[Finding Latinx](#) Penguin

From the #1 New York Times bestselling author of the Princess Diaries series, comes the very first adult installment, which follows Princess Mia and her Prince Charming as they plan their fairy tale wedding—but a few poisoned apples could turn this happily-ever-after into a royal nightmare. For Princess Mia, the past five years since college graduation have been a whirlwind of activity, what with living in New York City, running her new teen community center, being madly in love, and attending royal engagements. And speaking of engagements. Mia's gorgeous longtime boyfriend Michael managed to clear both their schedules just long enough for an exotic (and very private) Caribbean island interlude where he popped the question! Of course Mia didn't need to consult her diary to know that her answer was a royal oui. But now Mia has a scandal of majestic proportions to contend with: Her grandmother's leaked "fake" wedding plans to the press that could cause even normally calm Michael to become a runaway groom. Worse, a scheming politico is trying to force Mia's father from the throne, all because of a royal secret that could leave Genovia without a monarch. Can Mia prove to everyone—especially herself—that she's not only ready to wed, but ready to rule as well?

Once again Olivia delights and entertains us in this charming board book all about counting. Count along with Olivia in her own special style as she takes us from one ball, to seven accessories, through to ten Olivia's. Learning to count has never been so much fun!

[OLIVIA the Princess](#) Simon and Schuster

Jealousy prompts Princess Diamonde to try to ruin the event when Olivia is chosen as Prince Ferdinand's partner to demonstrate how to cross a puddle by stepping on a prince's cape.

Olivia Goes to Venice Simon and Schuster

In her latest adventure, Olivia, everyone's favourite little pig, is off the Venice, the place of fine art, carnival and gondolas for a family holiday to remember. With her very own discerning eye for style, Olivia takes the beautiful city of Venice by storm. From dodging pigeons in the Piazza San Marco, to eating an abundance of the most delicious Italian gelato at Carneval, and barely staying afloat in a gondola, Olivia uncovers the wonderful delights of Venice with that very special 'Olivia' style and flair!

[Walk with Me](#) Simon and Schuster

From the bestselling author of *Dragons Love Tacos* comes a whimsical re-telling of the chupacabra folktale, written in a blend of English and Spanish. A long time ago, a girl named Carla lived on a goat farm with her father, Hector. One night, a goat disappeared from the farm and turned up flat as a pancake. Only one creature could do that—El Chupacabras, the goatsucker! Legend has it that El Chupacabras is a fearsome beast, but you can't believe everything you hear...and sometimes the truth is even more interesting. Told in equal parts English and Spanish by bestselling author Adam Rubin, and cinematically illustrated by acclaimed Hollywood creature creator Crash McCreery, this lighthearted take on a modern legend is not told in the traditional bilingual style. Each sentence is

half-Spanish/half-English followed by a repetition of the same line translated the other way around.

This mirroring technique allows the languages to intermingle equally. A fun and unique way to introduce either Spanish or English to new readers. A note from author Adam Rubin: "I decided to tell this story in an unusual way to explore the beauty of harmony. It's easy to dismiss the unfamiliar, but compassion takes a little more effort. With so many people trumpeting divisiveness right now, it's more important than ever to teach kids that there is more than one way to understand the world."

Olivia Counts Simon and Schuster

Return to the world of Meg Cabot's bestselling and beloved Princess Diaries series in *From the Notebooks of a Middle School Princess*—this time through the illustrated diary of a spunky new heroine: Princess Mia's long lost half-sister, Olivia! Olivia Grace Clarisse Mignonette Harrison is a completely average twelve-year-old: average height, average weight, average brown hair of average length, average brown skin and average hazel eyes. The only things about her that aren't average are her name (too long and princess themed), her ability to draw animals (useful for her future career as a wildlife illustrator), and the fact that she is a half-orphan who has never met her father and is forced to live with her aunt and uncle (who treat her almost like their own kids, so she doesn't want to complain). Then one completely average day, everything goes wrong: the most popular girl in school, Annabelle Jenkins, threatens to beat her up, the principal gives her a demerit, and she's knocked down at the bus stop . . . Until a limo containing Princess Mia Thermopolis of Genovia pulls up to invite her to New York to finally meet her father, who promptly invites her to come live with him, Mia, Grandmère and her two fabulous poodles . . . Maybe Olivia Grace Clarisse Mignonette Harrison isn't so average after all!

[American Royals](#) Simon and Schuster

After her uncharacteristic behavior made headline news, buttoned-up Olivia Balfour has been sent far away from home. The English rose will work for Clint McAlpine—a cattle baron who's as fierce and untamed as his Outback station. But she's shocked when Clint informs her that she's entirely at his beck and call. The cattle king is determined to get beyond Olivia's prim exterior...and, under the heat of the Australian sun, he'll enjoy slowly unbuttoning her at each and every step of the way!

[Cows in the Kitchen](#) Child's Play International

When a new girl joins Mrs. Hoggenmuller's class, Olivia is very upset--they're both named Olivia! Olivia is convinced that she lives in a "one Olivia town" so she decides to change her name to Pam. But Olivia doesn't feel Pam-ish--she feels Olivia-ish! Come along as Olivia discovers a lesson about sharing and friendship in this hilarious storybook.

A fun, action-packed fantasy adventure about a girl, her dog, and magic gone wrong! Quiet . . . birds . . . nature. . . That's what Aster expects when her parents move their whole family to the middle of nowhere. It's just her (status: super-bored), her mom and dad (status: busy with science), her brother (status: has other plans), and magic? In her new home, Aster meets a mysterious old woman with a herd of dogs who gives her a canine companion of her own. But when she and her dog Buzz are adventuring in the forest, they run into a trickster spirit who gives Aster three wishes. After wishing for the ability to understand and talk to her dog, she becomes only able to talk in dog language . . . and the trouble she gets into is just starting. Maybe the middle of nowhere will be more interesting than Aster thought. "Crisp, vibrant artwork." -The AV Club

Olivia Helps With Christmas Multnomah

Once upon a time, I was a princess in a tower. One night, and my entire life went up in flames. All because of him. Jafar. As my world burned down around me, he offered me a choice. Walk away with nothing but my freedom... Or rise to his challenge and win my fortune back. I bargained. I lost. Now

Jafar owns me, body and soul. Even as my mind rails against his rules, my body loves the punishments he deals out when I break them. But a gilded cage is still a prison, I'll do anything to obtain my freedom. Even betray the man I'm falling for. In DESPERATE MEASURES, you'll find: -> Enemies to lovers -> Captive Heroine -> Kinky Roleplay -> Daddy/baby girl -> Alpha hero *Corduroy Goes to the Beach* Harlequin
