### The Little Book of Lettering & Word Design

Hachette UK

Create beautiful lettering projects, quotes, birthday cards, and more once you've learned the basics of hand lettering from artist Sarah Ensign. Have you always wanted to learn the secrets to create stunning letter art? Now you can! This book takes you through different hand lettering styles such as faux calligraphy, brush pen lettering, and creating basic font styles such as monoline, elegant, and brush pen scripts. Sarah Ensign, author and influencer shares this fascinating craft with you through pages of colorful examples and worksheets that allow you to practice what you've learned. She also shares practical tips on supplies such as pen and paper, creating beautiful fonts, and master tricky connections, and planning layouts for quotes. Simple Techniques and Endless Possibilities In this colorful, hardcover book, you'll find hands-on lettering worksheets and

step-by-step guides that will quickly build your confidence. Explore your creativity with this fun, creative craft. Hand lettering for Beginners has a fun, non-intimidating approach to guiding readers through hand lettering techniques and possibilities. This book will start a fascinating hobby that will allow you to grow your hand lettering skills and create your own unique projects.

### **This Little Piggy**

Penguin

The real-life Nickel and Dimed—the author of the wildly popular “Poverty Thoughts” essay tells what it’s like to be working poor in America. ONE OF THE FIVE MOST IMPORTANT BOOKS OF THE YEAR--Esquire “DEVASTATINGLY SMART AND FUNNY. I am the author of Nickel and Dimed, which tells the story of my own brief attempt, as a semi-undercover journalist, to survive on low-wage retail and service jobs. TIRADO IS THE REAL THING.”—Barbara Ehrenreich, from the Foreword As the haves and have-nots grow more separate and unequal in America, the working poor don't get heard from much. Now they have a

voice—and it’s forthright, funny, and just a little bit furious. Here, Linda Tirado tells what it’s like, day after day, to work, eat, shop, raise kids, and keep a roof over your head without enough money. She also answers questions often asked about those who live on or near minimum wage: Why don't they get better jobs? Why don't they make better choices? Why do they smoke cigarettes and have ugly lawns? Why don't they borrow from their parents?

Enlightening and

entertaining, Hand to Mouth opens up a new and much-needed dialogue between the people who just don't have it and the people who just don't get it.

 'This is a fab book. Really recommend it!' Mrs Hinch  
 Read this book for an instant pick-me-up. Whether this is your first or fifth baby, *The Little Book of Self-Care for New Mums* is your handy survival guide to managing the emotional and physical rollercoaster of becoming a new mum. Bringing together decades of experience from a midwife and a doula, you'll find invaluable tips and tricks to boost confidence and calm frazzled nerves - plus answers to all those questions you may be too embarrassed to ask. From creating cooling breast pads with chamomile tea and quick stretches to relieve aching muscles, through to easy recipes to nourish your postnatal body and 5-minute fixes to restore your sense of humour, this is the book you can turn to when the overwhelm sets in. Beautifully illustrated in full-colour, it covers everything you need to know about the postnatal period to feel supported, empowered and understood.

*The Little Book of Self-Care for New Mums*  
 Penguin

A beautifully colour-illustrated pocket guide to decluttering your home and life by using specific tools and strategies

**Hand Lettering for Beginners** Side x Side Publishing

'Hand Book' is a print version of the ebook 'Real Palmistry'. It contains the same basic content. The images are black and white. It was created for the many people who have asked for a 'real' book. Before you read another word, look at your hands. What do you see, a confused jumble of lines and bumps? Look again. You are looking at a topographical map of your character in the past, present, and future. You can navigate your map and chart your course. You don't have to be a palmist or even know palmistry to be able to see your relationship, career, and health potentials in your hands. Reading hands is simple and fun. The value of reading hands is in being able to readily recognize personality traits, habits and patterns, and motivations. As we identify our strengths and weaknesses, we can alter our thinking, exercise our

free will, and transform negative thought patterns into positive behavioral patterns. We can take charge of our thinking, feelings, and actions. Interpreting our hands and understanding our character can inspire and empower us to transform our destinies. The beauty of reading hands is that hands change as thinking and circumstances change. A tiny change in a hand can represent a huge change in a life. As we make decisions and exercise our free will, we are able to see our successes and failures reflected in our hands over time. Palmistry is the 5500-year-old science and art of interpreting character from hands. Size, shape, and proportions of hands reveal one or more of four basic archetypes: Intuitive, Practical, Thinking, and Feeling. Texture, color, elasticity and consistency of skin, and the flexibility of joints explain how we initiate, maintain, and adapt to new ideas and circumstances. Lengths and proportions of fingers, knots, shapes of fingertips, and the qualities of nails represent our health, career, and relationships, and how we are fulfilling our potentials

in our world around us. Lines of the hands, dermatoglyphics (fixed skin ridge patterns), and gestures reveal more detailed information about our life choices and circumstances. The arts and crafts of interpretation and counseling require study and practice. Hand Book will affirm, confirm, and inform readers in helpful and hopeful ways. Readers will ask their hands: Who am I? What do I want? What do I value? What do I think? How do I feel? How can I be happier? How can I be healthier? How are my relationships? What are my obligations? What are my responsibilities? How can I be prosperous? How can I be more creative? What's my purpose? What's my philosophy? How can I be more spiritual? What's next? We can all be our own best friends and bullshit detectors. Astrology had been around for thousands of years, when suddenly in 1968, Linda Goodman's Sun Signs set mass market astrology in motion. Paradoxically, while astrology reveals potential character, hands reveal true character; what we've done, do, and are likely to do with our character. After 5,500

years of being relegated to obscurity, misinformation, and deception, the time has come for the ancient science and art of palmistry to be reborn, creating new opportunities for people to interact and get to know themselves and others better. The paradigm of palmistry as a gypsy fortunetelling scam will finally be dispelled. An inspiring new catchphrase for the 21st Century will be "Let me see your hands". Hand Book captures the imagination of the masses while addressing their real concerns. In addition to answering fundamental life issues and questions, Hand Book covers topics such as: hands of family and friends, hands of celebrities, insight into intimate relationships, and gaining insight into the hands of children. Palmistry will eventually become accessible to billions of curious hand owners who will be able to experience the power of palmistry firsthand. [The Little Book of Nonprofit Leadership](#) RPG Publishing With tips from leading experts in every field, [The Little Book of Life Skills](#) is the practical guide on how to solve the trickiest tasks

in your day and make life a little easier. We all have areas of our lives that make us feel disorganized, unprepared, or stressed out. From creating a calmer morning routine to setting yourself up for a good night's sleep, and everything in between, there are easy and proven ways to do things better. Whether you need advice on how to end an argument, iron a shirt, or keep your inbox under control, Erin Zammett Ruddy has spoken to experts including Rachael Ray, Dr. Oz, Arianna Huffington, and condensed their wisdom into easy to follow steps for all of life's simple and not-so-simple tasks, such as: Working from Home Effectively Keeping a Houseplant Alive Giving Constructive Feedback Arranging the Perfect Cheese Board, and many more [The Little Book of Life Skills](#) offers simple strategies for being better grown-ups. It's the perfect guide for anybody who wants to get organized, be more efficient throughout the day, and finally learn the best way to fold that #\$\$% fitted sheet. [The Little Book of Tidying](#) Scholastic Inc. Generations of entertainers have amused

audiences of children and adults with the art of hand shadows, using only a light source and their own two hands to form immediately recognizable profiles of people and animals. Lovers of nostalgia and aspiring hand shadow artists will delight in this facsimile of a 1913 book, which features more than 50 hand shadows. These quaint illustrations depict many different types of shadows, from swans, rabbits, and other animals to historic figures and fictional characters. Each hand shadow is accompanied by a description of specific hand positioning and an illustration. Additional helpful tips include instructions on lighting, projection screens, and hand exercises.

**Info We Trust** Random House

How do we create new ways of looking at the world? Join award-winning data storyteller RJ Andrews as he pushes beyond the usual how-to, and takes you on an adventure into the rich art of informing. Creating Info We Trust is a craft that puts the world into forms that are strong and true. It begins with maps, diagrams, and charts — but must push further

than dry defaults to be truly effective. How do we attract attention? How can we offer audiences valuable experiences worth their time? How can we help people access complexity? Dark and mysterious, but full of potential, data is the raw material from which new understanding can emerge. Become a hero of the information age as you learn how to dip into the chaos of data and emerge with new understanding that can entertain, improve, and inspire. Whether you call the craft data storytelling, data visualization, data journalism, dashboard design, or infographic creation — what matters is that you are courageously confronting the chaos of it all in order to improve how people see the world. Info We Trust is written for everyone who straddles the domains of data and people: data visualization professionals, analysts, and all who are enthusiastic for seeing the world in new ways. This book draws from the entirety of human experience, quantitative and poetic. It teaches advanced techniques, such as visual metaphor and data transformations, in order to create more

human presentations of data. It also shows how we can learn from print advertising, engineering, museum curation, and mythology archetypes. This human-centered approach works with machines to design information for people. Advance your understanding beyond by learning from a broad tradition of putting things “in formation” to create new and wonderful ways of opening our eyes to the world. Info We Trust takes a thoroughly original point of attack on the art of informing. It builds on decades of best practices and adds the creative enthusiasm of a world-class data storyteller. Info We Trust is lavishly illustrated with hundreds of original compositions designed to illuminate the craft, delight the reader, and inspire a generation of data storytellers.

**The Little Book of the Shrinking Dollar**

Running Press

A father recounts a scary tale about a witch's hand. Unexpected ending.

Witches. 4 yrs+

*The Little Book of Gold*

Erik Hanberg

Can you hold onto someone with your heart instead of your hand?

When it's time to start school, a little girl must

let go of her father's hand in order to reach out and grab hold of something new.

### **The Little Book of**

### **Confidence** Hampton

Roads Publishing

Making books by hand has never been cooler, with this inspiring guide to 30 top bookmakers working today, plus 21 tutorials for essential techniques to make your own books.

Crafters, artists, writers, and book lovers can't resist a beautifully handbound book. Packed with wonderfully eclectic examples, this book explores the intriguing creative possibilities of bookmaking as a modern art form, including a wide range of bindings, materials, and embellishments. Featured techniques include everything from Coptic to concertina binding, as well as experimental page treatments such as sumi-e ink marbling and wheat paste. In addition to page after page of inspiration from leading

contemporary binderies, *The Little Book of Bookmaking* includes a practical section of 21 easy-to-follow illustrated tutorials.

*The Little Book of Contentment* St. Martin's Griffin

What does an Executive Director actually do? And

how can you lead your organization to a stronger place? Nonprofit expert Erik Hanberg wrote *The Little Book of Nonprofit Leadership* to speak directly to Executive Directors of small (and very small) nonprofits who are asking these questions. EDs, especially at small nonprofits, tend to be dropped into the deep end of the pool with the expectation that they know how to swim. *The Little Book of Nonprofit Leadership* will be a welcome rescue line. The book is filled with practical tips and big-picture ideas about: the basics of the job; program, people, and money—the three essential areas that a nonprofit ED needs to master; working with your board (including how to ask for a raise!); your first 100 days as a new ED; a guide to being a part-time Executive Director; and more, including access to bonus chapters and special resources! Erik Hanberg has twenty years of nonprofit experience at organizations of all sizes. He's channeled that experience into his four "little books" for nonprofits, which together have sold tens of thousands of copies.

### **The Witch's Hand**

Createspace Independent Publishing Platform

In this new series from Walter Foster Publishing, artists and art hobbyists alike will delight in learning a variety of fun and interesting art topics in a portable format boasting a fresh, contemporary design.

Filled with open practice pages, creative exercises, and art prompts, *The Little Book of Lettering & Word Design* encourages interactivity for immediate results, while also teaching beginners the fundamentals of the featured medium in an engaging and fun way. In *The Little Book of Lettering & Word Design*, aspiring artists will discover how to create a range of classic and contemporary calligraphy and hand-lettered fonts.

Internationally acclaimed calligrapher John Stevens and other renowned hand-lettering artists lead the way with tips and techniques. Following an introduction to inks, nibs, pens, and papers, as well as an overview of basic techniques, readers will learn dozens of original alphabets and lettering designs ranging from funky and fun, to elegant and embellished. Tips for adding personal touches to letters and designing

personalized alphabets are also included! With an alphabet and lettering design for every occasion and easy-to-follow instructions, this book is perfect for everyone who wants to create stunning handwriting and calligraphy.

**A Hand to Hold** John Wiley & Sons  
Discover the timeless magic of hand shadows through this charming volume. With only a light, a wall, and your hands, you can bring to life Old King Cole and his jester, a moose, a panther, a kangaroo, and many other delightful characters. This book, created and drawn by Phila H. Webb with verses by Jane Corby, is reprinted and adapted from the original edition, first published in 1927.
