[Understanding and Negotiating Book Publication Contracts](#) Sourcebooks, Inc.

`As a pioneer in the age when social media has become India?s new political pulpit and argumentative townsquare, Ankit Lal is perfectly poised to chronicle India?s transformational tryst with Twitter and Facebook and whatever comes next.? ? SHEKHAR GUPTA, senior journalist and recipient of the Padma Bhushan `This book is a must-read for anyone who wants to understand how social media has shaped India in the past decade.? ? ARVIND KEJRIWAL, chief minister, Delhi In India Social, social media activist and influencer Ankit Lal takes a deep dive into India?s biggest social media campaigns and analyses how, in just the last ten years, platforms like Facebook, Twitter, YouTube and WhatsApp have changed the way Indians engage with politics, popular culture and social revolution. From the 2008 Mumbai terror attacks, which unleashed the potential of the medium, to the 2012 #IndiaAgainstCorruption protests; from the rage-filled Justice for

Nirbhaya movement to the citizen-driven fight for a free Internet with the #NetNeutrality campaign; from the controversial #AIBRoast to WhatsApp becoming the primary tool used to spread the agenda and ideology of major political parties ? India Social unravels, for the first time, the behind-the-scenes stories of the most influential social media movements of the past decade. Incisive and insightful, India Social is the story of how they began, why they spread and the way they have reshaped democratic life in India.

This volume provides a powerful alternative to the Western paradigms that have governed archaeological inquiry and heritage studies in Africa. Community-based Heritage Research in Africa boldly shifts focus away from top-down community engagements, usually instigated by elite academic and heritage institutions, to examine locally initiated projects. Schmidt explores how and why local research initiatives, which are often motivated by rapid culture change caused by globalization, arose among the Haya people of western Tanzania. In particular, the trauma of HIV/AIDS resulted in the loss of elders who had performed oral traditions and rituals at sacred

places, the two most recognized forms of heritage among the Haya as well as distinct alternatives to the authorized heritage discourse favored around the globe. Examining three local initiatives, Schmidt draws on his experience as an anthropologist invited to collaborate and co-produce with the Haya to provide a poignant rendering of the successes, conflicts, and failures that punctuated their participatory community research efforts. This frank appraisal privileges local voices and focuses attention on the unique and important contributions that such projects can make to the preservation of regional history. Through this blend of personalized narrative and analytical examination, the book provides fresh insights into African archaeology and heritage studies.

Preface to a Dictionary of the English Language Hamilton, ON : Burk & Associates
 The Pandemic Vaccine Deployment Workshop held from 4 to 6 November 2019 in Lagos, Nigeria, brought together participants from several sectors that play a key role in deployment and vaccination operations. The aim of the workshop was to initiate the development of Nigeria's National Deployment and Vaccination Plan for Pandemic Influenza Vaccines (NDVP). The interactive format of the workshop included a combination of presentations with the use of PIP

Deploy.

Our knowledge of the northern literature is so scanty, that of words undoubtedly Teutonic the original is not always to be found in any ancient language; and I have therefore inserted Dutch or German substitutes, which I consider not as radical but parallel, not as the parents, but sisters of the English. The words which are represented as thus related by descent or cognation, do not always agree in sense; for it is incident to words, as to their authors, to degenerate from their ancestors, and to change their manners when they change their country. It is sufficient, in etymological enquiries, if the senses of kindred words be found such as may easily pass into each other, or such as may both be referred to one general idea. The etymology, so far as it is yet known, was easily found in the volumes where it is particularly and professedly delivered; *ePOWER PRO* Crown

"Working from research conducted over six years with hundreds of charities and donors, 'Donor-Centered Fundraising' paints a candid picture of why donors stop giving to charities they once supported, and what it will take to preserve their loyalty in the future. In clear language and backed by statistical evidence, Penelope Burk explores the pitfalls of our traditional approaches to donor communication and recognition and articulates what donors want but seldom get from the charities they support. The book features straightforward and accessible calculations that show how much money charities are failing to raise, and offers a step-by-step procedure for testing a donor-centered alternative and gaining its acceptance in any organization."--From publisher description.

Book Donations for Development iUniverse

Paper Sparrow is a historical novel inspired by real-life events, Australia 1943 to 1955. PEGGY is born to circumstances that deny her opportunities afforded to others. Before her thirteenth birthday, she has no choice but to work as a Nursing Aide in a home for the elderly. Aged fourteen, Peggy is drugged and raped. She travels from Sydney to Melbourne to see out her pregnancy without family or financial support. Her dark journey reveals a massive baby farming industry, untold sufferings, and life-long consequences to thousands of post-WWII victims-single women. Their babies are officially recognised today as The Stolen White Generation. Peggy's core conflict comes from her necessary involvement with a network of welfare officers and medical teams, all fuelled by monetary greed. Torment, near-slavery, and degradation are encouraged through social bigotry. Peggy meets PETER, a man of the cloth, BINEHAM, a master of Chinese psychology and LILY, a welfare officer fighting for social justice. They foster her potential and lighten her journey. Peggy's baby is kidnapped from the birthing table and sold to a couple who have a ruthless plan to forbid Peggy to approach her child legally. This action leads Peggy to incite reform through civil society to end social prejudice against single mothers and their children. Fortune brings work in the fashion industry, and Peggy wins a scholarship which will lead to a career in live theatre. Peggy has a heart-rending meeting with her child aged one year, but the cherished experience loses its worth when he spits at her feet under instruction from his adoptive parents. This action and a sordid society party meant to launch Peggy in the Miss Australia quest destroy her will to live. Yet, she miraculously survives a deep-sea baptism and finds the strength and means to promote benevolence, communication, and beauty.

Individual retirement arrangements (IRAs) Dial Press Trade Paperback

A sophisticated examination of today's contemporary art market from an art dealer's point of view, this new book focuses on recent changes in the quickly evolving market. With an emphasis on how the market responded to the global recession that began in 2008, gallery owner Edward Winkleman moves from an examination of the factors beyond the individual dealer's command to those that the dealer can control. Sections cover: The rise of the art fair The rise of the mega gallery New online competition Models of post-brick-and-mortar art dealing Art dealers as art fair organizers Collaboration in a new era Coverage is also given to the specifics of contracts contemporary art dealers may need, including an examination of a variety of contracts for representation, consignment, and new forms of contemporary art. Exhibiting a wide range of interviews with international experts including dealers, collectors, art fair directors, journalists, and

online art entrepreneurs, *Selling Contemporary Art* is a must-read for gallery owners, dealers, and artists affected by the rapid innovations in the art-dealing industry. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

The Bridge at Andau is James A. Michener at his most gripping. His classic nonfiction account of a doomed uprising is as searing and unforgettable as any of his bestselling novels. For five brief, glorious days in the autumn of 1956, the Hungarian revolution gave its people a glimpse at a different kind of future—until, at four o'clock in the morning on a Sunday in November, the citizens of Budapest awoke to the shattering sound of Russian tanks ravaging their streets. The revolution was over. But freedom beckoned in the form of a small footbridge at Andau, on the Austrian border. By an accident of history it became, for a few harrowing weeks, one of the most important crossings in the world, as the soul of a nation fled across its unsteady planks. Praise for *The Bridge at Andau* "Precise, vivid . . . immeasurably stirring."—*The Atlantic Monthly* "Dramatic, chilling, enraging."—*San Francisco Chronicle* "Superb."—*Kirkus Reviews* "Highly recommended reading."—*Library Journal*

Bone marrow adiposity: Contributions to bone, aging, and beyond Competition Bureau Canada

Encyclopedia of Pharmacy Practice and Clinical Pharmacy, Three Volume Set covers definitions, concepts, methods, theories and applications of clinical pharmacy and pharmacy practice. It highlights why and how this field has a significant impact on healthcare. The work brings baseline knowledge, along with the latest, most cutting-edge research. In addition, new treatments, algorithms, standard treatment guidelines, and pharmacotherapies regarding diseases and disorders are also covered. The book's main focus lies on the pharmacy practice side, covering pharmacy practice research, pharmacovigilance, pharmacoconomics, social and administrative pharmacy, public health pharmacy, pharmaceutical systems research, the future of pharmacy, and new interventional models of pharmaceutical care. By providing concise expositions on a broad range of topics, this book is an excellent resource for those seeking information beyond their specific areas of expertise. This outstanding reference is essential for anyone involved in the study of pharmacy practice. Provides a 'one-stop' resource for access to information written by world-leading scholars in the field Meticulously organized, with articles split into three clear sections, it is the ideal resource for students, researchers and professionals to find relevant information Contains concise and accessible chapters that are ideal as an authoritative introduction for non-specialists and readers from the undergraduate level upwards Includes multimedia options, such as hyperlinked references and further readings, cross-references and videos

The Bridge at Andau Jones & Bartlett Learning

Discover How Electronic Health Records Are Built to Drive the Next Generation of Healthcare Delivery The increased role of IT in the healthcare sector has led to the coining of a new phrase "health informatics," which deals with the use of IT for better healthcare services. Health

informatics applications often involve maintaining the health records of individuals, in digital form, which is referred to as an Electronic Health Record (EHR). Building and implementing an EHR infrastructure requires an understanding of healthcare standards, coding systems, and frameworks. This book provides an overview of different health informatics resources and artifacts that underlie the design and development of interoperable healthcare systems and applications. *Electronic Health Record: Standards, Coding Systems, Frameworks, and Infrastructures* compiles, for the first time, study and analysis results that EHR professionals previously had to gather from multiple sources. It benefits readers by giving them an understanding of what roles a particular healthcare standard, code, or framework plays in EHR design and overall IT-enabled healthcare services along with the issues involved. This book on *Electronic Health Record: Offers the most comprehensive coverage of available EHR Standards including ISO, European Union Standards, and national initiatives by Sweden, the Netherlands, Canada, Australia, and many others Provides assessment of existing standards Includes a glossary of frequently used terms in the area of EHR Contains numerous diagrams and illustrations to facilitate comprehension Discusses security and reliability of data*

This primer helps new fund raisers learn the basics, from the vocabulary of fund raising to the nuances of major trends affecting nonprofit fundraising today. With up-to-date case studies and real-life examples, this practical guide will provide an overview of the field and give development staff, managers, and directors a platform from which to operate their fund raising programs. This guide is a must-have for anyone new to the fund raising arena.

India Social Vintage

"Copyright law and contract language are complex, even for attorneys and experts. Authors may be tempted to sign the first version of a publication contract that they receive, especially if negotiating seems complicated, intimidating, or risky. But there is a lot at stake for authors in a book deal, and it is well worth the effort to read the contract, understand its contents, and negotiate for favorable terms. To that end, *Understanding and Negotiating Book Publication Contracts* identifies clauses that frequently appear in publishing contracts, explains in plain language what these terms (and typical variations) mean, and presents strategies for negotiating "author-friendly" versions of these clauses. When authors have more information about copyright and publication options for their works, they are better able to make and keep their works available in the ways they want"--Publisher.

Cancer Registry Management John Wiley & Sons

Huck is a page-turning, unforgettable true story of the tenacity of one small dog, the unexpected, extraordinary kindness of strangers, and a family's devotion to each other. Michael was four when his relentless campaign for a dog began. At seven he made a PowerPoint presentation, "My Dog," with headings like "A Childhood Without a Dog is a Sad Thing." His parents, Janet and Rich, were

steadfast; bringing a dog into their fast-paced New York City lives was utterly impractical. However, on a trip to Italy, a chance happening leads Janet to reconsider, a decision then hastened by a diagnosis of breast cancer. Janet decides the excitement of a new puppy would be the perfect antidote to the strain on the family of months of arduous treatments for her illness. The prospect of a new puppy would be an affirmation of life, a powerful talisman for them all. On Thanksgiving weekend, soon after the grueling months of treatments are over, Huck, a sweet, mischievous, red-

haired, toy poodle joins the family and wins everyone's heart. A few months later the family ventures to baseball's spring training, leaving Huck with Janet's sister in Ramsey, New Jersey. Barely twenty-four hours into the trip, Janet receives the dreaded phone call: Huck has slipped through the backyard fence and run away. Broken-hearted and frantic, the family catches the first plane to New Jersey to begin a search for their lost puppy. It is a race against time, for little Huck is now lost in an area entirely unfamiliar to him, facing the threat of bears and coyotes, swamps and

freezing temperatures, rain and fast cars. Moved by the family's plight, strangers - from school children to townspeople to the police lieutenant - join the search, one that proves to be an unyielding test of determination and faith. Touching and warm-hearted, Huck is a spirit-lifting story about resilience, the generosity of strangers, and hope.
