 Note Range I have tried to keep the note range for each instrument in the Favourite Christmas Carols Book 2 series as easy as possible and within the grade 1 to grade 3 level. If, on the rare occasion, you find a note too high or low, you can substitute that note with a note one octave higher or lower as needed. Ensemble Playing The Favourite Christmas Carols Book 2 series is currently available for 12 band and orchestral instruments, which means you can play in unison with two or more instruments. All arrangements are the same and each instrument will play the melody line. Music for each instrument is written in the appropriate key so as to match the ensemble. To get a book for a brass or woodwind instrument other than your own, choose from the Favourite Christmas Carols Book 2 series. You can view these books on my author page. The Forty-eight Studies have long been one of the standard teaching tools for oboists and saxophonists seeking to develop their skills to an advanced level. Newly engraved from the original publication, this edition presents a clean copy of Ferling's compositions without the editorial markings incorporated into other versions available today. Apparent omissions in the original publication are indicated by parentheses or dotted lines. This faithful presentation gives the performer a much wider variety of interpretive choices, allowing these studies to fulfill their mission of teaching musicianship, as well as playing technique.
