The Century Illustrated Monthly Magazine Springer

NEW YORK TIMES BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s latest bestselling novel, *To Paradise*.

When a Man's Partner is Killed, He's Supposed to Do Something About It. Maybe no one liked Del Gilbert a whole lot, not the men he ruthlessly did business with, not the women who discovered his other lovers, not even his partner in the Gilbert and Blake literary agency - me. But when I found him shot to death on the floor of his office, I had no choice. I had to track down the person responsible. And not just to lay Del to rest, either. Next to his body, the office safe was wide open, and a contract worth millions was missing...

Lumber World Review Machining Difficult-to-Cut Materials

'There was a rumour, too, that he was a devil-worshipper, or something of that sort, and also that he had the evil eye...' Arthur Conan Doyle was the greatest genre writer Britain has ever produced. Throughout a long writing career, he drew on his own medical background, his travels, and his increasing interest in spiritualism and the occult to produce a spectacular array of Gothic stories. Many of Doyle's writings are recognized as the very greatest tales of terror. They range from hauntings in the polar wasteland to evil surgeons and malevolent jungle landscapes. This collection brings together over thirty of Conan Doyle's best "Gothic Tales," in a scholarly edition for the first time. Darryl Jones's introduction discusses the contradictions in Conan Doyle's very public life - as a medical doctor who became obsessed with the spirit world, or a British imperialist drawn to support

Irish Home Rule - and shows the ways in which these found articulation in that most anxious of all literary forms, the Gothic.

Arthurian Romances Wipf and Stock Publishers

This thesis presents the underlying mechanisms for the occurrence of surface anomalies in turning of difficult-to-cut materials with high-pressure coolant supply. Based on empirical and analytical investigations of each type of surface anomaly, the cause-and-effect relationships between the relevant process parameters and the surface quality were identified, translated into an explanation model and validated in a case study. Finally, an overview of different possibilities for anomaly-free machining with high-pressure coolant supply were discussed.

Harper's New Monthly Magazine Penguin

"With its gentle affirmations, inspirational quotes, fill-in-the-blank lists and tasks — write yourself a thank-you letter, describe yourself at 80, for example — *The Artist's Way* proposes an egalitarian view of creativity: Everyone's got it."—The New York Times "Morning Pages have become a household name, a shorthand for unlocking your creative potential"—Vogue Over four million copies sold! Since its first publication, *The Artist's Way* phenomena has inspired the genius of Elizabeth Gilbert and millions of readers to embark on a creative journey and find a deeper connection to process and purpose. Julia Cameron's novel approach guides readers in uncovering problems areas and pressure points that may be restricting their creative flow and offers techniques to free up any areas where they might be stuck, opening up opportunities for self-growth and self-discovery. The program begins with Cameron's most vital tools for creative recovery - *The Morning Pages*, a daily writing ritual of three pages of stream-of-consciousness, and *The Artist Date*, a dedicated block of time to nurture your inner artist. From there, she shares hundreds of exercises, activities, and prompts to help readers thoroughly explore each chapter. She also offers guidance on starting a "Creative Cluster" of fellow artists who will support you in your creative endeavors. A revolutionary program for personal renewal, *The Artist's Way* will help get you back on track, rediscover your passions, and take the steps you need to change your life.

Jess Willard Xist Publishing

The bestselling Western author continues his bold saga of the American frontier, where one man fights for the very survival of the town called Fury. It's hard country, but the pioneers of Fury (Pop. 112) are banding together to make it a home. With barren lands, blinding dust storms, drought, hostile Apaches, and violent bands of cutthroat outlaws against them, death is never far away. It's enough to make Jason Fury, whose father the town was named after, ride out for San Francisco. But a fiery young redhead named Megan McDonald keeps him Arizona bound—and just in time. When another Apache attack finds the marshal's badge pinned to Jason's unwilling chest, he turns out to be the right man to do whatever it takes—for . . . *A Town Called Fury* Praise for the novels of William W. Johnstone "[A] rousing, two-fisted saga of the growing American frontier." —Publishers Weekly on *Eyes of Eagles* "There's plenty of gunplay and fast-paced action as this old-time hero proves again that a steady eye and quick reflexes are the keys to survival on the Western frontier." —Curled Up with a Good Book on *Dead Before Sundown*

"Journals of Expeditions to the Eastern Interior of Western Australia" by Charles Cooke Hunt.
 Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Federated Institution of Mining Engineers National Geographic Books

This book focus on the challenges faced by cutting materials with superior mechanical and chemical characteristics, such as hardened steels, titanium alloys, super alloys, ceramics and metal matrix composites. Aspects such as costs and appropriate machining strategy are mentioned. The authors present the characteristics of the materials difficult to cut and comment on appropriate cutting tools for their machining. This book also serves as a reference tool for manufacturers working in industry.

Iron Age Pinnacle Books

Jess Willard, the "Pottawatomie Giant," won the heavyweight title in 1915 with his defeat of Jack Johnson, the first black heavyweight champion. At 6 feet, 6 inches and 240 pounds, Willard was considered unbeatable in his day. He nonetheless lost to Jack Dempsey in 1919 in one of the most brutally one-sided contests in fistic history. Willard later made an initially successful comeback but was defeated by Luis Firpo in 1923 and retired from the ring. He died in 1968, largely forgotten by the boxing public. Featuring photographs from the Willard family archives, this first full-length biography provides a detailed portrait of one of America's boxing greats.

The Canadian Horticulturist Open Road Media

An American film editor is caught up in Europe's drug underworld in a "spare and cinematic" character study by the award-winning author of *Soldier's Joy* (Time). Tracy Bateman eeks out a

meager existence as a freelance film editor. Other than alcohol, his closest companion is a dog dying of cancer. And his wife, Lauren, is off with his friend Kevin, who's also his occasional employer. Prospects are grim, but on the day Tracy decides to relieve his dog of his misery, Kevin calls with a job offer. The pay is double what it should be and would take him to Rome. Tracy suspects there's a side job involving drugs, something he and Kevin have dabbled in before with minimal success. But when Lauren shows up with a suitcase full of cash, he sends her home and decides to finish the job on his own. It will take all of his skill to not end up on the cutting floor. Praised by Walker Percy as "not only high entertainment, but high pleasure to read," *Straight Cut* is a "winning novel" that further cements Bell's acclaimed literary reputation (Time).

Straight Cut

What is your plan for the end of the world as we know it? How will you protect the people you love? What will you leave to them when you are gone? The good news is this is not the first time the world has ended. What's more, men were made for times like these. And the men of the past--the good ones, anyway--have left us a plan to follow. They built houses to last--houses that could weather a storm. This book contains their plan.

The Birth of King Arthur and the Knights of the Round Table""My good sir, is she your daughter then?' 'Yes, but don't pay any attention to what she says,' said the lord. 'She's a child - a silly, foolish thing.' 'Indeed,' said my lord Gawain, 'then I'd be very ill-mannered not to do what she wants.'" - Chrétien de Troyes, *Arthurian Romances* Arthurian Romances by Chrétien de Troyes is a collection of short stories set in the Early Middle Ages, in England. They follow the path of several knights - including Lancelot's dad - through adulthood focusing on their romantic affairs. What tests will the knights encounter in order to prove themselves worthy of a woman's love?
