The Weekly Tax News Sahitya Bhawan Publications

Edited by Victor Thuronyi, this book offers an introduction to a broad range of issues in comparative tax law and is based on comparative discussion of the tax laws of developed countries. It presents practical models and guidelines for drafting tax legislation that can be used by officials of developing and transition countries. Volume I covers general issues, some special topics, and major taxes other than income tax.

Income Tax Law and Accounts AY 2020-21 Sahitya Bhawan Publications
About the Income Tax Law & Accounts Assessment Year 2020-21 Book Largest Selling Book since 1964 and over the last 56 years of its existence, the book has established a reputation for itself as the most definitive work on the subject of income tax. Incorporating the provisions of the Finance Act, 2019; the Finance (No. 2) Act, 2019; the Taxation Laws (Amendment) Act, 2019, and the Finance Act, 2020 as applicable to Assessment Year 2020-21. Provisions of the Taxation and other Laws (Relaxation of Certain Provisions) Ordinance, 2020 dated 31.3.2020 have been incorporated in the book. In the chapter of Deduction of Tax at Source and Collection of Tax at Source new reduced rates by 25% w.e.f. 14.5.2020 have been included. A simplified, systematic approach to the understanding of a complex subject written in a unique, simple, and easy to understand language. Each topic, after a theoretical exposition, is followed by illustrations to facilitate the students to

master the practical application of Income Tax Law. User-friendly examination-oriented style facilitating easy comprehension of each topic. Solved Illustrations and Questions for exercise are largest in number in comparison to other books on income tax. Unsurpassed for over 56 years. The book is trusted and relied upon for accuracy and reliability. Mistakeless printing on paper of superior quality at a moderate price. Questions from latest Examination Papers of various universities have been included in the revised edition of the book. At the end of each chapter, Short Answer, Objective Type and Short Numerical Questions have been added with answers. A unique feature of the revised edition is that Section-wise Index has been incorporated.

Income Tax Law & Accounts Assessment Year 2020-21 Sahitya Bhawan Publications

Management and Cost Accounting
Sahitya Bhawan Publications
"Nepal has suffered from the lack of proper management of public expenditures, stagnant real revenues, large and inefficient parastatals, and a weak financial sector. Fiduciary risk remains high. His Majesty's Government of Nepal has accorded high priority to the assurance of good accountability and transparency in public sector financial management." "Reforms are now critical and should be approached in an integrated way covering planning, budgeting, accounting, internal control, internal audit, external audit, and oversight. Action in only one area of financial management will not result in the same degree of benefits. The capacity building recommended in this report's Development Action Plan is designed to introduce international accounting and auditing standards in both the public and the private sectors, and to close the gap between precept and practice. The Government has a firm commitment to implement these time-bound actions." --Résumé de l'éditeur.
Income Tax and Indirect Taxes A.Y 2020-21 Sahitya Bhawan Publications

Chapple's award winning Company Law textbook is written for business or commerce students studying an accounting major. This updated second edition presents company law in an applied context rather than the doctrinal context many major legal publishers use. It is concise and to the point, covering the core concepts in a typical company law unit without any extraneous topics. The Company Law interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes practitioner videos from Clayton Utz, animated work problems and questions with immediate feedback. Chapple's unique resource can also form the basis of a blended learning solution for lecturers.

Taxes World Bank Publications

The salient features of the present edition are: All the Problems and Solutions have been thoroughly revised in the light of up-to-date amendments in Income tax Law and Rules for Assessment Year 2020-21. Almost all numerical questions given at the end of the chapters of the authors' other publications on Income-tax (viz., Income-tax Law and Accounts, Aaykar Vidhan evam Lekhe, Law and Practice of Income-tax) have been solved in this book and the number printed within brackets at the end of the questions in other publications is the problem number of this book. The selection and sequence of the questions are well planned and systematic so as to cover all ticklish points within a reasonable number of questions. Wherever needed, detailed explanatory notes have been given at the end of solutions. Candidates preparing for C.A., Company Secretaries, Cost and Works Accountants, and Income-tax Departmental Examinations,

will, particularly, find the book very useful. It will also be useful for candidates preparing for B.Com. and M.Com. Examinations of various Indian Universities.

This Nutshell, which provides an
introduction to U.S. international
taxation useful to both U.S. and non-U.S.
students and practitioners interested in
the topic, has been extensively revised
and updated to address the fundamental
changes to the U.S. international tax
rules introduced by the 2017 tax act, as
well as global tax changes brought about
by the OECD's project on cross-border
tax avoidance. In addition to providing a
survey of the technical rules, the book
also offers insight into tax planning
considerations and how these have been
altered by recent U.S. and global
developments. Both the U.S. activities of

foreign taxpayers, as well as the foreign activities of U.S. taxpayers are explored. In today's world, it is crucial for those involved in business and investment activities to understand the tax consequences that impact cross-border flows. The authors' careers span both the academic and private sectors, and they have used their experiences to distill the complexities of real-world tax considerations into a clearly written, straight-forward presentation of the key international tax concepts.
