Mastering Business Analysis Standard Practices Van Haren Publishing

This volume in the Business Analysis Professional Development Series by leading expert Eugenia Schmidt is for experienced business analysis practitioners and others conducting business analysis activities at an intermediate level who wish to master the essential art of versatility and develop other advanced capabilities and leadership skills needed to further their careers to the expert competency level. Practitioners will learn to develop the enterprise-level mindset required to accurately identify an organization's needs; determine the best solutions; and adapt the best approach, tools, and techniques to fit the project, culture, risks, and ever-changing situations that may arise. This guide will provide practitioners with the skills to perform successfully on virtually any project, in any organization and industry, and lead others to achieve desired results.

Agile Extension to the BABOK Guide, Version 2 J. Ross Publishing
 "This book provides a "how to" approach to mastering business analysis work. It will help build the skill sets of new analysts and all those currently doing analysis work, from project managers to project team members such as systems analysts, product managers and business development professionals, to the experienced business analyst. It also covers the tasks and

knowledge areas for the new 2008 v.2 of The Guide to the Business Analysis Body of Knowledge (BABOK) and will help prepare business analysts for the HBA CBAP certification exam."--
 BOOK JACKET.

Cbap & Ccba Workbook Packt Publishing Ltd

Book Organization: Chapter 1 discusses the management of interpersonal dynamics within your relationships and how to leverage knowledge about repeat behavior patterns to increase your success as a business analyst. Chapter 2 offers core soft-skill tips important for every business analyst to master. Chapters 3 to 10 provide a discussion of some common interpersonal challenges in business analysis and how to respond to them. Chapter 11 offers the Business Analysis Challenge Response Framework to provide a structure for responding to a particular challenge. Chapter 12 recaps key messages from the book. The appendix takes the list of common challenges from chapter 1 and offers possible root causes, potential new truths, and possible response strategies to achieve the new truth. -- Distributor's website.

Seven Steps to Mastering Business Analysis

A Guide to the Business Analysis Body of Knowledge® (BABOK® Guide) is the collection of knowledge within the profession of business analysis and reflects current generally accepted practices. As with other professions, the body of knowledge is defined and enhanced by the business analysis professionals who apply it in their daily work role. The purpose of this pocket guide to the BABOK® Guide is to help understand the key knowledge found within the BABOK Guide and how it can be applied to a particular situation. Primary target groups for this pocket guide are:

- Individuals interested in how business analysis works or who may want to become Business Analysts;
- Business Analysts as a quick reference during the course of their day-to-day work;
- Team members working on projects or within normal organizational operations where business analysis is performed;
- Managers and executives who need to understand how business analysis can help improve their organizations. This pocket guide is based upon the content found in Version 2 of the BABOK Guide. The BABOK Guide was first published by the International Institute of Business Analysis (IIBA) in 2005. Version 2.0 was released in March 2009. The BABOK® Guide describes business analysis areas of knowledge, their associated activities and the tasks and skills necessary to be effective in their execution. The BABOK®

Guide is a reference for professional knowledge for business analysis and provides the basis for the Certified Business Analysis Professional™ (CBAP®) and the Certification of Competency in Business Analysis™ (CCBA®) certifications.
