Chevelle SS Restoration Guide Motorbooks
Game Feel CarTech Inc
A guide to restoring and maintaining third-generation Corvettes offers comprehensive and photography-enhanced coverage of the full range of the C3's unique components, from engines and drivetrains to chassis and interiors. Original.

Differentials CarTech Inc
"Game Feel" exposes "feel" as a hidden language in game design that no one has fully articulated yet. The language could be compared to the building blocks of music (time signatures, chord progressions, verse) - no matter the instruments, style or time period - these building blocks come into play. Feel and sensation are similar building blocks when The Car Hacker's Handbook Chilton's Total Car Care Repair
Hundreds of photos, charts, and diagrams guide readers through the rebuilding process of their small-block Chevy engine.

Each step, from disassembly and inspection through final assembly and tuning, is presented in an easy-to-read, user-friendly format.

Chevrolet Corvette, 1968-1982 No Starch Press

Collector's Originality Guide: Pontiac GTO 1964-1974 provides a bumper-to-bumper look at every component that makes the GTO a classic, from the distinctive taillights of the 1964 GTO to the Radial Tuned Suspension of the 1974 model. Year by year, component by component, you'll discover a comprehensive and useful guide on factory specifications for

restoring, re-energizing, and simply admiring the pride of Pontiac.
Automotive Repair Industry: October 6, 8, 9, 14 and 16, 1969 Motorbooks
 Crammed full of all the things that made the original Chevrolet Inline Six-Cylinder Power Manual the bible for new and experienced six-cylinder engine builders, this updated version is a must-have for any serious inliner. From soup to nuts, when you want to build the Chevy six for more power and torque than the factory could ever imagine, there is only one book the experts turn to. And now the second edition is absolutely jam packed with the latest blueprints, interviews, airflow charts, build sheets, racer and "hot dog" profiles. Thought-provoking ideas will help you build the Chevy six your way!
CH G Motors Buick Oldsmobile Pontiac
1975-90 Chilton's Total Car Care Repair

Don't settle for less! Your Super Sport deserves the best. "Important features in this book include 350 photos and diagrams." Collector Car News.

Mercury/Mariner 75-250 HP Two-Stroke 1998-2009 California Bill's Automotive Handbooks
 "Covers all major systems & components"-Cover.
Chevelle SS Restoration Guide Haynes Manuals N. America, Incorporated
 "The book that goes inside a General Motors Corporation automotive assembly plant, all the way to the factory floor. Here is the story of the men and women of the Norwood Assembly Plant, all the way from the first car produced in 1923 to the 8 millionth and the last car off the line in 1987. From the 'B' body to the 'F' car in never before revealed photographs, production data, and personal recollections, all providing a rare glimpse into the inner workings of the automotive industry during the halcyon era of domestic automotive production."--Back cover.
Chilton's Auto Repair Manual, 1974
 Haynes Manuals N. America, Incorporated
 Account of how and why cars kill, and why the automobile manufacturers have failed to make cars safe.
Chilton's General Motors Full Size Trucks
 Chevelle SS Restoration Guide

Provides essential information for those who want to restore this Corvette model at home.
Unsafe at Any Speed New York : Grossman
 The high-water mark of the muscle car era is usually credited as 1970, and for good reason; Chevrolet was now stuffing high-powered 454 engines into Chevelles. Adding a larger displacement above the still-available 396 (402) offered buyers the option to order the most powerful production car of that era. The 1970-1972 Chevelles remain the most collectible of the model to this day. Author and historian Dale McIntosh pairs with restoration expert Rick Nelson to provide this bible of authenticity on the legendary 1970, 1971, and 1972 Chevelle models. Everything about restoring your Chevelle back to bone-stock is covered meticulously, including step-by-step instructions for chassis and interior restoration. Understanding date variances on parts applicable to the build date of your Chevelle is vital to a factory-correct restoration, and including them in this book provides a depth of coverage on these cars that is unequalled. Restoring a

1970-1972 Chevelle back to concours correct takes a certain amount of expertise. Thankfully, Rick and Dale have done a lot of the heavy lifting on the research side. With this authenticity guide, you can be confident that you have all the correct components and options accurately and expertly represented for your stock restoration. These fine details put the Chevelle Restoration and Authenticity Guide 1970-1972 a cut above the rest.

Motor Auto Repair Manual CarTech Inc
For the owner or professional mechanic. Complete information for performing all required service operations and overhauls. Covers all components. Engine sizes 327, 350, 427 and 454.
