Among the most enduring poetry of all time, William Shakespeare’s 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare’s sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as “The Bard of Avon,” William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare’s works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare’s innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. The prologue of Romeo and Juliet calls the title characters “starcrossed lovers”—and the stars do seem to conspire against these young lovers. Romeo is a Montague, and Juliet a Capulet. Their families are enmeshed in a feud, but the moment they meet—when Romeo and his friends attend a party at Juliet’s house in disguise—the two fall in love and quickly decide that they want to be married. A friar secretly marries them, hoping to end the feud. Romeo and his companions almost immediately encounter Juliet’s cousin Tybalt, who challenges Romeo. When Romeo refuses to fight, Romeo’s friend Mercutio accepts the challenge and is killed. Romeo then kills Tybalt and is banished. He spends that night with Juliet and then leaves for Mantua. Juliet’s father forces her into a marriage with Count Paris. To avoid this marriage, Juliet takes a potion, given her by the friar, that makes her appear dead. The friar will send Romeo word to be at her family tomb when she awakes. The plan goes awry, and Romeo learns instead that she is dead. In the tomb, Romeo kills himself. Juliet wakes, sees his body, and commits suicide. Their deaths appear finally to end the feud.

Richard III is a history play by William Shakespeare, believed to have been written in approximately 1591. The play is an unflattering depiction of the short reign of Richard III of England. While generally classified as a history, as grouped in the First Folio, the play is sometimes called a tragedy (as in the first quarto). It picks up the story from Henry VI, Part 3 and concludes the historical series that stretches back to Richard II.

A military hero of ancient Rome who attempts to shift from his career as a general to become a candidate for public office -- a disastrous move that leads to his heading an attack on Rome. The last of Shakespeare's tragedies, "Coriolanus" is a timeless tale of pride, revenge, and political chicanery. [Othello](#) Bloomsbury Publishing

In a period of ten years, Shakespeare wrote a series of tragedies that established him, by universal consent, in the front rank of the world's dramatists. Critics have praised either Hamlet or King Lear as the greatest of these; Ernst Honigmann, in the most significant edition of the play for a generation, asks: why not Othello? The third of the mature tragedies, it contains, as Honigmann persuasively demonstrates, perhaps the best plot, two of Shakespeare's most original characters, the most powerful scene in any of the plays and poetry second to none. Honigmann's cogent and closely argued introduction outlines the reasons both for a reluctance to recognise the greatness of Othello and for the case against the play.This edition sheds new light on the text of the play as we have come to know it, and on our knowledge of its early history. Honigmann examines the major critical issues, the play in performance and the relationship between reading it and seeing it. He also explores topics such as its date, sources and the conundrum of `double time'. Honigmann's extensive knowledge illuminates this play at every turn, making this the best edition of Othello now available.'Brian Vickers, Review of English Studies

Created by experts from the world's largest and most well-respected Shakespeare archive, The Folger Guide to Teaching Romeo and Juliet provides an innovative approach to teaching and understanding one of Shakespeare's most well-known plays. Romeo and Juliet is one of Shakespeare's most well-known plays, and certainly the one most commonly taught in schools. It's the story of star-crossed young lovers who can't come together because they live in a society governed by blood feuds, violent duels and acts of retribution. Shakespeare's tale of Romeo and Juliet, the adults who fail to help them, and the price that is ultimately paid by so many is a moving story that gives us some of the most familiar and memorable passages in the English language. The Folger Guides to Teaching Shakespeare series is created by the experts at the Folger Shakespeare Library, the nation's largest archive of Shakespeare material and a leading center for both the latest scholarship and education on all things Shakespeare. Based on the proven Folger Method of teaching and informed by the wit, wisdom, and experiences of classroom teachers across the country, the guides offer a lively, interactive approach to teaching and learning Shakespeare, offering students and readers of all backgrounds and abilities a pathway to discovering the richness and diversity of Shakespeare's world. Filled with surprising facts about Shakespeare, insightful essays by scholars, and a day-by-day, five-week teaching plan, these guides are an invaluable resource for teachers, students, and Shakespeare fans alike.

*The Tempest* Hayes Barton Press

Othello, The Moor of Venice is a tragedy by William Shakespeare based on the short story "Moor of Venice" by Cinthio, believed to have been written in approximately 1603. The work revolves around four central characters: Othello, his wife Desdemona, his lieutenant Cassio, and his trusted advisor Iago. Attesting to its enduring popularity, the play appeared in 7 editions between 1622 and 1705. Because of its varied themes -- racism, love, jealousy and betrayal -- it remains relevant to the present day and is often performed in professional and community theatres alike. The play has also been the basis for numerous operatic, film and literary adaptations. (From Wikipedia)(less)

*Romeo and Juliet (Folger Trade)*

The Winter's Tale is a play by William Shakespeare, first published in the First Folio in 1623.

Although it was listed as a comedy when it first appeared, some modern editors have relabeled the play a romance. Some critics, among them W. W. Lawrence (Lawrence, 9-13), consider it to be one of Shakespeare's "problem plays", because the first three acts are filled with intense psychological drama, while the last two acts are comedic and supply a happy ending.
