1260 AD: Josseran Sarrazini is a Templar Knight, trained for war. But as the Christian garrisons in the Holy Land begin to fall to the Saracen, he must embark upon a mission of peace: to the golden palaces at Xanadu, to seek an alliance with Kubilai Khan, ruler of the greatest empire in history and commander of the invincible Mongol horde. Josseran's task is formidable. To ride the treacherous Silk Road to the edge of the known world. To cheat hunger, thirst, and death. And to forge a crucial allegiance with a people who do not honor his cause, or his God. Blazing with adventure, epic in scope, and utterly compulsive, Silk Road weaves a spellbinding story of war, honor, and desire onto the vast tapestry of the medieval East.

Letters of a Woman

Homesteader Houghton Mifflin Harcourt
Radical, witty and inventive, Katherine Mansfield is one of the twentieth century's most

accomplished short-story writers and this selection of stories showcases her dazzling skill. Part of the Macmillan Collector's Library; a series of stunning, clothbound, pocket-sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. *Prelude & Other Stories* is edited and introduced by Professor Meg Jensen. This selection of stories by Katherine Mansfield showcases her remarkable ability to delve into the human mind; in stories such as 'The Garden Party' she reveals the tension between innocence and corruption, the dark side of love and romance are explored in 'Bliss' and 'Love à la Mode', and in the title story, 'Prelude', inspired by her own childhood, her concern is for the isolated and the lonely. Collected together for the first time, this selection of short stories by Katherine Mansfield showcase her remarkable ability to delve deep into human psychology.

Summer Reissues with P.S. The engrossing story of one man's quest for love and for his soul from bestselling author Isabel Allende, now available with P.S. Isabel Allende's first novel to be set in the United States and to portray American characters, *The Infinite Plan* is a vivid tale of one man's search for love, and his struggle to come to terms with a childhood of poverty and neglect. As he journeys from the Hispanic barrio in Los Angeles to the killing fields of Vietnam to the frenetic life of a lawyer in San Francisco, Gregory Reeves loses himself in an illusory and wrongheaded quest. Only when he circles back to his roots does he find the love and acceptance he has been searching for.

The Nine Hundred Pantheon

_____ 'An autobiographical meditation on feminism, power and womanhood ... Full of Isabel's wisdom and warm words' - *Grazia* 'In her small, potent polemic . . . Isabel Allende writes about the toxic effects of "machismo", combining wit with anger as she picks apart the

patriarchy' - Independent'Allende has everything it takes: the ear, the eye, the mind, the heart, the all-encompassing humanity' - New York TimesAn Independent, Guardian and Grazia Highlight for 2021_____The wise, warm, defiant new book from literary legend Isabel Allende - a meditation on power, feminism and what it means to be a womanWhen I say that I was a feminist in kindergarten, I am not exaggerating.As a child, Isabel Allende watched her mother, abandoned by her husband, provide for her three small children. As a young woman coming of age in the late 1960s, she rode the first wave of feminism. She has seen what has been accomplished by the movement in the course of her lifetime. And over the course of three marriages, she has learned how to grow as a woman while having a partner, when to step away, and the rewards of embracing one's sexuality.So what do women want? To be safe, to be valued, to live in peace, to have their own resources, to be connected, to have

control over their bodies and lives, and above all, to be loved. On all these fronts, there is much work to be done, and this book, Allende hopes, will 'light the torch of our daughters and granddaughters with mine. They will have to live for us, as we lived for our mothers, and carry on with the work still left to be finished.'_____ 'Her thoughts, language and ideas traverse fluidly through ideas of gender, historic injustices, her marriages and bodily experiences and literary references . . . Allende's love for women is palpable' - Sydney Morning Herald
Caesar Faber & Faber
 Classic radical feminist statement from the woman who shot Andy Warhol "Life in this society being, at best, an utter bore and no aspect of society being at all relevant to women, there remains to civic-minded, responsible, thrill-seeking females only to overthrow the government, eliminate the money system, institute complete automation and destroy the male sex."
 Outrageous and violent, SCUM Manifesto was widely lambasted when it first appeared in 1968. Valerie Solanas, the

woman who shot Andy Warhol, self-published the book just before she became a notorious household name and was confined to a mental institution. But for all its vitriol, it is impossible to dismiss as the mere rantings of a lesbian lunatic. In fact, the work has proved prescient, not only as a radical feminist analysis light years ahead of its time—predicting artificial insemination, ATMs, a feminist uprising against underrepresentation in the arts—but also as a stunning testament to the rage of an abused and destitute woman. In this edition, philosopher Avital Ronell's introduction reconsiders the evocative exuberance of this infamous text.

 A hilarious yet deeply moving coming-of-age novel from New York Times bestselling author Caitlin Moran, "the U.K.'s answer to Tina Fey, Chelsea Handler, and Lena Dunham all rolled into one" (Marie Claire)
 What do you do in your teenage years when you realize what your parents taught you wasn't enough? You must go out and find books and poetry and pop songs and bad

heroes—and build yourself. It's 1990. Johanna Morigan, fourteen, has shamed herself so badly on local TV that she decides that there's no point in being Johanna anymore and reinvents herself as Dolly Wilde—fast-talking, hard-drinking Gothic hero and full-time Lady Sex Adventurer! She will save her poverty-stricken Bohemian family by becoming a writer—like Jo in *Little Women*, or the Bröntes—but without the dying young bit. By sixteen, she's smoking cigarettes, getting drunk and working for a music paper. She's writing pornographic letters to rock stars, having all kinds of sex with all kinds of men and eviscerating bands in reviews of 600 words or less. But what happens when Johanna realizes she's built Dolly with a fatal flaw? Is a box full of records, a wall full of posters and a head full of paperbacks enough to build a girl after all? *Imagine The Bell Jar*—written by Rizzo from *Grease*. *How to Build a Girl* is a funny, poignant and heartbreakingly evocative story of self-discovery and invention, as only Caitlin Moran could tell it. *How To Build A Girl* Granta

On the outskirts of Casablanca, next to the dump, is the shantytown of Sidi Moumen, where Yachine and his ten brothers grew up in the aimless chaos of drugs, violence, unemployment, and despair. The barefoot boys started their own football team - the Stars of Sidi Moumen. They played amongst the rocks, detritus, and buried skeletons of the dump but they dreamed of becoming the best football players of all time. Then their dreams changed. Yachine's older brother Hamid started growing a beard and attending religious meetings with Sheikh Abou Zoubair. Week after week, the sheikh beguiled the Stars of Sidi Moumen into believing that there was a better world in the afterlife, where their faith in Allah would be rewarded. They needed only to choose between dying gloriously and together, or living disgracefully and alone. For Yachine and his brother, the choice was clear. *The Art of the Novel* Pan Macmillan

Harvard Square is the elegant and sexually charged story of a young émigré grad student, a Jew from Egypt, who meets a brash, magnetic Arab taxi driver—and how their friendship tests his loyalties and throws his life in America into doubt. André Aciman's writing has been hailed by Colm Tóibín as "fiction at its most supremely interesting," and here Aciman delivers a powerful tale of identity and the wages of assimilation. *The Infinite Plan* Henry Holt and Company (BYR)
From the creative genius of Jostein Gaarder, author of modern classic *Sophie's World*, comes a novel about loneliness and the power of words *Jakop* is a lonely man. Divorced from his wife, with no friends apart from his constant companion Pelle, he spends his life attending the funerals of people he doesn't know, obscuring his identity in a web of improbable lies. As his addiction spirals out of control, he is forced to reconcile his love of language and stories with the ever more urgent need for human connection. *An Unreliable Man* is a moving and

thought-provoking novel about loneliness and truth, about seeking a place in the world, and about how storytelling gives our lives meaning. Decades after his global bestseller *Sophie's World*, Jostein Gaarder has written a poignant and funny book for our times - full of life and hope. As an industry insider and pioneering post-punk musician, Vivien Goldman's perspective on music journalism is unusually well-rounded. In *Revenge of the She-Punks*, she probes four themes—identity, money, love, and protest—to explore what makes punk such a liberating art form for women. With her visceral style, Goldman blends interviews, history, and her personal experience as one of Britain's first female music writers in a book that reads like a vivid documentary of a genre defined by dismantling boundaries. A discussion

of the Patti Smith song "Free Money," for example, opens with Goldman on a shopping spree with Smith. Tamar-Kali, whose name pays homage to a Hindu goddess, describes the influence of her Gullah ancestors on her music, while the late Poly Styrene's daughter reflects on why her Somali-Scots-Irish mother wrote the 1978 punk anthem "Identity," with the refrain "Identity is the crisis you can't see." Other strands feature artists from farther afield (including in Colombia and Indonesia) and genre-busting revolutionaries such as Grace Jones, who wasn't exclusively punk but clearly influenced the movement while absorbing its liberating audacity. From punk's Euro origins to its international reach, this is an exhilarating world tour.

Girlsplaining Boom! Studios Countersexual Manifesto is an outrageous yet rigorous work of trans theory, a performative literary text, and an insistent call to action. Seeking to overthrow all constraints on what can be done with and to the body, Paul B. Preciado offers a provocative challenge to even the

most radical claims about gender, sexuality, and desire. Preciado lays out mock constitutional principles for a countersexual revolution that will recognize genitalia as technological objects and offers step-by-step illustrated instructions for dismantling the heterocentric social contract. He calls theorists such as Derrida, Foucault, Butler, and Haraway to task for not going nearly far enough in their attempts to deconstruct the naturalization of normative identities and behaviors. Preciado's claim that the dildo precedes the penis—that artifice, not nature, comes first in the history of sexuality—forms the basis of his demand for new practices of sexual emancipation. He calls for a world of sexual plasticity and fabrication, of bio-printers and "dildonics," and he invokes countersexuality's roots in the history of sex toys, pornography, and drag in order to rupture the supposedly biological foundations of the heterocentric regime. His claims are extreme, but supported through meticulous readings of philosophy and theory, as

well as popular culture. The Manifesto is now available in English translation for its twentieth anniversary, with a new introduction by Preciado. Countersexual Manifesto will disrupt feminism and queer theory and scandalize us all with its hyperbolic but deadly serious defiance of everything we've been told about sex.

Notes on Grief

HarperCollins

New York Times

bestselling author Colleen McCullough re-creates an extraordinary epoch before the mighty Republic belonged to Julius Caesar—when Rome's noblewomen were his greatest conquest. His victories were legend—in battle and bedchamber alike. Love was a political weapon he wielded cunningly and ruthlessly in his private war against enemies in the forum.

Genius, general, patrician, Gaius Julius Caesar was history. His wives bought him influence. He sacrificed his beloved daughter on the altar of ambition. He burned for the cold-hearted mistress he could never dare trust. Caesar's women all knew—and feared—his power. He adored them, used them, destroyed them on his irresistible

rise to prominence. And one of them would seal his fate.

The unforgettable story of a man and his alligator. When Faoro the clockmaker adopts a baby alligator, he has no idea that someday their story will travel far and wide. But the town of San Fernando de Apure would never forget this kind young man and his adoring alligator, who played with the neighborhood children, took part in Faoro's wedding, and, eventually, mourned his loss. Now their story is being shared with the world. In this delightful picture book first published in Venezuela, the author brings us back to her own childhood in Venezuela, as one of the children who used to visit this famous caiman, to tell the story of a man who loved animals and how his friendship with his alligator sparked a lasting legacy.

From the bestselling author of the Charlie Parker mysteries—"the finest crime series currently in existence" (The Independent)—comes a new anthology of chilling short fiction. A decade

after Nocturnes first terrified and delighted readers, John Connolly, bestselling author of thirteen acclaimed thrillers featuring private investigator Charlie Parker, gives us a second volume of tales of the supernatural. From stories of the monstrous for dark winter nights to fables of fantastic libraries and haunted books, from a tender account of love after death to a frank, personal, and revealing account of the author's affection for myths of ghosts and demons, this is a collection that will surprise, delight—and terrify. Night Music: Nocturnes 2 also contains two novellas: the multi-award-winning The Caxton Private Lending Library & Book Depository and The Fractured Atlas. Night Music: Nocturnes 2 is a masterly collection to be read with the lights on—menace has never been so seductive.

Starting with Bad Behavior in the 1980s, Mary Gaitskill has been

writing about gender relations with searing, even prophetic honesty. In *This Is Pleasure*, she considers our present moment through the lens of a particular #MeToo incident. The effervescent, well-dressed Quin, a successful book editor and fixture on the New York arts scene, has been accused of repeated unforgivable transgressions toward women in his orbit. But are they unforgivable? And who has the right to forgive him? To Quin's friend Margot, the wrongdoing is less clear. Alternating Quin's and Margot's voices and perspectives, Gaitskill creates a nuanced tragicomedy, one that reveals her characters as whole persons—hurtful and hurting, infuriating and touching, and always deeply recognizable. Gaitskill has said that fiction is the only way that she could approach this subject because it is too emotionally faceted to treat in the more rational essay form. Her compliment to her characters—and to her readers—is that they are unvarnished and real. Her belief in our ability to understand them, even when we don't always admire them, is a gesture

of humanity from one of our greatest contemporary writers.

The definitive cookbook bible of the world's most popular and oldest cuisine "China The Cookbook is a magnificent insight into the history of Chinese cuisine. I will treasure it in my collection and it will be no doubt be used as valuable reference for many years to come."
—Ken Hom OBE, Chef, author and tv presenter In the tradition of bestsellers including Mexico and The Nordic Cookbook comes the next title in the multimillion-selling national cuisine series, China: The Cookbook. Featuring more than 650 recipes for delicious and authentic Chinese dishes for the home kitchen, this impressive and authoritative book showcases the culinary diversity of the world's richest and oldest cuisines with recipes from the 33 regions and sub-regions. China: The Cookbook celebrates popular staples such as Sweet and Sour Spare Ribs and Dim Sum, as well as lesser-known regional classics like Fujian Fried Rice and Jiangsu's Drunken Chicken, and features additional selected recipes from star chefs

from around the world. *Fortune's Favorites* Knopf First serialized in The New York Times Magazine "Funny Pages" The celebrated cartoonist and New Yorker illustrator Seth weaves the fictional tale of George Sprott, the host of a long-running television program. The events forming the patchwork of George's life are pieced together from the tenuous memories of several informants, who often have contradictory impressions. His estranged daughter describes the man as an unforgivable lout, whereas his niece remembers him fondly. His former assistant recalls a trip to the Arctic during which George abandoned him for two months, while George himself remembers that trip as the time he began writing letters to a former love, from whom he never received replies. Invoking a sense of both memory

and its loss, George Sprott is heavy with the charming, melancholic nostalgia that distinguishes Seth's work. Characters lamenting societal progression in general share the pages with images of antiquated objects—proof of events and individuals rarely documented and barely remembered. Likewise, George's own opinions are embedded with regret and a sense of the injustice of aging in this bleak reminder of the inevitable slipping away of lives, along with the fading culture of their days.

STARRING JULIA ROBERTS AND JACOB TREMBLAY!
Over 6 million people have read the #1 New York Times bestseller *Wonder*—the book that inspired the Choose Kind movement—and have

fallen in love with Auggie Pullman, an ordinary boy with an extraordinary face. Last year readers were given a special look at another side of his story with *The Julian Chapter*, and now they'll get a peek at Auggie's life before Beecher Prep, with an exclusive new short story told entirely from the point of view of Christopher, Auggie's oldest friend. Christopher was Auggie's best friend from the time they were babies until his family moved away; he was there through all of Auggie's surgeries and heartbreaks, through bad times and good—like Star Wars marathons and dreams of traveling to Pluto together. Alternating between childhood flashbacks and the present day, an especially bad day for Christopher, *Pluto* is the story of two boys grown apart learning that good friendships are worth a little extra effort.
