The History of Music Production Oxford University Press
 DJ like a pro—without skipping a beat The bestselling guide to spinning and scratching is back! If you've ever spent hours in your bedroom with two turntables and an earful of tracks that sound off-beat or out of key, *DJing For Dummies* is the go-to guide for taking your skills to the next level. Inside, John Steventon, a successful club DJ, walks you through the basics of mixing, the techniques and tricks you need to create your own DJ style and how to make DJing work for you. Covering both digital and old-school vinyl-based instruction, this guide covers all the latest DJ technology, equipment and software so you can get mixing and stay one step ahead of the crowd. Brimming with expert advice and easy-to-follow explanations, the information in *DJing For Dummies* gives you everything you need to build a foolproof set and play to a live crowd. Nail down the basics and build on existing skills Sort through the latest equipment and technology Have a go at crossfading, beatmatching and scratching Mix tracks seamlessly to sound like a pro If you're new to the game or looking to step up your skills and graduate to club work, *DJing For Dummies* has you covered.
DJing For Dummies McGill-Queen's Press - MQUP
 Opening with David Mancuso's seminal "Love Saves the Day" Valentine's party, Tim Lawrence tells the definitive story of

American dance music culture in the 1970s—from its subterranean roots in NoHo and Hell's Kitchen to its gaudy blossoming in midtown Manhattan to its wildfire transmission through America's suburbs and urban hotspots such as Chicago, Boston, San Francisco, Los Angeles, Newark, and Miami. Tales of nocturnal journeys, radical music making, and polymorphous sexuality flow through the arteries of *Love Saves the Day* like hot liquid vinyl. They are interspersed with a detailed examination of the era's most powerful djs, the venues in which they played, and the records they loved to spin—as well as the labels, musicians, vocalists, producers, remixers, party promoters, journalists, and dance crowds that fueled dance music's tireless engine. *Love Saves the Day* includes material from over three hundred original interviews with the scene's most influential players, including David Mancuso, Nicky Siano, Tom Moulton, Loleatta Holloway, Giorgio Moroder, Francis Grasso, Frankie Knuckles, and Earl Young. It incorporates more than twenty special dj discographies—listing the favorite records of the most important spinners of the disco decade—and a more general discography cataloging some six hundred releases. *Love Saves the Day* also contains a unique collection of more than seventy rare photos.

The Kindred Farrar, Straus and Giroux (BYR)

Winner: 2022 Hugo Award for Best Series Finalist: 2023 Hugo Award for Best Novella In *Where the Drowned Girls Go*, the next addition to Seanan McGuire's beloved *Wayward Children* series, students at an anti-magical school rebel against the oppressive faculty "Welcome to the Whitethorn Institute. The first step is always

admitting you need help, and you've already taken that step by requesting a transfer into our company." There is another school for children who fall through doors and fall back out again. It isn't as friendly as Eleanor West's Home for Wayward Children. And it isn't as safe. When Eleanor West decided to open her school, her sanctuary, her "Home for Wayward Children," she knew from the beginning that there would be children she couldn't save; when Cora decides she needs a different direction, a different fate, a different prophecy, Miss West reluctantly agrees to transfer her to the other school, where things are run very differently by Whitethorn, the Headmaster. She will soon discover that not all doors are welcoming... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Harlequin

This Companion covers the hip-hop elements, methods of studying hip-hop, and case studies from Nerdcore to Turkish-German and Japanese hip-hop.

Rave Hachette UK

Playing records isn't rocket science, but there's a universe of difference between doing it and doing it well. This guide offers advice for anyone interested, from the complete novice to more experienced DJs, including tips on equipment, records, mixing, making your own tracks and throwing parties.

Rave On powerHouse Books

The funny follow-up to Kindergarten, Here I Come! Now includes a sheet of stickers! First grade—it's the big time! After all, it's a real honest to goodness grade. In verses that are both funny and full of heart, D.J. Steinberg celebrates big and small moments, ones that all young "scholars" will relate to—baby teeth that

won't fall out, choosing the perfect library book, celebrating Pajama Day, and wrangling with the mysteries of spelling. From the first day of school to the last, this engaging anthology is essential reading for all soon-to-be first graders.

The City of Dusk Simon and Schuster
Two intrepid girls hunt for a legendary treasure on the deadly high seas in this YA remix of the classic adventure novel *Treasure Island*. 1826. The sun is setting on the golden age of piracy, and the legendary Dragon Fleet, the scourge of the South China Sea, is no more. Its ruthless leader, a woman known only as the Head of the Dragon, is now only a story, like the ones Xiang has grown up with all her life. She desperately wants to prove her worth, especially to her mother, a shrewd businesswoman who never seems to have enough time for Xiang. Her father is also only a story, dead at sea before Xiang was born. Her single memento of him is a pendant she always wears, a simple but plain piece of gold jewelry. But the pendant's true nature is revealed when a mysterious girl named Anh steals it, only to return it to Xiang in exchange for her help in decoding the tiny map scroll hidden inside. The revelation that Xiang's father sailed with the Dragon Fleet and tucked away this secret changes everything. Rumor has it that the legendary Head of the Dragon had one last treasure—the plunder of a thousand ports—that for decades has only been a myth, a fool's journey. Xiang is convinced this map could lead to the fabled treasure. Captivated with the thrill of adventure, she joins Anh and her motley crew off in pursuit of the island. But the girls soon find that the sea—and especially those who sail it—are far more dangerous than the legends led them to believe. Praise

for *A Clash of Steel: A Cosmopolitan Best YA Book of 2021* "This deeply immersive adventure features deftly interwoven Chinese and Vietnamese, luscious culinary descriptions, and well-rendered explorations of imperialism, treasure, found family, and love." —Publishers Weekly, starred review "Vividly realized and brimming with romantic adventure. Rooted in the legend of Chinese pirate queen Ching Shih, C.B. Lee's *A Clash of Steel* is richly imagined and thrilling to the end." —Malinda Lo, bestselling author of *Last Night at the Telegraph Club* "Lavishly drawn and studded with jewels from the original, C.B. Lee has written a remix that delves deep into questions of family, love, and treasure. This is a book I wish I'd had as a young, queer teen and it deserves a spot in any collection." —Natalie C. Parker, author of the *Seafire* trilogy *The Remixed Classics Series A Clash of Steel: A Treasure Island Remix* by C.B. Lee *So Many Beginnings: A Little Women Remix* by Bethany C. Morrow *Travelers Along the Way: A Robin Hood Remix* by Aminah Mae Safi *What Souls Are Made Of: A Wuthering Heights Remix* by Tasha Suri *Self-Made Boys: A Great Gatsby Remix* by Anna-Marie McLemore *My Dear Henry: A Jekyll & Hyde Remix* by Kalynn Bayron *Teach the Torches to Burn: A Romeo & Juliet Remix* by Caleb Roehrig *Into the Bright Open: A Secret Garden Remix* by Cherie Dimaline *Most Ardent: A Pride & Prejudice Remix* by Gabe Cole *Novoa Where the Drowned Girls Go* Random House

A husband and teen daughter are challenged to redefine their understandings of family when a devoted wife and mother commits suicide and begins meddling from beyond the grave.

Last Night a DJ Saved My Life

Penguin

From the co-authors of the classic *Last Night a DJ Saved My Life: A fascinating oral history of record spinning told by the groundbreaking DJs themselves. Acclaimed authors and music historians Bill Brewster and Frank Broughton have spent years traveling across the world to interview the revolutionary and outrageous DJs who shaped the last half-century of pop music. The Record Players is the fun and revealing result—a collection of firsthand accounts from the obsessives, the playboys, and the eccentrics that dominated the music scene and contributed to the evolution of DJ culture. In the sixties, radio tastemakers brought their sound to the masses, while early trendsetters birthed the role of the club DJ at temples of hip like the Peppermint Lounge. By the seventies, DJs were changing the course of popular music; and in the eighties, young innovators wore out their cross-faders developing techniques that turned their craft into its own form of music. With discographies, favorite songs, and amazing photos of all the DJs as young firebrands, *The Record Players* offers an unparalleled music education: from records to synthesizers, from disco to techno, and from influential cliques to arenas packed with thousands of dancing fans.*

Rock the Dancefloor University of Chicago Press

In *The History of Music Production*, Richard James Burgess draws on his experience as a producer, musician, and author. Beginning in 1860 with the first known recording of an acoustic sound and moving forward chronologically, Burgess charts the highs and lows of the industry throughout the decades and concludes with a discussion on the present state of music production.

Throughout, he tells the story of the music producer as both artist and professional, including biographical sketches of key figures in the history of the industry, including Fred Gaisberg, Phil Spector, and Dr. Dre. Burgess argues that while technology has defined the nature of music production, the drive toward greater control over the process, end result, and overall artistry come from producers. The result is a deeply knowledgeable book that sketches a critical path in the evolution of the field, and analyzes the impact that recording and disseminative technologies have had on music production. A key and handy reference book for students and scholars alike, it stands as an ideal companion to Burgess's noted, multi-edition book *The Art of Music Production*. [First Grade, Here I Come!](#) Duke University Press

"Lush and lavish, *Sing Me Forgotten* hit all the right notes." —Erin A. Craig, *New York Times* bestselling author of *House of Salt and Sorrow* "A deliciously magical feminist twist on the beloved classic *The Phantom of the Opera*." —Kester Grant, *Sunday Times* bestselling author of *The Court of Miracles* Isda does not exist. At least not beyond the opulent walls of the opera house. Cast into a well at birth for being one of the magical few who can manipulate memories when people sing, she was saved by Cyril, the opera house's owner. Since that day, he has given her sanctuary from the murderous world outside. All he asks in return is that she use her power to keep ticket sales high—and that she stay out of sight. For if anyone discovers she survived, Isda and Cyril would pay with their lives. But Isda breaks Cyril's cardinal rule when she meets Emeric Rodin, a charming boy who throws her quiet, solitary life out of balance. His

voice is unlike any she's ever heard, but the real shock comes when she finds in his memories hints of a way to finally break free of her gilded prison. Haunted by this possibility, Isda spends more and more time with Emeric, searching for answers in his music and his past. But the price of freedom is steeper than Isda could ever know. For even as she struggles with her growing feelings for Emeric, she learns that in order to take charge of her own destiny, she must become the monster the world tried to drown in the first place. "Enchanting, lush, and decadent." —Adalyn Grace, author of *All the Stars and Teeth* Also by Jessica S. Olson: *A Forgery of Roses* **We Still Here** Rocket 88

We Still Here maps the edges of hip-hop culture and makes sense of the rich and diverse ways people create and engage with hip-hop music within Canadian borders. Contributors to the collection explore the power of institutions, mainstream hegemonies, and the processes of historical formation in the evolution of hip-hop culture. Throughout, the volume foregrounds the generative issues of gender, identity, and power, in particular in relation to the Black diaspora and Indigenous cultures. The contributions of artists in the scene are front and centre in this collection, exposing the distinct inner mechanics of Canadian hip hop from a variety of perspectives. By amplifying rarely heard voices within hip-hop culture, *We Still Here* argues for its power to disrupt national formations and highlights the people and communities who make hip hop happen.

[Incendiary](#) Macmillan

Questa è una raccolta di storie. Le storie sono tutte buone, non c'è una scala di valori; bisogna saperle ascoltare. Allora diciamo che questa è una

compilation. Però le compilation sembrano qualcosa di momentaneo, di passeggero... Ho fatto un greatest hits, esageriamo. Questo libro è un greatest hits di quello che ho scritto in una decina d'anni e che ancora mi piace raccontare. Buon ascolto

Hot Stuff John Wiley & Sons

"A handbook for compassion... a Must-Read Music Book." —Rolling Stone Country "Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share." —Wally Lamb, author of *I Know This Much Is True* "Gauthier has an uncanny ability to combine songwriting craft with a seeker's vulnerability and a sage's wisdom." —Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny's old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn't until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people

together.

The Good Luck Girls Tordotcom

110 pages with lines on cream paper allow you to keep track of all your thoughts, ideas, dates, appointments with your friends or your family. I Liked My Life Grove/Atlantic, Inc.

Introducing Destiny Day, the hottest party promoter in New York City, who lives by a simple rule—"Get in, get yours, and get out"—until the unexpected possibility of love changes everything. *Last Night a DJ Saved My Life* takes readers behind the velvet rope and inside A-list nightlife. At thirty-five, Destiny Day is at the top of her game. Having escaped her hardscrabble beginnings in the small Midwestern town she calls "East Boogie, Illinois," she is the savviest sister walking around in a pair of Christian Louboutin shoes. As New York's premiere party promoter, she has glitz, riches, and steers clear of any man who threatens to cramp her style. Her parties, held at the hippest clubs, are packed with hip-hop royalty; top celebs from the worlds of sports, film, and fashion; and New York's most successful power brokers. Destiny's personal life takes a backseat to her career, but she's got two best friends and a string of men to keep her satisfied. However, when she meets Taye Crawford, an independent financial advisor, at one of her own fantastic parties, Destiny finds herself moving in a direction she never anticipated.

Sing Me Forgotten Crown

"Utterly swoony...an endearing reminder that true love can change the world" —J. Elle, *New York Times* bestselling author

of Wings of Ebony To save a galactic kingdom from revolution, Kindred mind-pairings were created to ensure each and every person would be seen and heard, no matter how rich or poor... Joy Abara knows her place. A commoner from the lowly planet Hali, she lives a simple life—apart from the notoriety that being Kindred to the nobility's most infamous playboy brings. Duke Felix Hamdi has a plan. He will exasperate his noble family to the point that they agree to let him choose his own future and finally meet his Kindred face-to-face. Then the royal family is assassinated, putting Felix next in line for the throne...and accused of the murders. Someone will stop at nothing until he's dead, which means they'll target Joy, too. Meeting in person for the first time as they steal a spacecraft and flee amid chaos might not be ideal...and neither is crash-landing on the strange backward planet called Earth. But hiding might just be the perfect way to discover the true strength of the Kindred bond and expose a scandal—and a love—that may decide the future of a galaxy.

Last night a Dj saved my life Macmillan + ORM

Pioneering French DJ Laurent Garnier's ELECTROCHOC is more than an autobiography, it is a truly unique

history of Dance and Techno in the UK, USA & Europe written from the perspective of a man who helped to shape the movement, its sounds and lasting legacy.

The Record Players W. W. Norton & Company

As the 1970s gave way to the 80s, New York's party scene entered a ferociously inventive period characterized by its creativity, intensity, and hybridity. *Life and Death on the New York Dance Floor* chronicles this tumultuous time, charting the sonic and social eruptions that took place in the city's subterranean party venues as well as the way they cultivated breakthrough movements in art, performance, video, and film.

Interviewing DJs, party hosts, producers, musicians, artists, and dancers, Tim Lawrence illustrates how the relatively discrete post-disco, post-punk, and hip hop scenes became marked by their level of plurality, interaction, and convergence. He also explains how the shifting urban landscape of New York supported the cultural renaissance before gentrification, Reaganomics, corporate intrusion, and the spread of AIDS brought this gritty and protean time and place in American culture to a troubled denouement.
