Practical Crystals Chartwell Books

- Examines myths of the chintamani from East and West, including from China, India, and South America; in legends of the Holy Grail and Atlantis; and in Nicholas Roerich's real-life quest for Shambhala
- Explains the chintamani matrix--the multidimensional field of light, energy, and consciousness that forms networks of gems on the etheric and physical levels
- Provides simple and advanced practices with crystal grids and meditation to help you access the chintamani matrix and realize your innermost heart's desires

Space, time, intention, matter, and consciousness all entangle in crystals. Nowhere is this more evident than in the ancient gem archetype of the chintamani, the wish-fulfilling jewel known in legends around the world as the stone that grants your heart's desires. As authors Johndennis Govert and Hapi Hara reveal, the chintamani's "tachyolithic" technology of wish-granting and spiritual enlightenment creates a vehicle for positive transformation. They show how the chintamani energy matrix can be accessed using tangible crystals and gemstones, meditation, yoga, and the powerful science of intention. Exploring the many chintamani myths and legends from East and West, the authors explain how there are three types of chintamani: the mythical gemstone; the power crystals of history, such as the Koh-i-

Noor diamond; and the multidimensional field of light, energy, and consciousness that forms a network of all gems in what is known as “the jewel net of Indra” in Hinduism and Buddhism. Activating this crystal energy matrix provides a way to manifest your intentions and help you create the subtle diamond body. The authors detail specific gems and crystal spiritual technology that can affect material reality and trigger profound spiritual growth. They provide a number of simple practices with crystal grids and meditation to help you access the chintamani matrix and become aware of the interconnected jewel net of consciousness. They examine the science of intention, which provides a basis for connecting to gemstones and crystals, and share advanced meditations to realize and activate your innermost heart’s desires.
