*Ten Grapes to Know: The  
Ten and Done Wine Guide*  
Gibbs Smith

A groundbreaking  
collection of first-person  
writing on the joys and  
challenges of the modern  
disability experience:  
Disability Visibility brings  
together the voices of  
activists, authors,

lawyers, politicians,  
artists, and everyday  
people whose daily lives  
are, in the words of  
playwright Neil Marcus,  
"an art . . . an ingenious  
way to live." • Edited by  
MacArthur "Genius Grant"  
Fellow Alice Wong "Shares  
perspectives that are too  
often missing from such  
decision-making about  
accessibility." —The  
Washington Post  
According to the last  
census, one in five people

in the United States lives  
with a disability. Some are  
visible, some are hidden--  
but all are  
underrepresented in  
media and popular  
culture. Now, just in time  
for the thirtieth  
anniversary of the  
Americans with  
Disabilities Act, activist  
Alice Wong brings  
together an urgent,  
galvanizing collection of  
personal essays by  
contemporary disabled

writers. There is Harriet McBryde Johnson's "Unspeakable Conversations," which describes her famous debate with Princeton philosopher Peter Singer over her own personhood. There is columnist s. e. smith's celebratory review of a work of theater by disabled performers. There are original pieces by up-and-coming authors like Keah Brown and Haben Girma. There are blog posts, manifestos, eulogies, and testimonies to Congress. Taken together, this anthology

gives a glimpse of the vast richness and complexity of the disabled experience, highlighting the passions, talents, and everyday lives of this community. It invites readers to question their own assumptions and understandings. It celebrates and documents disability culture in the now. It looks to the future and past with hope and love.

**Wine Folly** ABRAMS  
Most rational people don't pay \$40 for \$20 items. And yet with wine, it happens all the time.

Wine can be an expensive hobby. Founder of the popular site ReverseWineSnob.com, Jon Thorsen is an unapologetic frugal wine consumer. He flips wine snobbery on its head by pushing a \$20 or less mantra. Reverse Wine Snob is designed to help wine drinkers stop wasting money and get the most satisfaction out of their drinking dollars. It reveals Thorsen's Ten Tenets of Reverse Wine Snobbery—ten beliefs that eliminate myths about wine—as well as a

unique rating system that includes the cost of the bottle so that there is satisfaction in both taste and price. In Jon's unique system, the more expensive a wine, the better it must taste. Reverse Wine Snob explains: The number one rule all wine drinkers should follow, no matter what the wine snobs say. How to shop for wine at stores like the nation's #1 wine retailer Costco and Trader Joe's. The regions and varieties of wine that give the best value. Why the price of a wine has

nothing to do with its taste. Why the distribution system in the US is broken which costs you money and limits your wine choices. Tons of Jon's very favorite wine picks. Jon dapples in every kind of wine from \$10 kitchen sink blends to the \$20 "Saturday Night Splurge," so delicious it's worth twice the price. Reverse Wine Snob brings plain old common sense to the wine industry and encourages wine lovers to explore the world of inexpensive quality wine. Skyhorse Publishing,

along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning

and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

*The Vineyards of Champagne* Routledge  
Celebrate the treasure that is champagne with this sparkling tribute to the bubbly--now fully

revised and updated. Nothing says "special occasion" like popping open a bottle of champagne. Champagne guides you through the astounding story of how this delicious drink became the hallmark of celebrations, commiserations, and partying across the globe. It explores the process of making champagne and how the subtle blend of grapes produces a notable house style; the history of champagne, from the earliest makers to the establishment of

the regulatory body; and the recent award of World Heritage status by UNESCO. The core of this beautiful volume focuses on individual entries on all the major champagne houses, lesser estates, co-operatives, growers, and variations of sparkling wine. Each entry provides background on the House and explores the notable traits of its products, together with tasting notes and recommendations. Finally, Champagne examines the growing interest in sparkling wines and the

social and cultural impact of this drink of kings.

Revised and updated version of Treasures of Champagne, in a new format.

### Vintage Champagne

Winealpha

Journalists Don and Petie Kladstrup show how this sparkling wine, born of bloodshed, became a symbol of glamour, good times, and celebration. It's a story filled with larger-than-life characters: Dom Pérignon, the father of champagne, who, contrary to popular belief,

worked his entire life to keep bubbles out of champagne; the Sun King, Louis XIV, who rarely drank anything but; and Charles-Camille Heidsieck, known as "Champagne Charlie," who popularized champagne in America and ended up being imprisoned as a spy during the Civil War. World War I would be Champagne's greatest test of all, a four-year nightmare in which German bombardment drove thousands of people underground to seek refuge in the huge cellars

of the champagne houses, where among the bottles you would find schools, hospitals, shops, municipal offices, and troops.--From publisher description.

*The Wines of Burgundy*  
Univ of California Press  
In *Bursting Bubbles*, Robert Walters takes us on a journey to visit Champagne's great growers. Along the way, he reveals a secret history of Champagne and dispels many of the myths that still persist about this celebrated wine style. Controversial and ground

breaking, Bursting Bubbles will change the way you think about Champagne.

*Disability Visibility*

Mitchell Beazley

Everything you need to know about the fruit of the vine—From A to Zinfandel. If you enjoy wine—but can't articulate why—you're not alone! From terroir to global varieties, *Wine: A Beginner's Guide* breaks down the complex bouquets of winemaking and tasting into ways that are fun and easy to understand. Learn what

really makes a cabernet sauvignon red. Taste how it's possible to detect a hint of leather, chocolate, or even rubber in a single sip. Confidently discuss the subtleties of different types of grapes with the guide that has everything you need to know to grow your love of wine. *Wine: A Beginner's Guide* includes: Taste right—The 4-Step process to tasting wine means you'll get the most flavor from every swish and swirl. Pour with poise—Handle a bottle of vino just right, with tips on proper serving

temperature, glass style, and long-term storage. Perfect match—An entire chapter on pairing with food means you'll select a bottle that complements every meal. Uncork your inner sommelier and sip confidently with *Wine: A Beginner's Guide*.

[The Essential Scratch & Sniff Guide to Becoming a Wine Expert](#) Reaktion Books

Bubbly is a collection of more than 60 effortlessly stunning cocktail recipes in a beautiful gold book featuring the most festive bottle behind the

bar—champagne! With bright, seasonal flavors, simple techniques, and no pretense, author and photographer Colleen Jeffers shares her most irresistible sparkling cocktails, alongside quick-trick tips on topics like buying the right bottle of bubbly, keeping carbonation crisp, scoring cheap vintage glassware, and making simple syrup without a stove. Inside this beautiful book, you will find recipes including: French 75—tart, light, crisp, refreshing, and arguably the best known

of all vintage champagne cocktails Aperol Spritz—ideal for aperitivo hour Paloma Punch—perfect for serving a crowd Bubbly Mary—a modern brunch classic Margarita Fizz—a deceptively simple and refreshing Holiday Mail—a cheery seasonal favorite Bubbly will quickly become your go-to resource for recipes that rely on fresh, easy-to-find ingredients for head turning flavor without an expert’s collection of bottles and tools. With an entire chapter devoted to

brunch cocktails and another to party-ready punches, it’s a weapon every home cook needs in their entertaining arsenal. Inventive enough to appease the experienced cocktail creator but approachable enough for complete beginners, this book proves that a splash of champagne can make any moment a cause for celebration.

**Strong, Sweet and Dry**  
University of Pennsylvania Press

Who will have the last word on wine, if not Jamie Goode? Over the last

decade, Goode has embarked on almost nonstop travel through the world's vineyards in an effort to understand the beautifully diverse and complicated world of wine. His hard-nosed pursuit of the most interesting stories to tell about wine has led us here, to *The Goode Guide to Wine*. This book—a sort of manifesto—distills many of the observations, lessons, and opinions that have made Jamie Goode a renowned voice within the wine world. In a series of short, pithy, and often

rather blunt chapters, he celebrates what is exciting and interesting about wine, asks how we could do things better, and points out some of the absurdities of wine culture. Jamie Goode has a distinct philosophy when it comes to wine, and he knows you may disagree; if you do, that means it's working. *The Goode Guide to Wine* is a book designed to provoke and inspire in equal measure, encouraging the reader to be critical and to see the world of wine through fresh eyes.

*Reverse Wine Snob* Simon and Schuster

"With Catherine Fallis's approach of 'less is more,' all you need to begin your wine journey are ten grapes." —Kevin Zraly It's easy (or easier) to become a wine expert when you narrow the field down to ten grapes. For the wine drinker who loves Pinot Noir but doesn't know what to try next, wants a French Chardonnay but isn't sure what to look for on the bottle, or needs a little support before they open the wine menu at lunch

with a client, Master Sommelier Catherine Fallis's authoritative but inviting introduction to wine is an indispensable guide. Pinot Grigio, Sauvignon Blanc, Chardonnay, Viognier, Pinot Noir, Sangiovese, Syrah, Merlot, Cabernet Sauvignon, and Zinfandel make the cut. The book covers the basics of tasting (and why wines taste the way they do), buying, and pairing wine. Fallis gives readers tricks to remember the difference between the côtes of Burgundy, offers

dozens of specific recommendations in every price range, provides tips for talking to sommeliers, and shares memorable tasting exercises. This book will help readers build their wine confidence whether they're looking for an inexpensive bottle for dinner at home or trying to impress the in-laws. *Cupcakes and Cashmere* The Countryman Press The world's most comprehensive and up-to-date guide to Champagne, featuring all the latest vintages. The

Champagne Guide 2020-2021 contains fully independent assessments, with profiles and ratings, of over 120 champagne producers and 800 cuvées. New in the 2020-2021 edition: New format, fully double the size of the past five editions. Independent assessments and ratings of more than 800 cuvées, all tasted recently. All the latest insights on the top 120 champagne houses, growers and coopératives. A Hall of Honour to acknowledge the best producers in Champagne

this year. Highlights of all the best champagnes of the year at every price and style. Updated assessments of the past 24 vintages in Champagne. Brand new chapter on decoding champagne labels and bottling codes. Maps of the champagne villages and vineyards. All set off with photographs of the region by Tyson Stelzer and full-colour bottle images. Praise for The Champagne Guide 2020-2021: When I first reviewed Tyson Stelzer's The Champagne Guide, I

marvelled at the quality of the overall package and the wealth of information it contained. Then and now it was entirely his personal knowledge, with fearlessly objective ratings. Now he has achieved the impossible, almost doubling the size of the 2018-2019 edition, with 582 gilt-edged pages. The 300,000 words within expand the scope of the information at every turn, and the amount of beautiful photography is likely to make it the only coffee-table book to show the

eyeball and thumbprint traffic it will engender. It goes without saying that anyone with an interest in Champagne must have this book. - James Halliday This is the most comprehensive and finely wrought and written book on Champagne I have ever seen. Truly epic work. - Matthew Jukes THE definitive guide and authority on everything champagne. This 'bible' is beautifully presented and the immersive research invested and passion is on full show. A stunning achievement. - Luxury

Wine Trails An extraordinary achievement - the depth of understanding and notes about each house and their wines is exceptional. - Mark Smith Marie of France University of California Press One of the New York Times' 20 Books to Read in 2020 "A tonic . . . Splendid . . . A respite . . . A summer cocktail of a book."--Washington Post "Unforgettable . . . Behind her brilliantly witty and uplifting message is a remarkable vulnerability and candor that reminds

us that we are not alone in our struggles--and that we can, against all odds, get through them."--Lori Gottlieb, New York Times best-selling author of Maybe You Should Talk to Someone Part memoir and part joyful romp through the fields of imagination, the story behind a beloved pseudonymous Twitter account reveals how a writer deep in grief rebuilt a life worth living. Becoming Duchess Goldblatt is two stories: that of the reclusive real-life writer who created a

fictional character out of loneliness and thin air, and that of the magical Duchess Goldblatt herself, a bright light in the darkness of social media. Fans around the world are drawn to Her Grace's voice, her wit, her life-affirming love for all humanity, and the fun and friendship of the community that's sprung up around her. @DuchessGoldblat (81 year-old literary icon, author of An Axe to Grind) brought people together in her name: in bookstores, museums,

concerts, and coffee shops, and along the way, brought real friends home--foremost among them, Lyle Lovett. "The only way to be reliably sure that the hero gets the girl at the end of the story is to be both the hero and the girl yourself." -- Duchess Goldblatt

**Champagne** Ten Speed Press

How can you make cakes, cookies, and candy even MORE fun? Award-winning blogger Heather Baird, a vibrant new voice in the culinary world, has the

answer: Cook like an artist! Combining her awesome skills as a baker, confectioner, and painter, she has created a gorgeous, innovative cookbook, designed to unleash the creative side of every baker. Heather sees dessert making as one of the few truly creative outlets for the home cook. So, instead of arranging recipes by dessert type (cookies, tarts, cakes, etc.), she has organized them by line, color, and sculpture. As a result, SprinkleBakes is at once a breathtakingly

comprehensive dessert cookbook and an artist's instructional that explains brush strokes, sculpture molds, color theory, and much more. With easy-to-follow instructions and beautiful step-by-step photographs, Heather shows how anyone can make her jaw-dropping creations, from Mehndi Hand Ginger Cookies to Snow Glass Apples to her seasonal masterpiece, a Duraflame(R)-inspired Yule Log..

[The Champagne Guide 2020-2021](#) Sourcebooks, Inc.

In this detailed study of the wines of France, one of the world's leading authorities on wine discusses every appellation and explains its character and the best growers. He uses a star system to identify the finest estates. More than 40 specially commissioned maps show the main appellations and wine villages of France.

**The Routledge Handbook of Wine and Culture** John Wiley & Sons

This Guide is dedicated to all wine amateurs that go

to Champagne for touring and do not want to have bad surprises when buying wines (that is to say: very good wines at right prices). Therefore many famous Champagne producers are not mentioned in this paper. The wines registered in this Guide have been tasted by experts during several "Salon des Vins des Vignerons Indépendants" (Paris, Lion, Nice, Lille etc.); some wines have been anonymously evaluated in businesses themselves, whereas others have been

officially judged after selection in wineries. Evaluation is a result from team work, where a team tasted wines for about six months. The "Tasting Commission" is made up of winetasters, chefs and amateurs.

[The Essential Wine Book](#)  
Simon and Schuster  
Discover new favorites by tracing wine back to its roots Still drinking Cabernet after that one bottle you liked five years ago? It can be overwhelming if not intimidating to branch out from your go-to grape, but

everyone wants their next wine to be new and exciting. How to choose the right one? Award-winning wine critic Alice Feiring presents an all-new way to look at the world of wine. While grape variety is important, a lot can be learned about wine by looking at the source: the ground in which it grows. A surprising amount of information about a wine's flavor and composition can be gleaned from a region's soil, and this guide makes it simple to find the wines you'll love. Featuring a

foreword by Master Sommelier Pascaline Lepeltier, who contributed her vast knowledge throughout the book, *The Dirty Guide to Wine* organizes wines not by grape, not by region, not by New or Old World, but by soil. If you enjoy a Chardonnay from Burgundy, you might find the same winning qualities in a deep, red Rioja. Feiring also provides a clarifying account of the traditions and techniques of wine-tasting, demystifying the practice and introducing a

whole new way to enjoy wine to sommeliers and novice drinkers alike.

**Oldman's Guide to Outsmarting Wine**  
 Vintage  
 This comprehensive wine atlas leaves no centimeter of terroir unexplored. After a thorough introduction to France,

French winemaking and the concept of terroir, Jefford (Wine Tastes Wine Styles) gets to the heart of the matter with lengthy chapters on each of France's 14 regions. Each of these consists of an overview of the region and its history, profiles of the area's major winemakers, a description of the land and listings and descriptions of the local wineries. Some of the latter are lengthy, while others are brief, but all include an address and

phone number, making this book useful as a guidebook as well. Jefford is refreshingly opinionated: the Loire Valley is in the throes of a "long and refined stone age," while Zind-Humbrecht in Alsace is the domain "most emblematic of the New France as a whole." The effort here is encyclopedic, but the writing rises above the usual dry discussion, comparing the quest to understand Burgundy to

doing crossword puzzles. Even the most matter-of-fact information is presented with a certain flair: in a description of the Rhone Valley, Jefford explains that the area's mistral wind is both destructive and useful, in that it blows away "fugs and fungal diseases." Numerous maps and photographs-including portraits of the winemakers profiled-and a full list of vintages round out this entertaining addition to its field.
