A man becomes entangled in a dangerous web of death and deceit in this “hallmark of classic French noir” set in 1960s Paris (The Guardian) Trouble is the last thing Albert needs. Traveling back to his childhood home on Christmas Eve to mourn his mother’s death, he finds the loneliness and nostalgia of his Parisian quartier unbearable. Until, that evening, he encounters a beautiful, seemingly innocent woman at a brasserie, and his spirits are lifted. Still, something about the woman disturbs him. Where is the father of her child? And what are those two red

stains on her sleeve? When she invites him back to her apartment, Albert thinks he’s in luck. But a monstrous scene awaits them, and he finds himself lured into the darkness against his better judgment. Unravelling like a paranoid nightmare, Bird in a Cage melds existentialist drama with thrilling noir to tell the story of a man trapped in a prison of his own making.

Developed out of the aesthetic philosophy of cha-no-yu (the tea

ceremony) in fifteenth-century Japan, wabi sabi is an aesthetic that finds beauty in things imperfect, impermanent, and incomplete. Taken from the Japanese words wabi, which translates to less is more, and sabi, which means attentive melancholy, wabi sabi refers to an awareness of the transient nature of earthly things and a corresponding pleasure in the things that bear the mark of this impermanence. As much a state of mind--an awareness of the things around us and an acceptance of our surroundings--as it is a design style, wabi sabi begs us to appreciate the simple beauty in life--a chipped vase, a quiet rainy day, the impermanence of all things. Presenting itself as an alternative to today's fast-paced, mass-produced, neon-lighted world, wabi sabi reminds us to slow down and take comfort in the simple, natural beauty around us. In addition to presenting the philosophy of wabi-sabi, this book includes how-to design advice--so that a transformation of body, mind, and home can emerge. Chapters include: History: The Development of Wabi Sabi Culture: Wabi Sabi and the Japanese Character Art: Defining Aesthetics Design: Creating Expressions with Wabi Sabi Materials Spirit: The Universal Spirit of Wabi Sabi

This revised and updated edition of *The Wabi-Sabi House* recounts the history of this aesthetic philosophy and reveals ways to introduce it into your home. The ancient Japanese philosophy of wabi-sabi is about appreciating simplicity and letting go of the superficial—the perfect antidote to modern consumerism and perfectionism. In 2004, author Robyn Griggs Lawrence helped popularize wabi-sabi in North America with her book *The Wabi-Sabi House*. In *Simply Imperfect*, Lawrence shows that wabi-sabi

is far more than a style of home décor. It's a state of mind—a way of living modestly in the moment, stripping away the unnecessary, and finding satisfaction in everyday things. Tracing the rich history of wabi-sabi from its Zen Buddhist roots to the present day, this beautifully-illustrated book also offers tips on: Clearing clutter and blocking noise Integrating salvaged and recycled materials Making and growing things yourself (or supporting local artisans who do) Taking time and space for self-reflection

If you want to live an extraordinary life, one in which your heart, mind, and spirit are in sync, you have to make space for your soul. You have to leave, in order to come back to yourself. It is time to go on retreat. Written as if by a wise and cherished friend, *You Should Leave Now* is a gentle, practical guide to drawing rich benefits--mental, emotional, and spiritual--from a personal retreat. Life coach, meditation teacher, and founder of *She Glows Retreats*, Brie Doyle helps us discover the ideal focus, setting, and approach to transformative retreating. In plain-spoken prose that is rich with ideas, solid research, gentle suggestions, and compelling stories, Doyle covers the benefits of retreating, reminding us that our well-being is about more than a daily dose of kombucha or a fitness class. She then details the logistics of going on retreat, what to expect while there, and how to make the most of what you've gained upon returning home. Doyle's extraordinary work opens the doors to rediscovering rest and rekindling your inner spark. Inner transformation awaits. You should leave now.

Beauty. How do we achieve it? Who gets to define it? How do you live a beautiful life? Beauty standards of today are exacting, ever-evolving and often overwhelming. Being Beautiful is your timely, illustrated guide and companion to navigating the relentless pursuit of beauty, both inside and out. A captivating collection of writings, quotes, poems and musings from some of the world's greatest thinkers – philosophers, celebrities, writers, cultural commentators and more – on what it means to be beautiful, it is an inspiring anthology for anyone interested in the concept of personal beauty, from the clothes we wear and the make-up we use, to the lives we lead and the relationships we nurture. Through contemplative, humorous, uplifting and humbling passages interspersed with specially commissioned illustrations, the book attempts to explore and illuminate what beauty means to us in the twenty-first century. And most of all, to inspire, provoke and delight. Broken down into five chapters – Defining Beauty, Finding Beauty, Living Beautifully, Inner Beauty and Outer Beauty – discussions range from how we might define a beautiful face (Edmund Burke), how one can live a 'beautiful' life (Buddha), and the beauty that can be found in ageing (Naomi Wolf). Contributors include such varied voices as Sali Hughes, Emily Dickinson, John Cage, Francis Bacon, Charlotte Brontë, Immanuel Kant, Joan Collins and Kate Moss.

Are you inspired by the little things, the bits others might overlook? A crack in the sidewalk? The trunk of a fallen tree? Shards of broken pottery? Do you want your artwork to speak to

the abstract nature of color, and shape and texture, composition and mood? With Wabi-Sabi Art Workshop, you'll learn to use your appreciation for the simple things in life--the ordinary, the aged, the humble--as your inspiration for making expressive, intuitive art. You will come to embrace imperfection and recognize that, yes, in fact, there is such a thing as a happy accident! The wabi-sabi philosophy of art is probably a little different from what you're used to--it's a style that finds inspiration and beauty in the imperfect, impermanent and humble nature of everyday objects. And there is a special freedom in wabi-sabi's abstract aesthetic, a forgiving approach that celebrates so-called mistakes and fosters an experimental spirit, encouraging you to build up and tear back with abandon. Inside Wabi-Sabi Art Workshop You'll Find: Dozens of inspiration photos and tips for taking your own. 27 traditional haikus. 35 techniques using such diverse media as oil and acrylic paints, alcohol inkers, foils and leaf, pastels, plaster, collage and handmade papers, teabags, paper towels, coffee, crayons, encaustic paints, fibers and more. The only how-to manual on the subject directed to mainstream owner-builders An earth-sheltered, earth-roofed home has the least impact upon the land of all housing styles, leaving almost zero footprint on the planet. Earth-Sheltered Houses is a practical guide for those who want to build their own underground home at

moderate cost. It describes the benefits of sheltering a home with earth, including the added comfort and energy efficiency from the moderating influence of the earth on the home's temperature-keeping it warm in the winter and cool in the summer-low maintenance, and the protection against fire, sound, earthquake and storm afforded by the earth. Extra benefits from adding an earth or other living roof option include greater longevity of the roof substrate, fine aesthetics, and environmental harmony. The book covers all of the various construction techniques involved including details on planning, excavation, footings, floor, walls, framing, roofing, waterproofing, insulation and drainage. Specific methods appropriate for the inexperienced owner-builder are a particular focus and include: pouring one's own footings and/or floor the use of dry-stacked (surface-bonded) concrete block walls post-and-beam framing plank-and-beam roofing, and drainage methods and self-adhesive waterproofing membranes. The time-tested, easy-to-learn construction techniques described in *Earth-Sheltered Houses* will enable readers to embark upon their own building projects with confidence, backed up by a comprehensive resources section that lists all the latest products such as waterproofing membranes, types of rigid insulation and drainage products that will protect the building against water damage and heat loss. *The Constructed Other: Japanese Architecture in the Western Mind* Andrews McMeel Publishing

"An antidote to the veneer of perfectionism so often presented by books of its kind, *Wabi-Sabi Welcome* offers readers license to slow down and host guests with humility, intention, and contentment." —Nathan Williams, founder of Kinfolk Wabi-Sabi

Welcome is sharing a pot of tea with friends. It is preparing delicious food to nourish, not to show off. It's keeping a basket of cozy slippers at the door for guests. It is well-worn linens, bouquets of foraged branches, mismatched silverware, and heirloom bowls infused with the spirit of meals served with love. In this lush entertaining manual, author Julie Pointer Adams invites readers into artful, easygoing homes around the world—in Denmark, California, France, Italy, and Japan—and teaches us how to turn the generous act of getting together into the deeper art of being together. In this book, readers will find: unexpected, thoughtful ideas and recipes from around the world; tips for creating an intimate, welcoming environment; guidelines for choosing enduring, natural decor for the home; and inspiring photographs from homes where wabi-sabi is woven into daily living.

Wabi Sabi Taylor & Francis

"Much of this book is about loneliness. Yet its pages are bracingly companionable. It is one of the friendliest books ever written. It is a superb piece of autobiography, testimony that cannot be impeached. While it is a statement of an American tragedy, it has laughter, brevity, style; as a book to pass the time away with, it is in a class with the best fiction." — Carl Sandburg, *New York World*

"Nothing half as rewarding has come down the highway of books about thieves, tramps, murderers, bootleggers and crooks in years " — *New Republic* "I believe Jack Black has written a remarkable book; it is vivid and picturesque; it is not fiction; it is a book that was needed and it should be widely read." — Clarence Darrow, *New York Herald Tribune*

A major influence on William S. Burroughs and other Beat writers, this lost classic was

written by Jack Black, a drifter and small-time criminal. Born in 1872, Black hit the road at the age of 16 and spent most of his life as a vagabond. In this plainspoken but colorful memoir, he recaptures a hobo underworld of the early twentieth century, a time when it was possible to pass anonymously from town to town. Black's firsthand accounts of hopping trains, burglaries, prison, and drug addiction offer a compelling portrait of life outside the law and honor among thieves.

Bird in a Cage Harper Horizon

Pot in Pans: A History of Eating Weed is a comprehensive history of cannabis as a unique culinary ingredient, from ancient India and Persia to today's explosive new market. Cannabis, the hottest new global food trend, has been providing humans with nutrition, medicine, and solace – against all odds – since the earliest cavepeople discovered its powers. In colorful detail, the book explores the debate over the cannabis plant's taxonomy and nomenclature, then follows as it co-evolves with humans throughout history, beloved by the masses, reviled by the elite, and shrouded in conflict and secrecy. The story is held together by the thread of the Islamic confection majoun, created to manipulate a band of twelfth-century fedayeen, a legend that later inspired Western intellectuals and literati to discover and enjoy hashish and majoun. It's the story of how a U.S. drug czar got cannabis prohibited around the world and how some cultures worked around that. It's the story of how a recipe for majoun made its way into the hands of Alice B. Toklas, an ex-pat in Paris, and then into the pages of a cookbook published in New York and London, leading to a major mix-up in a major motion picture that morphed majoun into the pot brownie and turned the pot brownie into a Western icon forevermore. From the rowdy band of artists, rebels, and intellectuals who partook of majoun's charms and to an activist who made the pot brownie a symbol of compassion, it's the story of how cannabis cookery and hash eating survived through decades of global prohibition and the birth of a skies-the-limit cannabis-infused food industry. Along the way, Robyn Griggs Lawrence explores the medicinal qualities of cannabis and its resurgence as a both a recreational drug and a respite from various illnesses and ailments. With recipes and stories

throughout, this work is sure to entertain and inform readers about the history of cannabis as an edible ingredient in a variety of foods.

Best-selling author Taro Gold's creation, *The Tao of Mom*, is a rare jewel of a gift book celebrating the timeless theme of motherhood with a daily dose of motherly wisdom. In *The Tao of Mom*, author Taro Gold shares with us 365 rare and insightful quotations from mother figures around the world, revealing on each page the wisdom, courage, and compassion that define motherhood. "Tao" is a Chinese word meaning "way" or "path." *The Tao of Mom*, then, is literally *The Way of Mothers*. Many of the women celebrated in *The Tao of Mom* are well-known, while some are not; many hail from the West, yet all impart distinctly Eastern sensibilities. To further enrich our journey into the thoughts of each motherly figure, background details are included about each woman, such as Rosa Parks, mother of the modern civil rights movement; Aung San Suu Kyi, leader of the democratic movement in Myanmar; Maria Montessori, Italian educational reformer; and Abhirupa-Nanda, Indian poet-to name only a few. Lavishly illustrated, this gem of a book is for you to

give to the moms in your life, for moms to give to you, for everyone to give to dads (as a loving reminder of how wise moms can be), and of course for you to give to yourself. *The Tao of Mom* is for everyone in need of a daily dose of motherly wisdom, inspiration, and comfort.
