Saraswati's Secret River African Books Collective

The Kama Sutra The Standard Work on Human Sexual Behavior By Vatsyayana Translated from the Sanscrit In Seven Parts, with Preface, Introduction and Concluding Remarks. New Edition The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life. The Kama Sutra is the oldest and most notable of a group of texts known generically as Kama Shastra (Sanskrit: Kama Sastra). Historians attribute Kamasutra to be composed between 400 BCE and 200 CE. John Keay says that the Kama Sutra is a compendium that was collected into its present form in the 2nd century CE.

Dear Ijeawe, or A Feminist Manifesto in Fifteen Suggestions Crown

Swami Satchidanandendra's major work represents the first large scale critical history of Advaita Vedanta ever attempted. It seeks to establish a clear view of the traditional advaita vedanta based on the upanishads Brahma sutras and bhagavad gita as syst

Integral Education Notion Press

NEW YORK TIMES BESTSELLER • The highly acclaimed, provocative essay on feminism and sexual

politics—from the award-winning author of Americanah "A call to action, for all people in the world, to undo the gender hierarchy." —Medium In this personal, eloquently-argued essay—adapted from the much-admired TEDx talk of the same name—Chimamanda Ngozi Adichie offers readers a unique definition of feminism for the twenty-first century. Drawing extensively on her own experiences and her deep understanding of the often masked realities of sexual politics, here is one remarkable author's exploration of what it means to be a woman now—and an of-the-moment rallying cry for why we should all be feminists.

The Bhagavad-Gītā, with the Commentary of Śrī Śankarāchārya State University of New York Press Almost unique among the works of Muslim scholars, this book, which for Malikis is THE Risalah, was written for children when the author was 17 years old. The sheer pedagogical audacity of introducing children to what is in effect a complete overview of life and human society escapes most people and most Muslims today. The author commences with usul ad-deen - the roots of the deen - a survey of the vital Muslim worldview, proceeding then through purification and the acts of 'ibadah, the ordinary transactions such as marriage, divorce, buying and selling and so forth, and concluding with chapters of a general and miscellaneous nature. The book is here matched by the outstanding lucidity of the translation which reveals a book written in a narrative descriptive style rather than in a didactic scholarly tone, making it breathtakingly accessible. So significant was the book's authorship and so quickly was it recognised that its author became known as the "Young Malik" and his work became a foundational pillar of the madhhab of the School of Madinah and has endured for a millennium, in use both to teach absolute beginners as intended and as a resource for scholars. This edition presents the translation in parallel with the Arabic text without vowelisation (tashkeel). Ibn Abi Zayd al-Qayrawani (310 AH/922 CE - 386 AH/996 CE) was born in Qayrawan in Tunisia, arguably one of the most important Muslim cities after Makkah and Madinah, which was always famous for learning and in particular for its staunch adherence to the school of the people of Madinah as transmitted by Imam Malik. His life was overshadowed by the Fatimid dynasty, during which he and the other teachers of Qayrawan calmly kept alive the teaching of the Book of Allah and the Sunnah. Among his other well-known works are the massive multi-volume an-Nawadir wa'z-Ziyadat and a mukhtasar-abridgement of the Mudawwanah of which only the Kitab al-Jami', a comprehensive work containing a wide variety of topics, is extant. Aisha Bewley is the translator of a large number of classical works of Islam and Sufism, often in collaboration with Abdalhaqq Bewley, notably The Noble Qur'an - a New Rendering of Its Meanings in English; Muhammad, Messenger of Allah - the translation of Qadi 'Iyad's ash-Shifa'; the Muwatta' of Imam Malik ibn Anas; and Imam an-Nawawi's Riyad as-Salihin.

Hatha Yoga Pradipika Xulon Press

Heir to a diverse array of traditions, the Indian subcontinent boasts customs that are distinguished by a constant juxtaposition of the ancient and the modern. The omnibus culture that has resulted from a rich history reflects an accommodation of ideas from across the globe and over time. This inviting narrative examines the tapestry of major events and beliefs that imbue everyday Indian life with vitality, and it presents the remarkable achievements in writing and the arts that have influenced individuals throughout the world.

Speaking of Śiva David De Angelis

Just a thousand years ago, India was dotted with universities across its length and breadth, where international students flocked to gain credentials in advanced education. This illustrated book describes how these multi-disciplinary centers of learning existed in several forms such as forest universities, brick-and-mortar universities and temple universities. It examines the funding for these citadels of learning and their graduation ceremonies. The process by which India's ancient systems of education helped to fuel a knowledge revolution around the world with its manuscripts, forming the basis for monographs and academic papers, is explained with references. The marauding

incursions by Muslim invaders, which disrupted the idyllic world of university learning in India, followed by European colonization, which led to further erosion and degeneration of India's traditional learning systems, have been taken up in some detail. Readers will get a snapshot view of India's education system down the ages from ancient to modern times.

Educational Challenges in Multilingual Societies Association of Grandparents of Indian Immigrants

A Lesson for the Teacher is the autobiographical journey of a man from a Jewish family, raised with mixed and often confusing views about faith and life. As he stumbles his way into teaching, and into the hands of God, the door is opened for him to learn the greatest lesson of all, from the greatest teacher of all-Jesus. A serious medical diagnosis, and a zeal for music and Bob Dylan become additional vehicles that move the story, through humorous and sorrowful times to its revelation of the Lord's wonderful plan for our lives. Jay Heisler was born and raised in New York's Bronx, where he earned his Masters in Education from Lehman College. After college he moved to Florida, where he teaches special needs children. Jay plays guitar for pleasure, worship, and as a teaching tool to help reach and stimulate his students through rhythmic movement and audio focus. Having spoken his testimony about the Lord to friends and family, he now feels the need to reach out and share his experience with as many as possible, in his first co-authored literary work: A Lesson for the Teacher. Paulette Heisler grew up in California where she became interested in art and design at an early age. She paints and designs, and volunteers her talents to faith-based organizations. Extensive travel has given her an interest in many cultures, which she incorporates into her designs, cooking, and decorating.

Values and Peace Education Macmillan

Herman Hesse's classic novel has delighted, inspired, and influenced generations of readers, writers, and thinkers. In this story of a wealthy Indian Brahmin who casts off a life of privilege to seek spiritual fulfillment. Hesse synthesizes disparate philosophies--Eastern religions, Jungian archetypes, Western individualism--into a unique vision of life as expressed through one man's search for true meaning.

A Systematic Course in the Ancient Tantric Techniques of Yoga and Kriya Macmillan

Ambedkar was a prolific student, earning doctorates in economics from both Columbia University and the London School of Economics, and gained a reputation as a scholar for his research in law, economics and political science. In his early career he was an economist, professor, and lawyer. His later life was marked by his political activities; he became involved in campaigning and negotiations for India's independence, publishing journals, advocating political rights and social freedom for Dalits, and contributing significantly to the establishment of the state of India. In 1956 he converted to Buddhism, initiating mass conversions of Dalits.

Siddhartha Legare Street Press

The oldest and most extensive written language of Southeast Asia is Old Javanese, or Kawi. It is the oldest language in terms of written records, and the most extensive in the number and variety of its texts. Javanese literature has taken many forms. At various times, prose stories, sung poetry or other metrical types, chronicles, scientific, legal, and philosophical treatises, prayers, chants, songs, and folklore were all written down. Yet relatively few texts are available in English. The unstudied texts remaining are an unexplored record of Javanese culture as well as a language still alive as a literary medium in Bali. Introduction to Old Javanese Language and Literature represents a first step toward remedying the dearth of Old Javanese texts available to English-speaking students. The ideal teaching companion, this anthology offers transliterated original texts with facing-page English translations. The anthology focuses on prose selections, since their straightforward style and syntax

offer the beginning student the most rewarding experience. Four sections make up the collection. Part I offers several short readings as the most accessible entry point into Old Javanese. Part II contains two moralistic fables from an Old Javanese retelling of the Hindu Pañcatantra cycle. Part III takes up the epic, providing excerpts from one of the books of the Old Javanese retelling of the Mahābhārata. Part IV offers excerpts from two chronicles, the generic conventions of which challenge received notions of history writing because of their supernaturalism and folkloric elements. Includes introduction, glossary, and notes.

Shri Sai Satcharita Penguin

Now the Netflix Limited Series Unbelievable, starring Toni Collette, Merritt Wever, and Kaitlyn Dever

• Two Pulitzer Prize-winning journalists tell the riveting true crime story of a teenager charged with lying about having been raped—and the detectives who followed a winding path to arrive at the truth. “Gripping . . . [with a] John Grisham-worthy twist.”—Emily Bazelon, New York Times Book Review (Editors’ Choice) On August 11, 2008, eighteen-year-old Marie reported that a masked man broke into her apartment near Seattle, Washington, and raped her. Within days police and even those closest to Marie became suspicious of her story. The police swiftly pivoted and began investigating Marie. Confronted with inconsistencies in her story and the doubts of others, Marie broke down and said her story was a lie—a bid for attention. Police charged Marie with false reporting, and she was branded a liar. More than two years later, Colorado detective Stacy Galbraith was assigned to investigate a case of sexual assault. Describing the crime to her husband that night, Galbraith learned that the case bore an eerie resemblance to a rape that had taken place months earlier in a nearby town. She joined forces with the detective on that case, Edna Hendershot, and the two soon discovered they were dealing with a serial rapist: a man who photographed his victims, threatening to release the images online, and whose calculated steps to erase all physical evidence suggested he might be a soldier or a cop. Through meticulous police work the detectives would eventually connect the rapist to other attacks in Colorado—and beyond. Based on investigative files and extensive interviews with the principals, Unbelievable is a serpentine tale of doubt, lies, and a hunt for justice, unveiling the disturbing truth of how sexual assault is investigated today—and the long history of skepticism toward rape victims. Previously published as A False Report

The Heart of the Buddha's Teaching Legare Street Press

Life is unpredictable and full of challenges. One wrong step and everything can come crashing down. In such a scenario, one often wishes for a roadmap of life, but how is that possible? Bestselling author Radhakrishnan Pillai's much-anticipated book, Chanakya in Daily Life, will help you navigate the rough seas of life and stay on course. Covering all aspects of life from the personal to the professional, it will tell you everything from how to begin your day to how to end it, how to choose the right job, stay financially secure, have a happy married life, raise your children the right way, achieve the perfect work-life balance and much more. Like always, Pillai decodes and simplifies the visionary king-maker Chanakya's teachings from the Arthashastra and Chanakya Niti to provide solutions for any problem that might crop up in any aspect of your life. Thus, Chanakya in Daily Life is the perfect guru who expects only one thing from the shishya—a willingness to learn.

A Panorama of Indian Dances Franklin Classics

Hatha Yoga Pradipika is among the most influential surviving texts on hatha yoga. The text describes asanas, purifying practices, shatkarma, mudras, finger and hand positions, bandhas, locks, and pranayama, breath exercises. The book explains the purpose of Hatha Yoga, the awakening of subtle energy kundalini, advancement to Raja Yoga, and the experience of deep meditative absorption known as samadhi.

Sanatana Dharma Double 9 Booksllp

NATIONAL BESTSELLER • The award-winning author of We Should All Be Feminists and Americanah gives us this powerful statement about feminism today—written as a letter to a friend. A few years ago, Chimamanda Ngozi Adichie received a letter from a childhood friend, a new mother who wanted to know how to raise her baby girl to be a feminist. Dear Ijeawele is Adichie's letter of response: fifteen invaluable suggestions—direct, wryly funny, and perceptive—for how to empower a daughter to become a strong, independent woman. Filled with compassionate guidance and advice, it gets right to the heart of sexual politics in the twenty-first century, and starts a new and urgently needed conversation about what it really means to be a woman today.
