For five years, Chris Robinson wrote a monthly column for Animation World Network (AWN) called The Animation Pimp. Although it began as a way for Robinson to let off steam in his role as director of one of the world's largest animation festivals, the column quickly gained a cult following and just as quickly became a platform for the author's frank, provocative, and frequently very funny musings on the

world of animation and his own life. The Animation Pimp collects the best of these pieces, which range from the nuts and bolts of running a festival to sex, death, superheroes, aesthetics, and the living dead. Robinson's unhinged prose is accompanied by some eighty drawings by the award-winning German artist and animator Andreas Hykade. In the spirit of Hunter Thompson, Nick Tosches, and Richard Meltzer, The Animation Pimp is an outrageous, funny, and ultimately truthful account of the chaos and glimmers of illumination in an art form and a life. The Animation Pimp is the first in a series of official guides published in collaboration with AWN Press. Each book covers major facets of the animation industry and offers a one-of-a-kind look into the careers of industry icons.

Books for Young Readers

Selected by Today as a book "to ease kids' anxiety about coronavirus." We all need hope. Humans have an extraordinary capacity to battle through adversity, but only if they have something to cling onto: a belief or hope that maybe, one day, things will be better. This idea sparked *The Great Realization*. Sharing the truths we may find hard to tell but also celebrating the things—from simple acts of kindness and finding joy in everyday activities, to the creativity within us all—that have brought us together during lockdown, it gives us hope in this time of global crisis. Written for his younger brother and sister in response to the Covid-19 pandemic, Tomos Roberts's heartfelt poem is as timely as it is timeless. Its

message of hope and resilience, of rebirth and renewal, has captured the hearts of children and adults all over the globe—and the glimpse it offers of a fairer, kinder, more sustainable world continues to inspire thousands every day. With Tomos Roberts’s heartfelt poem and beautiful illustrations by award-winning artist Nomoco, *The Great Realization* is a profound work, at once striking and reassuring, reminding readers young and old that in the face of adversity there are still dreams to be dreamt and kindnesses to be shared and hope. There is still hope. We now call it *The Great Realization* and, yes, since then there have been many. But that’s the story of how it started . . . and why *hindsight’s 2020*.
