*Hito Steyerl: I Will Survive* Jawbone Press  
Gestaltwandler dringen in Leiras Welt ein  
Leira Berens dachte, der Krieg um die  
Rückgewinnung der Magie sei vorbei aber  
er hat gerade erst begonnen. Eine uralte  
Magie wurde entdeckt und die dunklen  
Mächte machen sich diese zunutze.  
Benötigt jemand einen Menschen, der sich  
in eine haarige Bestie verwandelt hat, um

seine Wünsche zu erfüllen? Die Geschichte  
kehrt zurück, um sich zu wiederholen und  
sie will eine Rechnung begleichen. Ein  
alter Feind wird sich offenbaren, um das  
Gleichgewicht zu seinen Gunsten zu  
beeinflussen, während die Prophezeiung  
zum Leben erwacht und eine neue Macht  
in den Krieg gegen die Magie eintritt. Aber  
dieses Mal braucht es ein kleines Extra aus  
Correks Vergangenheit. Die Pause ist zu  
Ende Zeit für Leira, in ein paar Ärsche zu  
treten.

[Kara Walker: a Black Hole Is Everything a  
Star Longs to Be](#) Chronicle Books

A photographic look into the world of vinyl  
record collectors—including Questlove—in  
the most intimate of environments—their  
record rooms. Compelling photographic  
essays from photographer Eilon Paz are  
paired with in-depth and insightful  
interviews to illustrate what motivates  
these collectors to keep digging for more  
records. The reader gets an up close and  
personal look at a variety of well-known  
vinyl champions, including Gilles Peterson  
and King Britt, as well as a glimpse into  
the collections of known and unknown DJs,  
producers, record dealers, and everyday

enthusiasts. Driven by his love for vinyl records, Paz takes us on a five-year journey unearthing the very soul of the vinyl community.

### **She Bop II** A&C Black

A massive, long-overdue retrospective on the multimedia image critique of Hito Steyerl, influential artist and author of *Duty-Free Art* and *The Wretched of the Screen* Over the past 30 years, through video and installation, the immensely influential German artist and writer Hito Steyerl (born 1966) has been tracking the ways that images have mutated--from the analogue image and its manifold possibilities for montage to the fluidity of the split digital image--and the implications these mutations have had for the representation of wars, genocides and the flow of capital. "We are no longer dealing with the virtual but with a confusing and possibly alien concreteness that we are only beginning to understand," writes Brian Kuan Wood of the digital visual worlds that the artist presents. At nearly 500 pages, this book--the first substantial overview on Steyerl--looks at multimedia installations and film projects of the past ten years, as well as earlier

works, all of which are united by the artist's unflinching interrogation of the politics of the image.

### *Der Schutz der Magie* BoD - Books on Demand

The complete catalogue of design collective Hipgnosis, showcasing groundbreaking cover art created for iconic rock 'n' roll giants, including the Rolling Stones, Paul McCartney, Led Zeppelin, and Pink Floyd The complete, definitive, and never-before-published catalogue of album covers created by the legendary design agency Hipgnosis, this volume finally does justice to the work of the most important design collective in music history. Founded in 1967 by Storm Thorgerson, Aubrey "Po" Powell, and Peter Christopherson, Hipgnosis gained a legendary status in graphic design, transforming the look of album art forever and winning five Grammy nominations for package design. Their revolutionary cover art departed from the conventional group shots favored by record companies of the day, resulting in groundbreaking, often surreal designs inextricable from the major albums of many of the biggest names in the history of popular music:

AC/DC, Black Sabbath, The Police, Genesis, Led Zeppelin, Pink Floyd, Paul McCartney, Syd Barrett, The Who, Wings, Yes, and XTC, to name but a few. Arranged chronologically, *Vinyl . Album . Cover . Art* features stunning reproductions of every single Hipgnosis cover--more than 300 in total--for the first time, along with pertinent insights from the rock 'n' roll legends whose albums are featured and behind-the-scenes photography. The text, written by Powell, and with contributions by Peter Gabriel, Robert Plant, and Nick Mason, brims with information that illuminates the album art and the compelling stories behind each cover's creation.

Devo may have become synonymous with the crass commercialism of 80s new wave, but many of their guiding principles are firmly rooted in the idealism of the 60s. Taking a willfully non-traditional approach

to the surprisingly conservative world of rock music, they sought inspiration instead from Dada and Pop art, comic books and homemade electronics, in the process crossing paths with everything from late 60s psychedelia and punk to krautrock and new wave. **Recombo DNA** is the first book to evaluate in the proper context the innovations and accomplishments of this truly groundbreaking band. Opening with the transformative effects of the May 4 1970 shootings at Kent State University--the aftershocks of which are felt throughout the book--author Kevin C. Smith traces the sounds and ideas that Devo absorbed and in turn brought to prominence as unlikely rock stars, dropping in along the way on recording in Germany with Brian Eno, post-apocalyptic filmmaking with Neil Young, and a Jamaican odyssey with Richard Branson. For anyone who has ever wondered where the band who fell to earth came from, here is the answer.

**Vinyl Lexikon** HarperCollins UK  
Tells the story of the creation of the Master of puppets album and the subsequent tour.

**Recombo DNA** Jrp Ringier

An enormous clothbound panorama of Kara Walker's works on paper--all reproduced for the first time This gorgeous 600-page volume provides an exciting opportunity to delve into the creative process of Kara Walker, one of the most celebrated artists working in the United States today. Primarily recognized for her monumental installations, Walker also works with ink, graphite and collage to create pieces that demonstrate her continued engagement with her own identity as an artist, an African American, a woman and a mother. More than 700 works on paper created between 1992 and 2020--which are reproduced in print for the first time from the artist's own strictly guarded private archive--are collected in this volume, thus capturing Walker's career with an unprecedented level of intimacy. Since the early 1990s, the foundation of her artistic production has been drawing and working on paper in various ways. Walker's completed large-format pieces are presented among typewritten notes on index cards and dream journal entries; sketches and studies for pieces appear alongside collages. The result is a volume that allows

readers to become eyewitnesses to the genesis of Walker's art and the transformative power of the figures and narratives she has created over the course of her career. Now based in New York, Kara Walker was born in Stockton, California, in 1969. She received her Master of Fine Arts from the Rhode Island School of Design in 1994; soon afterwards, Walker rose to prominence for her large, provocative silhouettes installed directly onto the walls of exhibition spaces. Walker's work confronts history, race relations and sexuality in a decidedly non-conciliatory manner, urging the public to reconsider established narratives surrounding the experiences of African Americans in particular.

Josef Müller-Brockmann Suttli: Pioneer of Swiss Graphic Design Random House  
Leira Berens Magie nimmt weiter zu. Kann sie schnell genug lernen, um die dunklen Mächte allein zu bekämpfen? Ein geheimnisvoller Elf, bekannt als der Adjutor, kommt, um sie zu unterrichten. Er könnte mehr über ihre Herkunft wissen, als er sagt. Die Zwischenwelt hat Mara gefangen gehalten, aber niemand hat je ihre Geheimnisse entschlüsselt. Werden

die Magier, die sich im Verborgenen halten, ihr bei ihrem Kampf helfen? Der Troll ist in Austin für eine Nacht auf sich allein gestellt. Aber wenn es darauf ankommt, kämpft er an Leiras Seite, um die Gefahr zu bannen... Wer wird aus dem dunklen Gefängnis entkommen? Sieh nicht weg. Jemand übt eine dunkle Magie aus, die mit einem alten Feind ausgestorben ist. Setze das Oriceran-Abenteuer in Der Schutz der Magie fort.

**Copendium** Periplaneta Verlag Berlin - Edition Periplaneta

This book documents Radio Revolten, the international radio-art festival in Halle, Germany, which took place in October 2016 and featured an independent station, installations, live performances, conferences, workshops and public interventions.

**Plotten mit Harry Potter** Voracious From New York Times bestselling author Amy Ewing (The Jewel) comes the exciting first book in a new fantasy duology. Rich, vivid world-building and ethereal magic combine in an epic tale that's perfect for fans of Snow Like Ashes, These Broken Stars, or Magonia. Sera Lighthaven has always felt as if she didn't quite belong

among her people, the Cerulean, who live in the City Above the Sky. She is curious about everything—especially the planet that her City is magically tethered to—and can't stop questioning things. Sera has always longed for the day when the tether will finally break and the Cerulean can move to a new planet. But when Sera is chosen as the sacrifice to break the tether, she feels betrayed by everything in which she'd been taught to trust. In order to save her City, Sera must end her own life. But something goes wrong, and Sera survives, ending up on the planet below in a country called Kaolin. Sera has heard tales about the dangerous humans who live here, and she quickly learns that these dangers were not just stories. Meanwhile, back in the City, all is not what it seems, and the life of every Cerulean may be in danger if Sera is not able to find a way home.

*Handbook of Herbs and Spices* Spector Books

This history of the LP is a must-have for any music connoisseur! When vinyl LP records took over the music industry in the late 1950s, a new era began. No longer bound by the time constraints of the

shellac 78s that had been in use since the 1910s, recording artists could now present an entire album—rather than a lone three-minute single—on a vinyl LP, giving listeners a completely new way to experience their music. In recent years, vinyl has found a second life as an art form, collected and appreciated by music connoisseurs across the world. Vinyl: The Art of Making Records examines the origins of the vinyl format and its evolution throughout the 20th century, and also provides an in-depth look at how vinyl LPs are manufactured and packaged—often with striking artwork that makes them beloved by music enthusiasts today. Also included are four removable art prints, each representing a sample of album covers from the 1960s, 1970s, 1980s, and 1990s.

**phantastisch! Ausgabe 73 (1/2019)** Edition Cantz

Offers discographies and reviews of recordings of hundreds of easy listening and lounge artists, with suggestions on what to buy and what to avoid.

[Metallica: Back to the Front](#) Random House Books for Young Readers From the visionary musician, antiquarian

and musicologist Julian Cope, comes an alternative history of the last six decades of popular music.

**Staying with the Trouble** Marvel bei Panini Comics

Herbs and spices are among the most versatile ingredients in food processing, and alongside their sustained popularity as flavourants and colourants they are increasingly being used for their natural preservative and potential health-promoting properties. An authoritative new edition in two volumes, Handbook of herbs and spices provides a comprehensive guide to the properties, production and application of a wide variety of commercially-significant herbs and spices. Volume 1 begins with an introduction to herbs and spices, discussing their definition, trade and applications. Both the quality specifications for herbs and spices and the quality indices for spice essential oils are reviewed in detail, before the book goes on to look in depth at individual herbs and spices, ranging from basil to vanilla. Each chapter provides detailed coverage of a single herb or spice and begins by considering origins, chemical composition

and classification. The cultivation, production and processing of the specific herb or spice is then discussed in detail, followed by analysis of the main uses, functional properties and toxicity. With its distinguished editor and international team of expert contributors, the two volumes of the new edition of Handbook of herbs and spices are an essential reference for manufacturers using herbs and spices in their products. They also provide valuable information for nutritionists and academic researchers. - Provides a comprehensive guide to the properties, production and application of a wide variety of commercially-significant herbs and spices - Begins with a discussion of the definition, trade and applications of herbs and spices - Reviews the quality specifications for herbs and spices and examines the quality indices for spice essential oils

*The Book of Norse Magic* Ten Speed Press  
A stunningly designed review of the greatest album cover designs, spanning the classic period from the 1950s to the 1970s, Album Cover Album first hit the bestseller charts in 1977. This led to the release of six follow-up hits, inspired a

host of imitations, and generated a long-playing sub-genre in art and design publishing. Album Cover Album is edited and compiled by two designers who were among the most innovative pioneers of the work that it celebrates. Storm Thorgerson's Hipgnosis earned world renown for the epic photo shoots and iconic designs that went so perfectly with the music of Pink Floyd. Meanwhile, Roger Dean's dreamscapes and unique typography became as much a part of the rock generation as the Yes albums they adorned. Album Cover Album features their selection of more than 600 sleeves in full color, and showcases the astonishing diversity and excellence of design that the medium produced in its first three decades. This new edition retains the lavish 12-inch format of the original and replays the ingeniously themed compositions of each page. The album is given a fresh spin by a new preface from Peter Gabriel and new forewords by Storm Thorgerson and John Wetton, plus a 21st-century typographic facelift. The result is a celebration of the enduring appeal of vinyl. Radio Revolten hockebooks  
- A vibrant coffee table book celebrating

the vinyl lifestyle and legendary records- A cultural history of the record: collectibles, cover art & co, with over 200 photographs- An ideal gift for vinyl fans and vintage record collectors The good old record is still spinning!
