First performed the day  
after Marie-Antoinette's

beheading, Le Jugement  
dernier des rois stages  
the burlesque trial of the  
remaining kings and  
queens of  
Europe—paraded in  
chains like animals, made  
to brawl over a barrel of  
crackers, and finally  
obliterated by a

spectacular volcanic  
eruption. Such is the  
shocking context—at once  
tragic and farcical—of the  
most infamous play of the  
French Revolution,  
familiar to all specialists  
of the period. Until now,  
however, no standalone  
critical edition or English

translation of this historic play existed. This bilingual edition revives Maréchal's play and reveals its centrality to scholarly debates about Revolutionary notions of justice, religion, commemoration, comedy, and propaganda. Provocative, written in accessible prose, and short—perfect for students in a French or history seminar—Le Jugement dernier des rois offers an ideal introduction to the most important and contentious questions of the

Revolutionary period. Joué pour la première fois le lendemain de l'exécution de Marie-Antoinette, Le Jugement dernier des rois met en scène le procès burlesque des autres rois et reines d'Europe : exhibés et enchaînés tels des animaux, contraints de se battre pour un tonneau de biscuits, et finalement anéantis par l'éruption spectaculaire d'un volcan. Tel est le contexte scandaleux—tragédie et farce à la fois—de la pièce la plus célèbre de la Révolution française, bien

connue de tous les spécialistes de cette période. Jusqu'à maintenant, pourtant, il n'existait ni édition critique ni traduction anglaise de cet ouvrage historique. Notre édition bilingue fait revivre la pièce de Maréchal et la replace au centre des plus grands débats chez les historiens de la Révolution, traitant de justice, religion, commémoration, comédie, et propagande. Provocateur, facile à lire, et concis—parfaitement adapté aux étudiants d'un

cours de français ou d'histoire—Le Jugement dernier des rois propose ainsi une introduction idéale à la période révolutionnaire et à ses principales controverses. Published by Bucknell University Press. Distributed worldwide by Rutgers University Press. Clinical Memoir on Strangulated Hernia ... Univ. Press of Mississippi  
 PONSON DU TERRAIL'S COMPLETE ROCAMBOLE SAGA IN NEW, UNABRIDGED ENGLISH TRANSLATIONS  
 ROCAMBOLE 6 –

ROCAMBOLE'S LAST WORD (Le Dernier Mot de Rocambo) In this series, Rocambo and his associates travel to London to fight a sect of Thugs, the stranglers, worshippers of goddess Khali and return the stolen inheritance of the "gypsy girl". From there, Rocambo will travel on to the Indies in pursuit of his enemies On his return though, he will need to be careful, because the London po-lice are on his tail! Also included is "The Truth About Rocambo", where he reveals in first

person, the background to all his previous exploits and the ending of the Indian adventure. This volume includes new unabridged English translations of the original French texts: "Le Dernier Mot de Rocambo - Tome I - Les Étrangleurs" "Le Dernier Mot de Rocambo - Tome II - Les Millions de la bohémienne" "Le Dernier Mot de Rocambo - Tome III - Un drame dans l'Inde" "Le Dernier Mot de Rocambo - Tome IV - Les Trésors du Rajah" "La Vérité sur Rocambo"

Text translation and layout, artwork, introductory notes, author's biography, synopses and chronology: © 2023 Roland Radaelli and IP Rights Ltd THE COMPLETE SAGA IN NEW UNABRIDGED ENGLISH TRANSLATIONS The Rocambole Saga The Rocambole adventures were first published in instalments in various French feuilletons, as supplements to newspapers. This was an extremely popular format in 19th Century France as well as in other countries.

Novels such as Dumas' "The Count of Montecristo", Sue's "The Mysteries of Paris" and Feval's "Le Bossu" ("The Hunchback") were first published in instalments and later reprinted as books. From 1857 to 1870, the year before the author's death, Ponson du Terrail wrote thousands of pages chronicling Rocambole's adventures, first as a master criminal, then as a defender of justice. The novels also offer an eye-opening account on how society was structured in 19th

century France with stark divisions between nobility, rich businessmen and the working classes. Far from being outdated, these novels feel as fresh today as when they were written over 150 years ago. About the Author Pierre Alexis Ponson du Terrail was born in France in 1829. From 1850 he started writing serials for several newspapers and in 20 years will write over 200 novels! In 1857 he created the character of Rocambole, which will go on to achieve great success all over the world.

The word “rocambolique” is still used nowadays in many languages to describe fantastic, incredible adventures and scheming plots. With Germany’s invasion of France in 1870, Ponson du Terrail joins the resistance but a sudden illness strikes him and he dies in January 1871. The ROCAMBOLE SAGA in our catalogue includes the following ebooks: Series 1 - Legacy of Blood Series 2 - Knaves of Hearts Series 3 - Adventures of Rocambole Series 4 - Rocambole's

Redemption Series 5 - Rocambole's Resurrection Series 6 - Rocambole's Last Word Series 7 - Rocambole in London Series 8 - Rocambole in Prison Series 9 - Rocambole and the Hangman's Rope *Maurice Blanchot and Fragmentary Writing* Nelson Thornes Writing in fragments is often held to be one of the most distinctive signature effects of Romantic, modern, and postmodern literature. But what is the fragment, and what may be said to be its

literary, philosophical, and political significance? Few writers have explored these questions with such probing radicality and rigorous tenacity as the French writer and thinker Maurice Blanchot. For the first time in any language, this book explores in detail Blanchot's own writing in fragments in order to understand the stakes of the fragmentary within philosophical and literary modernity. It attends in detail to each of Blanchot's fragmentary works (Awaiting Forgetting, The Step Not

Beyond, and The Writing of the Disaster) and reconstructs Blanchot's radical critical engagement with the philosophical and literary tradition, in particular with Hegel, Nietzsche, Heidegger, Heraclitus, Levinas, Derrida, Nancy, Mallarmé, Char, and others, and assesses Blanchot's account of politics, Jewish thought, and the Shoah, with a view to understanding the stakes of fragmentary writing in Blanchot and within philosophical and literary modernity in

general.

 The Dictionary of

Louisiana French (DLF) provides the richest inventory of French vocabulary in Louisiana and reflects precisely the speech of the period from 1930 to the present. This dictionary describes the current usage of French-speaking peoples in the five broad regions of South Louisiana: the coastal marshes, the banks of the Mississippi River, the central area, the north, and the western prairie. Data were collected during interviews from at least five persons in each of

twenty-four areas in these regions. In addition to the data collected from fieldwork, the dictionary contains material compiled from existing lexical inventories, from texts published after 1930, and from archival recordings. The new authoritative resource, the DLF not only contains the largest number of words and expressions but also provides the most complete information available for each entry. Entries include the word in the conventional French

spelling, the pronunciation (including attested variants), the part of speech classification, the English equivalent, and the word's use in common phrases. The DLF features a wealth of illustrative examples derived from fieldwork and textual sources and identification of the parish where the entry was collected or the source from which it was compiled. An English-to-Louisiana French index enables readers to find out how particular notions would be expressed in la

Louisiane .
