Every Child Matters Peppertree Press

This book picks 200 of the best Hindi films ever produced and catalogues them. Densely packed and visually appealing, the guide is written in a reader-friendly, accessible style to enable even those not familiar with Hindi to see and understand popular Bollywood films. Entries are arranged genre-wise as drama, comedy and romance, among other categories.

The Ultimate Guide to 21st Century Careers Springer

Meredith Davis draws on her many years' experience teaching graphic design students to explain complex theories with total clarity, encouraging readers to evaluate existing design work critically, and to use theoretical frameworks to enhance their own studio practice.

Carnal Resonance Univ of California Press

For almost half a century, the Miss India competition has been a prominent feature of Indian popular culture, influencing, over time, the conventional standard for female beauty. As India participates increasingly in a global economy, that standard is

gradually being shaped by forces beyond the country's borders. Through the unexpected lens of the 2003 beauty pageant, Susan Dewey's *Making Miss India Miss World* examines what feminine beauty has come to mean in a country transformed by recent political, economic, and cultural developments.

Lusty Liaisons Romantic Erotica Sex Stories Oxford University Press, USA

Darby Kane thrills with this twisty domestic suspense novel that asks one central question: shouldn't a dead husband stay dead? Lila Ridgefield lives in an idyllic college town, but not everything is what it seems. Lila isn't what she seems. A student vanished months ago. Now, Lila's husband, Aaron, is also missing. At first these cases are treated as horrible coincidences until it's discovered the student is really the third of three unexplained disappearances over the last few years. The police are desperate to find the connection, if there even is one. Little do they know they might be stumbling over only part of the truth.... With the small town in an uproar, everyone is worried about the whereabouts of their beloved high school teacher. Everyone except Lila, his wife. She's definitely confused about her missing husband but only because she was the last person to see his

body, and now it's gone.

Gender and Criminality in Bangla Crime Narratives MIT Press

A special treat for Nancy Drew fans, and any reader who's new to the series! We're releasing a stunning new edition of an old favorite: *The Hidden Staircase*, the second book in the incredibly popular, long-running series. It's the same exciting mystery that readers have fallen in love with for more than 80 years—Nancy Drew has to find the mysterious ghost that seems to be haunting Twin Elms, and make sure no more prized possessions disappear under her nose. Now with a brand-new look, this is an edition that collectors won't want to miss!

Nancy Drew 01: the Secret of the Old Clock HarperCollins

Drawing on recent theories of virtuality, performativity, and governmentality, and on post-colonial activist scholarship, this book presents a series of ethnographic and archival studies of what Mukhopadhyay terms "vernacular globalization" in India. The book's six provocative chapters cover a wide range of events, objects, histories, narratives and episodes with the intent of interrogating what Franz Fanon called the "zone of occult instability where the people dwell." They span subjects as diverse as the quotidian commodity fetishism of rural cargo cults which thrive on bazaar rumours about Chinese dumping in Communist Calcutta; desi cyberporn showcasing "fat aunties" and Gandhi; Indo-Persian travelogues about England and women's travel narratives to Japan, embodying local traditions of cosmopolitanism; folk scroll paintings about 9/11 in the art historical mode; and vernacular civic traditions of urbanism as interpreted through grotty slum photographs. *The Rumour of Globalization* presents facades of vernacular India negotiating globalising forces through a distinctive style of ethnography (fabulation) which is sensitive to subaltern political aspirations while maintaining a broad commitment to Marxist theory, Subaltern Studies scholarship and post-structuralist theory.

Stars from Another Sky Advaita Ashrama (A Publication branch of Ramakrishna Math, Belur Math)

NEW YORK TIMES BESTSELLER • More than 1 million copies in print! • The authors of *No-Drama Discipline* and *The Yes Brain* explain the new science of how a child's brain is wired and how it matures in this pioneering, practical book. "Simple, smart, and effective solutions to your child's struggles."—Harvey Karp, M.D. In this pioneering, practical book, Daniel J. Siegel, neuropsychiatrist and author of the bestselling *Mindsight*, and parenting expert Tina Payne Bryson offer a revolutionary approach to child rearing with twelve key strategies that foster healthy brain development, leading to calmer, happier children. The authors explain—and make accessible—the new science of how a child's brain is wired and how it matures. The "upstairs brain," which makes decisions and balances emotions, is under construction until the mid-twenties. And especially in young children, the right brain and its emotions tend to rule over the logic of the left brain. No wonder kids throw tantrums, fight, or sulk in silence. By applying these discoveries to everyday parenting, you can turn any outburst, argument, or fear into a chance to integrate your child's brain and foster vital growth. Complete with age-appropriate strategies for dealing with day-to-day struggles and illustrations that will help you explain these concepts to your child, *The Whole-Brain Child* shows you how to cultivate healthy emotional and intellectual development so that your children can lead balanced, meaningful, and connected lives. "[A] useful child-rearing resource for the entire family . . . The authors include a fair amount of brain science, but they present it for both adult and child audiences."—Kirkus Reviews "Strategies for getting a youngster to chill out [with] compassion."—The Washington Post "This erudite, tender, and funny book is filled with fresh ideas based on the latest

neuroscience research. I urge all parents who want kind, happy, and emotionally healthy kids to read *The Whole-Brain Child*. This is my new baby gift."—Mary Pipher, Ph.D., author of *Reviving Ophelia* and *The Shelter of Each Other* "Gives parents and teachers ideas to get all parts of a healthy child's brain working together."—Parent to Parent

Looking for the career of your choice and don't want to take the beaten path? Then pick up this book and get ready for your dream career! *The Ultimate Guide to 21st Century Careers* is designed to provide you with all the information you need about new careers in a range of fields. Specially designed for the modern Indian student, it is the first book in years to give detailed overviews of job profiles under each field it covers, as well as offer a roadmap to students on how to get these jobs. In its pages you will find: • Detailed information about the roles you can pursue in every field. • Exercises that will help you assess your skill sets and interests, and correlate them to specific career paths. • A comprehensive list of colleges, both in India and abroad, that offer courses in each field. • Estimates of the salaries you could expect to earn in every profession and role. • Testimonies from experts in different areas, providing a peek into their daily work lives. Whether you are interested in problem-solving or ideating, creating something new or working with people, this book is your one-stop compendium to finding your niche and excelling in it.

Out of the Rain Penguin Random House India Private Limited

A classic ghost story with twists and turns: a spooky house, a malevolent spirit and two plucky heroines. In 1960s Toronto, two girls retreat to their attics to escape the loneliness and isolation of their lives. Polly lives in a house bursting at the seams with people, while Rose is often left alone by her busy parents. Polly is a down-to-earth dreamer with a wild imagination and an obsession with ghosts; Rose is a quiet, ethereal waif with a sharp tongue. Despite their differences, both girls spend their days feeling invisible and seek solace in books and the cozy confines of their respective attics. But soon they discover they aren't alone—they're actually neighbors, sharing a wall. They develop an unlikely friendship, and Polly is ecstatic to learn that Rose can actually see and talk to ghosts. Maybe she will finally see one too! But is there more to Rose than it seems? Why does no one ever talk to her? And why does she look so ... ghostly? When the girls find a tombstone with Rose's name on it in the cemetery and encounter an angry spirit in her house who seems intent on hurting Polly, they have to unravel the mystery of Rose and her strange family... before it's too late.

Blender 3D By Example D C Books

A work that bridges media archaeology and visual culture studies argues that the Internet has emerged as a mass medium by linking control with freedom and democracy. How has the Internet, a medium that thrives on control, been accepted as a medium of freedom? Why is freedom increasingly indistinguishable from paranoid control? In *Control and Freedom*, Wendy Hui Kyong Chun explores the current political and technological coupling of freedom with control by tracing the emergence of the Internet as a mass medium. The parallel (and paranoid) myths of the Internet as total freedom/total control, she says, stem from our reduction of political problems into technological ones. Drawing on the theories of Gilles Deleuze and Michel Foucault and analyzing such phenomena as Webcams and face-recognition technology, Chun argues that the relationship between control and freedom in networked contact is experienced and negotiated through sexuality and race. She traces the desire for cyberspace to cyberpunk fiction and maps the transformation of public/private into open/closed. Analyzing

"pornocracy," she contends that it was through cyberporn and the government's attempts to regulate it that the Internet became a marketplace of ideas and commodities. Chun describes the way Internet promoters conflated technological empowerment with racial empowerment and, through close examinations of William Gibson's *Neuromancer* and Mamoru Oshii's *Ghost in the Shell*, she analyzes the management of interactivity in narratives of cyberspace. The Internet's potential for democracy stems not from illusory promises of individual empowerment, Chun argues, but rather from the ways in which it exposes us to others (and to other machines) in ways we cannot control. Using fiber optic networks—light coursing through glass tubes—as metaphor and reality, *Control and Freedom* engages the rich philosophical tradition of light as a figure for knowledge, clarification, surveillance, and discipline, in order to argue that fiber-optic networks physically instantiate, and thus shatter, enlightenment.

Rumor of Globalization Simon and Schuster

The outstanding new Fargo adventure from the #1 New York Times bestselling author. There are many rumors about the bay off Guadalcanal in the Solomon Islands. Some say it was the site of the lost empire of the Solomon king and that great treasure lies beneath the waters. Others say terrible things happened here, atrocities and disappearances at the hands of cannibal giants, and those who venture there do not return. It is cursed. Which is exactly what attracts the attention of husband-and-wife treasure-hunting team Sam and Remi Fargo. How could they resist? Clues and whispers lead them on a hunt from the Solomons to Australia to Japan, and what they find at the end of the trail is both wonderful and monstrous--and like nothing they have ever seen before.

Porn Studies Delacorte Press

Combining historical and ethnographic analysis, this book deals with the making of the heterosexual imagination from the beginning of the twentieth century to the present in the Indian context. This unique book uses methods from anthropology, cultural studies and history to explore the making of modern cultures of sexuality in India. It provides an analysis of the sexual and domestic politics of the period by focusing on the vast corpus of publications and journals on sexology from the 1920s to the 1940s, and links Indian activities with those in other parts of the world. The author analyzes material that has thus far been outside the purview of scholarly studies, namely, 'footpath pornography', magazines such as *Sexology Mirror* (in Hindi), women's magazines dealing explicitly with sex and sexuality.

Hard-Core Romance MIT Press

Unforgettable reminiscences about the eccentric, glamorous, yet angst-ridden Hindi film world of the 1940s. Saadat Hasan Manto, one of the greatest short story writers of the Urdu language, was also a film journalist and story-writer for the Hindi film industry in Bombay. As an insider he was privy to the most private moments of the men and women who have dazzled generations of audiences. In this series of sketches, Ashok Kumar, the screen idol of yore, emerges as a shy, yet brilliant actor, forever looking to flee the eager advances of his female fans; Nargis comes across as just another young girl looking for companionship among her peers before she steps on the ladder that will forever take her away from the comforts of an ordinary middle-class life; and Shyam—the dashing, handsome hero—is portrayed as a straightforward, flirtatious young man pining for the woman he loves. Manto also describes in detail the obsessions of Sitara Devi; the unfulfilled desires of Paro Devi; and the intriguing twists and turns which transform Neena Devi from an ordinary housewife into a pawn in the hands of film companies. He writes with relish about the bunglings of the comedian V.H. Desai and

the incredible dedication of Nawab Kaashmiri to the art of acting. There are also stories about the rise of Nur Jehan as the greatest singer of her times; and the various peccadilloes of the musician, Rafiq Ghaznavi. With subjects ranging from film journalism to the sexual eccentricities of these stars, Manto brings to life a generation with his characteristic verve and honesty.

Cyber Sexy National Geographic Books

Welcome to the world of Vidhyadhar & The Universe of Magic. A story about epic and dramatic battle scenes, grand entrances, formidable magical beings, powerful weapons, divine artifacts, fierce and vigorous men and women with magic fighting negative forces, all in a spellbinding universe where magic far beyond human comprehension exists. A dynamic tale set in 21st Century India, where magical beings like Deities, Vets, Werewolves, Witches, Yakshas, Naagmanavs, and many other negative elements live amongst humans. A world where centuries of animosity has persisted between the various magical species, that also involves humans. A story about an accomplished Vidhyadhar gone rogue, Nedarraj, well-versed in both light and dark magic, who wants to rule over the world to maintain better order and assert his dominance, and would stoop to any extent to fulfill his vision. But our protagonist Trilokvijay, another Vidhyadhar, aims to put an end to this by doing whatever it takes to stop this from happening to keep the world safe. The fate of the world depends on the two Vidhyadhars, along with their powerful allies-- human and magical. Let us dive deep into this fascinating world of magic inspired by Indian mythology. An exciting fantasy universe of magic, mages, and magical creatures awaits you.

Gentle Rogue HarperCollins Leadership

From its beginnings in Twilight fan-fiction to its record-breaking sales as an e-book and paperback, the story of the erotic romance novel *Fifty Shades of Grey* and its two sequels is both unusual and fascinating. Having sold over seventy million copies worldwide since 2011, E. L. James's lurid series about a sexual ingénue and the powerful young entrepreneur who introduces her to BDSM sex has ingrained itself in our collective consciousness. But why have these particular novels—poorly written and formulaic as they are—become so popular, especially among women over thirty? In this concise, engaging book, Eva Illouz subjects the *Fifty Shades* cultural phenomenon to the serious scrutiny it has been begging for. After placing the trilogy in the context of best-seller publishing, she delves into its remarkable appeal, seeking to understand the intense reading pleasure it provides and how that resonates with the structure of relationships between men and women today. *Fifty Shades*, Illouz argues, is a gothic romance adapted to modern times in which sexuality is both a source of division between men and women and a site to orchestrate their reconciliation. As for the novels' notorious depictions of bondage, discipline, and sadomasochism, Illouz shows that these are as much a cultural fantasy as a sexual one, serving as a guide to a happier romantic life. The *Fifty Shades* trilogy merges romantic fantasy with self-help guide—two of the most popular genres for female readers. Offering a provocative explanation for the success and popularity of the *Fifty Shades of Grey* novels, *Hard-Core Romance* is an insightful look at modern relationships and contemporary women's literature.

The Whole-Brain Child Prabhat Prakashan

A USA TODAY, WASHINGTON POST, AND PUBLISHER'S WEEKLY BESTSELLER! The path to your life's work is difficult and risky, even scary, which is why few finish the journey. This book will help you discover your life's work to live a life that matters with passion and purpose. It's about the task you were born to do, your true life's work. Bestselling author and entrepreneur Jeff

Goins explains how the search begins with passion but does not end there. Only when our interests connect with the needs of the world do we begin living for a larger purpose. Those who experience this intersection experience something exceptional and enviable. Though it is rare, such a life is attainable by anyone brave enough to try. Through personal experience, compelling case studies, and current research on the mysteries of motivation and talent, Jeff shows you how to find their vocation and what to expect along the way. In *The Art of Work*, you'll learn: The seven stages of calling to discover your life's work How accidental apprenticeships differ from mentoring and why taking action is key How believing The Myth of the Leap can prevent you from achieving your dreams To live The Portfolio Life and how it can lead to your greatest satisfaction and best work Our hearts crave connection to a meaningful calling. *The Art of Work* illuminates the proven path for anyone who wants to embrace that calling and build a body of work they can be proud of.

The Art of Work Om Publication

Singing in the Dark is an intercontinental collection of poetic responses at a time when the coronavirus pandemic has dramatically altered the world. More than a hundred of the world's most esteemed poets reflect upon a crisis that has impacted the entire human world and laid bare all our vulnerabilities. The poems capture all its dimensions: the trauma of solitude, the unexpected transformation in the expression of interpersonal relationships, the even sharper visibility of the class divide, the marvellous revival of nature and the profound realization of the transience of human existence. The moods vary from quiet contemplation and choking anguish to suppressed rage and cautious celebration in an anthology that serves as an aesthetic archive of a strange era in human history.
