Dragon Girl
and Monkey
King: the Art
of Katsuya
Terada
National
Geographic
Books
Following the
worldwide
success of
Momentary

(97847562487
56), we are
proud to
present this
second
illustration
artwork
collection
from Ilya
Kuvshinov.
This book
collects over
300 new
artworks the
artist posted
on social
media, which
were created
after
Momentary
was
published.
This collection
book also
includes some
of Ilya's
commercial
works adding
extra variety
to this 2nd
book. After
the success of
Momentary,
Ilya has

gained popularity and has done some exhibitions and commercial works. One of the most prestigious jobs Ilya was offered was as the character and visual designer for the anime *The Wonderland* (directed by Keiichi Hara; Crayon Shin-chan series) and *Ghost in the Shell: SAC_2045*. This talented illustrator, who was influenced by many Japanese artists, now has 1.6 million

followers worldwide on Instagram, and is established as an influencer of other illustrators around the world. Because the previous book was solely focused on collecting Ilya's artwork which was presented on Ilya's social media, the book was in a square format. But this time, we have produced this book in a larger format to include some of Ilya's commercial works adding extra value

and quality into this book. *The Adventures of Sweet Gwendoline* Pie Books Welcome to the dreamlike pastel-colored world created by Meyoco. Discover all with Polaris, her first commercial work collection. Meyoco is an illustrator based in Southeast Asia who has gained popularity mainly on social media. Natural elements such as flowers, waves, leaves, stars, and

bubbles are suddenly infused with a cute and lovely quality when Meyoco colors them in pastels. Meyoco's wonderfully dreamlike illustrations have won her an increasing number of fans of her social media accounts; as of April 2020, the number of her followers has exceeded 1.22 million on Instagram and 270K on Twitter. This book contains about 240 illustrations that have been carefully chosen from

those she has presented in her social media account. It also includes artworks that have been newly drawn for this book, along with some watercolor paintings from Meyoco's early published collections: doujinshi, "Foliage", "REVERIE" and "Bodies of Water". Meyoco also explains the concept of her artworks in her own words. These cute characters and motifs

drawn in lovely colors are sure to appeal to people all over the world.

Good Morning, Midnight
 PUSSYCAT!KILL!KILL!A collaboration of the three internationally -renowned artists in the field of erotic illustrations - Hajime Sorayama, Rockin' Jelly Bean and Katsuya Terada - showcasing high quality and tasteful art works at each turn of a page.☺☺☺
 The lovely ladies and

<p> lads of Street Fighter take a break from fist fights and tournaments to hit up the world's hottest beaches, pools, volleyball courts, and more! Everyone from Chun-Li to Poison to Guile shows off their favorite swimwear, plus guest appearances from the cast of Darkstalkers, Rival Schools, and Final Fight! This beautiful hardcover tome gathers four years of UDON's Street </p>	<p> Fighter Swimsuit and Pin-up specials in an over-sized art book format, including rare covers and never-before- seen rough concepts. <u>PUSSYCAT!KIL L!KILL!KILL!</u> Vertical Inc In this perfectly profane and wickedly funny Christmas revue, a flurry of children's letters to Santa are brought to life by four performers. You know these kids, or maybe you were one of them: the boy </p>	<p> who dances to his own unique carol, the girl aching to mother a dolly, the brutally naughty brats who insist they're really nice, and the needy, greedy and profoundly selfish boys and girls who misunderstan d the true meaning of Christmas. Subversive and darkly comic, "Naughty/Nice " is an original holiday- themed musical revue for grown-ups that seeks to reveal the other side of </p>

Christmas. *Housekeeping Mage from Another World: Making Your Adventures Feel Like Home! Volume 1* Rocky Nook, Inc. A Modern Master Robert E. McGinnis began his career in 1947 as a cartoonist, and produced his first cover illustrations for 1956 issues of the magazines *True Detective* and *Master Detective*. Then in 1958, he painted his first paperback

book cover, and from that day forward his work was in demand. The emergence of the “McGinnis Woman”—long-legged, intelligent, alluring, and enigmatic—established him as the go-to artist for detective novels. His work appeared on Mike Shayne titles and the Perry Mason series, and he produced 100 paintings for the Carter Brown adventures. Yet McGinnis became famous for his

work in other genres as well: espionage, romance, historicals, gothics, and Westerns. McGinnis’s first major magazine assignments were for *The Saturday Evening Post*, and his work has graced the pages of *Cosmopolitan*, *National Geographic*, *Good Housekeeping*, *Guideposts*, and others. McGinnis women frequently cropped up in the men’s magazines of the ’60s and

'70s. His first movie poster was for Breakfast at Tiffany's, with an iconic rendering of Audrey Hepburn. Almost instantly, his poster artwork could be seen everywhere—in theaters, on billboards, in newspapers, and even on soundtrack albums. His work for Hollywood became a who's-who, with posters for James Bond, The Odd Couple, Woody Allen, The Private Life of Sherlock

Holmes, and many more. Some of his most ambitious works have been his gallery paintings, often depicting stunning American landscapes, vast Western vistas, and of course, beautiful women. The Art of Robert E. McGinnis collection reveals the full scope and beauty of the work of a true American master—one whose legacy continues today.

Moebius

Library:
Inside Moebius Part 3 Udon Entertainment Agatha Christie once again demonstrates her mastery of the short form mystery with Parker Pyne Investigates—short stories of crime and detection featuring Parker Pyne, certainly one of the most unconventional private investigators ever to pursue a hot lead. Mrs. Packington felt alone, helpless and utterly forlorn. But her life

changed when she stumbled upon an advertisement in the Times that read: "Are you happy? If not, consult Mr. Parker Pyne." Equally adept at putting together the fragments of a murder mystery or the pieces of a broken marriage, Mr. Parker Pyne is possibly the world's most unconventional private investigator. Armed with just his intuitive knowledge of human nature, he is an Englishman

abroad, traveling the globe to solve and undo crime and misdemeanor. Eternal St. Martin's Press The Japanese believe that until the age of three, children, whether Japanese or not, are gods, each one an okosama, or "lord child." On their third birthday they fall from grace and join the rest of the human race. In Amelie Nothomb's new novel, The Character of Rain, we learn that divinity is a

difficult thing from which to recover, particularly if, like the child in this story, you have spent the first tow and a half years of life in a nearly vegetative state. "I remember everything that happened to me after the age of two and one-half," the narrator tells us. She means this literally. Once jolted out of her plant-like, tube-like trance (to the ecstatic relief of her concerned parents), the child bursts

into existence, absorbing everything that Japan, where her father works as a diplomat, has to offer. Life is an unfolding pageant of delight and danger, a ceaseless exploration of pleasure and the limits of power. Most wondrous of all is the discovery of water: oceans, seas, pools, puddles, streams, ponds, and, perhaps most of all, rain-one meaning of the Japanese character for her name.

Hers is an amphibious life. The Character of Rain evokes the hilarity, terror, and sanctity of childhood. As she did in the award-winning, international bestseller *Fear and Trembling*, Nothomb grounds the novel in the outlines of her experiences in Japan, but the self-portrait that emerges from these pages is hauntingly universal. *Amelie* Nothomb's novels are unforgettable

immersion experiences, leaving you both holding your breath with admiration, your lungs aching, and longing for more. explosive, entertaining, and often outrageous reading for millions of American men. Though long extinct and mostly unseen for generations, their pervasive influence continues to shape some of the most popular and enduring pop culture tropes and trends. Curated by MAM historian/collector Robert Deis and writer Wyatt Doyle, The Men's Adventure Library

reprints and provides context for classic MAM stories and artwork drawn from the mags' rich history of gonzo pulp, with releases available in full-color trade paperback and deluxe, expanded hardcover editions. Each volume is a vivid reminder that MAMs were extremely cool, unexpectedly influential, and still pack a bare-knuckle punch. Read 'em all...if you've got the guts!

The Gynoids
National Geographic Books
At thirty, Aislinn Kelly is an occasional novelist with a near-morbid attunement to the motives of those around her. Isolated, restless and stuck, she decamps to America - a default recourse - this time to an attic room in Indianapolis, to attempt once again the definitive act of self-salvage. There are sharp memories to contend with as the summer heats

up, and not least regarding her family history, now revealed as so botched and pitiful it seems it might yet cancel her out. She's spent years evading the attentions of her unstable, bullying father, only to find her mother now cowering in a second rancid marriage. There are also friendships lost or ailing: with bibulous playwright Karl, sly poet Erwin, depressed bookshop-wallah

Bronagh, and Aislinn's best friend Cathy, who has recently found God... Finally her thoughts turn to her last encounter with Jim Schmidt, a man she's loved for ten years, hasn't seen for five, yet still has to consider her opposite number in life. *Opposed Positions* is a startlingly frank novel about the human predicament, about love and its substitutes, disgraceful or otherwise. Some of these

people want to be free - of themselves, of each other - and some have darker imperatives. Wry, shocking, perfectly observed and utterly heart-breaking, the novel moves towards its troubling conclusion: a painful appreciation of what it is we've come from, and what we might be heading for.

Complete Masterworks

Duke University Press
We are proud to present this definitive art

book of *B the Beginning*, a Japanese animation series produced by Production I.G and directed by Kazuto Nakazawa. *Production I.G.* is most notable for creating Anime series like *Ghost in the Shell* and *Psycho-Path*. *B the Beginning* was Nakazawa's first full-length animation series and season one started on March 2018 on Netflix. This book collects rare, never-before-seen

production materials from *B the Beginning*, the first season, such as character model sheets, story boards, still images, rough background illustrations, and layout drawings, all of which will surely be a treasure trove for hardcore fans. The text is translated into English but the original Japanese handwriting (instructions) remain on the layout and story boards. □□□ Sex and Horror

Introduces new *Lodoss* characters including the heroine, Flaus, a savage warrior fire maiden, who leaves her evil master to live a life of her own amid the demons and vampires of *Lodoss*.

Sorayama Masterworks
Pie Books
The must-have guide for all artists who draw the human figure!

In *Morpho: Joint Forms and Muscular Functions*, artist and teacher Michel Lauricella presents a me-

chanical view of the human body. In the same way that paleontologists work, we can deduce the body's muscular functions by studying the shapes of the bones. Starting with the joints, which are reduced to simple shapes such as pulleys and spheres, Lauricella teaches you their connections and correspondences with the muscular system, which is necessary for understanding movement.

Geared to-

ward artists of all levels, from beginners through professionals, this handy, pocket-sized book will facilitate your practice of imaginative drawing and will enrich your drawing from observation. Whether your interest is in figure drawing, fine arts, fashion design, game design, or creating comic book or manga art, you will find this helpful book filled with actionable insights.

(Publisher's Note: This book features an "exposed"

binding style. This is intentional as it is designed to help the book lay flat as you draw.)

The Adventures of Maqroll W. W. Norton & Company
 A full-color steampunk artbook & manga collection hardcover-- includes all 22 Major Arcana as removable tarot cards! Don't miss this beautiful release from an award-winning Japanese artist who contributed to Final Fantasy art. In a world wedged somewhere between past and future, an airship drifts gently among pillow-soft

clouds. This is the Tomeship--purveyor of used books and fresh coffee across the skies. It can only be seen by those who bear the Gearform Scar on their hearts. Are you one such soul? Immerse yourself in a gorgeously illustrated magical realm and find out!
Terada Katsuya Sketch Books Nippan Experience the incredible pop culture art of Mondo, beloved by fans and iconic filmmakers

alike. Based in Austin, Texas, Mondo is an art gallery and online store devoted to the love of film, art, music, and collectibles. Over the years, the company has received global recognition for its incredible art posters that bring to life classic films, television shows, and comics in a refreshing and utterly striking new way, offering a unique perspective on everything from Star

Wars to Robocop, Back to the Future, Jurassic Park, Game of Thrones, Godzilla, Kill Bill, and many, many more. For the first time, The Art of Mondo brings together this highly sought-after art in one deluxe volume that showcases the incredible ingenuity of the studio's diverse stable of artists whose vastly different styles are united by one guiding principle: limitless passion for

their subject matter. Adored by the creative talents to whom Mondo's art pays tribute—including Paul Thomas Anderson, Guillermo del Toro, Zack Snyder, Quentin Tarantino, and Edgar Wright, to name but a few—this richly imaginative work is fueled by a love of pop culture that fans recognize and identify with, giving Mondo's output a rare and valuable

synergy with its audience. While these posters are normally produced in a limited quantity and sell out in minutes, The Art of Mondo allows fans to explore the studio's remarkable back catalog, including Olly Moss's iconic Star Wars trilogy work, Laurent Durieux's brilliantly subtle Jaws poster, and Tyler Stout's evocative Guardians of the Galaxy art. Other key Mondo artists such as Jock,

Martin Ansin, and Aaron Horkey will also feature. Definitive, visually stunning, and filled with art that celebrates some of the biggest and best-loved properties in pop culture, *The Art of Mondo* is the ultimate book for cult art fans everywhere.

Opposed Positions

Random House
Over 100 cyborgs, robots and erotic super pin-ups fill each of these popular

collection by world famous airbrush illustrator, Hajime Sorayama. □□□□□□ Dark Horse Comics 20 reprints of rare and sought after posters from AKIRA, STEAMBOY, DOMU and more! *Sex and Horror: the Art of Pino Dangelico* Graphic-Sha Publishing A GIANT 512-page collection of Katsuya Terada's RAKUGAKI sketches and illustrations. The one and only

legendary illustrator Katsuya Terada, a.k.a RAKUGAKING (The Sketch King) and well known as a pioneer who is always seeking new ideas and motifs for his drawings, has finally revealed his RAKUGAKI sketches and illustrations, long kept in his sketch book. Although most illustrations in this collection have appeared in Terada's previous international exhibitions (e.g., Giant

<p>Robot in Los Angeles), never before has any book collected so many of his RAKUGAKI.</p>	<p>This is the best and most comprehensive collection of Katsuya Terada's pencil sketches,</p>	<p>making it a must-have book for both his hardcore fans and also to illustrators in general.</p>
