Cette fiche de lecture sur L'herbe bleue de Béatrice Sparks propose une analyse complète de l'oeuvre : • un résumé de L'herbe bleue • une analyse des personnages • une présentation des axes d'analyse de L'herbe bleue de Béatrice Sparks À propos de FichesDeLecture.com : FichesdeLecture.com propose plus 2500 analyses complètes de livres sur toute la littérature classique et contemporaine : des résumés, des analyses de livres, des questionnaires et des commentaires composés, etc. Nos analyses sont plébiscitées par les lycéens et les enseignants. Toutes nos analyses sont téléchargeables directement en ligne. FichesdeLecture est partenaire du Ministère de l'Education.

The Drunken Boat Liverpool University Press

"L'herbe bleue" est le journal intime d'une jeune droguée de quinze ans. Cet ouvrage ne prétend pas décrire le monde de la drogue chez les jeunes. Il n'apporte aucune solution à ce problème. C'est une chronique personnelle, spécifique, qui, en tant que telle, permettra peut-être de comprendre un peu l'univers de plus en plus compliqué dans lequel nous vivons. Les noms, les dates, les lieux et certains événements ont été changés, selon le désir de toutes les personnes mêlées à ce récit.

L'Herbe bleue est le journal intime d'une jeune droguée de quinze ans.

*The Return to Reality* Librairie Droz

A teen plunges into a downward spiral of addiction in this classic cautionary tale. January 24th After you've had it, there isn't even life without drugs... It started when she was served a soft drink laced with LSD in a dangerous party game. Within months, she was hooked, trapped in a downward spiral that took her from her comfortable home and loving family to the mean streets of an unforgiving city. It was a journey that would rob her of her innocence, her youth—and ultimately her life. Read her diary. Enter her world. You will never forget her. For thirty-five years,

the acclaimed, bestselling first-person account of a teenage girl's harrowing descent into the nightmarish world of drugs has left an indelible mark on generations of teen readers. As powerful—and as timely—today as ever, *Go Ask Alice* remains the definitive book on the horrors of addiction.

*Selected Poems and Letters* Lulu.com

A phenomenally precocious schoolboy, Rimbaud was still a teenager when he became notorious as Europe's most shocking and exhilarating poet. During his brief 5-year reign as the enfant terrible of French literature he produced an extraordinary body of poems that range from the exquisite to the obscene, while simultaneously living a life of dissolute excess with his lover and fellow poet, Verlaine. At the age of 21, he abandoned poetry and travelled across Europe before settling in Africa as an arms trader. This edition sets the two sides of Rimbaud side by side with a sparkling translation of his most exhilarating poetry and a generous selection of the letters from the harsh and colourful period of his life as a colonial trader.

**The Fairy Tales in Verse and Prose/Les contes en vers et en prose** University of Chicago Press

DivThis comprehensive text for students of French language or literature includes 3 tales in verse as well as much-loved prose favorites such as "Sleeping Beauty" and "Cinderella." Excellent English translations appear on facing pages. /div

**L'herbe bleue** Penguin UK

Drugs are considered to be healers and harmers, wonder substances and knowledge makers; objects that impact on social hierarchies, health practices and public policies. As a collective endeavour, this book focuses on the ways that gender, along with race/ethnicity and class, influence the design, standardisation and circulation of drugs throughout several highly medicalised countries throughout the twentieth century and until the twenty-first. Fourteen authors from different European and non-European countries analyse the extent to which the dominant ideas and

values surrounding masculinity and femininity have contributed to shape the research, prescription and use of drugs by women and men within particular social and cultural contexts. New and lesser-known, gender-specific issues in lifestyles and social practices associated with pharmaceutical technologies are analysed, as is the manner in which they intervene in life experiences such as reproduction, sexual desire, childbirth, depression and happiness. The processes of prescribing, selling, marketing and accepting or forbidding drugs is also examined, as is the contribution of gendered medical practices to the medicalisation and growing consumption of drugs by women. Gender relations and other hierarchies are involved as both causes and consequences of drug cultures, and of the history and social life of gender in contemporary drug production, use and consumption. A network of agents emerges from this book's research, contributing to a better understanding of both gender and drugs within our society.

Entre-Textes introduces advanced students of French to the richness of the Francophone world through literature from the Middle Ages to the 21st century. The course anthology is divided into fourteen modules, each of which pairs a classical text with a modern one. Students are guided to read works from different periods of time and cultural origin and consider how these echo, complement or question each other. Through comparing and contrasting the texts, students will develop a new approach to reading literature while simultaneously reinforcing linguistic and cultural competencies. Suitable for advanced students of French and featuring texts from across the French-speaking world, Entre-Textes is an innovative course anthology with a flexible structure and versatile methodology.

*Contes populaires de la Gascogne* Penguin

As I floated downstream on indifferent Rivers, I sensed that my tuggers had all disappeared: Yelling Redskins had shot one by one from their quivers, and nailed them to colorful stakes, I feared.

**The Flight of the Angels** Simon and Schuster

An important voice from the complex, polyglot society of

Martinique, Patrick Chamoiseau is chiefly known for his boldly imaginative 1992 novel *Texaco*, which won the Prix Goncourt. In the first study of his work in English, Maeve McCusker skillfully examines Chamoiseau in light of his postcolonial background—Martinique, founded on slavery, is now officially a region of France—and focuses on his representation of memory. Her exploration of Chamoiseau's depiction of the workings of memory solidifies her position as the world authority on the author and serves as an invaluable introduction to his work.

**La Nuit n'est pas un Poème** Edizioni Archivio Dedalus  
 'The poet makes himself a seer by a long, prodigious, and rational disordering of all the senses. . .' Rimbaud was sixteen when he made this famous declaration. By 1886, then thirty-two and an explorer, trader and slave-trader on the Red Sea, he had absolutely no interest in the fate or success of the poetry infused with mysticism, alchemy and magic that he had written in his teens. That same year, in Paris, *Les Illuminations* was being published as the work of 'the late' Arthur Rimbaud, first in a Symbolist periodical and then in book form, with an Introduction by his former lover, Verlaine. Seldom has a writer's vision of changing the world through words failed so spectacularly as did Rimbaud's. That failure turned him into an incomparable tragic poet: not only 'a wild undisciplined genius, a mystic philosopher and thinker, an inspired poet' but also, according to Enid Starkie, 'one of the most finished artists . . . a supreme master of prosody and style'. This Penguin Classic reproduces the text of the Pléiade edition, 1954, with selected letters and prose translations that have been highly acclaimed.

### **L'herbe bleue** Routledge

It is a close study of four novels by Boris Vian. It aims to show how *L'Écume des jours*, *L'Automne à Pékin*, *L'Herbe rouge* and *L'Arrache-cœur* form a unified and coherent tetralogy. By establishing close links between these four texts, it becomes possible to achieve a more comprehensive understanding, not only of the significance of the tetralogy in exposing a complex and multi-layered novelistic strategy at the heart of the vianesque, but of the individual novels as autonomous creations. An examination of the novels reveals that they are not merely joined to one another via a superficial network of textual similarities (that which I refer to as intratextuality), but that this intertwining is emblematic of a common method of narrative construction. Each Vian novel is dependent, for a thorough understanding of the text to be possible, upon the multiple lines of external influence running through it. The sources of this influence (which I refer to as intertextuality) are located in various major texts of twentieth century literature, anglophone as well as francophone. Thus, in each instance the narrative is driven by a complicated interaction of intratextuality and intertextuality. [Contes des fées. Tales of Passed Times by Mother Goose. With morals. Written in French ... and Englished by R. S., Gent. i.e. Robert Samber; or rather, by G. Miège. To which is added a new one, viz. The Discreet Princess. By M. J. L'Héritier de Villandon. The translation by R. Samber. Seventh edition, corrected and adorned with fine cuts. \(Contes du tems passé de ma Mère l'Oye.\) Fr. & Eng](#) FichesDeLecture.com

The enfant terrible of French letters, Jean-Nicholas-Arthur Rimbaud (1854-91) was a defiant and precocious youth who wrote some of the most remarkable prose and poetry of the nineteenth century, all before leaving the world of verse by the

age of twenty-one. More than a century after his death, the young rebel-poet continues to appeal to modern readers as much for his turbulent life as for his poetry; his stormy affair with fellow poet Paul Verlaine and his nomadic adventures in eastern Africa are as iconic as his hallucinatory poems and symbolist prose. The first translation of the poet's complete works when it was published in 1966, *Rimbaud: Complete Works, Selected Letters* introduced a new generation of Americans to the alienated genius—among them the Doors's lead singer Jim Morrison, who wrote to translator Wallace Fowlie to thank him for rendering the poems accessible to those who "don't read French that easily." Forty years later, the book remains the only side-by-side bilingual edition of Rimbaud's complete poetic works. Thoroughly revising Fowlie's edition, Seth Whidden has made changes on virtually every page, correcting errors, reordering poems, adding previously omitted versions of poems and some letters, and updating the text to reflect current scholarship; left in place are Fowlie's literal and respectful translations of Rimbaud's complex and nontraditional verse. Whidden also provides a foreword that considers the heritage of Fowlie's edition and adds a bibliography that acknowledges relevant books that have appeared since the original publication. On its fortieth anniversary, Rimbaud remains the most authoritative—and now, completely up-to-date—edition of the young master's entire poetic oeuvre.
