In Perfect, Cecelia Ahern's thrilling sequel to Flawed, Celestine must make a choice: save just herself or risk her own life to save all Flawed people. Celestine North lives in a society that demands perfection. After she was branded Flawed by a morality court, Celestine's life has completely fractured--all her freedoms gone. Since Judge Crevan has declared her the number one threat to the public, she has been a ghost, on the run with Carrick--the only person she can trust. But Celestine has a secret--one that

could bring the entire Flawed system crumbling to the ground. A secret that has already caused countless people to go missing. Judge Crevan is gaining the upper hand, and time is running out for Celestine. With tensions building, can she prove that to be human in itself is to be Flawed?

Good is Wicked and Wicked is Good in the New York Times bestselling Dorothy Must Die series! This digital original novella is the seventh installment in the series' prequel arc, and reveals how some members of the Revolutionary Order of the Wicked came to be. Dorothy Gale's armies killed Lanadel's entire family, and she's determined to seek revenge. She sets off to find the

elusive, secretive group known as the Revolutionary Order of the Wicked. They're rumored to be training their own army to defeat Dorothy. But when she finds them, Lanadel soon learns that she's seriously underprepared both in fighting skills, as well as magical abilities, and she has to prove herself in order to join the Order and become one of them. Danielle Paige delivers a dark and compelling reimagining of L. Frank Baum's *The Wonderful Wizard of Oz*, perfect for fans of *Cinder* by Marissa Meyer, *Beastly* by Alex Flinn, and *Wicked* by Gregory Maguire, and follows some of literature's most beloved characters as their lives intertwine to bring about the downfall of Oz.

The Valentine's card was meant to be Orla's fairy tale ending, but really, it was only the beginning . . . Orla adores her actor boyfriend, Sim, who's away filming a sumptuous costume drama. Although the long-distance relationship means that she can eat toast for dinner and watch as much reality TV as she likes, she misses him like crazy. But Valentine's Day changes everything . . . The same morning Orla learns that Sim has died, she receives a card from him. As Orla travels from Ireland to London, to live and breathe Sim's final moments, can she bring herself to open the Valentine's card and read his final message?

The Mistakes I Never Forget Harper Collins

'I wondered if I was dying. I wasn't afraid to die but, such was the pain in my gut, I wished it would happen soon.' The night before the 2,000 Guineas at Newmarket sees the great and the good of the horse-racing community gathered for a prestigious black-tie Gala dinner. It is a fitting testament to the glamour of the occasion that top chef Max Moreton is cooking the evening's

meal. Max is something of a celebrity in Newmarket circles. He is founder of the racing town's favourite Michelin-starred restaurant, the Hay Net. However, spending the night retching in the throes of agony is the last thing Max expects. But much worse is to come...his food is suspected of putting twenty-four of the dinner guests in hospital. Max's pride and professionalism tells him all is not as it seems. Within hours, Max's restaurant is forcibly closed, his reputation teeters on the brink of ruin, and a court case looms. But the day is far from over, and soon Max Moreton finds himself desperately fighting for more than just his livelihood... *Dead Heat* is the latest searing, intrigue-filled blockbuster from the Grand Master of thriller writing.

The Mistakes I Never Forget is the story of the struggle of a young man, Gautam—who moves to Bangalore, the silicon city of India—in hunt of a lucrative job in a software company. He has completed his engineering degree, but struggles to speak English fluently. This makes his employers' think he is not qualified enough and refuse to give him a job. He shares space in a dingy one room apartment with three other young men, Lawrence, a nerd, Kamesh a hulk, and Madhan, who doubles up as their chef—all struggling for months to find software jobs and make ends meet. Even his roommates and friends ridicule him because of his language shortcoming. However, when a beautiful, talented young woman, Reshmi, falls in love with Gautam, his friends are amazed and question the why and how of this relationship. Reshmi's works in the software industry, but dreams of being a choreographer. Will she fulfill her dream? Will Gautam get a job in a software company despite his stuttering English?

The blue-eyed boy of Indian publishing, Abhimanyu Razdan is known for his bestselling romances, which move his readers to tears. PaperInk, an up-and-coming publishing house, is looking for an A-list author who will take them to the next level. So, when Abhimanyu's contract with his current publishers comes to an end, PaperInk decides to swoop in. But Abhimanyu isn't quite like the emotional and sensitive characters in the novels he writes. Callous, egoistic and drunk on success, he gets into a hot argument with Asmita, PaperInk's literary fiction editor, even before his first meeting with them. Already put off, despite her apology, he is even more incensed when he discovers that Asmita looks down on popular fiction, especially the kind he writes. He vows to teach her a lesson that could jeopardize her job. At each other's throats, Abhimanyu and Asmita are as different as can be, but fate has something else in store and they soon find that there is no running away from love.

Sixteen years after Cecelia Ahern's bestselling phenomenon PS, I Love You captured the hearts of millions, the long-awaited sequel

follows Holly as she helps strangers leave their own messages behind for loved ones. Seven years after her husband's death -- six since she read his final letter -- Holly Kennedy has moved on with her life. When Holly's sister asks her to tell the story of the "PS, I Love You" letters on her podcast -- to revisit the messages Gerry wrote before his death to read after his passing -- she does so reluctantly, not wanting to reopen old wounds. But after the episode airs, people start reaching out to Holly, and they all have one thing in common: they're terminally ill and want to leave their own missives behind for loved ones. Suddenly, Holly finds herself drawn back into a world she's worked tirelessly to leave behind -- but one that leads her on another incredible, life-affirming journey. With her trademark blend of romance, humor, and bittersweet life lessons, Postscript is the perfect follow-up to Ahern's beloved first novel. Includes a Reading Group Guide.

The basis for the motion picture starring Lily Collins and Sam Claflin! What happens when two people who are meant to be together can't seem to get it right? Rosie and Alex are destined for each other, and everyone seems to know it but them. Best friends since childhood, they are separated as teenagers when Alex and his family relocate from Dublin to Boston. Like two ships always passing in the night, Rosie and Alex stay friends, and though years pass, the two remain firmly attached via emails and

letters. Heartbroken, they learn to live without each other. But destiny is a funny thing, and in this novel of several missed opportunities, Rosie and Alex learn that fate isn't quite done with them yet.

The Gatecrasher Feiwel & Friends

It is the sunset of the Mughal Empire. The splendour of imperial Delhi flares one last time. The young daughter of a craftsman in the city elopes with an officer of the East India Company. And so we are drawn into the story of Wazir Khanam: a dazzlingly beautiful and fiercely independent woman who takes a series of lovers, including a Navab and a Mughal prince—and whom history remembers as the mother of the famous poet Dagh. But it is not just one life that this novel sets out to capture: it paints in rapturous detail an entire civilization. Beginning with the story of an enigmatic and gifted painter in a village near Kishangarh, *The Mirror of Beauty* embarks on an epic journey that sweeps through the death-giving deserts of Rajputana, the verdant valley of Kashmir and the glorious cosmopolis of Delhi, the craft of miniature painting and the art of carpet designing, scintillating musical performances and recurring paintings of mysterious, alluring women. Its scope breathtaking, its language beguiling, and its style sumptuous, this is a work of profound beauty, depth and power.

The ability to create intelligent machines has intrigued humans

since ancient times, and today with the advent of the computer and 50 years of research into AI programming techniques, the dream of smart machines is becoming a reality. The concept of human-computer interfaces has been undergoing changes over the years. In carrying out the most important tasks is the lack of formalized application methods, mathematical models and advanced computer support. The evolution of biological systems to adapt to their environment has fascinated and challenged scientists to increase their level of understanding of the functional characteristics of such systems. This book has 19 chapters and explain that the expert systems are products of the artificial intelligence, branch of computer science that seeks to develop intelligent programs for human, materials and automation.

Order of the Wicked Gemma

New York food writer Tressa returns from honeymoon worried that she has married her impossibly handsome new husband Dan out of late-thirties panic instead of love. In 1930's Ireland, her grandmother, Bernadine, is married off to the local schoolteacher after her family are unable to raise a dowry for her to marry her true love, Michael. During the first year of her marriage, Tressa distracts herself from her stay-or-go dilemma by working on her grandmother's recipes, searching for solace and answers through their preparation.
