*To Professor, with Love* Kensington Publishing Corp.

A teenage girl's mistake on a Boulder, Colorado road left a popular teen soccer player dead. Now the deceased is following the driver around and only her boyfriend and her therapist understand her and can keep her from heading further into a deep depression.

Noble Courage: Book One of the Aspen Series Crown

Being the enforcer of the Kings Of Carnage MC it's my job to watch over the women and protect them from dirt bags that strut into Centerfolds. Aspen worked the pole like every other stripper that night. She wasn't trying to get my attention, she just wanted what was in my wallet ... cash. The more she was unfazed by me, the more I wanted to be someone she wouldn't dare forget. I get off on a challenge. I had plans to make it rain dollars on her c-cups with an arrogant smirk on my face all while she worked. That was before I realized she brought her little girl to work that night. Now having my full attention, I find Aspen in depths of trouble only my brotherhood can help her and her daughter escape. I'll be her prick, and she'll be the pain in the ass I never wanted. I didn't need her to fix me, I just wanted her to sit with me in the dark and accept that neither of us was meant to be normal. But can she?

Free on Kindle Unlimited Best Selling Authors Ellen Anderson, Katie Wyatt Jason Hart has long wanted to be the one to take over operations of the Hart family's sawmill at the edge of Aspen Falls. Abner, his father and founder of the town, has always hoped that his eldest son, Benjamin, will take over it someday. However, Ben has other plans. And Jason is determined to convince his father that he has the skills and knowledge to make him proud. When Abner suffers a health issue, Jason and Ben step in to fill the void at the sawmill. However, Ben has a deadline with the John Deere company for an improved design for a piece of farm equipment. Jason knows this is his chance to prove his mettle. Does Jason

take on more than he can handle with a huge order from a new client? Will the Hart family pull together to help and support Jason with his challenge? Will Jason find love with seamstress Alice Mason? Jason's Challenge pulls the people of Aspen Falls together, still recovering from a diphtheria outbreak just weeks earlier. Despite the trials of the past year, the Hart family and the people of Aspen Falls must stand together once again--for Jason's sake. ASPEN FALLS SERIES Book 1 - New Beginnings Book 2 - Blind Faith Book 3 - Starry Night Book 4 - Bucking Tradition Book 5 - Smoldering Fury Book 6 - Dreams Come True Book 7 - Wild Mustangs Book 8 - The Outbreak Book 9 - Jason's Challenge Historical western romance short story series.

**The Selection Series 1-5** Independently Published

The Darktower name held the power to make one shiver with trepidation as it rolled off the tongue. Thorne Darktower, Earl of Cliffhaven, stood tall and ominous, resentful of his own existence and plotting against his own family's life-long enemy until he is touched by the heart of an angel and shown the promise of life as she lifts the wool of hatred from his eyes. Aspen Tiller found herself as an unsuspecting pawn in a strategic game of self-preservation. With her innocence and child-like ideals held close to her, she reaches deep within herself to accomplish the impossible, command the respect of those around her, welcome the love of all who knew her and face the wrath of the devil who covets her...And still, embedded in her character, is a courage so noble that it refuses to allow her to give in to defeat as she trudges through the obstacles in her path to emerge anew...But does it destroy the woman so many love?

Just Enough Luck Createspace Independent Publishing Platform

What began as a small mining camp during the Colorado Silver Boom of the late nineteenth century has since become the preferred getaway of the world's elite. Treasured for what's above ground rather than below, Aspen, Colorado has a storied history almost as dense as the directory of A-listers who have adopted the jewel of Pitkin County as their second home, or who have settled in its slopes indefinitely. With an introduction from longtime resident Aerin Lauder, Aspen celebrates and pays homage to the stark glamour, the working-class history, and the romance of the virtually untouched landscape that gives the town

the unique charisma that continues to draw new devotees with each season. Exploring the rustic-chic atmosphere of the Hotel Jerome, the architectural excellence of Herbert Bayer's restored Wheeler Opera House, and local culture found at Schlomo's Deli & Grill, to name a few, this deluxe volume is brought to life with stunning current and historical imagery capturing the prodigious evolution of this mountain town over the last century.

**Aspen Sweetwater Books**

Life in a small town can be tricky. Laid-back Glory Eiben learned long ago that keeping personal information and opinions to herself goes a long way toward staying hassle free in her chosen home town. Much adored by the residents, she's maintained the life she's always wanted with good friends, close family, and a successful career. For someone with a rare congenital heart defect, this life is more than she could have hoped for. Leaving behind big city excitement, a demanding position, and a failed relationship, Lena Coleridge thinks this small ski town may be exactly what she needs to come back from her wit's end. She didn't think that job politics or social landmines would exist in such a small town. Keeping to herself won't be an option with these nosy locals. It doesn't help that she lives next door to one of the more popular residents who seems too easy going and nice to be true. Friendship is inevitable, but as she gets to know Glory, friendship isn't the only thing on her mind. After her last relationship, Lena doesn't want anything to do with another complication, and dating her neighbor could definitely get complicated.

North Kings of Carnage MC Knopf

When Liz Eckardt leaves behind her hectic life as a Boston lawyer to become an innkeeper in charming Pleasant Creek, Indiana, she hopes to find solace and answers as she mourns the loss of her mother, Abigail. Along with her mother's diary and an antique heirloom quilt, Liz inherited a family secret: Abigail cut ties with her Amish family years ago, a family Liz never knew existed, and Liz yearns to unravel the mystery of her mother's past. Liz settles into her new life at the Olde Mansion Inn with the help of the town's quirky quilting group, the Material Girls, and several members of the Amish community. She bonds instantly with her new Amish friend, Miriam Borkholder, and enjoys the success of

her burgeoning bed and breakfast. That is until one of her guests, the unpopular Clarence Peabody, is found dead in the lake behind her inn and Miriam's son is the prime suspect.

**Betwixt** Penikila Press, LLC

It's the season for family The Cowboy's Holiday Blessing by Brenda Minton Reformed rebel Jackson Cooper thinks he can handle anything—until a sullen teenage girl appears at his ranch, claiming the impossible. Even though he's not Jade's father, he can't turn her away. But he's going to need the helping hand of compassionate schoolteacher Madeline Patton. An unlikely duo with their own secret fears, Jackson and Maddie might just discover the most wonderful Christmas gift of all: family. An Aspen Creek Christmas by Roxanne Rustand All Hannah Dorchester wants is to give her orphaned niece and nephew a happy Christmas. She's ready for anything—except their uncle Ethan Williams. Thirteen years ago as she was planning their wedding, he left for the military without a goodbye. But now Ethan's back and he wants his late brother's kids. He's got one month to prove he'll be the better parent...and show Hannah he's become a better man. USA TODAY Bestselling Author Roxanne Rustand

*The End of Loyalty* HarperCollins

"Neil Patrick Harris's Choose Your Own Autobiography is one of the best celeb memoirs I've ever read."—The Phoenix News Seeking an exciting read that puts the "u" back in "autobiography"? Look no further than Neil Patrick Harris: Choose Your Own Autobiography! In this entertaining and innovative memoir, Neil Patrick Harris shares intimate and hilarious stories about everything from his early days in LA, life on the How I Met Your Mother set, secrets from backstage at award shows, and family life with David, Harper, and Gideon. In a fresh spin on the typical celebrity narrative, he lets you, the reader, choose which path you want him to follow. All this plus magic tricks, cocktail recipes, embarrassing pictures from his time as a child actor, and even a closing song!

Aspen Harlequin

"Selvaratnam very bravely and compellingly uses her personal experience to shine a light on the global crisis of violence against women. An important book for the women's rights movement, Assume Nothing demonstrates that violence against women exists across race, class, economic status and education levels,

and may be perpetrated by those we think of as allies! It dispels the myth that there are certain types of victims and perpetrators. It will help a lot of people, and particularly those who hesitate to identify as a victim/survivor for fear of losing their grounding both publicly and privately."—Yasmeen Hassan, Global Executive Director, Equality Now "This courageous and terrifying book charts the author's descent into an abusive relationship and also her emergence from it in taut, seductive prose. Selvaratnam explains how—even as an educated, sophisticated, liberal feminist—she was enthralled by her lover's fame and tolerated escalating personal violence. Her narrative is vivid and bracingly frank, a tour-de-force of self-revelation and, ultimately, of redemption."—Andrew Solomon, National Book Award-winning author of *Far from the Tree* and *The Noonday Demon* Award-winning filmmaker Tanya Selvaratnam bravely recounts the intimate abuse she suffered from former New York State Attorney General Eric Schneiderman, using her story as a prism to examine the domestic violence crisis plaguing America. When Tanya Selvaratnam met then New York State Attorney General Eric Schneiderman at the Democratic National Convention in July 2016, they seemed like the perfect match. Both were Harvard alumni; both studied Chinese; both were interested in spirituality and meditation, both were well-connected rising stars in their professions—Selvaratnam in entertainment and the art world; Schneiderman in law and politics. Behind closed doors, however, Tanya's life was anything but ideal. Schneiderman became controlling, mean, and manipulative. He drank heavily and used sedatives. Sex turned violent, and he called Tanya—who was born in Sri Lanka and grew up in Southern California—his "brown slave." He isolated and manipulated her, even threatening to kill her if she tried to leave. Twenty-five percent of women in America are victims of domestic abuse. Tanya never thought she would be a part of this statistic. Growing up, she witnessed her father physically and emotionally abuse her mother. Tanya knew the patterns and signs of domestic violence, and did not see herself as remotely vulnerable. Yet what seemed impossible was suddenly a terrifying reality: she was trapped in a violent relationship with one of the most powerful men in New York. Sensitive and nuanced, written with the gripping power of a dark psychological thriller, *Assume Nothing* details how Tanya's relationship devolved into abuse, how she found the strength to

leave—risking her career, reputation, and life—and how she reclaimed her freedom and her voice. In sharing her story, Tanya analyzes the insidious way women from all walks of life learn to accept abuse, and redefines what it means to be a victim of intimate violence.

Aspen Crossroads Penguin

"Join Annie Dawson and the members of the Hook and Needle Club of Stony Point, Maine as they track down mysteries connected with the contents found in the attic of Annie's ancestral home, Grey Gables. There can be danger, adventure, and heart warming discoveries in the secrets Annie unearths--secrets about her own family as well as the townspeople of this charming seacoast town in central Maine"--Publisher's description.

**Life Rewired** Haymarket Books

The National Book Critics Circle Award-winning author delivers a collection of essays that serve as the perfect "antidote to mansplaining" (*The Stranger*). In her comic, scathing essay "Men Explain Things to Me," Rebecca Solnit took on what often goes wrong in conversations between men and women. She wrote about men who wrongly assume they know things and wrongly assume women don't, about why this arises, and how this aspect of the gender wars works, airing some of her own hilariously awful encounters. She ends on a serious note—because the ultimate problem is the silencing of women who have something to say, including those saying things like, "He's trying to kill me!" This book features that now-classic essay with six perfect complements, including an examination of the great feminist writer Virginia Woolf's embrace of mystery, of not knowing, of doubt and ambiguity, a highly original inquiry into marriage equality, and a terrifying survey of the scope of contemporary violence against women. "In this series of personal but unsentimental essays, Solnit gives succinct shorthand to a familiar female experience that before had gone unarticulated, perhaps even unrecognized." —The New York Times "Essential feminist reading." —The New Republic "This slim book hums with power and wit." —Boston Globe "Solnit tackles big themes of gender and power in these accessible essays. Honest and full of wit, this is an integral read that furthers the conversation on feminism and contemporary society." —San Francisco Chronicle "Essential." —Marketplace "Feminist, frequently funny, unflinchingly honest and often scathing in its conclusions."

—Salon

[The Secret to Letting Go](#) Linda Kage

Liza Long, the author of "I Am Adam Lanza's Mother"—as seen in the documentaries *American Tragedy* and HBO's *A Dangerous Son*—speaks out about mental illness. Like most of the nation, Liza Long spent December 14, 2012, mourning the victims of the Newtown shooting. As the mother of a child with a mental illness, however, she also wondered: "What if my son does that someday?" The emotional response she posted on her blog went viral, putting Long at the center of a passionate controversy. Now, she takes the next step. Powerful and shocking, *The Price of Silence* looks at how society stigmatizes mental illness—including in children—and the devastating societal cost. In the wake of repeated acts of mass violence, Long points the way forward.

**Aspen Style** Oxford University Press, USA

Now an original movie on Prime Video starring Anne Hathaway and Nicholas Galitzine! When Solène Marchand, the thirty-nine-year-old owner of a prestigious art gallery in Los Angeles, takes her daughter, Isabelle, to meet her favorite boy band, she does so reluctantly and at her ex-husband's request. The last thing she expects is to make a connection with one of the members of the world-famous August Moon. But Hayes Campbell is clever, winning, confident, and posh, and the attraction is immediate. That he is all of twenty years old further complicates things. What begins as a series of clandestine trysts quickly evolves into a passionate relationship. It is a journey that spans continents as Solène and Hayes navigate each other's disparate worlds: from stadium tours to international art fairs to secluded hideaways in Paris and Miami. And for Solène, it is as much a reclaiming of self, as it is a rediscovery of happiness and love. When their romance becomes a viral sensation, and both she and her daughter become the target of rabid fans and an insatiable media, Solène must face how her new status has impacted not only her life, but the lives of those closest to her.

[Plutocrats](#) The Time of Aspen Falls

YA. ROMANCE & RELATIONSHIPS STORIES (CHILDREN'S / TEENAGE). In Cass's first three books, we learned about the Selection and were introduced to America Singer, a spirited seventeen-year-old girl who is forced to compete for the chance to be her country's next princess. In *The Heir* and *The Crown*, fans

were introduced to a new era. Twenty years have passed since the events of *The One*, and America and Maxon's daughter is the first princess to hold a Selection of her own. Ages 13+

**Assume Nothing** Penguin

For Falyn Shaw, life after prison isn't much better than life in prison. People she knew before want nothing to do with her. Anyone she meets now treats her with disdain as soon as they learn where she's been. Her job is lousy and the pay is pitiful. Worst of all, police consider her a suspect in anything vaguely similar to her previous crime. A chance meeting with an old friend lets her leave all the unpleasantness behind. She moves to Aspen where no one knows her, takes up her former career as an electrician, and begins to reestablish her life as a decent citizen. Making friends is easy in this small town. One friend in particular, Molly Sokol, turns out to be a kindred spirit. Life is finally back on track. In fact, it may be better than ever as her relationship with Molly turns romantic. But when her past finally catches up with her, can she keep her new life without ruining her blossoming relationship and her friend's business? Or will that come at the expense of her freedom?

[The Witch Squad](#) Aspen Publishing

A Financial Times Best Book of the Year Shortlisted for the Lionel Gelber Prize There has always been some gap between rich and poor in this country, but recently what it means to be rich has changed dramatically. Forget the 1 percent—Plutocrats proves that it is the wealthiest 0.1 percent who are outpacing the rest of us at breakneck speed. Most of these new fortunes are not inherited, amassed instead by perceptive businesspeople who see themselves as deserving victors in a cutthroat international competition. With empathy and intelligence, *Plutocrats* reveals the consequences of concentrating the world's wealth into fewer and fewer hands. Propelled by fascinating original interviews with the plutocrats themselves, *Plutocrats* is a tour de force of social and economic history, the definitive examination of inequality in our time.

**Early Aspen: 1879-1930** U of Nebraska Press

The stimulating mix of academics and practising poets that have contributed to this volume provides an unusual and illuminating integration of critical and creative practice and a vibrantly diverse approach to questions of poetry and sexuality. Each section of

essays is complemented by poems which creatively illustrate or develop the theme with which the essays critically engage. Rather than being limited to a specific genre, tradition, time or place, this collection seeks to make a virtue of contrast, comparison and juxtaposition. The collection is arranged into sections that range broadly across the thematic ground of dichotomies, traditions and revisions, microscopic and macroscopic perspectives, women and embodiment, and the notion of play and performance. Positioning eighteenth-century tinkers ballads alongside medieval Hebrew lyrics and the Blues of *Gorgeous Puddin'*, or making Dionysus rub shoulders with Sharon Olds and Mrs Rochester provides new perspectives on familiar material and valuable insights into more obscure work and the nature of sensual poetry as a mode of expression. As the editors suggest, the essays and poems presented collectively argue that writings about sexuality are always already about the way poets see and represent our bodies, the world and poetic language itself.

**The Body and the Book** Post Hill Press

Until 1879, the Roaring Fork Valley was home to a band of Colorado Ute Indians. All of that changed in the summer and fall of that year, when two prospecting teams came to the valley to stake their claims, some of which went on to produce millions of dollars of silver. Within five years, Aspen was home to over 20,000 individuals including miners, lawyers, families, businessmen, and even prostitutes. Aspen's fortune was tied to silver. More importantly, its fate was ultimately tied to the Sherman Silver Purchase Act of 1890, which required the US government to buy 4.5 million ounces of silver per month. From 1890 to 1893, the Sherman Act kept Aspen alive and growing. With the repeal of the act, Aspen began a slow, painful decline. This book covers the years of Aspen's discovery, through the years of decline, and into what is known as the "Quiet Years."

**Something So Grand** Lulu.com

Talented author Aspen Hadley has created another masterpiece with this entertaining, uplifting, and downright funny tale about an independent young woman and her not-so-perfect nemesis. Once you start reading it, you won't be able to put it down. Be prepared to laugh, cry, and thoroughly enjoy this gem to the very last page!
