 Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

New York. Martin Wilson, employeur de Caroline, la charge d'une mission pour le moins particulière. Retrouver son fils Jeremy qui a quitté les États-Unis pour Bangkok suite à une violente dispute avec son père et qui n'a plus donné signe de vie depuis. Martin Wilson est condamné. S'il ne subit pas une greffe de moelle rapidement, il sera mort dans les six mois. Seul Jeremy pourrait lui sauver la vie. Caroline se lance donc dans une dangereuse course poursuite contre la mort, semée d'embûches, dont personne ne sortira indemne...

The great Manara presents to us, in this lush art book, the history of women modeling whether for painters, sculptors, as muses to well known artists and creators of all types, and of course, as modern-day advertising models and cover girls. The whole range of feminine beauty is there as only he can so sensuously bring it out!

Montréal. Le printemps est arrivé. Les papillons virevoltent dans le ciel tandis que des couples de danseurs ont repris possession des allées des parcs municipaux pour s'adonner à leur passion du tango-libre. Mais tout n'est pas rose pour autant dans la belle province. Une nouvelle drogue a fait son apparition, causant des ravages dans le milieu des toxicomanes et de la prostitution. C'est dans ce cadre bucolique que nous retrouvons Caroline Baldwin, enquêtrice chez Wilson Investigation, sur les traces d'un certain Juan Zalamea. Celui-ci, brillant scientifique, n'a plus donné signe de vie au laboratoire pharmaceutique qui l'emploie. Le plus gênant est qu'il a emporté avec lui quelques documents sensibles qui, aux dires du laboratoire, pourraient bien intéresser ses concurrents...

The Model

A concise introduction to the basics of open access, describing what it is (and isn't) and showing that it is easy, fast, inexpensive, legal, and beneficial. The Internet lets us share perfect copies of our work with a worldwide audience at virtually no cost. We take advantage of this revolutionary opportunity when we make our work "open access": digital, online, free of charge, and free of most copyright and licensing restrictions. Open access is made possible by the Internet and copyright-holder consent, and many authors, musicians, filmmakers, and other creators who depend on royalties are understandably unwilling to give their consent. But for 350 years, scholars have written peer-reviewed journal articles for impact, not for money, and are free to consent to open access without losing revenue. In this concise introduction, Peter Suber tells us what open access is and isn't, how it benefits authors and readers of research, how we pay for it, how it avoids copyright problems, how it has moved from the periphery to the
