The Appian Way Abrams

This is one of Paul Beauchamp's most popular books, and has been translated into several languages. It is here offered for the first time in English. Peter Rogers, rector of the Jesuit community in New Orleans, has devoted much time and attention to the translation. The result of his dedication is this beautiful presentation and appreciation of selected Psalms in ways accessible to everyone.

As seen on the SERIAL podcast, season 2, episode 1 ("Dustwun")! Open this wordless book and zoom from a farm to a ship to a city street to a desert island. But if you think you know where you are, guess again. For nothing is ever as it seems in Istvan Banyai's sleek, mysterious landscapes of pictures within pictures, which will tease and delight readers of all ages. "This book has the fascinating appeal of such works of visual trickery as the Waldo and Magic Eye books." -- Kirkus Reviews "Ingenious."-- The Horn Book

In a world built for Perfect Pets, Barnabus is a Failed Project, half mouse, half elephant, kept out of sight until his dreams of freedom lead him and his misfit friends on a perilous adventure. A stunning picture book from international bestsellers The Fan Brothers, joined by their brother Devin Fan. Deep underground beneath Perfect Pets, where children can buy genetically engineered "perfect" creatures, there is a secret lab. Barnabus and his friends live in this lab, but none of them are perfect. They are all Failed Projects. Barnabus has never been outside his tiny bell jar, yet he dreams of one day seeing the world above ground that his pal Pip the cockroach has told him about: a world with green hills and trees, and buildings that reach all the way to the sky, lit with their own stars. But Barnabus may have to reach the outside world sooner than he thought, because the Green Rubber Suits are about to recycle all Failed Projects . . . and Barnabus doesn't want to be made into a fluffier pet with bigger eyes. He just wants to be himself. So he decides it's time for he and the others to escape. With his little trunk and a lot of cooperation and courage, Barnabus sets out to find freedom - and a place where he and his friends can finally be accepted for who they are. This suspenseful, poignant and magical story about following your dreams and finding where you truly belong will draw readers into a surreal, lushly detailed world in which perfection really means being true to yourself and your friends. 'A stately, cathartic morality tale about freeing oneself from the tyranny of wanting to be perfect.' --The Financial Times 'ingeniously imaginative' -- School Library Journal 'A heartfelt, timely allegory celebrating diversity, bravery, and solidarity.'-- Kirkus

Ghoulia and the Ghost with No Name (Book #3) Getty Publications

Retired bank manager Emilio, suffering from Alzheimer's, is taken to an assisted living home by his son. He befriends his roommate Miguel, an overconfident ladies' man. Together, they employ clever tricks to keep the doctors from noticing Emilio's ongoing deterioration — and keep him from being transferred to the dreaded confinement of the top floor of the facility. ("Better to die than to end up there." Their determination to stay active as individuals and maintain their dignity culminates in an adventurous escape.

Amarena. Ediz. Inglese Mondadori Electa

This volume presents the proceedings of an international symposium organized by the Getty Conservation Institute and the J. Paul Getty Museum. The first conference of its kind in twenty years, the symposium assembled an international group of conservators of painted panels, and gave them the opportunity to discuss their philosophies and share their work methods. Illustrated in color

throughout, this volume presents thirty-one papers grouped into four topic areas: Wood Science and Technology, History of Panel-Manufacturing Techniques, History of the Structural Conservation of Panel Paintings, and Current Approaches to the Structural Conservation of Panel Paintings.

The Miracle of the Bears Bloomsbury Visual Arts

A celebration of a beloved and uniquely British garden style. The cottage garden's abundant, informal style is rooted in Victorian dreams of a perfect country life. But it has found new expressions from the Arts & Crafts movement to the present day. This book showcases a selection of National Trust cottage gardens, famous and obscure, including writer Thomas Hardy's cottage in Dorset; the flower-filled cottage garden created at Sissinghurst, Kent, by Vita Sackville-West and Harold Nicolson; the Tudor manor Cothele in Cornwall, Beatrix Potter's Cumbrian home, Hill Top, and the picturesque Alfriston Clergy House in East Sussex. Cottage Gardens also features some of the most famous non-National Trust examples from around the country, including Kelmscott Manor, Dove Cottage and Eastgrove Cottage Garden. With practical advice on creating your own cottage garden, including key plants and techniques, this is a wonderful companion for all garden enthusiasts. With climbing roses, bright hollyhocks, pathways edged with honeysuckle, blossom-filled orchards and wildflower meadows, this is the perfect book to capture the idyllic British country garden.

Empowering, moving and inspirational, these are true fairy tales for heroines who definitely don't need rescuing.

Villas and Gardens of the Renaissance Eerdmans Young Readers

Book #3 in this fully illustrated, not-so-spooky chapter book series starring everyone's favorite little zombie Ghoulia, Auntie Departed, and Tragedy the greyhound are back for another adventure at Crumbling Manor! They're preparing for the annual Dead but Not Departed New Year's Eve party. A young ghost arrives, and he seems to be fading away. Turns out, the ghost has forgotten his own name and is in danger of vanishing entirely—all because there's no one left alive who remembers him. Not on Ghoulia's watch! If she can help the ghost figure out his name, she'll be able to keep him safe. But will Ghoulia be able to discover the truth before it's too late? With all the hijinks and Tim Burton-style art that made Books #1 and #2 fan favorites, Book #3 is sure to deliver!

Kids will spend hours poring over the oversized pages of this joyfully illustrated book that looks at a bustling town's activities in spring. It's springtime in this charming, busy town and there is a lot going on! A house gets a top-to-bottom spring cleaning and farm fields are being prepared for planting. People are shopping, commuting to work, constructing buildings, and meeting friends. If you look closer, you'll recognize the same characters appear on every page, each with their own story. There's Wilfred the jogger slipping on a banana peel and his friend Erica who comes to help him. Three cheerful nuns shop, chat, and share a snack at the cafe. A stork surveys all the activity from the sky while a mischievous fox scampers through the streets. In the tradition of Richard Scarry and Where's Waldo, this book encourages kids to return again and again to each spread, following along with the characters and inventing their own stories. They'll recognize parts of their own world, while also learning about the endless ways we live, work, and play in the spring.

Neapolitan Journey Nosy Crow Limited

The Appian Way was the first great artery from Rome to southern Italy and the model for all roads originating in the ancient capital. Conceived by Appius Claudius in 312 B.C., the thoroughfare provided easy access to Capua, the most important junction in southern Italy, and facilitated Roman expansion into the southern peninsula. Paved in black basalt, the road was flanked by level pedestrian footpaths and bordered by tombs, villas, and pleasant rest and refreshment areas along its 365 miles, which could be walked in thirteen to fourteen days. The Ancient Appian Way provides an engaging account of the Appian Way's origins and historical context. The structure of this lavishly illustrated book mirrors the traveler's route south from Rome, making it an ideal guide to the legendary road for all those with an interest in exploring ancient Rome.

In the Mood for Food Penguin

A book behaving badly! From award-winning Richard Byrne, author of *This Book Just Ate My Dog* (shortlisted for the Children's Book Award) comes another wonderfully inventive book starring Ben and Bella. It's a funny and original high-concept picture book where the book itself interferes with what happens on the page. Ben has a remote-controlled fire engine but when he presses the buttons on the remote the engine doesn't turn or spin or sound its siren. While Ben and Bella scratch their heads over this, strange things are happening to Bella's dog. It's only when Ben tries the VOICE button that Bella's dog is able to speak, warning them that 'This Book is Out of Control!' Readers get the chance to press the buttons and witness the hilarious slapstick results every time the page is turned. It's an interactive experience for the reader who ultimately has to help in restoring normality.
