Otto Binder: The Life and Work of a Comic Book and Science Fiction Visionary chronicles the career of Otto Binder, from pulp magazine author to writer of Supergirl, Captain Marvel, and Superman comics. As the originator of the first sentient robot in literature ("I, Robot," published in Amazing Stories in 1939 and predating Isaac Asimov's collection of the same name), Binder's effect on science fiction was profound. Within the world of comic books, he created or co-created much of the Superman universe, including Smallville; Krypto, Superboy's dog; Supergirl; and the villain Brainiac. Binder is also credited with writing many of the first "Bizarro" storylines for DC Comics, as well as for being the main writer for the Captain Marvel comics. In later years, Binder expanded from comic books into pure science writing, publishing dozens of books and articles on the subject of satellites and space travel as well as UFOs and extraterrestrial life. Comic

book historian Bill Schelly tells the tale of Otto Binder through comic panels, personal letters, and interviews with Binder's own family and friends. Schelly weaves together Binder's professional successes and personal tragedies, including the death of Binder's only daughter and his wife's struggle with mental illness. A touching and human story, *Otto Binder: The Life and Work of a Comic Book and Science Fiction Visionary* is a biography that is both meticulously researched and beautifully told, keeping alive Binder's spirit of scientific curiosity and whimsy.

Team Cheer: Faith and the Camp Snob

Cabri LLC D/B/A Cabri Media

"A defining chronicle of strength and spirit" (Kirkus Reviews), *Surpassing Certainty* is a portrait of a young woman searching for her purpose and place in the world—without a road map to guide her. This memoir "should be required reading for your 20s" (Cosmopolitan). A few months before her twentieth birthday, Janet Mock is adjusting to her days as a first-generation college student at the University of Hawaii and her nights as a dancer at a strip club. Finally content in her body after her teenage transition, she vacillates between flaunting and concealing herself as she navigates dating and disclosure, sex and intimacy, and most important, letting herself be truly seen. Under the neon lights of Club Nu, Janet meets Troy, a yeoman stationed at Pearl Harbor naval base, who becomes her first. The pleasures and perils of their relationship serve as a backdrop for Janet's progression through all the universal growing pains—falling in and out of love, living away from home, and figuring out what she wants to do with her life.

Fueled by her dreams and an inimitable drive, Janet makes her way through New York City intent on building a career in the highly competitive world of magazine publishing—within the unique context of being trans, a woman, and a person of color. Hers is a timely glimpse about the barriers many face—and a much-needed guide on how to make a way out of no way. Long before she became one of the world's most respected media figures and lauded leaders for equality and justice, Janet learned how to advocate for herself before becoming an advocate for others. In this “honest and timely appraisal of what it means to be true to yourself” (Booklist), *Surpassing Certainty* offers an “exquisitely packaged gift of her experiences...that signals something greater” (Bitch Magazine).

The Opposite of Spoiled ABC-CLIO
Sister Eve, *Private Eye* Sister Eve knows God moves in mysterious ways. And Eve adores a good mystery. Especially a murder. Two decades into her calling at a New Mexico monastery, Sister Evangeline Divine breaks her daily routine when a police officer appears, carrying a message from her father. Sister Eve is no stranger to the law, having grown up with a police captain turned private detective. She's seen her fair share of crime—and knows a thing or two about solving mysteries. But when Captain Jackson Divine needs her to return home and help him recover from surgery, Sister Eve finds herself taking on his latest case. A Hollywood director has disappeared, and the sultry starlet he's been running around with isn't talking. When the missing man turns up dead, Captain Divine's case escalates into a full-blown murder case, and Sister Eve's crime-solving instincts kick in with an almost God-given grace. Soon Sister

Eve finds herself soul-searching every step of the way: How can she choose between the vocation in her heart and the job in her blood? *The Case of the Sin City Sister* She's not your average nun. And now Sister Eve Divine's risking it all, searching for a mission person in Vegas. Sister Eve Divine recently discovered she's got a gift: turns out she's a natural at private detective work. But is it a temptation or a calling? As Eve wrestles with this question, she's taking a leave of absence from the convent, investigating a case with her PI father. But something else troubles Eve. It's been weeks since Eve heard from her sister, Dorisanne. And Eve's gut tells her that something sinister has happened to her difficult sibling. There's only one place Eve can find the answers she's looking for: in Dorisanne's world, under the bright lights of Sin City—Las Vegas, Late night visits to the casino and some clever clues hidden in an address book set Eve on a trail that soon reveals that Dorisanne's life is darker and more complicated than Eve ever expected. In the end, Eve's ability to understand her sister—and herself—may be a matter of life and death. *Sister Eve and the Blue Nun* When Sister Eve returns to the monastery, the last thing she expects there is murder. After solving several mysteries with her father at the Divine Private Detective Agency, Sister Eve finds herself torn between her calling as a nun and the thrill that comes with detecting. She knows she's been using her father's health as an excuse to extend her leave of absence from the monastery, but that excuse is running thin. She prays that a return visit to the monastery for a conference on the Blue Nun will help bring clarity to her calling, but when the conference speaker is murdered, Sister Eve's two worlds

collide. Sister Eve knows the number one suspect, the victim's brother and monk in residence, couldn't possibly have committed the crime, and she's determined to find the real killer. To do so means she must track down some mysterious newly discovered writings from the Blue Nun, said to date from the 17th Century, when the sister bi-located to the New Mexico region from her home in Spain. Could these texts from long ago be the key to today's mystery? And will they offer any guidance to Sister Eve as she chooses which calling to follow

Do you watch professional sports with one eye on the game, and the other on the beautiful, glamorous and energetic cheerleaders? If you picked up this book, then you dream of cheering on the sidelines at an NFL®, NBA®, or other professional-level sporting event. This book will break down the pro dance team audition process to give you the courage and confidence to show up on the day of auditions, as well as critical success tips to help you get selected.

THE CHRISTMAS HOLIDAY CHEER: 180+ Novels, Tales & Poems in One Volume (Illustrated Edition) National Council of Teachers of

This is the first series to comprehensively address leading qualitative research designs and methods from a nursing perspective, and is a must-have for every research library. These are practical, how-to guides to

conducting research using seven different qualitative designs that encompass new and traditional methodologies. Written by Dr. Mary de Chesnay, a noted qualitative research scholar, and contributing specialists in each of the qualitative methods, each of the seven books discusses the theoretical rationale for using a particular design, describes its components, and delineates a practical plan to conduct studies. Utilizing a practical, problem-solving approach, the books delineate appropriate methods, ethical considerations, critical issues, and potential pitfalls. Examples of published qualitative nursing research worldwide, along with author commentary, support the new researcher in making decisions and facing challenges. Case studies follow a template that includes a description of the study, data collection and analysis, and dissemination. Also included are techniques whereby researchers can ensure high standards of rigor, and an extensive bibliography and list of resources. The book's practical point of view is geared to help novice researchers and specialists alike develop or expand their competencies, engage graduate faculty and students, and aid nursing research staff in larger hospitals and other healthcare institutions, as well as in-service educators and students.

Key Features of this One-of-a-Kind Resource Library: Focuses on practical problem solving
Reviews the philosophical basis for each qualitative design
Disseminates the most current references in each design
Provides a plan to conduct studies using the design and discusses appropriate methods, ethical considerations, and potential challenges
Showcases the research of international scholars
Is peer reviewed

by design and method experts
A Journal for Prince and Peasant Nosy Crow

Presents a true account of the experiences of a backwoods school teacher.

Newsweek North Atlantic Books

This novel may be one of the most controversial books of the century and for centuries to come. *Laser Curtain* reveals the real essence of two existing economic systems—the capitalistic West and communistic East. Through the face-to-face conversations, the book confronts Americans and Soviets, defectors and real communists, patriots and spies. *Laser Curtain* unveils the inside of the White House and the dark cabinets hidden behind the iron-clad windows of the Kremlin. It brushes through presidential speeches and secret discussions of their aides, and yet it is adventurous, artistic, romantic, frightening and funny futuristic fiction. This narrative is intended for the poor and the rich, teenagers and adults, communists and capitalists, militants, priests and presidents. It is for every person on this planet because it concerns everyone's future. It must be delivered to the people.

Springer Publishing Company

Brooke believes she is meant to be the leader of her cheerleading squad, so she is shocked when she learns that the team will have two co-captains this year. Just when she starts to get used to the idea of sharing the role, her grades start to slip. Is Brooke losing everything she's dreamed of just as she gets it?

The Divine Private Detective Agency Collection Harper Collins

In the spirit of Wendy Mogel's *The Blessing of a Skinned Knee* and Po Bronson and Ashley Merryman's *Nurture Shock*, *New York Times* "Your Money"

columnist Ron Lieber delivers a taboo-shattering manifesto that explains how talking openly to children about money can help parents raise modest, patient, grounded young adults who are financially wise beyond their years. For Ron Lieber, a personal finance columnist and father, good parenting means talking about money with our kids. Children are hyper-aware of money, and they have scores of questions about its nuances. But when parents shy away from the topic, they lose a tremendous opportunity—not just to model the basic financial behaviors that are increasingly important for young adults but also to imprint lessons about what the family truly values. Written in a warm, accessible voice, grounded in real-world experience and stories from families with a range of incomes, *The Opposite of Spoiled* is both a practical guidebook and a values-based philosophy. The foundation of the book is a detailed blueprint for the best ways to handle the basics: the tooth fairy, allowance, chores, charity, saving, birthdays, holidays, cell phones, checking accounts, clothing, cars, part-time jobs, and college tuition. It identifies a set of traits and virtues that embody the opposite of spoiled, and shares how to embrace the topic of money to help parents raise kids who are more generous and less materialistic. But *The Opposite of Spoiled* is also a promise to our kids that we will make them better with money than we are. It is for all of the parents who know that honest conversations about money with their curious children can help them become more patient and prudent, but who don't know how and when to start.

Or, Coming Canadians Simon and Schuster

"A little sweet, a little sharp." —Booklist, starred review High school nemeses fall in love in Kelly Quindlen's *She Drives Me Crazy*, a queer YA rom com perfect for fans of Becky Albertalli and Casey McQuisten. After an embarrassing loss to her ex-girlfriend in their first basketball game of the season, seventeen-year-old Scottie Zajac gets into a fender bender with the worst possible person: her nemesis, Irene Abraham, head cheerleader for the Fighting Reindeer. Irene is as mean as she is beautiful, so Scottie makes a point to keep her distance. When the accident sends Irene's car to the shop for weeks' worth of repairs and the girls are forced to carpool, their rocky start only gets bumpier. But when an opportunity arises for Scottie to get back at her toxic ex—and climb her school's social ladder—she bribes Irene into an

elaborate fake- dating scheme that threatens to reveal some very real feelings. From author Kelly Quindlen comes a new laugh-out-loud romp through the ups and downs of teen romance, perfect for fans of Becky Albertalli.

How to Become an Arena Cheerleader for Nfl(r), Nba(r), and Other Pro Cheer Teams WestBow Press

Sydney Taylor Book Award Notable book in the Young Adult category From the New York Times bestselling authors of *I'm Not Dying with You Tonight* comes a story about friendship, privilege, sports, and protest. With a rocky start to senior year, cheerleaders and lifelong best friends Eleanor and Chanel have a lot on their minds. Eleanor is still in physical therapy months after a serious concussion from a failed cheer stunt. Chanel starts making questionable decisions to deal with the mounting pressure of college applications. But they have each other's backs—just as always, until Eleanor's new relationship with star quarterback Three starts a rift between them. Then, the cheer squad decides to take a knee at the season's first football game, and what seemed like a positive show of solidarity suddenly shines a national spotlight on the team—and becomes the reason for a larger fallout between the girls. As Eleanor and Chanel grapple with the weight of the consequences as well as their own problems, can the girls rely on the friendship they've always shared? Praise for *I'm Not Dying with You Tonight*: A Barnes & Noble Book Club Pick "Compelling and powerful"—Angie Thomas, #1 New York Times bestselling author of *The Hate U Give* "A vital addition to the YA race relations canon."—Nic Stone, New York Times bestselling author of *Dear Martin*

"Important reading for both teenagers and adults."—Hello Giggles "Not to be missed."—Paste Magazine

The Christian Union Capstone

Once considered to be a lesser pedagogical method, the case study is indeed a powerful, in-depth tool with which to examine evidence-based practice around patient care, family dynamics, professional roles, and organizational systems. Here is a unique "how-to" guide to conducting research using case studies. Focusing on leading and newer methodologies, the text describes the philosophical basis and state of the art for using this qualitative method. The peer-reviewed designs (including interviews, physiological measurements, psychological tests, and analysis of patients' diaries and journals) are accompanied by an in-depth research plan, a discussion of appropriate methods, and ethical considerations. The text provides clear directives—bolstered by nursing examples—on how to solve practical problems a researcher may encounter. Examples from international scholars who have published research using case studies are included along with coaching designed to support the new researcher in making decisions and facing challenges. Also included are book and chapter objectives, competencies, review questions, critical thinking exercises, and web links to additional information. The text is part of a series of eight concise volumes addressing a variety of methods for conducting qualitative research. Conceived and edited by a noted expert in qualitative research, the book is designed for both novice and practicing researchers seeking to develop or expand their competency, health institution research divisions, in-service educators and

students, and graduate nursing educators and students. Key Features: Explains clearly and concisely how to conduct research using case studies Reviews the philosophical basis for using case studies Focuses on solving practical problems related to conducting research Offers rich nursing exemplars and coaching from international health/mental health contributors Includes objectives, critical thinking exercises, competencies, resources, and review material for each book.

The Surgeon's Daughter and Castle

Dangerous Roaring Brook Press

Faith, the new girl, knows she's not the typical cheerleader. She's lanky, shy, and avoids the spotlight. When she goes to cheer camp, her snobby teammate stops at nothing to embarrass her. To shine on her new squad, Faith will have to learn to lean on her friends and believe in herself.

ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME • NEW YORK TIMES BESTSELLER A modern-day classic from Newbery Medalist Jerry Spinelli, this

beloved celebration of individuality is now an original movie on Disney+! And don't miss the author's highly anticipated new novel, *Dead Wednesday!* *Stargirl*. From the day she arrives at quiet Mica High in a burst of color and sound, the hallways hum with the murmur of "Stargirl, Stargirl." She captures Leo Borlock's heart with just one smile. She sparks a school-spirit revolution with just one cheer. The students of Mica High are enchanted. At first. Then they turn on her. Stargirl is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a tense, emotional tale about the perils of popularity and the thrill and inspiration of first love. Don't miss the sequel, *Love, Stargirl*, as well as *The Warden's Daughter*, a novel about another girl who can't help but stand out. "Spinelli is a poet of the prepubescent. . . . No writer guides his young characters, and his readers, past these pitfalls and challenges and toward their futures with more compassion."
