An Intermediate/Advanced Course in Reading and Vocabulary Cambridge English

Cambridge English Empower is a general adult course that combines course content from Cambridge University Press with validated assessment from the experts at Cambridge English Language Assessment. The Pre-intermediate Student's Book gives learners an immediate sense of purpose and clear learning objectives. It provides core grammar and vocabulary input alongside a mix of skills. Speaking lessons offer a unique combination of functional language, pronunciation and conversation skills, alongside video filmed in the real world. Each unit ends with a consolidation

of core language from the unit and focuses on writing within the context of a highly communicative mixed-skills lesson. This version of the Student's Book does not provide access to the video, assessment package and online workbook. A version with full access is available separately. *Cambridge English Empower for Spanish Speakers B1 : Student's Book* Cambridge University Press
 Practical Faster Reading provides the basis for a reading improvement course lasting a total of 30 class hours and has proved popular with students and teachers in a variety of settings. Thirty passages covering a wide range of topics of general interest and accompanying exercises give practice in the reading skills needed at upper-intermediate and more advanced levels. Substantial increases in reading speed are usually attained with improvements in comprehension and

vocabulary. The full answer key for self-checking also makes this useful for the student working alone.

 An Integrated Skills Course for EAP
 A three-level (B1+ to C1) integrated skills course for higher education students at university or on foundation courses. The B1+ Intermediate Student's Book introduces students to the characteristics of written and spoken academic texts.

Students are guided towards developing relevant strategies for setting study goals and approaching these texts. From asking for help, understanding essay questions to planning essay paragraphs and listening for gist and detail, students have a wealth of opportunities to practice all core academic skills. The course develops independent learning skills and critical thinking through 'Study Tips' sections and allows for personalisation of learning in the 'Focus on your subject' sections. Five lecture skills units provide authentic practice in listening to lectures and note-taking.

English Grammar Today with CD-ROM National Geographic Learning Read This! is a four-book reading series designed for adult and young adult ESL students at the high beginning to intermediate levels. The series helps students develop reading fluency by

having them read and interact with high interest, content-rich texts containing fascinating information written in an accessible narrative style. It is a stepping stone for students who are on track to read in English at higher levels for academic purposes. The readings and approach are also appropriate for students who are not on an academic track, but want to improve their reading ability in English and overall language proficiency. The readings tie in with academic subject areas and the accompanying pedagogic tasks aid reading comprehension skills, critical thinking skills, and the development of both content-specific and general academic vocabulary knowledge. Each Student's Book is supported by a Teacher's Manual with unit tests and a student Web site with fun WebQuests. A Course for Classroom or Self-Study Use Cambridge University Press Provides exercises and instruction for writings skills, including capitalization, formatting paragraphs, and complex sentences.

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 2. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.
