If you ever wonder, Is this
all there is to sex? or I
wish I knew how to help

my wife enjoy this more,
you'll appreciate this
straightforward, helpful,
and faith-based advice on
how to have a better sex
life. Based on
groundbreaking surveys
of more than twenty-five
thousand people, this
highly practical, research-
based book shows guys
how to rock their wife's
world. The Good Guy's
Guide to Great Sex from
popular marriage blogger
and speaker Sheila Wray
Gregoire and her
husband, Dr. Keith
Gregoire, will help you:
Discover what your wife
wants most from you in
the bedroom Realize what
can derail a couple's sex
life and how to get it back
on track Find healing from
past trauma, previous
relationships, and porn
addiction Understand your
own sex drive and how to
keep it revved Learn the
secrets to giving your wife
the most fulfilling sex
she's ever had This can-
we-start-tonight? book
about making sex
wonderful explores how
emotional, spiritual, and
physical intimacy all work
together. It will appeal to:
Newly engaged couples

who want to start their
marriage off right Married
couples who wonder if sex
will ever become what
they hoped it would be
Readers of The Good
Girl's Guide to Great Sex
Pastors and counselors
seeking a resource for
helping engaged and
married couples The Good
Guy's Guide to Great Sex
also features Couple
Projects at the end of
each chapter and very
specific "Good Guy Dares"
to help you woo your wife
in and out of the bedroom
as you find your way to a
delightful, God-given
passion.

The ancient Athenians
were "quarrelsome as
friends, treacherous as
neighbors, brutal as
masters, faithless as
servants, shallow as
lovers--all of which was in
part redeemed by their
intelligence and

creativity." Thus writes Philip Slater in this classic work on narcissism and family relationships in fifth-century Athenian society. Exploring a rich corpus of Greek mythology and drama, he argues that the personalities and social behavior of the gods were neurotic, and that their neurotic conditions must have mirrored the family life of the people who perpetuated their myths. The author traces the issue of narcissism to mother-son relationships, focusing primarily on the literary representation of Hera and the male gods and showing how it related to devalued women raising boys in an ambitious society dominated by men. "The role of homosexuality in society, fatherless families, working mothers, women's status, and violence, male pride, and male bonding--all these find their place in Slater's analysis, so honestly and carefully addressed that we see our own societal dilemmas reflected in archaic mythic narratives all the more clearly."--Richard P. Martin, Princeton University Originally published in 1992. The Princeton Legacy Library uses the latest print-on-demand

technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. **The Popol Vuh** Museum Tusculanum Press For both ancient Egypt and Iran, as a cultural feature, incestuous relationships are usually dismissed on the grounds that they are only found as the exception, being allowed for royalty as representatives for the divine on earth, or that the evidence for such relationships are unreliable. Neither view, from the perspective of this study, is tenable. This work examines the evidence for marriage and sexual relations between siblings, and between a parent and child, in ancient Egypt and pre-Islamic Iran. The book restricts its examination to incestuous relationships between

members of non-royal nuclear families and puts forth arguments against the generally held axiom that the prohibition of incest is a universal phenomenon.

La tradition et la Bible chez la femme de la CEZ Universite D'Uppsala Examines differences in taste between modern French classes, discusses the relationship between culture and politics, and outlines the strategies of pretension.

La Bible Les Editions Fides In *Bodies That Matter*, Judith Butler further develops her distinctive theory of gender by examining the workings of power at the most "material" dimensions of sex and sexuality. Deepening the inquiries she began in *Gender Trouble*, Butler offers an original reformulation of the materiality of bodies, examining how the power of heterosexual hegemony forms the "matter" of bodies, sex, and gender. Butler argues that power operates to constrain "sex" from the start, delimiting what counts as a viable sex. She offers a clarification of the notion of "performativity" introduced in *Gender Trouble* and explores the meaning of a citational

politics. The text includes readings of Plato, Irigaray, Lacan, and Freud on the formation of materiality and bodily boundaries; "Paris is Burning," Nella Larsen's "Passing," and short stories by Willa Cather; along with a reconsideration of "performativity" and politics in feminist, queer, and radical democratic theory.

Pourrai-je entrer jamais dans l'Eglise romaine, aussi longtemps que je croirai toute la Bible?

Princeton University Press
Cet ouvrage rassemble diverses études d'analyse narrative présentées lors du 2e colloque international du RRENAB à Louvain-la-Neuve (avril 2004). La critique narrative y est mise en œuvre par de nombreux spécialistes sur différents corpus des deux Testaments et sur quelques livres apocryphes, tandis que d'autres essais abordent des questions méthodologiques (lien à l'anthropologie et à l'éthique, focalisation, rapport à l'histoire). Plusieurs études autour de mêmes thèmes permettent une approche croisée des questions. On y parle ainsi de l'intrigue, des personnages et de

leur caractérisation (Jacob, Jésus chez Marc, œuvre de Luc), de textes parallèles dans l'A.T., de l'intertextualité particulière entre les deux Testaments, des tensions présentes dans l'évangile de Matthieu, de la finale des quatre évangiles, de la fonction de passages poétiques ou de discours dans des sections narratives, de la possibilité de recourir à la narratologie pour étudier certains passages de lettres de Paul. Un beau tour d'horizon de la recherche actuelle en narratologie biblique dans le monde francophone. [Morale de la bible divisée en deux parties par Hippolyte Laurens](#)
Routledge
Maybe she's on a photo shoot in Zanzibar. Maybe she's making people laugh on TV. But all Chrissy Teigen really wants to do is talk about dinner. Or breakfast. Lunch gets some love, too. For years, she's been collecting, cooking, and Instagramming her favorite recipes, and here they are: from breakfast all day to John's famous fried chicken with spicy honey butter to her mom's Thai classics. Salty, spicy, saucy, and fun as sin (that's the food, but that's Chrissy, too),

these dishes are for family, for date night at home, for party time, and for a few life-sucks moments (salads). You'll learn the importance of chili peppers, the secret to cheesy-cheeseless eggs, and life tips like how to use bacon as a home fragrance, the single best way to wake up in the morning, and how not to overthink men or Brussels sprouts. Because for Chrissy Teigen, cooking, eating, life, and love are one and the same. *Physique sacrée* Peeters Publishers
Now on Netflix as a 4-part documentary series! "Pollan keeps you turning the pages . . . cleareyed and assured." —New York Times A #1 New York Times Bestseller, New York Times Book Review 10 Best Books of 2018, and New York Times Notable Book A brilliant and brave investigation into the medical and scientific revolution taking place around psychedelic drugs--and the spellbinding story of his own life-changing psychedelic experiences When Michael Pollan set out to research how LSD and psilocybin (the active ingredient in magic mushrooms) are being used to provide relief to people suffering from

difficult-to-treat conditions such as depression, addiction and anxiety, he did not intend to write what is undoubtedly his most personal book. But upon discovering how these remarkable substances are improving the lives not only of the mentally ill but also of healthy people coming to grips with the challenges of everyday life, he decided to explore the landscape of the mind in the first person as well as the third. Thus began a singular adventure into various altered states of consciousness, along with a dive deep into both the latest brain science and the thriving underground community of psychedelic therapists. Pollan sifts the historical record to separate the truth about these mysterious drugs from the myths that have surrounded them since the 1960s, when a handful of psychedelic evangelists inadvertently catalyzed a powerful backlash against what was then a promising field of research. A unique and elegant blend of science, memoir, travel writing, history, and medicine, *How to Change Your Mind* is a triumph of participatory journalism. By turns dazzling and edifying, it is the gripping

account of a journey to an exciting and unexpected new frontier in our understanding of the mind, the self, and our place in the world. The true subject of Pollan's "mental travelogue" is not just psychedelic drugs but also the eternal puzzle of human consciousness and how, in a world that offers us both suffering and joy, we can do our best to be fully present and find meaning in our lives.

Sainte Bible de Vence: Tables. 1833 Macmillan
The classic manifesto of the liberated woman, this book explores every facet of a woman's life.

Physique sacrée, ou Histoire-naturelle de la Bible. Traduite du latin de mr. Jean-Jacques Scheuchzer, ... Enrichie de figures en taille-douce, gravées par les soins de Jean-André Pfeffel, ... Tome premier [-huitieme]
Routledge

An unparalleled exploration of the mysteries underlying women's sexuality that rivals the culture-shifting Kinsey Report, from two of America's leading research psychologists Do women have sex simply to reproduce or display their affection? When University of Texas at Austin clinical

psychologist Cindy M. Meston and evolutionary psychologist David M. Buss joined forces to investigate the underlying sexual motivations of women, what they found astonished them. Through the voices of real women, Meston and Buss reveal the motivations that guide women's sexual decisions and explain the deep-seated psychology and biology that often unwittingly drive women's desires—sometimes in pursuit of health or pleasure, or sometimes for darker, disturbing reasons that a woman may not fully recognize. Drawing on more than a thousand intensive interviews conducted solely for the book, as well as their pioneering research on physiological response and evolutionary emotions, *Why Women Have Sex* uncovers an amazingly complex and nuanced portrait of female sexuality. They delve into the use of sex as a defensive tactic against a mate's infidelity (protection), as a ploy to boost self-confidence (status), as a barter for gifts or household chores (resource acquisition), or as a cure for a migraine headache (medication). *Why Women Have Sex* stands as the richest and

deepest psychological understanding of female sexuality yet achieved and promises to inform every woman's (and her partner's) awareness of

her relationship to sex and her sexuality.
