As the daughter of an underground hip hop legend who died right before he hit big, Bri's got massive shoes to fill. But it's hard to get your come up when you're labeled a hoodlum at school, and your fridge at

home is empty after your mom loses her job. So Bri pours her anger and frustration into her first song, which goes viral . . . for all the wrong reasons. Bri soon finds herself at the center of a controversy, portrayed by the media as more menace than MC. But with an eviction notice staring her family down, Bri doesn't just want to make it—she has to. Even if it means becoming the very thing the

public has made her out to be. Insightful, unflinching, and full of heart, *On the Come Up* is an ode to hip hop from one of the most influential literary voices of a generation. It is the story of fighting for your dreams, even as the odds are stacked against you; and about how, especially for young black people, freedom of speech isn't always free. Don't miss *Concrete*

DREADFUL

UNEXPECTED
LOVE.
IMPOSSIBLE
TRUTH. It only
took one
heartbeat to
change my
life--one
chilling phone
call in the
middle of the
night. And
then, as if my
life didn't
already suck,
my dad sends
my brother
and me to
some idyllic
island for the
summer to

WTH.
Naturally, I

Yet, there is
something

Someone wants me dead, and the closer I get to the truth, the more I realize my whole life is a lie. I am no longer sure what is more frightening-- the attempts on my life or the guy whose heart and soul are synchronized with mine. WHITE RAVEN is the enthralling first installment in The Raven series. A YA paranormal romance full of atmosphere, self-discovery, and love that will keep you

captivated until the very last page. If you love the romance of Twilight, the emotion of Mortal Instruments, and the soul of the Iron Fey, you'll fall in love with White Raven. Addicted Simon and Schuster In this follow-up to the mega-sensation Addicted, the New York Times bestselling Queen of Erotica delivers a shocking and steamy story about a woman with a

split personality who must overcome her disorder before her chance at a happy ending is forever destroyed. Jonquinette Pierce has never felt comfortable around men—except when she's her alter ego, Jude, who takes over on the weekends to lead a life of wild and intense sexual escapades. Jonquinette knows she can't keep living like this and sets out to overcome her split

personality with the help of Dr. Marcella Spencer. But Jude isn't about to let Jonquinette off so easily. Just as Jonquinette begins falling for her hot neighbor, Mason, Jude decides she's had enough and goes on a sexual rampage to keep her alter ego from riding off into the sunset. Jude has no intentions of letting Jonquinette fall in love and find happiness at her expense—she's having way too much fun

using the body she shares with Jonquinette. Though this scenario could be a fun fantasy for women who have imagined their own alter ego behaving badly in a sexual way, this is a nightmare for Jonquinette. Nervous takes readers back into the world of Addicted and keeps them hooked until the very end. *Nervous* Kensington Will her love of sex outweigh her need for FOREVER with

Sex Chronicles
 Simon and Schuster
 A provocatively explicit account of an unhappily married couple whose passionless union causes them to seek alternative sexual satisfaction in scandalous ways. Regina Wheeler

married her high school sweetheart and has never experienced sexual intimacy with any other man. After many years of being dutifully married to Matt and suffering from short-lived and predictably boring sex, Regina begins to wonder what she's been missing. Constantly rejected and ignored by an inattentive wife, Matt, on the other hand, starts what he thinks will be a passing fling

with a streetwise, much younger woman. But fiery passion unexpectedly ignites, and Matt instantly becomes hopelessly addicted. It turns out that one taste is not enough for him. Secrets turn disastrous—a marriage might be at risk, but so are lives.

Hot Mess

Simon and Schuster Vampire bachelor Samson can't get it up anymore. Not even his shrink can help him. That

changes when the lovely mortal auditor Delilah tumbles into his arms after a seemingly random attack. Suddenly there's nothing wrong with his hydraulics - that is, as long as Delilah is the woman in his arms. His scruples about taking Delilah to bed vanish when his shrink suggests it's the only way to cure his problem. Thinking all he needs is one night with her, Samson indulges in a

night of pleasure and passion. However, another attack on Delilah and a dead body later, and Samson has his hands full: not only with trying to hide the fact he's a vampire, but also with finding out what secrets Delilah harbors for somebody to want her harm. the country” by the New York Times and now a major motion picture distributed by Lionsgate, this wildly popular novel by the Queen of Erotica follows one woman’s life as it spirals out of control when her three extramarital affairs lead her down a dark and twisted path. For successful African-American businesswoman Zoe Reynard, finding the pleasure she wants, the way she wants

it, is not worth the risk of losing everything she has: marriage to the man she has loved since childhood, a thriving company, and three wonderful children. But Zoe feels helpless in the grip of an overpowering addiction...to sex. Finding a compassionate woman therapist to help her, Zoe finally summons the courage to tell her torrid story, a tale of guilt and desire as

shocking as it is compelling. From the sensitive artist with whom she spends stolen hours on rumpled sheets to the rough and violent man who draws her toward destruction, Zoe is a woman desperately searching for fulfillment—and something darker, deeper, and perhaps deadly. As her life spins out of control and her sexual escapades carry her toward a dangerous choice, Zoe is

racing against time to uncover the source of her “fatal attraction”—a s chilling secrets tumble forth from the recesses of a woman's mind, and perilous temptations lead toward a climax that can threaten her sanity, her marriage...and her life.

an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. high school principal, suffered through one bad relationship after another. No wonder she adopted the “friends with benefits” mentality when it came to men. The prominent vascular surgeon, who has been only casually dating for years, is attracted to the embittered Jemistry nonetheless. With a little persistence, Tevin convinces Jemistry to go out with him. She has baggage, but so does he. What about
