**To Live Again** WildBlue  
Press

Author of the books that  
inspired True Blood on  
HBO and Midnight, Texas  
on NBC Newspaper  
reporter Catherine Linton  
ignored her investigative  
instincts when her parents  
died in a mysterious car

crash six months ago —  
grief obscuring the  
warning signs that  
something was amiss. But  
when she discovers the  
beaten body of her  
father's nurse on Linton  
property, Catherine  
quickly realizes her  
parents' death was no  
accident. Though the  
sleepy Southern town that  
Catherine's family has  
called home for  
generations still prickles

with racial tension and  
decades-old classism,  
Catherine never expected  
that Lowfield, Mississippi,  
could harbor a murderer.  
Now, it seems everyone  
has a terrible secret. But  
how many people in  
Lowfield would kill to keep  
them hidden? Catherine  
finds herself both the  
sheriff's lead suspect and  
the killer's next target.  
With the help of her  
handsome editor, Randall,

and her quirky fellow reporter, Tom, Catherine must untangle the dark roots of the murders and stop the killer who wears a neighbor's face. Sweet and Deadly is the thrilling stand-alone mystery debut from Charlaine Harris, the #1 New York Times bestselling author of the Sookie Stackhouse vampire series, as well as the award-nominated Aurora Teagarden Series, Lily Bard Series, and Harper Connelly Series. Deadly Diagnosis Time Inc. Books

Some argued it would

save the U.S. after 9/11. Instead, the CIA's enhanced interrogation program came to be defined as American torture. The Forever Prisoner, a primary source for the recent HBO Max film directed by Academy Award winner Alex Gibney, exposes the full story behind the most divisive CIA operation in living memory. Six months after 9/11, the CIA captured Abu Zubaydah and announced he was number three in Al Qaeda. Frantic to thwart a much-feared second wave of

attacks, the U.S. rendered him to a secret black site in Thailand, where he collided with retired Air Force psychologist James Mitchell. Arguing that Abu Zubaydah had been trained to resist interrogation and was withholding vital clues, the CIA authorized Mitchell and others to use brutal "enhanced interrogation techniques" that would have violated U.S. and international laws had not government lawyers rewritten the rulebook. In The Forever Prisoner, Cathy Scott-

Clark and Adrian Levy recount dramatic scenes inside multiple black sites around the world through the eyes of those who were there, trace the twisted legal justifications, and chart how enhanced interrogation, a key “weapon” in the global “War on Terror,” metastasized over seven years, encompassing dozens of detainees in multiple locations, some of whom died. Ultimately that war has cost 8 trillion dollars, 900,000 lives, and displaced 38 million people—while the U.S.

Senate judged enhanced interrogation was torture and had produced zero high-value intelligence. Yet numerous men, including Abu Zubaydah, remain imprisoned in Guantanamo, never charged with any crimes, in contravention of America’s ideals of justice and due process, because their trials would reveal the extreme brutality they experienced. Based on four years of intensive reporting, on interviews with key protagonists who speak candidly for the first time, and on

thousands of previously classified documents, *The Forever Prisoner* is a powerful chronicle of a shocking experiment that remains in the headlines twenty years after its inception, even as US government officials continue to thwart efforts to expose war crimes. Silenced by a CIA pledge to keep him imprisoned and incommunicado forever, Abu Zubaydah speaks loudly through these pages, prompting the question as to whether he and others remain detained not

because of what they did to us but because of what we did to them.

Death in the Desert Open Road Media

George Kogan grew up in Puerto Rico before making his way to New York City, where he enjoyed great success as an antiques and art dealer. One morning in 1990 George was approached on the street by an unidentified gunman and was killed in cold blood. His wife Barbara, who stood to collect \$4.3 million in life insurance, was immediately suspected in

George's death. But it would take authorities almost twenty years to uncover a link between her lawyer, Manuel Martinez, and the hitman who killed George.

*The Rough Guide to True Crime* St. Martin's Press  
The lead commissioner of the UN investigation into the assassination of former Pakistani prime minister Benazir Bhutto recounts his year-long investigation into this tragic event that forever changed U.S.-Pakistani relations.

Where the Crawdads Sing

Bloomsbury Publishing USA

Growing up, Susan Berman's childhood was idyllic. She was Las Vegas Mob royalty, the daughter of a Mob boss who ran the Flamingo and furnished his only child with anything money could buy. But halfway through her childhood, dream exploded. Susan's father died without warning during a routine surgery. Next, Susie Berman's mother died by her own hand the next year when she overdosing on drugs. Susie was whisked away

from the only home she'd ever known, parentless and living with an uncle and his family and sent away to boarding school. Fast forward to college where Susan met her soul mate, Robert Durst. They became best friends and each other's confidants. Durst went to work for his wealthy father at the Durst Organization in Manhattan while Susan became a journalist, writing about women's cultural issues for newspapers and magazines. She followed Durst to New York, where

he married the beautiful Kathie McCormack. Then, Kathie disappeared and Susan stood by her best friend Robert, despite suspicions that Durst had caused the demise of his wife. Twenty years later, as police closed in on Durst and reopened the case, seeking to interview his best friends, Susan was murdered. Few clues were found. Who did it and why? Was it the Mob? A trusted friend? Murder in Beverly Hills (an updated, revised edition of *Murder of a Mafia Daughter*) answers those

questions. Exclusive information about the investigation is included in this edition, as well as new interviews of police detectives, Susan's friends, family and colleagues, and new information about Robert Durst is revealed. *The Siege* Penguin Winner of the CWA Nonfiction Dagger Award, the definitive account of the 2008 terrorist attacks in Mumbai Mumbai, 2008. On the night of November 26, Lashkar-e-Toiba terrorists attacked targets throughout the city,

including the Taj Mahal Palace Hotel, one of the world's most exclusive luxury hotels. For sixty-eight hours, hundreds were held hostage as shots rang out and an enormous fire raged. When the smoke cleared, thirty-one people were dead and many more had been injured. Only the courageous actions of staff and guests—including Mallika Jagad, Bob Nichols, and Taj general manager Binny Kang—prevented a much higher death toll. With a deep

understanding of the region and its politics and a narrative flair reminiscent of *Midnight in Peking*, journalists Cathy Scott-Clark and Adrian Levy vividly unfold the tragic events in a real-life thriller filled with suspense, tragedy, history, and heroism. *Freeway Rick Ross* Huntington Press Inc The debut cookbook by the creator of the wildly popular blog *Damn Delicious* proves that quick and easy doesn't have to mean boring. Blogger Chungah

Rhee has attracted millions of devoted fans with recipes that are undeniable 'keepers'-each one so simple, so easy, and so flavor-packed, that you reach for them busy night after busy night. In *Damn Delicious*, she shares exclusive new recipes as well as her most beloved dishes, all designed to bring fun and excitement into everyday cooking. From five-ingredient Mini Deep Dish Pizzas to no-fuss Sheet Pan Steak & Veggies and 20-minute Spaghetti Carbonara, the recipes

will help even the most inexperienced cooks spend less time in the kitchen and more time around the table. Packed with quickie breakfasts, 30-minute skillet sprints, and speedy takeout copycats, this cookbook is guaranteed to inspire readers to whip up fast, healthy, homemade meals that are truly 'damn delicious!'

**Labyrinth** SAGE

This is the extraordinary novel that has captured millions in its spell!

**Murder of a Mafia**

**Daughter** HarperPress

From beloved author Lois Duncan comes a frightening novel about a group of students who set out to teach their malicious teacher a lesson -- only to learn that one of them could be a killer. Mr. Griffin is the strictest teacher at Del Norte High, with a penchant for endless projects and humiliating students. Even straight-A student Susan can't believe how mean he is to her crush, Dave, and to the charismatic Mark Kinney. So when Dave asks Susan to help a group of

students teach Mr. Griffin a lesson of their own, she goes along with them. After all, it's a harmless prank, right? But things don't go according to plan. When one "accident" leads to another and people begin to die, Susan and her friends must face the awful truth: one of them is a killer.

**Damn Delicious** Penguin  
"One of the best books I have ever read!"

—Amazon reviewer, five stars  
A dying patient's mysterious warning sends a doctor to follow a trail of murder in a new novel by

the author of *Death by Appointment*. As Betty Scott is dying, she warns Dr. Cathy Moreland that danger lurks at the charity shop where she volunteers. But the only clue she provides is a reference to the now-derelict psychiatric hospital called Fernibanks. Then Betty is found dead—but not from natural causes—and Cathy is compelled to investigate. At the charity shop, Cathy encounters several workers, some of whom raise her suspicions. When a local

man with a learning disability is arrested for Betty's murder, a man Cathy deems an unlikely suspect, she grows more determined to find the truth. And when two people end up in hospital, the story behind the recent events—and a long-ago death—begins to emerge . . . Praised for her “great characters” (Peter Boon, author of *Who Killed Miss Finch?*), former physician Mairi Chong presents a compelling story of hidden crimes and lethal secrets. *Pawprints of Katrina*

Macmillan  
The Notorious B.I.G. exploded onto the hip-hop scene with his platinum-selling album *Ready to Die* in 1995. The life of B.I.G. a.k.a. Biggie Smalls--born Christopher Wallace--had come a long way from the years spent in his Bed-Sty neighborhood in Brooklyn, New York, where he dropped out of school at age seventeen to pursue the culture of the street and master his rapping style. It was on the street that Smalls began emceeing his original raps

and was discovered by Sean "Puffy" Combs, who recognized Smalls's potential and took his gangsta image to the next level. Within a few years he moved from the street to two successful rap albums, several million dollars in earnings, a Billboard Music Award in 1996 for Rapper of the Year, a marriage to R&B singer Faith Evans, a very public affair with L'il Kim, and hanging with Tupac Shakur, Marion "Surge" Knight, Puff Daddy, and Mary J. Blige. Despite becoming king of his

world, Smalls didn't leave the life he rapped about behind. During his two-year rise up the charts he had several run-ins with the law, on charges ranging from assault to drugs and weapons possession. In 1994, both he and Combs were accused publicly by Suge Knight and Tupac's camp of setting up the shooting of Tupac Shakur, a charge they both vehemently denied. The high life was brought to an end on March 9, 1997, after Biggie attended the Soul Train Awards in Los

Angeles. Smalls was gunned down in his car much like friend-turned-enemy Shakur had been six months earlier. Three years after Smalls's death, the police still have not made an arrest, and despite their early confidence that the case would be solved quickly, his murder continues to raise more questions than it answers. Respected journalist Cathy Scott has traveled from Las Vegas to New York and Los Angeles, interviewing those involved with Smalls and reviewing

court documents and police reports surrounding the case in order to tell the real story of the murder of Biggie Smalls. The Murder of Biggie Smalls uncovers what those around Smalls and Shakur don't want to be revealed, including: The possibility that Smalls may have owed a gang money and was killed to collect on the debt. That Puffy Combs, Smalls's record producer, may have hired Crips members as bodyguards, who in turn killed Smalls over a financial beef. That

Combs may have been the intended victim instead of Smalls. The investigation into Suge Knight, Tupac Shakur's record producer, and the suspicion that he may have masterminded Smalls's murder from his California prison cell. Smalls's mother's belief that the federal government was involved in the murder and that police have conspired not to solve the crime. Why many surrounding Smalls feel the police have neglected the case to the point of letting the

murderer get away--while being unwilling to offer any information themselves or assist the police in their efforts.

**Tell Me Who I Am: The Sunday Times Bestseller and Netflix Original Documentary**

Rowman & Littlefield  
This #1 New York Times bestseller is the perfect gift for the young artist in your life! A never-before-published Dr. Seuss non-fiction book about creating and looking at art! Based on an unrhymed manuscript and sketches discovered in

2013, this book is like a visit to a museum—with a horse as your guide! Explore how different artists have seen horses, and maybe even find a new way of looking at them yourself. Discover full-color photographic art reproductions of pieces by Picasso, George Stubbs, Rosa Bonheur, Alexander Calder, Jacob Lawrence, Deborah Butterfield, Franz Marc, Jackson Pollock, and many others—all of which feature a horse! Young readers will find themselves delightfully transported by the

engaging equines as they learn about the creative process and how to see art in new ways. Taking inspiration from Dr. Seuss's original sketches, acclaimed illustrator Andrew Joyner has created a look that is both subtly Seussian and wholly his own. His whimsical illustrations are combined throughout with "real-life" art. Cameo appearances by classic Dr. Seuss characters (among them the Cat in the Hat, the Grinch, and Horton the Elephant) make Dr. Seuss's Horse

Museum a playful picture book that is totally unique. Ideal for home or classroom use, it encourages critical thinking and makes a great gift for Seuss fans, artists, and horse lovers of all ages. Publisher's Notes discuss the discovery of the manuscript and sketches, Dr. Seuss's interest in understanding modern art, the process of creating the book, and information about each of the artists and art reproductions in the book.

**The Forever Prisoner**

Harper Collins  
 NOW A MAJOR MOTION  
 PICTURE—The #1 New  
 York Times bestselling  
 worldwide sensation with  
 more than 18 million  
 copies sold, hailed by The  
 New York Times Book  
 Review as “a painfully  
 beautiful first novel that is  
 at once a murder  
 mystery, a coming-of-age  
 narrative and a  
 celebration of nature.” For  
 years, rumors of the  
 “Marsh Girl” have  
 haunted Barkley Cove, a  
 quiet town on the North  
 Carolina coast. So in late  
 1969, when handsome

Chase Andrews is found  
 dead, the locals  
 immediately suspect Kya  
 Clark, the so-called Marsh  
 Girl. But Kya is not what  
 they say. Sensitive and  
 intelligent, she has  
 survived for years alone in  
 the marsh that she calls  
 home, finding friends in  
 the gulls and lessons in  
 the sand. Then the time  
 comes when she yearns  
 to be touched and loved.  
 When two young men  
 from town become  
 intrigued by her wild  
 beauty, Kya opens herself  
 to a new life—until the  
 unthinkable happens.

Where the Crawdads Sing  
 is at once an exquisite  
 ode to the natural world, a  
 heartbreaking coming-of-  
 age story, and a  
 surprising tale of possible  
 murder. Owens reminds  
 us that we are forever  
 shaped by the children we  
 once were, and that we  
 are all subject to the  
 beautiful and violent  
 secrets that nature keeps.

As seen on Investigation

Discovery: “A true crime murder mystery that will leave you gasping for breath.” —Steve Jackson, New York

Times–bestselling author of *No Stone Unturned* Frank Rodriguez, a much-loved counselor of troubled teens, lies dead on the bedroom floor. His wife and stepdaughter are in shock, and so is the medical examiner when he performs the autopsy. Aside from being dead, Frank is in perfect health. Demanding to know the cause of her husband’s death, Angie Rodriguez

badgers the police, insisting that Frank was murdered. The cops attribute her assertions to overwhelming grief, but soon they too believe that Frank didn’t die of natural causes. When the police enlist their number one suspect to help in the investigation, things spiral out of control until law enforcement is dealing with a daring plot to murder Angie’s best friend, and allegations of another homicide so evil and perverse that even seasoned LA County Detectives are shocked

beyond belief . . . New York Times–bestselling and Edgar Award–winning author “Burl Barer, with co-author Frank Giradot, has hit yet another home run with this crime story. A smart and well-written who-dunnit tale” (Cathy Scott, Los Angeles Times–bestselling author of *The Killing of Tupac Shakur*). “A doozy of a murder.” —Suzy Spencer, New York Times–bestselling author of *Breaking Point* and *Principles of Trauma Therapy* Turner Publishing Company

An account of how a police detective lead the task force that exposed the facts behind the deaths of rappers Biggie Smalls and Tupac Shakur. **Murder in Beverly Hills** Atlantic Monthly Press *The Millionaire's Wife* Cathy Scott The beloved son of Holocaust survivors, forty-nine-year-old George Kogan grew up in Puerto Rico before making his way to New York City, where he enjoyed great success as an antiques and art dealer. Until one morning in 1990, when George was

approached on the street by an unidentified gunman—and was killed in cold blood. Before the shooting, George had been on the way to his girlfriends's apartment. Mary-Louise Hawkins was twenty-eight years old and had once worked as George's publicist. But ever since they became lovers, George's estranged wife, Barbara, was consumed with bitterness. As she and George hashed out a divorce, Barbara fueled her anger into greed—especially after a

judge turned down her request for \$5,000 a week in alimony. Barbara, who stood to collect \$4.3 million in life insurance, was immediately suspected in George's death. But it would take authorities almost twenty years to uncover a link between her lawyer, Manuel Martinez, and the hitman who killed George. In 2010, Martinez agreed to testify against his client...and Barbara eventually pled guilty to charges of grand larceny, conspiracy to commit murder, and murder in

the first degree. This is the shocking true story of THE MILLIONAIRE'S WIFE. The Killing of Tupac Shakur-Third Edition Penguin  
The Rough Guide to True Crime is the complete compilation of crime's most notorious villains, heinous acts and shocking misdemeanors. The Rough Guide to True Crime in a new ePub format provides an unusually wide coverage of crime's most appalling occurrences; combining in-depth accounts of the most infamous to the

lesser known crimes, from conmen to cyber crime, with 'at-a-glance' fact files throughout. From the Moors murders and Harold Shipman, to the murder of Tupac, this guide illuminates the psychology in play behind the most intriguing crimes in history, from the absurd to the appalling. Written by award-winning journalist and author Cathy Scott, the book features extensive black and white still photographs and profile boxes by forensic expert Professor Louis B.

Schlesinger explaining the psychology of serial killers, hit men, burglars and various types of murderers. Lesser violations provide a lighter touch, including Paris Hilton's traffic

transgressions and Winona Ryder's shoplifting fetish. The Rough Guide to True Crime explores the best of the haunting genre of True Crime, thrilling the armchair voyeur and amateur criminologist

alike.
