Isabelle in the  
Afternoon University of  
Texas Press  
A brilliant,  
kaleidoscopic narrative  
of Oklahoma City—a  
great American story of  
civics, basketball, and  
destiny, from award-

winning journalist Sam  
Anderson NAMED ONE  
OF THE BEST BOOKS  
OF THE YEAR BY The  
New York Times Book  
Review • NPR •  
Chicago Tribune • San  
Francisco Chronicle •  
The Economist •  
Deadspin Oklahoma  
City was born from  
chaos. It was founded  
in a bizarre but  
momentous “Land  
Run” in 1889, when

thousands of people lined up along the borders of Oklahoma Territory and rushed in at noon to stake their claims. Since then, it has been a city torn between the wild energy that drives its outsized ambitions, and the forces of order that seek sustainable progress. Nowhere was this dynamic better realized than in the drama of the Oklahoma City Thunder basketball team's 2012-13 season, when the Thunder's brilliant general manager, Sam Presti, ignited a firestorm by trading future superstar James Harden just days before the first game. Presti's all-in gamble on "the Process"—the patient, methodical management style that dictated the trade as the team's best hope

for long-term greatness—kicked off a pivotal year in the city's history, one that would include pitched battles over urban planning, a series of cataclysmic tornadoes, and the frenzied hope that an NBA championship might finally deliver the glory of which the city had always dreamed. Boom Town announces the arrival of an exciting literary voice. Sam Anderson, former book critic for New York magazine and now a staff writer at the New York Times magazine, unfolds an idiosyncratic mix of American history, sports reporting, urban studies, gonzo memoir, and much more to tell the strange but compelling story of an American city whose unique mix of

geography and history make it a fascinating microcosm of the democratic experiment. Filled with characters ranging from NBA superstars Kevin Durant and Russell Westbrook; to Flaming Lips oddball frontman Wayne Coyne; to legendary Great Plains meteorologist Gary England; to Stanley Draper, Oklahoma City's would-be Robert Moses; to civil rights activist Clara Luper; to the citizens and public servants who survived the notorious 1995 bombing of the Alfred P. Murrah federal building, *Boom Town* offers a remarkable look at the urban tapestry woven from control and chaos, sports and civics. [Boom Town](#) Macmillan The Pulitzer

Prize-winning author shares an “exceptionally nuanced, tender, funny, tragic, and utterly transfixing portrait” of one man’s troubled century (Booklist, starred review). At 115 years old, former newspaperman Sam Cunningham is also the last surviving veteran of World War I. As he prepares to die in a Chicago nursing home, the results of the 2016 presidential election come in—and he finds himself in a wide-ranging conversation with a surprising God. As the two review Sam’s life, the grand epic of the twentieth century comes sharply into focus. Sam grows up in Louisiana under the flawed morality of an abusive father. Eager to escape, Sam

enlists in the army while still underage. Though the hardness his father instilled in him helps him make it out of World War I alive, it also prevents him from contending with the emotional wounds of war. Back in the United States, Sam moves to Chicago to begin a career as a newspaperman that will bring him close to the major historical turns of the twentieth century. There he meets his wife and has a son, whose fate counters Sam's at almost every turn. As he contemplates his relationships—with his parents, his brothers in arms, his wife, his editor, and most importantly, his son—Sam is amazed at what he still has left to learn about himself after all these years.

*Aberration in the Heartland of the Real Crown Pub*  
Founded in 1851 as a four-cabin outpost named "New York Pretty-Soon," Seattle has long struggled with an identity crisis. From a nearly lawless port, to a sedate, conventional company town defined by Boeing Aircraft, to an accessible paradise for artists and recovering urbanites, Seattle repeatedly tried and failed to become bigger, wealthier, more like "major league" cities. In the late 1980s, Seattle's time suddenly arrived. Microsoft, Amazon, Starbucks, McCaw Cellular/AT&T Wireless, and dozens of local dot.com startups began to drive a booming national economy. Seattle

became a city of instant millionaires and brand name shopping, skyscrapers and sports franchises-- the place everyone wanted to visit, topping lists of America's "most desirable" cities. But with such wealth came consequences: overdevelopment, paralyzing traffic, racial and class divisions, and a street population of teenagers discarded by the new culture, whose rage and disaffection fueled the rise of bands such as Nirvana. Striving to reach its ambitions, Seattle seemed to be losing the struggle for its soul. And when it hosted the 1999 World Trade Organization convention, the city's conflicted personalities clashed, as violent riots by residents and a coalition of protestors

left the downtown decimated and the nation transfixed by the spectacle of globalization gone wrong. In *Seattle and the Demons of Ambition*, Fred Moody uses his own background as a native son, along with wide-ranging encounters with others, to trace the growing pains of the city he loves. Profiling Bill Gates and never-quite-champion football coach Chuck Knox, a pair of ambitious entrepreneurs and a homeless sculptor once profiled in the *New Yorker*, grunge music superstars and the preyed-upon children of the documentary "Streetwise," Moody offers a dramatic, entertaining, and insightful portrait of the city that defined

economic and technological change in the America of the 1990s.

Late City ESPN

We face two important questions. The first pertains to who gets rich and what it is that they do. We need to understand that. The second is a matter of who stays poor and why they remain so. We need to understand that as well, in order to avoid it. We are going to discuss these questions, and the answers will change the way you think, live and structure your business.

Entrepreneurship is a high-stakes game. Get it right, and you become a self-made millionaire. Get it wrong, and you could lose everything.

Douglas Kruger, author of eight business and

personal finance books, returns with a follow-up to the bestselling *Poverty Proof*. This time round, the focus is squarely on what makes or breaks a new business, and how you, as an entrepreneur, can get ahead of the curve. Could your idea change your financial reality? There's every reason to believe that it could. Most millionaires and billionaires alive today are first-generation business owners. But too many entrepreneurs make simple mistakes when they start out that get in the way of accruing wealth. This book is your road map to avoiding the pitfalls, finding the 'smart-cuts', and ensuring that all your efforts amount to an empire rather than financial

ruin.

**Red Milk MCD**

"Sportswriter Sullivan takes readers on a propulsive ride in his tour-de-force debut. . . . Sullivan's detailed account will intrigue anyone who cares about sports and the role it plays in social justice today." — Publishers Weekly (starred review) "More than a basketball book, this helps explain race relations, celebrity power, and personal choice in a changed world." — Kirkus Reviews "A must-read for its in-depth look at the mental, economic, and political tribulations of NBA players." — Library Journal (starred review) "Only a brilliantly audacious book could begin to make sense of the weirdly brilliant audacity of the new

Brooklyn Nets. One writer on Earth could have written this book this way — with the profundity of a sage baller and acuity of a seasoned journalist — and that writer is Matt Sullivan." — Kiese Laymon, New York Times best-selling author of Heavy "With Can't Knock The Hustle, Matt Sullivan correctly positions the basketball games we love as both a prism through which to understand our culture, and a battlefield on which to fight for the better angels of that culture. On the surface, it's a story about the unending march of 2020. But once you finish it, you understand that it's also an essential document about the decades that led us to this moment, and

about the future decades yet unspooled." — Wright Thompson, ESPN senior writer and New York Times bestselling author of Pappyland and The Cost of These Dreams "In the dueling eras of unprecedented athlete empowerment and the coarse ugliness of 'shut up and dribble,' Matt Sullivan's Can't Knock the Hustle offers a can't-look-away sampling of not merely the NBA's most fascinating franchise, but a frozen period in time that will leave historians both horrified and riveted." — Jeff Pearlman, New York Times bestselling author of Three-Ring Circus and Showtime "Matt Sullivan is one helluva social anthropologist, and as a result, his Can't

Knock the Hustle amounts to way more than a journey with the Brooklyn Nets, or an examination of the modern-day athlete. This is an astute, ambitious book about the glory and torment of talent itself. Basketball? That's just the starting point, and what a trip Sullivan's remarkable odyssey turns out to be." — James Andrew Miller, New York Times bestselling author of Those Guys Have All the Fun, Live From New York, and Powerhouse "Can't Knock the Hustle is a terrific book because it gives us something in woefully short supply: real journalism. Matt Sullivan has discovered the ground zero of a player revolution—and it's in Brooklyn. Is anybody ready for it?"

— Howard Bryant, ESPN senior writer and author of *Full Dissidence: Notes from an Uneven Playing Field* “The superstar-studded Brooklyn Nets are basketball’s most captivating team, and *Can’t Knock the Hustle* delivers a fascinating secret history of their journey to the pantheon of player activism and empowerment. With brilliant reporting and breakneck prose, this is our generation’s *Moneyball*.” — Don Van Natta Jr., Pulitzer Prize-winning ESPN investigative reporter and New York Times bestselling author of *First Off the Tee* and *Wonder Girl* “No narrative has captured the dynamics of the ‘player empowerment’ movement quite like *Can’t Knock the Hustle*.

Sullivan has written about as revealing a basketball book as there’s been in a long time: an insider’s account with an outsider’s moxie.” — Dave Zirin, *The Nation* sports editor and author of *The Kaepernick Effect*  
**Seattle and the Demons of Ambition**  
 Createspace  
 Independent Publishing Platform  
 The incredible story of the first African American military pilot, who became a spy in the French Resistance and an American civil rights pioneer. Winner of the Gold Medal for Memoir/Biography from the Military Writers Society of America A New York Times Book Review Editors’ Choice Eugene Bullard lived one of the most fascinating lives of the

twentieth century. The son of a former slave and an indigenous Creek woman, Bullard fled home at the age of eleven to escape the racial hostility of his Georgia community. When his journey led him to Europe, he garnered worldwide fame as a boxer, and later as the first African American fighter pilot in history. After the war, Bullard returned to Paris a celebrated hero. But little did he know that the dramatic, globe-spanning arc of his life had just begun. *All Blood Runs Red* is the inspiring untold story of an American hero, a thought-provoking chronicle of the twentieth century and a portrait of a man who came from nothing and by his own courage, determination,

gumption, intelligence and luck forged a legendary life. “A whale of a tale, told clearly and quickly. I read the entire book in almost one sitting.”

—Thomas E. Ricks, The New York Times Book Review “*All Blood Runs Red* should be required reading for anyone who has ever dreamed big. A truly inspiring and uplifting story of courage and triumph, and an opus for an unsung hero.” —Nelson DeMille “Dazzling . . .

This may be a biography, but it reads like a novel.”

—Publishers Weekly (starred review)

**Our Blood is Green**

Little, Brown Books for Young Readers

A collection of essays—historical and personal—about the present and future of American cities Edited

by Keith Gessen and Stephen Squibb, *City by City* is a collection of essays—historical, personal, and somewhere in between—about the present and future of American cities. It sweeps from Gold Rush, Alaska, to Miami, Florida, encompassing cities large and small, growing and failing. These essays look closely at the forces—gentrification, underemployment, politics, culture, and crime—that shape urban life. They also tell the stories of citizens whose fortunes have risen or fallen with those of the cities they call home. A cross between Hunter S. Thompson, Studs Terkel, and the Great Depression-era WPA guides to each state in the Union, *City by City*

carries this project of American storytelling up to the days of our own Great Recession. [All Blood Runs Red](#)  
Turner Publishing Company

'A touching exploration of passion untested by domesticity' Mail on Sunday  
Before Isabelle I knew nothing of sex. Before Isabelle I knew nothing of freedom. Before Isabelle I knew nothing of life. Paris in the early Seventies. Sam, an American student, meets a woman in a bookshop. Isabelle is enigmatic, beautiful, older and, unlike Sam, experienced in love's many contradictions. Sam is instantly smitten - but wary of the wedding ring on her finger. What begins as a regular arrangement in Isabelle's tiny Parisian

apartment transforms into a true affair of the heart, and one which lasts for decades to come. Isabelle in the *Afternoon* is a novel that questions what we seek, what we find, what we settle for - and shows how love, when not lived day in, day out, can become the passion of a lifetime. Praise for Douglas Kennedy 'The absolute master of love stories with heart-stopping twists' THE TIMES 'Kennedy is skilled at zigzag plotting, blending domestic twists with turns created by global affairs' OBSERVER  
*Historic Photos of Oklahoma City* Simon and Schuster  
This book is about child molestation and educates readers to the danger signs children and parents

must look for when a persistent interest turns to a "major addiction" in sports, as told from the prospective of the author who himself was molested at the age of 10 by the clubhouse manager of the Boston Red Sox Donald "Fitz" Fitzpatrick  
Can't Knock the Hustle  
Crown  
In 1921 Tulsa's Greenwood District, known then as the nation's "Black Wall Street," was one of the most prosperous African American communities in the United States. But on May 31 of that year, a white mob, inflamed by rumors that a young Black man had attempted to rape a white teenage girl, invaded Greenwood. By the end of the

following day, thousands of homes and businesses lay in ashes, and perhaps as many as three hundred people were dead. Tulsa, 1921 shines new light into the shadows that have long been cast over this extraordinary instance of racial violence. With the clarity and descriptive power of a veteran journalist, author Randy Krehbiel digs deep into the events and their aftermath and investigates decades-old questions about the local culture at the root of what one writer has called a white-led pogrom. Krehbiel analyzes local newspaper accounts in an unprecedented effort to gain insight into the minds of contemporary Tulsans. In the process he

considers how the Tulsa World, the Tulsa Tribune, and other publications contributed to the circumstances that led to the disaster and helped solidify enduring white justifications for it. Some historians have dismissed local newspapers as too biased to be of value for an honest account, but by contextualizing their reports, Krehbiel renders Tulsa's papers an invaluable resource, highlighting the influence of news media on our actions in the present and our memories of the past. The Tulsa Massacre was a result of racial animosity and mistrust within a culture of political and economic corruption. In its wake, Black Tulsans were denied redress and

even the right to rebuild on their own property, yet they ultimately prevailed and even prospered despite systemic racism and the rise during the 1920s of the second Ku Klux Klan. As Krehbiel considers the context and consequences of the violence and devastation, he asks, Has the city—indeed, the nation—exorcised the prejudices that led to this tragedy?

### **Major League**

**Addiction** Simon and Schuster

The first book in Chris Colfer's #1 New York Times bestselling series *The Land of Stories* about two siblings who fall into a fairy-tale world! Alex and Conner Bailey's world is about to change forever, in this fast-paced adventure

that uniquely combines our modern day world with the enchanting realm of classic fairy tales. *The Land of Stories* tells the tale of twins Alex and Conner. Through the mysterious powers of a cherished book of stories, they leave their world behind and find themselves in a foreign land full of wonder and magic where they come face-to-face with fairy tale characters they grew up reading about. But after a series of encounters with witches, wolves, goblins, and trolls alike, getting back home is going to be harder than they thought.

University of Oklahoma

Press  
 NEW YORK TIMES  
 BESTSELLER • The NBA  
 according to The  
 Sports Guy—now  
 updated with fresh  
 takes on LeBron, the  
 Celtics, and more!  
 Foreword by Malcom  
 Gladwell • “The work  
 of a true fan . . . it  
 might just represent  
 the next phase of  
 sports  
 commentary.”—The  
 Atlantic Bill Simmons,  
 the wildly opinionated  
 and thoroughly  
 entertaining basketball  
 addict known to  
 millions as ESPN’s The  
 Sports Guy, has written  
 the definitive book on  
 the past, present, and  
 future of the NBA.  
 From the age-old  
 question of who  
 actually won the rivalry  
 between Bill Russell  
 and Wilt Chamberlain  
 to the one about which  
 team was truly the

best of all time,  
 Simmons opens—and  
 then closes, once and  
 for all—every major pro  
 basketball debate.  
 Then he takes it further  
 by completely  
 reevaluating not only  
 how NBA Hall of Fame  
 inductees should be  
 chosen but how the  
 institution must be  
 reshaped from the  
 ground up, the result  
 being the Pyramid:  
 Simmons’s one-of-a-  
 kind five-level shrine to  
 the ninety-six greatest  
 players in the history  
 of pro basketball. And  
 ultimately he takes  
 fans to the heart of it  
 all, as he uses a  
 conversation with one  
 NBA great to uncover  
 that coveted thing: The  
 Secret of Basketball.  
 Comprehensive,  
 authoritative,  
 controversial, hilarious,  
 and impossible to put  
 down (even for Celtic-

haters), *The Book of Basketball* offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler.

NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness "I live for the dream that my children will be born free," she says. "That they will be what they

like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more

than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for Red Rising "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes The

Hunger Games, Lord of the Flies, and Ender's Game. . . Grayson, and Nick and  
Norah's Infinite Playlist,  
has pushed himself to  
new creative heights.  
He has written a  
captivating story that  
will fascinate readers

as they begin to comprehend the complexities of life and love in A's world, as A and Rhiannon seek to discover if you can truly love someone who is destined to change every day. "A story that is always alluring, oftentimes humorous and much like love itself—splendorous." —Los Angeles Times

*Poverty Proof for Entrepreneurs* Crown WINNER • 2021 PULITZER PRIZE IN HISTORY Winner • 2022 James Beard Foundation Book Award [Writing] The "stunning" (David W. Blight) untold history of how fast food became one of the greatest generators of black wealth in America. Just as *The Color of Law* provided a vital understanding of

redlining and racial segregation, Marcia Chatelain's *Franchise* investigates the complex interrelationship between black communities and America's largest, most popular fast food chain. Taking us from the first McDonald's drive-in in San Bernardino to the franchise on Florissant Avenue in Ferguson, Missouri, in the summer of 2014, Chatelain shows how fast food is a source of both power—economic and political—and despair for African Americans. As she contends, fast food is, more than ever before, a key battlefield in the fight for racial justice.

Red Rising  
HarperCollins

After the vast destruction wrought by Hurricane Katrina, New

Orleans faces a rare chance to rebuild, with an unprecedented opportunity to plan what gets built. As the city's director of planning from 1992 until 2000, Kristina Ford is uniquely placed to use these opportunities as a springboard for an eye-opening discussion of the intransigent problems and promising possibilities facing city planners across the nation and beyond. In *The Trouble with City Planning*, Ford argues that almost no part of our usual understanding of the phrase "city planning" is accurate: not our conception of the plan itself, nor our sense of what city planners do or who plans are made for or how planners determine what

citizens want. Most important, our conventional understanding does not tell us how a plan affects what gets built in any city in America. Ford advances several planning innovations that, if adopted, could be crucial for restoring New Orleans, but also transformative wherever citizens are troubled by the results of their city's plan. This keenly intelligent book is destined to become a classic for planners and citizens alike. -- Publisher description.  
**Tulsa, 1921** Atlantic Monthly Press  
In a city mired in endless decay, where the youth suffer through all the horrors of urban blight, hope comes in a most unassuming form: a tiny brick schoolhouse run by two Felician

nuns where a singular basketball genius takes teenagers from the mean streets of Jersey City and turns them into champions on the hardcourt. Coach Bob Hurley had been working miracles at St. Anthony High School for over thirty years, winning state and national championships and offering his players rescue from their surroundings through college scholarships, when he met his most dysfunctional team yet. In *The Miracle of St. Anthony* Adrian Wojnarowski follows Hurley through a gripping and heartrending season as he struggles to lead a troubled team to glory through his unparalleled understanding of the game and his ceaseless

determination to see no more children lost to these streets. In *The Miracle of St. Anthony*, acclaimed sports journalist Adrian Wojnarowski follows Hurley through a gripping and heartrending season, as he struggles to lead a troubled team to glory through his unparalleled understanding of the game and his ceaseless determination to see no more children lost to the city streets.

NATIONAL BESTSELLER

- From the two-time Pulitzer Prize-winning author of *The Underground Railroad* and *The Nickel Boys*: A pandemic has devastated the planet, sorting humanity into two types: the

uninfected and the infected, the living and the living dead. • "One of the best books of the year." —Esquire After the worst of the plague is over, armed forces stationed in Chinatown's Fort Wonton have successfully reclaimed the island south of Canal Street—aka Zone One. Mark Spitz is a member of one of the three-person civilian sweeper units tasked with clearing lower Manhattan of the remaining feral zombies. Zone One unfolds over three surreal days in which Spitz is occupied with the mundane mission of straggler removal, the rigors of Post-Apocalyptic Stress Disorder (PASD), and the impossible task of coming to terms with a fallen world. And then

things start to go terribly wrong... At once a chilling horror story and a literary novel by a contemporary master, Zone One is a dazzling portrait of modern civilization in all its wretched, shambling glory. Look for Colson Whitehead's new novel, Crook Manifesto, coming soon!

**The Great Oklahoma Swindle** Penguin UK From four-term Oklahoma City Mayor Mick Cornett, a hopeful and illuminating look at the dynamic and inventive urban centers that will lead the United States in coming years. Oklahoma City. Indianapolis. Charleston. Des Moines. What do these cities have in common? They are cities of modest size but

outsized accomplishment, powered by a can-do spirit, valuing compromise over confrontation and progress over political victory. These are the cities leading America . . . and they're not waiting for Washington's help. As mayor of one of America's most improved cities, Cornett used a bold, creative, and personal approach to orchestrate his city's renaissance. Once regarded as a

forgettable city in "flyover country," Oklahoma City has become one of our nation's most dynamic places-and it is not alone. In this book, Cornett translates his city's success-and the success of cities like his-into a vision for the future of our country. *The Next American City* is a story of civic engagement, inventive public policy, and smart urban design. It is a study of the changes re-shaping American urban life-and a blueprint for those to come.
