Academic Ableism brings together disability studies and institutional critique to recognize the ways that disability is composed in and by higher education, and rewrites the spaces, times, and economies of disability in higher education to place disability front and center. For too long, argues Jay Timothy Dolmage, disability has been constructed as the antithesis of higher education, often positioned as a distraction, a drain, a problem to be solved. The ethic of higher education encourages students and teachers alike to accentuate ability, valorize perfection, and stigmatize anything that hints at intellectual, mental, or physical weakness, even as we gesture toward the value of diversity and innovation. Examining everything from campus accommodation processes, to architecture, to popular films about college life, Dolmage argues that disability is central to higher education, and that building more inclusive schools allows better education for all. *Exile's Return* Duke University Press

NEW YORK TIMES BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE *A Little Life* follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s latest bestselling novel, *To Paradise*.

David Valentine is revered as a hero for his part in fighting to regain Earth's freedom. When a former Quisling traitor is badly wounded, he asks Valentine to find his wife, who has vanished into the darkness of the Kurian Order. With the help of old friends and new allies, Valentine traces her

to a mysterious, heavily guarded compound in Ohio. And what Valentine finds within will shake his sanity to its very core.

*Night Sky with Exit Wounds* Fernwood Publishing

In *Bodyminds Reimagined* Sami Schalk traces how black women's speculative fiction complicates the understanding of bodyminds—the intertwining of the mental and the physical—in the context of race, gender, and (dis)ability. Bridging black feminist theory with disability studies, Schalk demonstrates that this genre's political potential lies in the authors' creation of bodyminds that transcend reality's limitations. She reads (dis)ability in neo-slave narratives by Octavia Butler (*Kindred*) and Phyllis Alesia Perry (*Stigmata*) not only as representing the literal injuries suffered under slavery, but also as a metaphor for the legacy of racial violence. The fantasy worlds in works by N. K. Jemisin, Shawntelle Madison, and Nalo Hopkinson—where werewolves have obsessive-compulsive-disorder and blind demons can see magic—destabilize social categories and definitions of the human, calling into question the very nature of identity. In these texts, as well as in Butler’s *Parable* series, able-mindedness and able-bodiedness are socially constructed and upheld through racial and gendered norms. Outlining (dis)ability's centrality to speculative fiction, Schalk shows

how these works open new social possibilities while changing conceptualizations of identity and oppression through nonrealist contexts.

*Alice in Exile* Harvard University Press

Revised and Expanded Edition Wait—what's wrong with rights? It is usually assumed that trans and gender nonconforming people should follow the civil rights and "equality" strategies of lesbian and gay rights organizations by agitating for legal reforms that would ostensibly guarantee nondiscrimination and equal protection under the law. This approach assumes that the best way to address the poverty and criminalization that plague trans populations is to gain legal recognition and inclusion in the state's institutions. But is this strategy effective? In *Normal Life* Dean Spade presents revelatory critiques of the legal equality framework for social change, and points to examples of transformative grassroots trans activism that is raising demands that go beyond traditional civil rights reforms. Spade explodes assumptions about what legal rights can do for marginalized populations, and describes transformative resistance processes and formations that address the root causes of harm and violence. In the new afterword to this revised and expanded edition, Spade notes the rapid mainstreaming of trans politics and finds that his predictions that gaining legal recognition will fail to benefit trans populations are coming to fruition. Spade examines recent efforts by the Obama administration and trans equality advocates to "pinkwash" state violence by articulating the US military and prison systems as sites for trans inclusion reforms. In the context of recent increased mainstream visibility of trans people and trans politics, Spade continues to advocate for the dismantling of systems of state violence that shorten the lives of trans people. Now more than ever, *Normal Life* is an urgent call for justice and trans liberation, and the radical transformations it will require.

By critically acclaimed author Piers Paul Read, *Alice in Exile* is an exquisite historical novel featuring Alice Fry--a free-thinking and independent-minded woman in a world ruled by men--and the two men who love her. It is 1913 when Alice, the daughter of a radical publisher, meets Edward Cobb, the eligible young son of a baronet who has recently quit the army to pursue his political ambitions. Edward's family could accept his liaison with a girl they consider "fast," but when he proposes, they are appalled. When Alice's father becomes involved in a scandal, it becomes clear that Edward must choose between Alice and his political career. He breaks off the engagement, unaware that his lover is expecting his child. Desperate, Alice accepts the offer of a rich and charming (if somewhat predatory) Baron Rettenberg, returning to Russia with him to serve as a governess for his children, while Edward marries suitably, but unhappily. Two of the greatest cataclysms of the twentieth century--the Russian Revolution and World War I--serve as backdrops to Alice's story as she raises her young son, yearns for Edward, and begins to fall passionately for the Baron. *Alice in Exile* is Piers Paul Read's triumphant return to the fiction for which he is widely hailed--romantic, dramatic, and rich with historical detail and fascinating characters that make Alice's story an enchanting and unforgettable read.

**A Pride of Princes** Penguin

The fifth book in the *Chronicles of the Cheysuli* continues a tale of magical warriors and shapeshifters as they battle the sorcerers that threaten their existence Brennan, Hart and Corin were the three Cheysuli sons of Niall, ruler of Homana, and the next link in the generations-old prophecy of the Firstborn. Now the time had come for all three to take the paths for which they were fated: Brennan, heir to the throne of Homana, would face the menace of unknown assassins and treacherous Ihlini magic. Hart, Brennan's younger twin, must journey to Solinde, the kingdom which would one day be his to rule—a land that longed to see the Cheysuli prince overthrown. And Corin, the youngest prince, must battle sorcery and madness in the court of distant Atvia. Three princes, three destinies—and if even one should fail to fulfill the patterns of prophecy, Homanan and Cheysuli alike would pay a deadly price....

*The Four Guardians* Jacana Media

The complexity and uncertainty of the idea of home are very much at issue in the stories Gallant writes about Canada, her home country. Included in this new collection are the celebrated Linnet Muir stories, wonderfully wise and funny investigations into the difficulties of growing up and breaking free.

*Things Fall Apart* Copper Canyon Press

A Coming of Age Shapeshifter Story Lies. Murder. Vengeance.For centuries, humans descended on shifters' lands, killing and claiming. They devoured all in their path--gold, God, and glory their battle cries. From the flames of destruction on the Zafeo continent, two nations emerged--the

human territory of Vumaris and the feline nation of Shona. No more wars. No more bloodshed.Eight decades of peace.For eighteen-year-old Asha, traveling to Vumaris with her parents, lion alphas of the Kingdom of Shona, should've been a simple matter. Recommitting to an eighty-year-old peace treaty between their countries should've been easier still. Yet, greed and corruption know no boundaries of time and place. So when a group of mercenaries converges on Sanctum Hotel, hellbent on kidnapping Asha and assassinating her parents, her family trip turns into the bloodiest night of her life. Will Asha lose those closest to her heart--her parents and Ekon, a young bodyguard she loves. If so, will she forgive her enemies or seek divine retribution?Only time will tell, and it's running out for Princess Asha of the Kingdom of Shona.Warning: Gun violence and torture (non-sexual)

*Exile and Pride* Fernwood Publishing

The adventures and attitudes shared by the American writers dubbed "The Lost Generation" are brought to life here by one of the group's most notable members. Feeling alienated in the America of the 1920s, Fitzgerald, Crane, Hemingway, Wilder, Dos Passos, Crowley, and many other writers "escaped" to Europe, some forever, some as temporary exiles. As Cowley details in this intimate, anecdotal portrait, in renouncing traditional life and literature, they expanded the boundaries of art.

*Capitalism and Disability* Harvard University Press

"A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world." —Barack Obama "African literature is incomplete and unthinkable without the works of Chinua Achebe." —Toni Morrison Nominated as one of America's best-loved novels by PBS's The Great American Read *Things Fall Apart* is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, *Things Fall Apart* explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, *Things Fall Apart* provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

**Bodyminds Reimagined** BRILL

First published in 1999, the groundbreaking *Exile and Pride* is essential to the history and future of disability politics. Eli Clare's revelatory writing about his experiences as a white disabled genderqueer activist/writer established him as one of the leading writers on the intersections of queerness and disability and permanently changed the landscape of disability politics and queer liberation. With a poet's devotion to truth and an activist's demand for justice, Clare deftly unspools the multiple histories from which our ever-evolving sense of self unfolds. His essays weave together memoir, history, and political thinking to explore meanings and experiences of home: home as place, community, bodies, identity, and activism. Here readers will find an intersectional framework for understanding how we actually live with the daily hydraulics of oppression, power, and resistance. At the root of Clare's exploration of environmental destruction and capitalism, sexuality and institutional violence, gender and the body politic, is a call for social justice movements that are truly accessible to everyone. With heart and hammer, *Exile and Pride* pries open a window onto a world where our whole selves, in all their complexity, can be realized, loved, and embraced.

This carefully crafted ebook: "*Pride and Prejudice & Sense and Sensibility*" is formatted for your eReader with a functional and detailed table of contents. "*Pride and Prejudice*" - Mr. Bennet of the Longbourn estate has five daughters, but his property is entailed, meaning that none of the girls can inherit it. His wife has no fortune, so it is imperative that at least one of the girls marry well in order to support the others on his death. The story charts the emotional development of Elizabeth Bennet who learns the error of making hasty judgments and comes to appreciate the difference between the superficial and the essential. "*Sense and Sensibility*" - When Mr. Henry Dashwood dies, his house, Norland Park, must pass directly to his grandson, the son of John Dashwood, the child of the elder Dashwood's first wife. His second wife, Mrs. Dashwood, and their daughters, Elinor, Marianne and Margaret, inherit only a small income, but John makes a promise to his father that he will take care of his half-sisters. However, John's greedy wife, Fanny, persuades him to renege on the promise and the Dashwood women soon become the unwelcome guests in Norland Park. Mrs. Dashwood decides to move her family to Barton Cottage in Devonshire, near the home of her cousin, Sir John Middleton.

**Song of the Exile** NYRB Classics

Spread out over many years and many different publications, the late author and activist Marta Russell wrote a number of groundbreaking and insightful essays on the nature of disability and oppression under capitalism. In this volume, Russell's various essays are brought together in one place in order to provide a useful and expansive resource to those interested in better understanding the ways in which the modern phenomenon of disability is shaped by capitalist economic and social relations. The essays range in analysis from the theoretical to the topical, including but not limited to: the emergence of disability as a "human category" rooted in the rise of industrial capitalism and the transformation of the conditions of work, family, and society corresponding thereto; a critique of the shortcomings of a purely "civil rights approach" to addressing the persistence of disability oppression in the economic sphere, with a particular focus on the legacy of the Americans with Disabilities Act of 1990; an examination of the changing position of disabled people within the overall system of capitalist production utilizing the Marxist economic concepts of the reserve army of the unemployed, the labor theory of value, and the exploitation of wage-labor; the effects of neoliberal capitalist policies on the living conditions and social position of disabled people as it pertains to welfare, income assistance, health care, and other social security programs; imperialism and war as a factor in the further oppression and immiseration of disabled people within the United States and globally; and the need to build unity against the divisive tendencies which hide the common economic interest shared between disabled people and the often highly-exploited direct care workers who provide services to the former.

**Queer Voices** Penguin

A collection of poetry and prose, *The Marrow's Telling* spans fifteen years, exploring how bodies carry history and identity over time. Embracing contradiction and repetition, this work maps itself around embodied experiences of disability, race, gender transgression and transition, family violence, and sexuality.

**Valentine's Exile** Penguin

In this epic, original novel in which Hawaii's fierce, sweeping past springs to life, Kiana Davenport, author of the acclaimed *Shark Dialogues*, draws upon the remarkable stories of her people to create a timeless, passionate tale of love and survival, tragedy and triumph, survival and transcendence. In spellbinding, sensual prose, *Song of the Exile* follows the fortunes of the Meahuna family—and the odyssey of one resilient man searching for his soul mate after she is torn from his side by the forces of war. From the turbulent years of World War II through Hawaii's complex journey to statehood, this mesmerizing story presents a cast of richly imagined characters who rise up magnificent and forceful, redeemed by the spiritual power and the awesome beauty of their islands.

**Pride and Prejudice & Sense and Sensibility** Duke University Press

This collection brings together scholars and artists in disability studies, sexuality, queer theory, and feminism, to show how much sexuality studies and disability studies have to learn from each other.

[Exile's Gate](#) University of Michigan Press

Austin Voronkov is many things. He is an engineer, an inventor, an immigrant from Russia to Bridgeport, Connecticut, in 1913, where he gets a job at a rifle factory. At the house where he rents a room, he falls in love with a woman named Julia, who becomes his wife and the mother of his three children. When Austin is wrongly accused of attending anarchist gatherings his limited grasp of English condemns him to his fate as a deportee, retreating with his new bride to his home in Russia, where he and his young family become embroiled in the Civil War and must flee once again, to Mexico. While Julia and the children are eventually able to return to the U.S., Austin becomes indefinitely stranded in Mexico City because of the black mark on his record. He keeps a

daily correspondence with Julia, as they each exchange their hopes and fears for the future, and as they struggle to remain a family across a distance of two countries. Austin becomes convinced that his engineering designs will be awarded patents, thereby paving the way for the government to approve his return and award his long sought-after American citizenship. At the same time he becomes convinced that an FBI agent is monitoring his every move, with the intent of blocking any possible return to the United States. Austin and Julia's struggles build to crisis and heartrending resolution in this dazzling, sweeping debut. The novel is based in part on Vanessa Manko's family history and the life of a grandfather she never knew. Manko used this history as a jumping off point for the novel, which focuses on borders between the past and present, sanity and madness, while the very real U.S.-Mexico border looms. The novel also explores how loss reshapes and transforms lives. It is a deeply moving testament to the enduring power of family and the meaning of home.
