*Best Life Ever My Study Notes Baker Books*

Originating from a small group of Bible students who met under Charles Taze Russell's leadership and grew into an international Society, to which the second leader Joseph Franklin Rutherford and gave the name 'Jehovah's Witnesses'. Two World Wars shaped Watch Tower attitudes to civil government, armed conflict, and medical innovations such as blood transfusion, as well as to mainstream churches. The twenty-first century has seen some important changes in the Watch Tower organization,

and coverage is given to changes in organizational structure, its use of the World Wide Web, and its major relocation from Brooklyn to Warwick. This updated second edition of Historical Dictionary of Jehovah's Witnesses contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 300 cross-referenced entries on key concepts, themes, and people relating to Jehovah's Witnesses. This book is an excellent resource for students, researchers, and anyone wanting to know more about Jehovah's Witnesses.

Lessons You Can Learn from the Bible Harvest House Publishers  
Did you know that one in every 282 Americans is a Jehovah's Witness? When a Jehovah's Witness knocks on your door, do you know what to say? Now you can! In What Do Jehovah's Witnesses

Believe? you'll experience Dr. Ankerberg's interviews with three former Jehovah's Witnesses and two experts on this growing religious movement. Topics include: The background of the Jehovah's Witnesses. What do Jehovah's Witnesses teach about Jesus, the Trinity, and other biblical beliefs? What is different about their Bible, the New World Translation? Why don't Jehovah's Witnesses celebrate birthdays, Christmas, Easter, participate in patriotic activities or the armed forces, and refuse blood transfusions? How can I share my faith with a Jehovah's Witness? This and much more are included in this book. You'll find yourself more equipped in your own beliefs and be better prepared to discuss your faith with Jehovah's Witnesses.

**Getting Through to Jehovah's Witnesses** CLC Publications  
This volume shows how World Wars I & II influenced Watch Tower attitudes to civil government, armed conflict, and medical innovations like blood transfusion, as well as to mainstream churches and the development of Jehovah's Witnesses' door-to-door evangelism. The theme of prophecy, the doctrine of the 144,000, end-time calculations, Armageddon, and the Witnesses' denial of hell are all considered in this work, which contains a chronology, an introductory essay, a bibliography, and 250 cross-referenced dictionary entries relating to key people and concepts. Originating from a small group of Bible students led by Charles Taze Russell in the 1870s, the Watch Tower Society grew into an international society. After Russell's death in 1916, Franklin Rutherford was named his successor and gave the society a new name: 'Jehovah's Witnesses.'

**Answering Jehovah's Witnesses** Rowman & Littlefield  
The zeal and dedication of Jehovah's Witnesses mask a highly

disciplined organization that has a troubled history. Moreover, their thorough knowledge of their own scriptures gives a pretense of having spiritual truth. The movement has grown from about 1.1 million worldwide in 1965 to 4.4 million today. Yet all is not what it seems in the Watchtower Society. How do the teachings of the Jehovah's Witnesses run counter to orthodox Christianity? What drives adherents to give hundreds of hours a year to "witnessing"? What draws converts to a cult of strict control by religious leaders? Why this series? This is an age when countless groups and movements, old and new, mark the religious landscape in our culture, leaving many people confused or uncertain in their search for spiritual truth and meaning. Because few people have the time or opportunity to research these movements fully, these books provide essential information and insights for their spiritual journeys. Each book has five sections: - A concise introduction to the group - An overview of the group's theology -- in its own words - Tips for witnessing effectively to members of the group - A bibliography with sources for further study - A comparison chart that shows the essential differences between biblical Christianity and the group -- The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood.

*The Facts on Jehovah's Witnesses* AuthorHouse

An unfamiliar car parks near your house, and two pleasant-looking folks approach your front door. The doorbell rings, and after exchanging pleasantries, your unexpected guests offer you some literature from the Watchtower Society. What will you say? What should you say? Should you engage your visitors in conversation at all? And if so, how? Trusted Bible teacher Ron Rhodes guides you through several realistic dialogues with Jehovah's Witnesses, demonstrating helpful techniques for listening, asking questions, avoiding offense, and more. He

includes the information you need to address the big issues, including the New World Translation of the Bible, the divine name, the Trinity, salvation, and the afterlife. With this practical, kindhearted, and easy-to-understand resource, you can actually enjoy discussions about your faith when Jehovah's Witnesses come to call, and you can lovingly guide them to the truth about Jesus Christ.

*The Kingdom Hall No More* AuthorHouse

John Ankerberg, John Weldon, and Dillon Burroughs team up to revise and update *The Facts on Jehovah's Witnesses*, part of the popular *Facts On Series* (more than 1.9 million copies of books from this series sold). Known for their extensive research and Bible knowledge, these authors offer readers the essential facts they need to evaluate and discuss today's issues regarding the Jehovah's Witnesses, a religious organization, and the Watchtower Society. The concise, easy-to-follow information helps readers answer such questions as: What is the Watchtower Society and what power does it hold? Is the Watchtower Society's translation of the Bible accurate? Is the Society's teaching on salvation biblical? Whether the reader is merely curious or searching for specific information, *The Facts on Jehovah's Witnesses* will give them what they are looking for—easy-to-understand, factual, and relevant information about this group.

*Enjoy Life Forever!-Introductory Bible Lessons* Bethany House Publishers

*A Catholic Response to the Jehovahs Witnesses* is a departure from the authors usual subject of books and articles on aspects of Catholic spirituality. Having met with many Witnesses over the years, she was prompted to write the book as a response to

them. It also addresses the concern many Catholics have as to how to engage with Witnesses and how they might evaluate their teachings. It is written in an informal style to introduce readers to the various aspects of the doctrines of the Jehovahs Witnesses, and how a Catholic might respond to them from their own tradition and the theology of the Catholic Church.

**A People for His Name** University of Toronto Press

A history of The Watchtower Bible & Tract Society (Jehovah's Witnesses) from their origins in the 1870s up to the mid-1960s. Long out-of-print, now in a second edition. This title was originally published using the pen name "Timothy White."

*Examining the Scriptures Daily-2022* Independently Published

At first, the Watchtower Society seemed harmless to William J. Schnell, even valuable as a way to develop his faith in God and pass it on to others. This book is Schnell's fascinating account of his involvement with the cult, which effectively enticed him in the 1920s and continues to lure countless individuals today. Readers will learn, as Schnell did, that the Jehovah's Witness religion he had joined was anything but innocent. For thirty years he was enslaved by one of the most totalitarian religions of our day, and his story of finally becoming free is riveting. Readers will be alerted to the inner machinations, methods, and doctrines of the Watchtower Society, arming them to forewarn others and witness to their Jehovah's Witness friends, relatives, neighbors, and the stranger at the door. With more than 300,000 copies sold, *30 Years a Watchtower Slave* is truly one of the classic testimonies of freedom from a powerful cult.

*The A to Z of Jehovah's Witnesses* Lulu.com

Answers you need to witness effectively to Jehovah's Witnesses

When Jehovah's Witnesses come to your door, have you ever wished you could get them off their memorized scripts and show them what the Bible really teaches? Have you ever wished you had the information necessary to lovingly show them why their religion is wrong? Now you can! Using many quotes from Watchtower leaders, this small book exposes the errors of this false religion, presenting thought-provoking questions Jehovah's Witnesses can't answer. Don't turn them away from your door saying, "I'm not interested." Learn the questions that will make them think, so you can effectively share the true gospel with them. Did you know? - In 1889, Jehovah's Witness founder C.T. Russell predicted: "...the final end of the kingdoms of this world, and the establishment of the Kingdom of God, will be accomplished at the end of A.D. 1914." This is one in a long list of unfulfilled Jehovah's Witness Bible prophecies that are revealed in this book.

**Mama Bear Apologetics** Harvest House Publishers

"A fascinating glimpse into the consciousness of being an outsider in every possible way, and what it takes to find your path into the life you'd like to lead."--Nylon A riveting memoir of losing faith and finding freedom while a covert missionary in one of the world's most restrictive countries. A third-generation Jehovah's Witness, Amber Scolah had devoted her life to sounding God's warning of impending Armageddon. She volunteered to take the message to China, where the preaching she did was illegal and could result in her expulsion or worse. Here, she had some distance from her community for the first time. Immersion in a foreign language and culture--and a whole new way of thinking--turned her world upside down, and

eventually led her to lose all that she had been sure was true. As a proselytizer in Shanghai, using fake names and secret codes to evade the authorities' notice, Scolah discreetly looked for targets in public parks and stores. To support herself, she found work at a Chinese language learning podcast, hiding her real purpose from her coworkers. Now with a creative outlet, getting to know worldly people for the first time, she began to understand that there were other ways of seeing the world and living a fulfilling life. When one of these relationships became an "escape hatch," Scolah's loss of faith culminated in her own personal apocalypse, the only kind of ending possible for a Jehovah's Witness. Shunned by family and friends as an apostate, Scolah was alone in Shanghai and thrown into a world she had only known from the periphery--with no education or support system. A coming of age story of a woman already in her thirties, this unforgettable memoir examines what it's like to start one's life over again with an entirely new identity. It follows Scolah to New York City, where a personal tragedy forces her to look for new ways to find meaning in the absence of religion. With compelling, spare prose, *Leaving the Witness* traces the bittersweet process of starting over, when everything one's life was built around is gone.

Winning the Witnesses Baker Books

Trust In Jehovah And Do What Is Good Scarecrow Press

Proven step-by-step methods that will help you bring Jehovah's Witnesses to Christ. While serving as an Associate Pastor in 1996, Daniel Rodriguez was instrumental in targeting his city's large Jehovah's Witness population. Construction of a Kingdom Hall was stopped because the strategies in this book either won Witnesses

to Christ or destroyed their faith in the Watchtower Society. The step-by-step plan in this practical, easy-reading book will help you to reach Jehovah's Witnesses like you never thought possible. Discover: Why Jehovah's Witnesses won't listen when you quote your Bible. How to get them to actually hear and receive your words. How you can get them to doubt their leaders. Tactics they use to get Christians sidetracked. You Will Also Learn: The logic that is such an effective tool to reach them. How to persuade honest Witnesses to reject the authority of the Watchtower Society. How Watchtower publications contradict themselves, the Bible, and their religion. Why the first thing you must do is destroy their faith in the Watchtower, and how to do it. If you want to be more successful at sharing the gospel with Jehovah's Witnesses, here's help.

**My Notes: Bible Study Aid Journal / Notebook for Jehovah's Witnesses. Great for Meditation. Perfect for the Christian Life and M** Lulu.com

This book is very easy to read and understand for everyone. In our book I refer to the family members of the drug & alcohol addicted person as the victims of the addiction. This book goes into detail about how the addiction affects each family member and how the family can go into treatment as a family, regain the family unity and love they once knew. This book will show you what a child goes through from birth on into adulthood that was born into a family unit that has been afflicted with drug and alcohol addiction. In this book there is up-to-date information on all the street drugs, how to look for alcohol and drug use in the work place, and the medical illnesses related to heavy drug and alcohol addiction. You will learn about the three levels of

addiction, the long road home, the intervention into the family unit, and much more. This book also goes into detail about the long process of addiction and how it brings a person to the point of death or to the lowest levels of life. You will learn about the whole process from detoxification through the treatment of the addiction. I am sure there is knowledge in this book that you have never seen before in any other book on this subject. We have tried to take every issue related to addiction and the family to its core. A counselor must have hope and faith in their skills, knowing that they can help someone turn their life around and achieve sobriety. Every counselor is always looking for that light to start shining in their client because that moment that client's light starts to shine is their "Dawn of Recovery."

Approaching Jehovah's Witnesses in Love Independently  
Published

What would happen if I accepted an invitation to Bible Study from Jehovah's Witnesses? What would attending a Kingdom Hall meeting involve? And if I invited door-knocking Witnesses into my home? This book introduces Jehovah's Witnesses without assuming prior knowledge of the Watch Tower organization. After outlining the Society's origins and history, the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses, and progresses to take instruction and become a baptized member. The book then explores what is involved in being a Witness - congregational life, lifestyle, rites of passage, their understanding of the Bible and prophetic expectations. It examines the various processes and consequences of leaving the organization, controversies that have arisen in the course of its

history, and popular criticisms. Discussion is given to the likelihood of reforms within the organization, such as its stance on blood transfusions, the role of women and new methods of

meeting and evangelizing in response to the COVID-19 pandemic. *How to Answer a Jehovah's Witness* University of Toronto Press
