*Big Book of Best Loved Quilt Patterns* C&T Publishing Inc  
 Give simple quilt blocks a touch of magic—the add-a-strip way! Slice into basic shapes like squares, triangles, and diamonds. Then, piece in a 1" strip of contrasting fabric to create dozens of new designs! Quilters of all skill levels can piece geometric patterns that look complex thanks to this innovative technique. Each of the 10 quilt patterns comes with a second variation to inspire your color choices, plus great ideas for sashing, resizing

blocks, and adding your personal touch.

*Illustrated Guide to Panel Magic* C&T Publishing Inc  
 Shows and names blocks for four thousand quilt patterns arranged by basic shapes

**The Magic of Crazy Quilting** Krause Publications Incorporated  
 Splice Magic is a groundbreaking quilting technique by Tiffany Hayes of Needle in a Hayes Stack. Tiffany Hayes, together with Kristie J. Smith and a host of friends, created a pattern book of 10 quilts to showcase the Splice Magic technique. The book is sponsored by Stitchin' Heaven, in Quitman, TX.

**Changed Into His Image** Harper Collins  
 The bestselling Piece O' Cake Designs author helps you capture

the magic of this mythical creature with colorful and versatile full-size patterns. Let your creativity run wild with this totally adorable, rainbow-colored quilt to appliqué. With two sizes of unicorn blocks (35" x 35" and 50" x 50") and 5 sizes of quilts (wall, crib, twin, throw, and queen), you'll be able to make an enchanting quilt for all the unicorn lovers in your life, large or small! Includes instructions for both needle-turn appliqué and machine appliqué, as well as finishing techniques. This quilt will be a galloping success as the perfect gift for baby showers, birthdays, and other special occasions.

**Big-block Quilts by Magic** Annie's  
 The PDQ Evidence Based Principles and Practice addresses the

concepts of evidence based health care in a gentle, non-technical manner. One of its two major purposes is to provide a background to understand health care research and how best to evaluate and apply new research findings in health. The audience is librarians and other information .....

Make Big, Beautiful Lone Stars Without Cutting or Piecing a Single Diamond! 14 elegant Lone Star blocks put a shine into any room- and you make them entirely from easy squares and rectangles! Each star pattern includes directions to make quilts of 4 different sizes, from wallhangings to king-size bed quilts. 4 elegant quilt settings to mix and match with any Lone Star block for a huge variety of looks. 2 quilting designs for each star give you detailed guidance for machine- or hand-quilting. 14 bonus wallhangings and instructions for 4 pieced backings make great use of the cutoff trimmings from your blocks. If you love Lone Star quilts, you'll find enough star blocks, settings, and bonus patterns here to keep you quilting for a long, long time. You won't believe how easy they are until you've tried Nancy's Diamond-Free® technique that turns squares and rectangles into stars with perfect points and no y-seams!

[Machine Magic](#) Sterling Publishing (NY)

Take advantage of everything your sewing machine has to offer! Decorative quilt artist Deborah Louie teaches how to use the stitch options on your machine and incorporate them into gorgeous appliqué pieces.

**Fusible Magic** Prentice Hall Direct

"Demonstrates how to bring these flowers alive with machine embroidery and thread painting . . . A gallery of 'fantasy flower' quilts will pique your interest." —Machine Quilting Unlimited A flower garden is a place to daydream, make wishes, quiet the mind, or spark imagination. Bring this special space indoors by making a floral art quilt using fusible appliqué and machine embroidery techniques. Learn how to develop your own vivid designs and then choose the best fabrics, threads, and embellishments to create special effects that bring your flowers to life. With Ellen Anne Eddy's innovative no-pattern approach, you'll be on your way to becoming a master art quilter just like her! "Award-winning quilter and 2012 Teacher-of-the-Year nominee Ellen Anne Eddy is well known for her free-motion thread work . . . If you are interested in learning or expanding your skills at

machine embroidery, you'll enjoy this book." —The Professional Quilter Magazine

[Best-loved Quilt Patterns](#) C&T Publishing

One of the biggest questions facing most quilters is which quilt design to use. With over 500 pages containing over 1000 motifs, this title provides all the inspiration quilters might need. The book starts with three key techniques showing how to translate designs to fabric: drawing around a card template; stitching through a traced outline; and cutting templates out of stencil plastic. Then, the designs - a lifetime's worth of patterns from traditional, modern and heirloom to easy-to-follow geometric and figurative examples as well as both machine and hand-quilting ones - are organized by theme, so it is easier to find a pattern to suit every style of quilt. circular, square or triangular block to create the best effect, and for each design she explains how each example can be repeated and the percentage to enlarge the patterns. All this key data is succinctly presented in short notations accompanying each pattern, a feature of the book which allows the author to include as many stitch designs as are required to satisfy even the most avid enthusiast.

Play and count with felt bugs Little butterfly and his friends make learning a real buzz Children can make their own pictures with the fun felt pieces and learn their numbers at the same time. Ages 3+

[The Magical Unicorn Quilt](#) Sundance Newbridge

Corey Taylor has seen a lot of unbelievable things. The Grammy Award-winning singer of Slipknot and Stone Sour's curiosity has drawn him into situations that would've sent most people screaming scared and running for the hills. Corey's ballsy enough to go into the darkness and deal with the consequences though. As a result, he's seen ghosts up close and personal, whether it be while combing through an abandoned house in his native Iowa as a child or recording an album in the fabled Houdini Hollywood Hills mansion. He's also got the memories (and scars) to prove it. For some reason, he can't seem to shake these spectral stories, and that brings us to this little tome right here...At the same time, being an erudite, tattooed, modern Renaissance Man, he never bought into the whole God thing. Simply put, he's seen ghosts, but he hasn't seen Jesus. Corey especially can't find a reason why people do the insane things they do in HIS name. That's where

everything really gets interesting. His second book, *A Funny Thing Happened on the Way to Heaven*, compiles Corey's most intimate, incredible, and insane moments with the supernatural. His memories are as vivid as they are vicious. As he recounts these stories, he questions the validity of religious belief systems and two-thousand-year-old dogma. As always his rapid-fire writing, razor sharp sense of humour, unbridled honesty, and cosy anecdotes make quite the case for his point. You might end up believing him or not. That's up to you, of course. Either way, you're in for a hell of a ride.

**Add-a-line** Oxmoor House

Easy new technique uses only squares and rectangles. Includes 30 blocks and 10 quilts.

**Stars by Magic** C&T Publishing Inc

Nancy's latest blocks sew up faster than ever.

**Quilting** American Quilter's Society

Michelle J. Linder's wonderful way with squares yields dozens of variations that even the newest quilter can make to create hundreds of beautiful blocks. See how one little square can be made into 12 different units that are mixed and matched to create Nine-Patch patterns. These units can be stand-alone blocks or be combined with other units to make spectacular quilts. Project possibilities are endless. Instructions for table runners, placemats, mantel scarves, and more are included. This method is completely foolproof because the accuracy is already built in. All you need are squares. The small sizes of the projects make them ideal for busy quilters and all can be adapted to any colorway. Quick and easy to machine piece and assemble, these magic squares are addictive! They're fat eighth- and fat quarter-friendly, too. OUT OF PRINT

[Splice Magic](#) American School of Needlework/Asn Pub.

We imagine that you have seen a wonderful pillow panel or cheater-quilt panel at your favorite fabric store and wanted to purchase it but could not think of what you might do with it. Now here is a book that can help you come up with many ideas and patterns that will help you turn the panel into your very own creation. There are 24 patterns in all.

[1000 Great Quilting Stitch Patterns](#) C&T Publishing Inc
