LILLY HUNTER

Terre di Lombardia Hachette UK
 From the creator of the all-time classic VERY HUNGRY CATERPILLAR comes a sweetly resonant story about the power of friendship. When a best friend moves away, it can be painful for the child who is left behind. But the spunky boy in this upbeat story makes up his mind to find his missing playmate. Young readers will cheer on the boy as he braves currents, climbs mountains, and dashes through rain before, finally, reuniting with his friend. A story alive with love and perseverance, brightened with vibrant art and Eric Carle's trademark fostering of imagination. This deeply personal story for Eric is dedicated to his longtime wife, Bobbie, and it is their bond that inspired the book. For anyone who has ever scaled mountains to be with the one he loves, or for anyone who has simply known the love and joy of a great friendship, this book will strike a resonant chord. "This story of love and determination is illustrated with Carle's extraordinary signature artwork. For anyone who would cross rivers and scale mountains for a beloved friend, this warmhearted story will create an emotional response. Young readers will learn the value of friendship and its many challenges." —School Library Journal "Often dynamic and quite beautiful, these colorful illustrations of the river, the meadow, and so on are abstract in style and show up well from a distance. A picture-book tribute to the strength of childhood friendships." —Booklist "The images are beautiful and evocative." —Publishers Weekly

Little Goose's Autumn is a second stunning story from an exciting picture

book pairing and the uplifting tale of a lively young goose finding her place in the world. As summer fades to autumn, a lively young goose feels a change in the air and senses she has something important to do – but what? The beavers are chopping wood, the squirrels are storing nuts in the ground and the bears are busy building a den. The plucky little goose tries to join in, but without great success. She realizes her wings weren't built for chopping wood, or burying food, or building a den, but they were built for something magnificent – they were built for flight . . . A beautiful, lyrical and hopeful story about finding your wings and your place in the world. Written by star picture book author, Elli Woollard with wonderful illustrations by rising talent, Briony May Smith, whose artwork brings an autumnal landscape of mountains and forests to life with truly breathtaking beauty.

 Fans of Aaron Becker's Caldecott Honor winner Journey will love this utterly enchanting wordless picture book in which two friends follow a young fox deep into the woods and discover a wondrous and magical world. The girl chases the fox into the woods with her friend, the boy, following close behind, but soon the two children lose track of the fox. Wandering deeper and deeper into the forest, they come across a tall hedge with an archway. What do they find on the other side? A marvelous village of miniature stone cottages, tiny treehouses, and, most extraordinary of all, woodland creatures of every shape

and size. But where is the little fox? And how will they find him? Stephanie Graegin's oh-so-charming illustrations are simply irresistible, and readers young and old will want to pore over the pages of this delightful fantasy adventure again and again.

Little Fox in the Forest Libreria Editrice S.r.l.

Ci troviamo immersi nel cuore del Mediterraneo in luoghi alla portata di tutti, lungo un percorso fatto a più riprese nel corso di cinque anni, da un velista-viaggiatore che un giorno decide di lasciare il proprio ormeggio che occupava da anni, per fare prua verso est regalandosi il tempo necessario per conoscere e assaporare appieno il fascino unico del Mediterraneo. «La decisione di lasciare un porto simpatico e sicuro della Liguria e di vagabondare per il Mediterraneo si è rivelata una scelta vincente, che ha rinvigorito la mia passione per la barca a vela. Anche perché sono convinto che il Mediterraneo è il più bel mare del mondo, un mare che non finisce mai di stupire.» Il libro non ha l'obiettivo di essere una guida nautica, bensì traccia svariate rotte interessanti, soprattutto tra le isole della Grecia e della Turchia, che sono descritte attraverso l'occhio curioso e indagatore di un giornalista-viaggiatore che ama farsi raccontare i posti da persone native del luogo e dai personaggi che popolano il mare, figure spesso atipiche, che attraverso il loro passato spiegano il loro presente e le loro aspettative. Il solitario Alain Capon, i vagabondi Jackie e David, lo scultore Skevos Vrondos, il padre dei marina turchi Hasan Kacmaz sono solo alcuni dei personaggi che animano le pagine di questo libro. «L'aspetto di gran lunga più importante di questo modo di andar per mare, al di là di immergersi nella bellezza e nelle peculiarità dei luoghi, al di là del piacere di navigare, è però un altro. Si tratta del sentirsi più aperti al rapporto con gli altri, di una particolare predisposizione ad incontrare persone con le quali vivere brevi ma intensi rapporti umani.» L'autore ci porta anche a conoscere i luoghi al di là del porto e del suo lungomare per inoltrarsi nel suo

entroterra, salire su colline e montagne e godersi lo spettacolo dall'alto attraverso stupendi itinerari naturalistici. Lo spirito di questo velista curioso trova piena realizzazione anche in un importante apparato fotografico di 72 pagine, che traducono in colori e immagini i personaggi incontrati e i luoghi visitati. Questa non è un'impresa, ma semplicemente un gran bel viaggio per mare, che ha regalato momenti ed emozioni indimenticabili all'autore e al suo equipaggio.
