This book presents an ethnographic and discourse analytic study of a highly popular online fan fiction writing space. Its analyses highlight the range of sophisticated literacy practices that English language learning youth engage in through their fan-related activities. Discussion also centers on how opportunities for language socialization,

literacy, and identity development converge and diverge between academic settings and informal learning contexts such as fan fiction sites.

**Land of My Childhood** Eerdmans Books  
For Young Readers

In this book, Nobel Peace Prize winner and Maya activist Rigoberta Menchú Tum returns to the world of her childhood. The Honey Jar brings us the ancient stories her grandparents told her when she was a little girl, and we can imagine her listening to them by the fire at night. These Maya tales include creation myths, a classic story about the magic twins (which can also be found in the Popol Vuh), explanations of how and why certain natural phenomena came to exist, and animal tales. The underworld, the sky, the sun and moon, plants, people, animals, gods and demi-gods are all present in these stories, and through them we come to know more about the elements that shaped the Mayas' understanding of the world. Rich and vibrant illustrations by noted Mazatec-Mexican artist Domi perfectly complement these magical Maya tales. Key Text Features illustrations

Emotional Intelligence Does IQ define our destiny? Daniel Goleman argues that our view of human intelligence is far too narrow, and that our emotions play a major role in thought, decision making and individual success. Self-awareness, impulse control, persistence, motivation, empathy and social deftness are all qualities that mark people who excel: whose relationships flourish, who are stars in the workplace. With new insights into the brain architecture underlying emotion and rationality, Goleman shows precisely how emotional intelligence can be nurtured and strengthened in all of us. Working with Emotional Intelligence Do you want to be more successful at work? Do you want to improve your chances of promotion? Do you want to get on better with your colleagues? Daniel Goleman draws on unparalleled access to business leaders around the world and the thorough

research that is his trademark. He demonstrates that emotional intelligence at work matters twice as much as cognitive abilities such as IQ or technical expertise in this inspiring sequel.

*The Honey Jar* Anchor

A level 1 Oxford Bookworms Library graded reader. Written for Learners of English by John Escott. Twenty-five million people come to England every year, and some never go out of London. But England is full of interesting places to visit and things to do. There are big noisy cities with great shops and theatres, and quiet little villages. You can visit old castles and beautiful churches - or go to festivals with music twenty-four hours a day. You can have an English afternoon tea, walk on long white beaches, watch a great game of football, or visit a country house. Yes, England has something for everybody - what has it got for you?

**Castaways** Heinemann Educational Publishers

From the author of the bestselling Neanderthal comes this novel of gripping suspense and scientific conquest—a page-turning historical mystery that brilliantly explores the intrigue behind Darwin and his theory of evolution. It's 1831, and aboard HMS Beagle the young Charles Darwin sets off down the English Channel for South America. More than 150 years later, two ambitious scholars pursuing their obsession with Darwin (and with each other) come across the diaries and letters of Darwin's daughter. What they discover is a maze of violent rivalries, petty deceptions, and jealously guarded secrets, and the extraordinary story of an expedition embarked upon by two men. Only one returned—and changed history forever.

Dead Man's Cove Vintage

Anthony Whitelands, an English art historian, is invited to Madrid to value an aristocrat's collection. At a welcome lunch he encounters Jose Antonio Primo de Rivera, founder and leader of the Falange, a nationalist party whose antics are bringing the country ever closer to civil war. The paintings turn out to be worthless, but before Whitelands can leave for London the duque's daughter Paquita reveals a secret and genuine treasure, held for years in the cellars of

her ancestral home. Afraid that the duque will cash in his wealth to finance the Falange, the Spanish authorities resolve to keep a close eye on the Englishman, who is also being watched by his own embassy. As Whitelands—ever the fool for a pretty face—vies with Primo de Rivera for Paquita's affections, he learns of a final interested party: Madrid is crawling with Soviet spies, and Moscow will stop at nothing to secure the hidden prize.

**Celestina** Chronicle Books

The instant New York Times bestseller! In this twisty psychological thriller from the #1 New York Times bestselling author of THE CELLAR, Ivy wants to share everything with her twin sister . . . until her twin starts to push her out of her own life. Ivy and Iris haven't lived together for years—when their mother and father divorced, each parent got custody of one twin. But after a tragic accident takes their mom's life, the devastated sisters are reunited, and Iris moves in with Ivy and their dad. Iris takes their mom's death especially hard. She barely talks, spending hours alone in her room. Ivy can't stand to see Iris so sad. She promised Iris that she can share her life now. After all, they're sisters. Twins. It's a promise that Iris takes seriously. And before long, Ivy's friends, her teachers, and even her boyfriend fall under Iris's spell. Soon Ivy begins to think

there's something wrong with her twin. It's almost like Iris is out to get her. Ivy tells herself she's being paranoid. It's not like she's in any danger from her twin. . . . The Twin is an unputdownable read that will keep you on the edge of your seat until the very end.
