for lay readers and

experts alike. Orr offers a

lively look at the poem’s

cultural influence, its artistic complexity, and its historical journey from the margins of the First World War all the way to its canonical place today as a true masterpiece of American literature. “The Road Not Taken” seems straightforward: a nameless traveler is faced with a choice: two paths forward, with only one to walk. And everyone remembers the traveler taking “the one less traveled by, / And that has made all the difference.” But for a century readers and critics have fought bitterly over what the poem really says. Is it a paean to triumphant self-assertion, where an individual boldly chooses to live outside conformity? Or a biting commentary on human self-deception, where a person chooses between identical roads and yet later romanticizes the decision as life altering? What Orr artfully reveals is that the poem speaks to both of these impulses, and all the possibilities that lie between them. The poem gives us a portrait of choice without making a decision itself. And in this, “The Road Not Taken” is distinctively American, for the United States is the country of choice in all its ambiguous

splendor. Published for the poem’s centennial—along with a new Penguin Classics Deluxe Edition of Frost’s poems, edited and introduced by Orr himself—The Road Not Taken is a treasure for all readers, a triumph of artistic exploration and cultural investigation that sings with its own unforgettably poetic voice.

Long Walk to Freedom Oswaal Books

The Wild Swans at Coole by William Butler Yeats, first published in 1919, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

The Bishop's Candlesticks Bright Tutee
You lose something. And

only then you appreciate it. John Perkins has a peaceful and lovely life with his wife Katy. They live in a seeming harmony. However things turn upside down when one evening John comes home only to find it empty. Why is Katy gone? What has happened? John realizes how many important things he has lost, the most important of all – his precious Katy. Only if she could come back. Everything would be different and John would value her so much more. But will he actually? "The Pendulum" swings back and forth. It is up to John to grab the moment and appreciate it. Because some things cannot be reversed and only the regret is left. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name,

given to exceptional short stories.
