Bibliografia nazionale italiana Springer  
A timeless story rediscovered by each new generation, *The Diary of a Young Girl* stands without peer. This graphic edition remains faithful to the original, while the stunning illustrations interpret and add layers of visual meaning and immediacy to this classic work of Holocaust literature. "[A] stunning, haunting work of art..."—The New York Times Book Review For both young readers and adults *The Diary* continues to capture the remarkable spirit of Anne Frank, who for a time survived the worst horror the modern world has seen—and who remained triumphantly and heartbreakingly human throughout her ordeal. Includes extensive quotations directly from the definitive edition; adapted by Ari Folman, illustrated by David Polonsky, and authorized by the Anne Frank Foundation in Basel.

The Third Eye Ombre Corte

"For five months, the fanatical soldier-terrorists of the Islamic State laid siege to the Kurdish-held city of Koban, in northern Syria, before finally being turned back by the men and women of the Kurdish militias: the Peoples Protection Units (the YPG) and the Women's Protection Units (the YPJ). When an Italian cartoonist travels across Turkey, Kurdish-held Iraq, and rebel-held Syria to document their struggle against ISIS, what he finds is anything but simple." - back cover.

**Bagheria** Cornell University Press

An eclectic figure - a scientist, novelist, anthropologist, politician and man of his time - Paolo Mantegazza (1831-1910) played a leading role in Italian society

and the cultural scene of the late nineteenth century, even if historic events then partially eclipsed his memory. The retrieval and valorisation of the legacy of Mantegazza were the focus of the meetings that were held in the main sites connected with his life (Monza, Florence, Lercici) at which academics in different disciplines exchanged notes on various aspects, some even little known, of his multifaceted activity. This book brings together a selection of the most significant works presented on these occasions. They represent pieces in a complex puzzle which brings fully to light the great variety of interests and curiosities of the man, and the profound methodological rigour that guided his entire scientific production and is today the most evident sign of his contemporary relevance.

Waltz with Bashir Longo Angelo  
Library has Vol. 1-5.

Using original sources--such as newspaper articles, silent movies, letters, autobiographies, and interviews--Ilaria Serra depicts a large tapestry of images that accompanied mass Italian migration to the U.S. at the turn of the twentieth century. She chooses to translate the Italian concept of *immaginario* with the Latin *imago* that felicitously blends the double English translation of the word as "imagery" and "imaginary." *Imago* is a complex knot of collective representations of the immigrant subject, a mental production that finds concrete expression; impalpable, yet real. The "imagined immigrant" walks alongside the real one in flesh and rags.

1775-The conflict between the British Empire and the American colonies erupts in all-out war. Rebels and loyalists to the British Crown compete for an alliance with the Six Nations of the Iroquois, the most powerful Indian confederation, boasting a constitution hundreds of years old. In the Mohawk River Valley, Native Americans and colonists have co-existed for generations. But as the thunder of war approaches and the United States struggles violently into existence, old bonds are broken, friends and families are split by betrayal, and this mixed community is riven by hatred and resentment. To save his threatened world, the Mohawk war chief Joseph Brant sets off in a restless journey that will take him from New York to the salons of Georgian London at the heart of the British Empire.

*L'Espresso* Seven Stories Press

'They were all the same, communists, Nazis, parents, church, book reviews, features section, editorial, revolutionary struggle, Baader-Meinhof, capital, television, Club Voltaire, pacifism, guerrilla, Mao, Trotsky, Red Student Action, the underground scene and Germania Security. They were all part of the same idea, they knew how things ought to be, they had a monopoly on consciousness, love, human happiness.' In *Raw Material* Jrg Fauser casts an eye over the times he lived in and his own life: a junkie in Istanbul, the move to a commune in Berlin and a squat in Frankfurt, work on an underground magazine and unceasing efforts to get a novel published. The autobiographical testament of Fauser's alter ego Harry Gelb is an unsparing, razor-sharp but often lovingly ironic portrait of the 1960s and 70's. It is a portrait of the artist to rank with the best, and a portrait of the ferment of Europe at that time.

Profile Books

1st August 1937. A parade of red flags marches through Paris. It is the funeral procession for Gerda Taro, the first female photographer to be killed on a battlefield. Robert Capa, who leads the procession, is devastated. They have been happy together: he taught her how to use the Leica before they left together to fight in the Spanish Civil War. Other figures from Gerda's past are in the crowd: Ruth Cerf, her friend from Leipzig, who shared the hardships of their first years in Paris after fleeing from Germany; Willy Chardack, who resigned himself to the role of loyal companion after Gerda snubbed him for Georg Kuritzkes, a fighter in the International Brigades. For all of them, Gerda will remain a stronger and more vivid presence than her image of anti-fascist heroine. It is her who binds together a narrative spanning distant times and places, bringing back to life the snapshots of these young people and the challenges they faced in the 1930s, from economic depression to the rise of nazism, to the hostility towards refugees in France. But for those who loved her, those young years would remain a time when, as long as Gerda was alive, everything seemed possible.

Anne Frank's Diary: The Graphic Adaptation Macmillan

Pasolini ha fatto della sua vita l'esempio per chi resta, ricordando come dalla straordinaria esperienza dell'incontro con l'Altro possa nascere un nuovo sentimento per il mondo. Si è servito delle varie arti caricandole di un forte messaggio pedagogico volto alla coscientizzazione ed emancipazione del sentimento di cittadinanza autenticamente democratica e inclusiva. La paideia pasoliniana ci orienta verso la possibilità di educare e ri-educare

rispettando l'unicità e il paesaggio emotivo di ognuno, vivendo il valore dell'alterità come costola propria della natura umana.

Può un sogno cambiarci la vita? POTERE narra la storia recente di Laura, eroina dei sentimenti del nostro tempo, alla ricerca della libertà dagli schemi sociali. Per compiere la propria ricerca, venti anni prima, Laura e il suo mentore inventano il gioco che elimina il pudore e scatena visioni e sentimenti che immergono chi vi partecipa in uno stato di eccitazione generativa. Un romanzo complesso e visionario. Una rivoluzione dell'anima che sbatte in faccia, a moralisti e benpensanti, la sensualità e la scoperta continua come strumenti di miglioramento progressivo e di libertà. Raggiungi Laura, ed incontra personaggi straordinari, come il meraviglioso Riccardo, il Professore, il nuovo amico Marco, l'ingenuo e pigro M, la sensuale O, l'amico di una vita G, il selvatico Vicente, i ragazzi del centro massaggi... in una spirale di accadimenti, avvincenti e sensuali, che ti faranno scoprire l'eterno conflitto tra ciò ... che sei e ciò ... che desideri. Una lettura avvincente ed erotica che ti porterà verso un finale inatteso e sorprendente.

#### **Giornale della libreria, della tipografia, e delle arti e industrie affini** Armando Editore

Possiamo ancora ricercare una valenza estetica dell'architettura? Soprattutto quando la componente di una comunicazione stereotipata dell'architettura sembra prevalere e in un certo senso annichilire ogni autenticità di espressione figurativa? In una scena mondana sempre più priva di

luogo andiamo paradossalmente a rilevare una continua invocazione al bello, senza alcuna consapevolezza ulteriore, salvo quella, a sua volta contraddittoria, di riconoscerne solo il limite relativistico, soggettivo. Il Festival vuole allora misurarsi con questo esteso, rilevante quanto superficiale, bisogno di bellezza, cercando però di reinterpretarne il senso e quindi di conseguenza il ruolo per una possibile architettura. Ne deriva una prima riflessione: l'espressione della bellezza può concretizzarsi esclusivamente all'interno di una costruzione di identità. Ne deriva una riconoscibilità del carattere che trasmette verità, non tanto quella ideale, di una bellezza assoluta, ma quella e spreSSIONE di un rapporto critico-interpretativo con il mondo in divenire. Si tratta di un'accezione conoscitiva dell'idea di bellezza che tende a diventare cosmopolita proprio nella ricerca del paesaggio vasto delle differenze più o meno radicate, dove la rarità rappresenta la consuetudine dell'autenticità. Testi di: Matteo Agnoletto, Lamberto Amistadi, Valter Balducci, Paolo Barbaro, Luca Boccacci, Francesco Bortolini, Laura Brignoli, Riccarda Cantarelli, Domenico Chizzoniti, Dario Costi, Aldo De Poli, Giovanni Luca Ferreri, Maria Angela Gelati, Gianluca Gelmini, Vittorio Gregotti, Giovanni Iacometti, Giovanni Leoni, Elisabetta Modena, Matteo Molinari, Luca Monica, Valentina Orioli, Sergio Pace, Claudio Pavesi, Laura Anna Pezzetti, Matteo Porrino, Enrico Prandi, Carlo Quintelli, Enrica Restori, Alessandra Ronzoni, Alberto Sdegno, Olivierotoscanistudio, Annalisa Trentin, Chiara Visentin, Francesca Zanella.

*Il potere è nella mente* Harvard University Press

Politica, cultura, economia.

The Swallows of Monte Cassino Peter Owen Publishers

È questo il mentalismo di Francesco Tesei: non è magia, ma un ponte tra arte e psicologia, con richiami alla Programmazione Neuro Linguistica e una profonda conoscenza di tecniche di comunicazione. È conoscere se stessi, capire gli altri, intuirne i pensieri, condizionarli, superare gli ostacoli e i conflitti, assumendosi il diritto e la responsabilità di dare un significato a tutto quello che accade, diventando osservatori attivi, artefici e protagonisti del proprio destino. Nello spettacolo che porta nei teatri di tutta Italia, Tesei esplora le potenzialità della mente in maniera artistica e finalmente in queste pagine svela i suoi segreti: come si è avvicinato prima all'illusionismo e poi al mentalismo, i retroscena dello show e l'incredibile bagaglio di conoscenza che si nasconde dietro i trucchi che mette in scena sul palcoscenico. Oltre a idee e strategie applicabili nella vita quotidiana, propone ampie riflessioni sui misteri del pensiero e dell'inconscio, mediante continui richiami alle menti più brillanti di ogni epoca e a esempi tratti dalle sue esperienze personali. Con un linguaggio semplice e suggestivo Francesco Tesei rende accessibili e utili nella pratica le abilità della mente umana in un libro che è contemporaneamente sintesi, analisi, provocazione e ispirazione.

**Kobane Calling** Opus Libri

'A very powerful and moving book'  
Margaret Drabble 'What an extraordinary voice! I was captivated from the first page and I know Marta's unique voice will stay with me for a long time. Bravissima!' Tomasz Jedrowski, author of *Swimming in the Dark* Newly-bereaved, bookish and lonely in Turin, a young woman sets out to chronicle her father's secret lives - and her struggle to accept

his loss. She is startled to discover that the gentle, mercurial doctor was sentenced to jail in 1986 for membership of an armed band. Her father, L.B., lived through the Years of Lead, a time of unrest when extreme factions of left and right took hostages, set bombs and murdered their countrymen. Unable to move on before she can understand her family's past, she goes in search of him - and ultimately of herself too - the only way she knows how, by reading everything she can ... Through her search for the truth, a very different picture starts to emerge.

*Writing and Performing Female Identity in Italian Culture* Fridericiana Editrice Univ.

Dopo tanti, tantissimi errori commessi, è ancora possibile essere perdonati?

L'autrice racconta un percorso di redenzione attraverso l'amore di Gesù Cristo, un percorso tortuoso, complesso e irto di difficoltà, la prima delle quali è proprio il perdonare sé stessi per poter entrare in comunione con il Signore. La preghiera, il confronto con uomini e donne di Chiesa, le parole del Vangelo e di grandi pensatori saranno i suoi strumenti per giungere alla pace e ottenere la remissione delle proprie colpe. Laura Moscatelli nasce nel 1973 e cresce in provincia di Como. Laureata in scienze giuridiche e con la passione per la scrittura e la lettura, è al suo esordio con *Diario di un peccatore*. Ama vedere le persone trasformare la propria vita ed essere felici di averlo fatto.

*Paolo Mantegazza* FAEdizioni

I am. We are. That is enough. Now we have to start. These are the opening words of Ernst Bloch's first major work, *The Spirit of Utopia*, written mostly in 1915-16, published in its first version just after the First World War, republished five years later, 1923, in the

version here presented for the first time in English translation. The Spirit of Utopia is one of the great historic books from the beginning of the century, but it is not an obsolete one. In its style of thinking, a peculiar amalgam of biblical, Marxist, and Expressionist turns, in its analytical skills deeply informed by Simmel, taking its information from both Hegel and Schopenhauer for the groundwork of its metaphysics of music but consistently interpreting the cultural legacy in the light of a certain Marxism, Bloch's Spirit of Utopia is a unique attempt to rethink the history of Western civilizations as a process of revolutionary disruptions and to reread the artworks, religions, and philosophies of this tradition as incentives to continue disrupting. The alliance between messianism and Marxism, which was proclaimed in this book for the first time with epic breadth, has met with more critique than acclaim. The expressive and baroque diction of the book was considered as offensive as its stubborn disregard for the limits of "disciplines." Yet there is hardly a "discipline" that didn't adopt, however unknowingly, some of Bloch's insights, and his provocative associations often proved more productive than the statistical account of social shifts. The first part of this philosophical meditation--which is also a narrative, an analysis, a rhapsody, and a manifesto--concerns a mode of "self-encounter" that presents itself in the history of music from Mozart through Mahler as an encounter with the problem of a community to come. This "we-problem" is worked out by Bloch in terms of a philosophy of the history of music. The "self-encounter," however, has to be conceived as "self-invention," as the active, affirmative fight for freedom and social justice, under the sign of Marx.

The second part of the book is entitled "Karl Marx, Death and the Apocalypse." I am. We are. That's hardly anything. But enough to start.

Lacy Johnson's rich and poetic memoir, *The Other Side*, chronicles her brutal kidnapping and imprisonment at the hands of an ex-boyfriend, her dramatic escape, and her hard-fought struggle to recover. Lacy Johnson bangs on the glass doors of a sleepy local police station in the middle of the night. Her feet are bare; her body is bruised and bloody; U-bolts dangle from her wrists. She has escaped, but not unscathed. *The Other Side* is the haunting account of a first passionate and then abusive relationship; the events leading to Johnson's kidnapping, rape, and imprisonment; her dramatic escape; and her hard-fought struggle to recover. At once thrilling, terrifying, harrowing, and hopeful, *The Other Side* offers more than just a true crime record. In language both stark and poetic, Johnson weaves together a richly personal narrative with police and FBI reports, psychological records, and neurological experiments, delivering a raw and unforgettable story of trauma and transformation.

*A History of Private Life: Riddles of identity in modern times* Fairleigh Dickinson Univ Press

In Bagheria, Dacia Maraini revisits the landscape of early memory. She describes Sicily in sensuous detail, the

town of Bagheria, and the ancestral villa to which she returned as a child after two horrific years of imprisonment with her family in a Japanese concentration camp. The Villa Valguarnera and Maraini recalls the spiritual struggles and her rebellion against the elitism of her class. She also discusses her experience of child abuse. Bagheria is also a tale of corruption: centuries of the town's past unfold alongside Maraini's family history as she details the involvement of the Mafia in the architectural decimation of Bagheria in the 1970s.

Prime Location. Soho Sublet March 1 to June 1. Pristine 1 BR. Hrdwd flrs. Air-con, \$400/mo. Call Jefferson (212) 496-3715

"I've seen things here, Henry. Real things. A real side of this woman's life... Call it spying if you like, but this experiment might be the only way to get at that life." Every summer, Jefferson, the narrator of *The Third Eye*, sublets a pristine Manhattan apartment to a new beautiful young woman. He spends the next two months hidden behind the boarded-up windows of the building across the street, photographing his tenant as she goes about her life. Jefferson has compiled albums full of photographs from the four previous summers, which he shares only with Henry, a young painter whom Jefferson "discovered" and now "nurtures." Henry works from the photos, but so far has been allowed to show his art only to his patron, because no one, especially the subjects of the paintings, must ever suspect that the project exists. Such awareness would defeat its central purpose, to wipe away the boundary between art and everyday life. Jefferson expects this summer's tenant to be the most sublime subject yet. Maya Vanasi is a self-assured Indian woman who wears a red dot on her forehead--a bindi, the "third eye"--and who seems to exude a mystical power, a mysterious strength that Jefferson can't resist. But almost immediately after moving into the apartment, Maya disappears, and Jefferson discovers that his new tenant is as enigmatic as the third eye itself. Desperate for an explanation, Jefferson sets out to research the bindi and the perplexing clues Maya has dropped about her identity and possible whereabouts, which lead him on a frantic exploration of Indian mysticism and into the throes of a spiraling obsession that threatens to spin his elaborate project dangerously out of control. Suspenseful and sparely elegant, coolly eerie and

atmospheric, *The Third Eye* is New York noir at its provocative and intelligent best, enlisting the city as its manic, ambitious, threatening self to drive the book through its exquisitely unfolded, unpredictable plot into a brilliant confrontation with the rules of morality, perception, faith, art, and reason. It is a masterful performance that proves David Knowles to be one of the most interesting and accomplished young writers at work today. He expects his new tenant to be the most sublime "model" yet. Not only is she beautiful

and self-assured, but she wears a red dot on her forehead (the "third eye" of the title), which indicates to Jefferson that she is deeply mystical, and he is fascinated. But she inexplicably eludes the camera, and he becomes obsessed. *THE THIRD EYE* is a suspenseful and atmospheric New York noir, and Knowles is brilliant at exquisitely unfolding the narrator's plan in spare, elegant prose. But more than that, this debut novel is an insightful exploration of art and perception--and an opening salvo in what promises to be an extraordinary literary career. -->
