Brass Instruments London : K. Paul, Trench, Trubner ; New York :
E.P. Dutton

Filled with concise and detailed definitions, A Dictionary for the
Modern Trumpet Player includes biographies of prominent
performers, teachers, instrument makers, and composers of
trumpet solo and ensemble literature often omitted from other
musical references.

und neuer Zeit

Volume 2 of 2-volume set. This stimulating narrative traces
Bach's life; discusses contemporary artistic and philosophical
movements; assesses the work of his predecessors Schutz,
Scheidt, Buxtehude, etc., analyzes Bach's own work; and passes
on brilliant recommendations for performance — tempo,
phrasing, accentuation, dynamics, etc. Translated by Ernest
Newman.

 In *The Necessity of Music*, Celia Applegate explores the many ways that Germans thought about and made music from the eighteenth- to twentieth-centuries. Rather than focus on familiar stories of composers and their work Applegate illuminates the myriad ways in which music is integral to German social life. Musical life reflected the polycentric nature of German social and political life, even while it provided many opportunities to experience what was common among Germans. Musical activities also allowed Germans, whether professional musicians, dedicated amateurs, or simply listeners, to participate in European culture. Applegate's original and fascinating analysis of Mendelssohn, Schumann, Brahms, Wagner, and military music enables the reader to understand music through the experiences of listeners, performers, and institutions. *The Necessity of Music* demonstrates that playing, experiencing, and interpreting music was a powerful factor that shaped German collective life.
