Lords And Ladies Discworld Novel 14 A Discworld No

Downloaded from intra.itu.edu by guest

GIANNA MOORE

The Science Of Discworld II Random House

Do you believe in magic? Can you imagine a war between wizards? An exciting journey in an airship or down in a submarine? Would you like to meet the fastest truncheon in the Wild West? The Witch's Vacuum Cleaner is the second fabulously funny short-story collection from the late acclaimed storyteller Terry Pratchett. A follow-up to *Dragons at Crumbling Castle*, this second batch of storytelling gems features stories written when Sir Terry was just seventeen years old and working as a junior reporter. In these pages, new Pratchett fans will find wonder, mayhem, sorcery, and delight—and loyal readers will recognize the seeds of ideas that went on to influence his most beloved tales later in life. As Neil Gaiman says, "a Terry Pratchett book is a small miracle"—and *The Witch's Vacuum Cleaner* proves to be another miracle taking its place alongside Pratchett's astounding and cherished body of work.

Lords and Ladies Bloomsbury Publishing

The thirteenth novel in the Discworld series from New York Times bestselling author Terry Pratchett. Lost in the chill deeps of space between the galaxies, it sails on forever, a flat, circular world carried on the back of a giant turtle—Discworld—a land where the unexpected can be expected. Where the strangest things happen to the nicest people. Like Brutha, a simple lad who only wants to tend his melon patch. Until one day he hears the voice of a god calling his name. A small god, to be sure. But bossy as Hell.

Lords and Ladies Harper Collins

Lady Sybil, wife of Sam Vimes, convinces him to travel to the countryside for a vacation. Out of his element, Sam soon finds various crimes to investigate. But he is out of his element and must rely on his instincts to bring the culprits to justice.

Carpe Jugulum Harper Collins

In Terry Pratchett's *Wyrd Sisters*, Granny Weatherwax teams with two other witches—Nanny Ogg and Margat Garlick—as an unlikely alliance to save a prince and restore him to the throne of Lancre, in a tale that borrows—or is it parodies—some of William Shakespeare's best-loved works. Meet Granny Weatherwax, the most highly regarded non-leader a coven of non-social witches could ever have. Generally, these loners don't get involved in anything, must less royal intrigue. But then there are those times they can't help it. As Granny Weatherwax is about to discover, it's a lot harder to stir up trouble in the castle than some theatrical types would have you think. Even when you've got a few unexpected spells up your sleeve. The Discworld novels can be read in any order but *Wyrd Sisters* is the sixth Discworld book and the second in the *Witches* collection. The *Witches* collection includes: *Equal Rites* *Wyrd Sisters* *Witches Abroad* *Lords and Ladies* *Maskerade* *Carpe Jugulum*

Wyrd Sisters Bloomsbury Publishing

A collection of three of the author's Discworld novels - *Equal Rites*, *Wyrd Sisters* and *Witches Abroad*

- that feature the characters Granny Weatherwax, Nanny Ogg and Magrat Garlick.

The First Fifteen Lives of Harry August Harper Collins

"Unadulterated fun. . . witty, frequently hilarious." —San Francisco Chronicle The third novel in New York Times bestselling author Terry Pratchett's Discworld series, a fantasy universe where anything can happen—and usually does. A dying wizard tries to pass his staff on to the eighth son of an eighth son. When it is revealed that the he is a girl named Esk, the news of the female wizard sends the citizens of Discworld into a tail-spin. With their biting satire and limitless imagination, it is easy to understand why 80 million Discworld books have been sold worldwide. *Equal Rites* possesses rich characterizations, a journey of awareness, and even a hint of romance from master storyteller Terry Pratchett.

Lords and Ladies Redhook

Terry's Pratchett's profoundly irreverent novels are consistent number one bestsellers in England, where they have catapulted him into the highest echelons of parody next to Mark Twain, Kurt Vonnegut, Douglas Adams, and Carl Hiaasen. Meet Granny Weatherwax, the most highly regarded non-leader a coven of non-social witches could ever have. Generally, these loners don't get involved in anything, much less royal intrigue, but then there are those times they can't help it. As Granny Weatherwax is about to discover though, it's a lot harder to stir up trouble in the castle than some theatrical types would have you think. Even when you've got a few unexpected spells up your sleeve.

Equal Rites Samuel French Limited

Elves threaten the human kingdom of Lancre and the wedding between King Verence and witch Magrat Garlick, and it is up to three witches, Granny Weatherwax, Nanny Ogg, and Magrat, to save the day.

Witches Abroad Random House

Based loosely on *The Science of Discworld II: the Globe*, *Lords & Ladies*, and *A Midsummer Night's Dream*, *The Shakespeare Codex* is a new Discworld stage adaptation written to commemorate Terry Pratchett's life and works. Discworld's motley band of characters team up and stop the elves taking over our world, make Shakespeare write *A Midsummer Night's Dream* ... and ensure the potato is discovered! Featuring Ridcully, Rincewind, Granny Weatherwax, Angua, Vetinari, Shakespeare, Queen Elizabeth I (and the Earl of Oxford), this is an unmissable new adventure for Discworld fans.

Wintersmith HarperCollins

"Start with Douglas Adams's comic science fiction (*A Hitchhiker's Guide to the Galaxy*) and J.R.R. Tolkien's alternative worlds, mix in James Ellroy's gritty realism and Jonathan Swift's unflinching satire and, if you're lucky, you'll get something like Terry Pratchett's *Thud!*" —Wall Street Journal City Watch Commander Sam Vimes must solve the murder of a prominent dwarf or watch as Discworld is plunged into a bloody civil war in Terry Pratchett's delightful Discworld satire, a brilliant tale of prejudice, ancient feuds, and tender fatherhood. Long, long ago, in a gods-forsaken hellhole called Koom Valley, trolls and dwarfs met in bloody combat. Centuries later, each side still views the

other with simmering animosity that has been heightened of late because of one Grag Hamcrusher. The influential dwarf has been fomenting unrest among a section of Ankh-Morpork's citizenry—a volatile situation made far worse when the petite provocateur is discovered bashed to death . . . with a troll club lying conveniently nearby. If he doesn't solve the murder of just one dwarf, Commander Sam Vimes of Ankh-Morpork City Watch is going to see it fought again, right outside his office. But more than one corpse is waiting for Vimes in the eerie, summoning darkness of a labyrinthine mine network being secretly excavated beneath Ankh-Morpork's streets. With war-drums beating ever louder, Vimes must unravel every clue, outwit every assassin, and brave any darkness to find the solution. And the darkness is following him, pulling him deep into the muck and mire of superstition, hatred, and fear—and perhaps all the way to Koom Valley itself. Until six o'clock every day, when without fail, the Commander goes home to read *Where's My Cow?*, with accompanying farmyard noises, to his little boy. Because there are some things you must do. The Discworld novels can be read in any order but *Thud!* is the 7th book in the City Watch collection and the 34th Discworld book.

The City Watch collection in order: *Guards! Guards!* *Men at Arms* *Feet of Clay* *Jingo* *The Fifth Elephant* *Night Watch* *Thud!* *Snuff*

The Shepherd's Crown Random House

"Discworld is more complicated and satisfactory than Oz . . . has the energy of *The Hitchhiker's Guide to the Galaxy* and the inventiveness of *Alice in Wonderland* . . . brilliant." —A. S. Byatt When war, magic, politics, and one deliciously inept wizard collide, zany mayhem ensues in this delightful satire in Sir Terry Pratchett's internationally bestselling Discworld series. To the fine denizens of Discworld, the phrase "May you live in interesting times" is a curse. No one wishes to hear those words, especially not Rincewind. The distinctly unmagical sorcerer has barely survived more than a few "interesting times" and he isn't looking to experience any more. But when a request for a "Great Wizzard" arrives in Ankh-Morpork via carrier albatross from the faraway Counterweight Continent, Rincewind is named emissary. The Agatean Empire's current ruler is on the brink of downfall, and chaos is all but certain to arise in the wake. For some incomprehensible reason, someone believes Rincewind will have a mythic role in the war and the ensuing bloodletting. Cohen the Barbarian and his extremely elderly Silver Horde are already hard at work planning for the looting and pillaging. Anyone can be a hero, but there's only one Rincewind—and he believes he owes it to the world to keep that one alive for as long as possible. The Discworld novels can be read in any order but *Interesting Times* is the fifth installment in the Wizards collection (and the 18th Discworld book). The other books in the Wizards collection include: *The Color of Magic* *The Light Fantastic* *Sourcery* *Eric* *The Last Continent* *Unseen Academicals*

Sourcery Harper Collins

'You can't go around building a better world for people. Only people can build a better world for people. Otherwise, it's just a cage.' There's power in stories. The Fairy Godmother is good. The servant girl marries the Prince. Everyone lives happily ever after . . . don't they? The witches Granny Weatherwax, Nanny Ogg and Magrat Garlick are travelling to far-distant Genua to stop a wedding and save a kingdom. But how do you fight a happy-ever-after, especially when it comes with glass slippers and a power-hungry Fairy Godmother who has made Destiny an offer it can't refuse? It's hard to resist a good story, even when the fate of the kingdom depends on it . . . 'No one mixes the

fantastical and mundane to better comic effect' Daily Mail 'One of our greatest fantasists, and beyond a doubt the funniest' George RR Martin *Witches Abroad* is the third book in the *Witches* series, but you can read the Discworld novels in any order.

Small Gods Harper Collins

For every Pratchett fan, the must-have fully updated guidebook to Discworld! *The Discworld*, as everyone knows, is a flat world balanced on the backs of four elephants which, in turn, stand on the shell of the giant star turtle, the Great A'Tuin, as it slowly swims through space. It is also a global publishing phenomenon with sales of nearly 85 million books worldwide (and counting). With 39 books in the canon, not including the various guides, maps, diaries, and other tie-in volumes, there's a lot of Discworld to keep track of—more than most fans can manage without magic. *Turtle Recall* is the ultimate authority on probably the most heavily populated—certainly the most hilarious—setting in fantasy literature and includes a guide to Discworld locales from Ankh-Morpork to Zemphis, as well as information to help you distinguish Achmed the Mad from Jack Zweiblum and the Agatean Empire from the Zoons. Plus much, much more. Covering everything from *The Colour of Magic*, the first Discworld novel, through *Snuff!*, *Turtle Recall: The Discworld Companion* . . . *So Far* is the most up-to-the-minute encyclopedia of Terry Pratchett's extraordinary universe available.

Death's Domain Harper Collins

Wintersmith has descriptive copy which is not yet available from the Publisher.

Interesting Times Harper Collins

It's Midsummer Night - no time for dreaming. Because sometimes, when there's more than one reality at play, too much dreaming can make the walls between them come tumbling down. Unfortunately there's usually a damned good reason for there being walls between them in the first place - to keep things out. Things who want to make mischief and play havoc with the natural order. Granny Weatherwax and her tiny coven of witches are up against real elves. And they're spectacularly nasty creatures. Even in a world of dwarves, wizards, trolls, Morris dancers - and the odd orang-utan - this is going to cause trouble... Adapted by Terry Pratchett's long-time collaborator Stephen Briggs, this play text version of Pratchett's bestselling Discworld novel *Lords and Ladies* wittily and faithfully reimagines the story for the stage.

The New Discworld Companion Random House

'They say that the way to a man's heart is through his stomach which just goes to show they're as confused about anatomy as they gen'rally are about everything else, unless they're talking about instructions on how to stab him, in which case a better way is up and under the ribcage. Anyway, we do not live in a perfect world and it is foresighted and useful for a young woman to become proficient in those arts which will keep a weak-willed man from straying. Learning to cook is also useful.' Nanny Ogg, one of Discworld's most famous witches, is passing on some of her huge collection of tasty and above all interesting recipes, since everyone else is doing it. But in addition to the delights of the *Strawberry Wobbler* and *Nobby's Mum's Distressed Pudding*, Mrs Ogg imparts her thoughts on life, death, etiquette ('If you go to other people's funerals they'll be sure to come to yours'), courtship, children and weddings, all in a refined style that should not offend the most delicate of sensibilities. Well, not much. Most of the recipes have been tried out on people who are still alive. Nanny Ogg Gratefully Acknowledges the Assistance in this Literary Argosy of: Mr Terry

Pratchett, Mr Stephen Briggs, Mlle Tina Hannan and Master Paul Kidby.

Lords and Ladies Harper Paperbacks

'People didn't seem to be able to remember what it was like with the elves around. Life was certainly more interesting then, but usually because it was shorter. And it was more colourful, if you liked the colour of blood . . .' On Midsummer Night, dreams are especially powerful. So powerful, in fact, that they can cause the walls between realities to come crashing down. And some things you really don't want to break through. The witches Granny Weatherwax, Nanny Ogg and Magrat Garlick return home to discover that elves have invaded Lancre. And even in a world of wizards, trolls, dwarfs, Morris dancers - and the odd orangutan - they're spectacularly nasty creatures. The fairies are back - and this time they don't just want your teeth . . . 'His spectacular inventiveness makes the Discworld series one of the perennial joys of modern fiction' Mail on Sunday 'Cracking dialogue, compelling illogic and unchained whimsy' The Sunday Times Lords and Ladies is the fourth book in the Witches series, but you can read the Discworld novels in any order.

Turtle Recall HarperCollins

A beautiful hardback edition of the classic Discworld novel In this and indeed other lives there are givers and takers. It's safe to say that vampires are very much in the latter camp. They don't have much time for the givers of this world - except perhaps mealtimes - and even less for priests. Mightily Oats has not picked a good time to be a priest. Lancre's newest residents are a thoroughly modern, sophisticated vampire family. They've got style and fancy waistcoats. They're out of the casket and want a bite of the future. But they haven't met the neighbours yet: between them and Lancre stand Granny Weatherwax and Nanny Ogg. And Magrat, who is trying to combine witchcraft and nappies. And young Agnes, although she is really in two minds about everything. Mightily Oats knows he has a prayer, but he wishes he had an axe.
