[He Knew Where He Was Going \(?\)](#) Taylor & Francis

The #1 bestselling author of the blockbuster thrillers Airport and Hotel takes on the world of high finance: "Cliched, lurid and utterly absorbing" (Philip Hensher, The Guardian). Ben Roselli, president of First Mercantile American Bank and grandson of the founder, makes the shocking announcement that he's dying. With no offspring to inherit the company, Roselli knows that executive VPs Roscoe Heyward and Alex Vandervoort are the obvious candidates to succeed him. Heyward, who has been with First Mercantile for two decades, will do whatever it takes to bring in new clients and win the coveted presidency. Vandervoort, a newcomer from the Federal Reserve with a left-wing girlfriend,

advocates for a socially responsible plan of growth. And now the discovery of counterfeit cash and credit card fraud threatens the future of the bank itself. From the day-to-day business dealings to the inner sanctums of the money trading center and the boardroom, Hailey's novel is a riveting tale of ambition, greed, and the US banking system.

Top consultant Sarah Beaulieu offers a five-part framework that enables employees to have difficult but necessary conversations about sexual harassment and violence and develop new, better ways of working together. In the wake of the #MeToo movement, employees and leaders are struggling with how to respond to the pervasiveness of sexual harassment. Most approaches simply emphasize knowing and complying with existing laws. But people need more than lists of dos and don'ts—they need to learn how to navigate this uncertain, emotionally charged terrain. Sarah Beaulieu provides a new skills-based approach to addressing sexual harassment prevention and response in the workplace, including using underdeveloped skills like empathy, situational awareness, boundary setting, and intervention. Beaulieu outlines a five-part framework for having conversations about sexual harassment: Know the Facts; Feel Uncomfortable; Get Curious, Not Furious; See the Whole Picture; and Embrace Practical Questions. By embracing these conversations, we can break the cycle of avoidance and silence that makes our lives and workplaces feel volatile and unsafe. Grounded in storytelling, humor, and dozens of real-life scenarios, this book introduces the idea of uncomfortable conversation as the core skill required to enable everyone to bring their full talent and contributions to safe and respectful workplaces.

"We've all got the power in our hands to kill, but most people are afraid to use it. The ones who aren't afraid control life itself."--Richard Ramirez Ten years after the murder spree that left thirteen people dead and paralyzed the city of Los Angeles with fear, his name is synonymous with Satanism, torture and sadistic murder. Yet despite the sensational nature of his crimes, no one has ever been able to tell the complex story of the killer whose seductive, brooding looks still draw women like moths to a flame--a man millions call the devil himself. Until Now. . . Painstakingly researched over three years, based on nearly one hundred hours of exclusive interviews with Richard Ramirez on California's Death Row, The Night Stalker is the definitive account of America's most feared serial murderer. From Ramirez's earliest brushes with the law to his deadliest stalking expeditions to the unprecedented police and civilian manhunt that resulted in one of the most sensational trails in California history, The Night Stalker is an eerie and spellbinding descent into the very heart of human evil. It is more than epic nonfiction at its brutally real-it is a true crime masterpiece.

The new edition of *Beauty and Misogyny* revisits and updates Sheila Jeffreys' uncompromising critique of Western beauty practice and the industries and ideologies behind it. Jeffreys argues that beauty practices are not related to individual female choice or creative expression, but represent instead an important aspect of women's oppression. As these practices have become increasingly brutal and pervasive, the need to scrutinize and dismantle them is if anything more urgent now as it was in 2005 when the first edition of the book was published. The United Nations concept of "harmful traditional/cultural practices" provides a useful lens for the author to advance her critique. She makes the case for including Western beauty practices within this definition, examining their role in damaging women's health, creating sexual difference and enforcing female deference. First-wave feminists of the 1970s criticized pervasive beauty regimes such as dieting and depilation, but a later argument took hold that beauty practices were no longer oppressive now that women could "choose" them. In recent years the reality of Western beauty practices has become much more bloody and severe, requiring the breaking of skin and the rearrangement or amputation of body parts. *Beauty and Misogyny* seeks to make sense of why beauty practices have not only persisted but become more extreme. It examines the pervasive use of makeup, the misogyny of fashion and high-heeled shoes, and looks at the role of pornography in the creation of increasingly popular beauty practices such as breast implants, genital waxing, surgical alteration of the labia and other forms of self-mutilation. The book concludes by considering how a culture of resistance to these practices can be created. A new and thoroughly updated edition of this essential work will appeal to all levels of students and teachers of gender studies, cultural studies and feminist psychology, and to anyone with an interest in feminism, women and beauty, and women's health.

The essential road map for understanding—and defending—your right to privacy in the twenty-first century. Privacy is disappearing. From our sex lives to our workout routines, the details of our lives once relegated to pen and paper have joined the slipstream of new technology. As a MacArthur fellow and distinguished professor of law at the University of Virginia, acclaimed civil rights advocate Danielle Citron has spent decades working with lawmakers and stakeholders across the globe to protect what she calls intimate privacy—encompassing our bodies, health, gender, and relationships. When intimate privacy becomes data, corporations know exactly when to flash that ad for a new drug or pregnancy test. Social and political forces know how to manipulate what you think and who you trust, leveraging sensitive secrets and deepfake videos to ruin or silence opponents. And as new technologies invite new violations, people have power over one another like never before, from revenge porn to blackmail, attaching life-altering risks to growing up, dating online, or falling in love. A masterful new look at privacy in the twenty-first century, *The Fight for Privacy* takes the focus off Silicon Valley moguls to investigate the price we pay as technology migrates deeper into every aspect of our lives: entering our bedrooms and our bathrooms and our midnight texts; our relationships with friends, family, lovers, and kids; and even our relationship with ourselves. Drawing on in-depth interviews with victims, activists, and advocates, Citron brings this headline issue home for readers by weaving together visceral stories about the countless ways that corporate and individual violators exploit privacy loopholes. Exploring why the law has struggled to keep up, she reveals how our current system leaves victims—particularly women, LGBTQ+ people, and

marginalized groups—shamed and powerless while perpetrators profit, warping cultural norms around the world. Yet there is a solution to our toxic relationship with technology and privacy: fighting for intimate privacy as a civil right. Collectively, Citron argues, citizens, lawmakers, and corporations have the power to create a new reality where privacy is valued and people are protected as they embrace what technology offers. Introducing readers to the trailblazing work of advocates today, Citron urges readers to join the fight. Your intimate life shouldn't be traded for profit or wielded against you for power: it belongs to you. With Citron as our guide, we can take back control of our data and build a better future for the next, ever more digital, generation.

In her collected works, *Finding Joy After Sorrow*, author Beth Carol Solomon explores the impact people have on one another and the courage it takes to overcome adversity. This rerelease of the author's *Collected Works*—originally published in 2002—contains two parts. The first features true personal accounts, where Beth Carol Solomon fondly writes of people in her life who influenced her, recognizing the important parts they played in her life. The second part features two novellas, each a story of children with special needs and the adults who strive to help them overcome their demons and learn to love, forgive, and understand themselves and each other. In *These Three*, a special education teacher with her own troubled past works with three abused teenagers, offering them love and support. In *Arlene and Rubin: A Love Story*, two young victims of sexual abuse help each other to overcome their dark pasts. Afterward, is a list of recommended resources available for those facing challenges such as child abuse, sexual abuse, bullying, domestic violence, and special needs individuals.

Kadee Brown has been dealing with her boyfriend Jayce for the last 6 years and he has put her through hell and high water, and she has finally had enough! Will she be able to finally move on after Jayce commits the one discretion that she never thought he would commit, but will Jayce let her move on peacefully? Kadee's parents have been keeping a secret from her ever since she was born, and when the secret comes out, she worries how the secret will affect her friendship with her girls. Briana Jackson is the HBIC. She has a bad attitude and she does what she wants and when she wants and does not care who she hurts in the process. She has everything that she could possibly

want in life, but she feels like she is missing one thing, the love of her biological father, Tristan "Triple T" Thompson. Briana turns to different men looking for that love and affection that she has never gotten from Trip. Will that missing love and affection cause Briana to turn to a man who does not have her best interest at heart? Shanice Miller and Briana are sisters and they are nothing alike. Shanice has always been in her sister's shadow and she hates it. Shanice starts to hang out with a different crowd and starts doing things that she knows no one would be proud of. She meets someone who she believes has her best interest at heart and will help her get her life back on track. Will he help her get her life back on track or will he lead her down a path of more destruction. Jaslyn Roberson is the quiet and rational thinker of the group. Jaslyn find herself in an abusive relationship and along with home issues she sometimes doesn't know which way is up. After an tragic event she seeks solace into the arms of another man. Jaslyn can sense that this new guy is keeping a secret from her, but can't quite put her finger on it.

XII Angels Michael Wonderguy

Ira Mittelman, the middle-aged hero of "A Box of Ashes," one of two novellas in Little Men, is wrestling with a dilemma: should he fulfill his late father's dying wish by taking the old man's ashes back to Missouri, to scatter them on the grounds of Camp HaHaTonka, the Boy Scout camp where Ira spent several summers as a boy? It's a long way to go just to dump some ashes, and if Ira makes this pilgrimage, his absence might jeopardize the fragile relationship he's managed to maintain with his ex-wife (they're still having sex every Friday night). In "Spivak in Babylon," Little Men's other novella, it's 1982, and Leo Spivak, an ambitious 30-year-old copywriter at a large Chicago advertising agency, is about to get his big break: a chance to go to Hollywood to participate for the first time in the filming of a television commercial. A week in Hollywood, on the company's expense account! A room at the fabled Chateau Marmont (Garbo's old suite, in fact)! The only problem is the subject of the commercial itself: a new feminine hygiene spray to be marketed to pre-adolescent girls. Hovering over all the proceedings in "Spivak in Babylon" is the genial, befuddled presence of President Ronald Reagan, the Leader of the Free World, who haunts Leo's dreams.

A luxurious yacht in the Sea of Cortez, a birthday cruise for one of the world's most beautiful women and an invitation no one can refuse. The Power Trip—take it if you dare. From Hollywood icon and mega-seller Jackie Collins comes a thrilling New York Times bestseller, The Power Trip, set on a state of the art luxury yacht off the coast of Cabo San Lucas. A tropical getaway with a cast of global power-hungry elites turns sour when they find out maybe they don't control as much of the world as they thought . . . In The Power Trip you will meet Aleksandr Kasianenko, a billionaire Russian oligarch, as he sets sail on The Bianca. You'll meet his sexy supermodel girlfriend, whom The Bianca

is named after, and five dynamic, powerful, and famous couples invited on the yacht's maiden voyage: Hammond Patterson, a driven Senator, and his lovely but unhappy wife, Sierra; Cliff Baxter, a charming, never-married movie star, and his ex-waitress girlfriend, Lori; Taye Sherwin, a famous black UK footballer and his interior designer wife, Ashley; Luca Perez, a male Latin singing sensation with his older decadent English boyfriend, Jeromy; and Flynn, a maverick journalist with his Asian renegade female friend, Xuan. You will also meet Russian mobster, Sergei Zukov, a man with a grudge against Aleksandr. And Sergei's Mexican beauty queen girlfriend, Ina, whose brother, Cruz, is a master pirate with orders to hold The Bianca and its illustrious rota of guests for ransom. The Power Trip explores the decadent playgrounds of the super-rich . . . and leaves you hungry for more.
